Chapter 2506

The big man: “Do you think we will believe your nonsense? Either pay back the money, or give us this bag!”

“Uncle, no. I bought this for the young master... Uncle, I am still working in Hogan family and Mrs. Hogan said to give me double salary. When I get my salary next month, I will give it all to you.” Siena put the shopping bag behind her back, “The money for my clothes is given by the young master. Not me really, I didn’t lie to you.”

“Which young master of the Hogan family would ask you to serve him? Don’t you know how ugly you are? You’re not the one who made up lies!” The big man got behind her and snatched the shopping bag from her hand.

“Uncle, if you don’t believe me, you can continue to follow me. I’m going to Hogan’s house soon. Master Hogan picked up a son and went home. Madam doesn’t like the new young master, so let me serve the new young master.” Siena begged, “Uncle, I

can't lose this job. If I lose this job, I won't be able to pay back the money I owe you."

"Siena, when your mother-in-law died, she didn't leave you any money. Is there anything valuable?" The big man said

maliciously, "She has worked in the Hogan family for nearly ten years, how could she not have any valuable things? We lent you

money before because your mother-in-law is an old employee of the Hogan family. In order to save face...

Now that your

mother-in-law is dead, and you are so ugly, you will be kicked out by the Hogan family at any time with your appearance, we

can't just use your money for nothing, can we?"

Siena thought what the big man said that it made sense, but...she really has no money to pay off the debt now.

Siena: "Uncle, can you give me another month?"

"We can't do anything if we don't give up! We can't turn you into money either! If you are beautiful, it's okay, you can't even be

sold if you look like this!" The big man said with a look of disgust, and he was about to grab her schoolbag, "To

see if she has

anything valuable!"

“I don’t have...I don’t have anything valuable. My most valuable thing is my mobile phone. My mother-in-law bought it for me three years ago, and it cost more than a thousand dollars...now this mobile phone will definitely not sell for more than a thousand...” Siena watched her schoolbag being snatched away, as if all her privacy had been ripped open.

She wanted to ask passers-by for help, but she didn’t shout.

She owes them money and that’s why they’re bothering her.

After the big man unzipped her schoolbag, he poured out all the contents.

Seeing her books, stationery and some personal belongings being dumped on the ground, Siena burst into tears.

.....

Hogan family.

Master Hogan took his wife and daughter to the south for vacation.

The young master Esteban Hogan was left in the family.

Esteban usually spent less time at home. Basically, after going out every morning, he came home very late at night.

When Siena returned to Hogan's house, she saw Mr. Todd in the auxiliary building, and he and Lucas were talking about something. Before going out, Master Hogan told Mr. Todd in private that he wanted Mr. Todd to take good care of Lucas.

Anyway, Lucas was Master Hogan's own son, and Master Hogan must have had this son in his heart, otherwise he would not have taken him back.

When Lucas saw Siena approaching, his eyes immediately fell on her.

The light in her eyes seemed to disappear.

Mr. Todd followed Lucas's gaze and turned his head. Seeing Siena coming, he immediately walked up to her.

"Siena, I heard that you secretly delivered meals to Young Master in the past two days. You are quite clever. Madam doesn't like

Young Master, but Master has Young Master in his heart. You will take good care of Young Master in the future, and Master will

not treat you badly." Mr. Todd explained.

Siena: "Okay. I'll work hard."

"Yeah. You go down to the back kitchen to get the food and cook for the young master." After Mr. Todd explained, he walked out quickly.

When Mr. Todd left, Lucas closed the door.
Lucas glanced at the shopping bag in Siena's hand, and
then looked into her red eyes.
