

When His Eyes Opened

Chapter 2517

Chapter 2517

Elliot didn't forget that Eric had shown kindness to Avery years ago, and he didn't forget that his precious daughter once said that

he wanted to marry Eric, which was such a headache.

However, after he said he didn't want to go to Eric's concert, Avery and Layla didn't change their minds.

"How many tickets did Eric give you?" Elliot asked.

"He hasn't given the ticket to me yet! Maybe he gave it to Layla! He told Layla about this." Avery scrolled through the relevant

news, "It's been said on the Internet that Eric's concert tickets can't be won!

"Hunger marketing!" Elliot said lightly.

"Since you don't want to go, then don't force yourself.

It won't make you unhappy if you go." Avery

persuaded, "I don't know why

you are so hostile to Eric. Back then you didn't want

Eric to approach Layla, Eric never took the initiative to contact us again.

Over the years, I have not met Eric more than five times. It is estimated that Layla and Eric have met even less."

Elliot: "You have shown that I'm very malice to him?"

Avery: “Yes! I know that Eric is very handsome and has strong business ability, and he is especially attractive to women, which makes you very upset...”

“I’ll go with you. I’ll go and see How handsome Eric is now, how strong his business ability is, and how attractive he is to women.”

The corners of Elliot’s mouth curled up.

Avery: “Okay! Then I’ll tell Eric to leave us three tickets.”

Elliot: “How can three tickets be enough? There are so many people at the scene, no matter what you have to bring a bodyguard in.”

Avery: “Elliot, when the time comes there will be very strict security checks.”

“If you’re embarrassed to tell Eric, then I’ll tell him. If he doesn’t have the ability to give a few more tickets, I can go to the

organizer to get them.” Elliot said lightly, “I’ll take them myself, I can take as many as I want.”

“Elliot, can you restrain yourself? It’s his farewell concert. We’re here to support, not to smash the show. We don’t need so many seats, to give other fans the last chance to watch his performance Okay?”

“Honey, I’ll listen to you.” Elliot compromised, “How is Robert in Bridgedale? He didn’t send me a message.”

Avery: “He can’t play with his phone during the day.”

“Why?” Elliot frowned.

For the three children, because Layla was a daughter, Elliot loved her very much. Because Robert was the youngest, Elliot loved

Robert very much.

In fact, Elliot also wanted to spoil Hayden, but unfortunately he couldn’t.

On the one hand, Hayden was so capable that he didn’t need anyone’s favor at all. The second aspect was that Hayden had

been in Bridgedale, which was too far away.

“Robert is interested in repairing cars, so Hayden assigned him to a car after-sales factory. Hayden found a stricter master to

take Robert with him, and that master didn’t let Robert play with his mobile phone during the day.” Avery told Elliot this because

she was afraid that Elliot would feel bad.

“Car mechanic?!” Elliot’s temple twitched.

“It’s Robert who is interested in repairing cars.

Husband, don’t be too anxious. Repairing cars is good! In the future, if our car

breaks down, we don't need to send it to the work shop, we can just give it to Robert for repair." Avery comforted, "Besides, just because he's interested in repairing cars now doesn't mean he's still interested in repairing cars after graduating from college."

Elliot took a deep breath and rubbed the space between his brows with his fingers.

Second floor.

Layla came out of the shower in her bathrobe.

Wiping her wet hair with a towel in one hand, she walked to the bed and picked up her phone.

She turned on her phone and saw the message from Eric.

Eric sent her a whatsapp message of a man.

It was a detailed description of the man, including what TV series he had acted in, what variety shows he had participated in, and a simple family situation.

Layla: [...]

Was that the boyfriend Eric introduced to her?

Layla searched for information about that man on the Internet, and then replied to Eric: [This man is not as handsome as you! I don't like him.]

Eric: [Who is pleasing to you, I will ask for you.]
