Chapter 2479

“Oh, Hayden has grown so big!” The second brother looked at Hayden, his eyes full of laughter, “Hayden, your height is almost as tall as your dad’s!”

“This growth rate is indeed a bit fast!” Nick sighed, “The last time I saw Hayden, she was much younger than now.”

The fourth brother said, “Elliot, is your daughter this tall too? She’s even taller than me!”

“My daughter is a little shorter.” Elliot added, “But it’s taller than you.”

“Hahaha! Good genes! Elliot is tall, and Avery is not short.” Nick smiled and welcomed them into the house, “Did you buy these

gifts when you went shopping in the afternoon?”

Nick called Elliot in the afternoon and asked him to come over. He said he was shopping.

“Yeah. Hayden isn’t very familiar with this place, so I took him around.” Elliot and Hayden entered Nick’s house together.

After changing their shoes, everyone went to the dining room.

“You guys can stay here for a few more days! Come to my house tomorrow and I’ll entertain you.” The second brother brother enthusiastically.

“I have to discuss it with my son.” Elliot said.

“There’s nothing to discuss. You are a father and he is your son. Of course he has to listen to you.” The fourth brother opened his mouth.

Elliot: “Don’t say such things in front of my son. Our family is equal, and every one has to listen to others...”

“You have to listen to my mother.” Hayden broke the stage.

Others: “...”

Elliot: “Yeah.”

Others: “...”

Nick broke the awkward situation with a smile, and poured wine for everyone.

“Elliot, can you have some wine now?”

Elliot: “No. My wife won’t let me.”

The expressions on everyone’s faces froze.

“What’s the point of not drinking. Your wife isn’t here, so why bother with her!” The second brother showed disdain, “You’re so wife-afraid, you don’t look like a man.”

“Then do you think you look like a man?” Hayden asked.

“Of course I look like a man! I have the final say in our family! My wife doesn’t even dare fart in front of me!”

The second brother  
said proudly.

“It means that the wife you are looking for is not as good as you. What is there to be proud of?” Hayden hit the nail on the head,

“If your wife is better than you, see if you dare to fart in front of her.”

Second brother: “...”

Hayden was piercing his heart!

The fourth brother felt that Hayden was too rude, so he couldn’t help but said: “You think highly of your mother too much! If your mother divorces your father, your father will definitely find a better woman than your mother!”

“If my mother divorces Elliot, my mother will definitely find a better man.” Hayden was not in a hurry.

“You are too confident. Doesn’t your mother know how to do medicine?” The fourth brother retorted.

“My mother just saved Nick’s life.” Hayden interrupted him.

The fourth brother stopped talking immediately.

Nick laughed, and raised his wine glass: “As long as Elliot thinks it’s good, don’t talk nonsense. Let’s drink.”

Elliot picked up the chopsticks, turned the dishes on the table, and said to Hayden, “You can eat whatever you want. Don’t be restrained.”

Hayden had no appetite, so he said: “Let’s talk about business! Stop haggling.”

The second, fourth, and Nick: “???”

Elliot didn’t expect Hayden to say such a word suddenly, because he didn’t mentally prepared, so suddenly a little nervous.

“What business are you talking about? You and your father are here today, besides eating and drinking, do you have other things to do?” The second brother asked knowingly.

Hayden: “You guys were the ones who did the Jobin family extermination case back then? I don’t care about the disputes between you. I just want to know the whereabouts of my sister Haze.”

The second, fourth, and Nick: “!!!”
