

I'm A Quadrillionaire chapter 789

"David, I hate Walt and I hope everything bad in life happens to everyone in his family, but I didn't want you to get hurt. Even if you combine all the lives of the people in the Mosley family, they would not compare to a single hair on your head. I didn't want you to go to the Mosley family to avenge me, I didn't want you to be hurt for my sake, I just want you to be healthy, do you understand?" Pearl bawled.

David was stunned.

He would be lying if he said he was not moved.

He did not expect himself to have such an important place in Pearl's heart.

"Miss Pearl, stop crying, I get it," David whispered.

"You don't understand! If you understood, you wouldn't have done it and made me worry so much about you."

"Miss Pearl, this is just what you think in your heart, but do you know what I think in my heart? I won't allow anyone to treat you like that, no matter who he is or how powerful his background is, I won't allow him to bully you like that. I was confident in going against them this time, but even if I was not, I'd definitely make the Mosley family pay the price."

Now, it was Pearl's turn to be stunned.

She should be happy at this moment because David's words showed that she was also very important to him.

However, she could not stop her tears.

"David, I want to see you right now. I want to see you right this moment, right away! Wait for me!"

Pearl hung up the phone after speaking.

After she packed, she headed to the airport.

David was in the city closest to the Mosley family's estate in Falconia at this time.

He smiled bitterly as he listened to the doal tone on the phone.

He was about to go back to Somerland, so why was Miss Pearl coming here at this time?

'Forget it, I'll just wait for her.'

"Cough cough cough!"

After that, David coughed a few times.

This time, although the Mosley residence was severely damaged, the entire Mosley family also suffered heavy losses.

David.

However, Marlon was not weak either.

After all, he advanced to become a supreme powerhouse at peak God Rank decades ago.

Marlon found a weakness in David, which caused David to suffer a heavy blow and hurt his organs.

Although it was not too serious, it would also take a few days to recover.

That was why he did not return home yesterday.

David was a master in traditional medicine, so he knew his condition well. He should not move too much after he got hurt yesterday, and he needed to stay for another day.

After treatment last night, he felt much better, and he was ready to go back today.

However, Pearl learned what had happened and was coming.

Thus, David could only wait for Pearl to come.

In the afternoon.

Knock knock knock!

There was a knock on the door of the hotel room where David was staying.

He got up and went to open the door.

The moment he opened the door, David saw a pretty crying face.

Before he could respond, he smelled a sweet fragrance and his body was held tightly by Pearl.

David passively took a few steps back.

Then, he gently closed the door.

Pearl only hugged David tightly and did not speak. Meanwhile,

David also stayed silent tactfully.

After a few minutes, Pearl released David.

Then, she just looked at him quietly while David also looked back at the pretty face in front of him.
