Chapter 2476

Elliot took Hayden back to the presidential suite, sent him to rest in the room, and returned to his bedroom contentedly.

He took the initiative to send a video call to Avery to express his inner feelings.

“Avery, Hayden had dinner and went to rest.”

Avery: “Are you two okay?”

“Very good.” Elliot had a warm and kind smile on his face, “Avery, you called Hayden and said. Those words were effective.

Although his attitude towards me this time cannot be said to have changed a hundred and eighty degrees, but there is a ninety degree.”

Avery looked at the relaxed smile on his face, and she was also relieved, and nervously said: ” I called Hayden, did you hear me?”

Elliot: “My son turned on the speaker mode.”

Avery: “...”

If Avery remembered correctly, she seemed to have spoken ill of Elliot in front of her son!

“Don’t worry, I didn’t take what you said to me to heart.” Seeing her expression freeze, Elliot took the initiative to say, “You’re right. I was exactly what you said before, but I will change it in the future. Now My son is here, and I will definitely not let my head get hot.”

“Husband, I’m really happy that you think so.” Avery felt relieved, “What’s the situation with you now? What are you going to do next?”

Elliot: “I’ve been here for the past few days, but I haven’t met the third brother Nick. The third brother asked me to meet, but I haven’t agreed yet. But I can’t stay locked in the hotel all the time.”

“Elliot, the murderer of the case of Jobin family may be around.”

“Do you think I didn’t suspect them? Before Kyrie died, they refused to accept Kyrie. Rebecca killed Kyrie, letting them suppress their ambitions in their hearts.”

Avery: “They wiped out the Jobin family for the sake of the Jobin family’s property. If you want them to spit out the property that

they have already obtained, they are definitely not willing. Maybe they will hurt you just like they did when they wiped out the Jobin family. Elliot, don't think that if you call them brothers and sisters, they won't have evil intentions. Including the third brother Nick, you can't be trusted."

Elliot: "Aren't you and the third brother on good terms?"

"What's the matter? If something happens and they really did it together, then they are my enemies." Avery said, "If it weren't for them, my daughter would not be displaced. Now that Gloria Wiens is dead, I don't know where my daughter has gone."

"Avery, New Year today, don't be too sad. I will have a good talk with them to see if they know Haze's whereabouts. Haze is my daughter, they definitely dare not..."

"They all wiped out the Jobin family, If it wasn't for Haze's fate, I'm afraid she would have been murdered by them. Why are you so optimistic? You still treat them as brothers?" Avery just thought of these people disregarding human life for money, and her heart was filled with fire.

“No. I’ll tell you when I know the details. Don’t be angry yet. Have you had the reunion dinner?” Elliot changed the subject to a lighter one, “Gifts for the children in G-Temple Have you gone?”

“Sent it. The driver and the bodyguard sent it in the morning.” Avery let her mood relax as much as possible, “I went to play with the children, you go to rest! In case of any situation, you must first tell me soon.”

Elliot: “Okay.”

The next morning, Elliot received a call from Nick, asking him and Hayden to visit his house.

Nick: “Elliot, you’ve been staying in the hotel these days, don’t you feel bored? Bring your son, I haven’t seen him for a long time.”

“Is my every move under your surveillance?” Elliot asked.

Elliot didn’t tell Nick about Hayden’s coming to Yonroeville.

“You guys ate at the restaurant with such a high profile last night, and you still need me to monitor? Hahaha!”

Nick laughed, “You stayed in the hotel these two days, did your wife tell you?”

Elliot: “Third brother, didn’t Avery call you?”

“You guessed it?” Nick picked up the coffee cup, took a sip of coffee, and said calmly, “After you came, she called me. Your wife’s temper that was more urgent than you.” “What did she say?” Elliot asked curiously.
