Sore from the night before, she clumsily climbed down the stairs.

To his surprise, the sofa in the living room seating had been replaced.

The new sofa was upholstered in black leather, to not absorb liquids.

Janet blushed fiercely.

Brandon had just made breakfast and was setting the table when he saw Janet in the sofa.

He smiled and called her.

“It’s time for breakfast, darling.” “Oh, it’s fine” he said sheepishly.

“I’ll take you to the studio after” Brandon said as he put a piece of bread on the plate.

Still embarrassed, she nodded and said, “Okay, I’m going to finish my food quickly.” Brandon laughed heartily.

“I will wait for you.” Janet still didn’t feel comfortable until Brandon dropped her off at the door of her apartment building.

Offices.

It was the first time they had sex ever since  
Brandon lost his memory.

Unexpectedly, it came out perfectly fine.

It seemed that his memory loss did not affect his sexual  
compatibility at all.

“You could be late.” Brandon put his hand on the  
steering wheel and patiently reminded the stiff Janet.  
Janet immediately came to her senses and laughed  
embarrassed, ashamed.

Just when I was reaching doorknob, Brandon grabbed  
her arm and He pulled her into a passionate kiss.

The kiss lasted longer than expected.

Janet felt that was about to pass out when Brandon he  
finally released her.

“Relax, honey.

I am your husband, not a stranger.” Janet’s cheeks  
flushed furiously.

He pushed Brandon away and ran out of the car.  
hastily.

But before Janet entered the building, he met Elizabeth  
and Jorge.

Jorge seemed calmer than usual.

He smiled and nodded politely at Janet.

“Good days, Janet.”

Janet didn’t like it, but she responded in kind.  
same way.

“Hello”.

Could not avoid look at Elizabeth.

It seemed like he didn't take her advice seriously, since decided to stay with this miserable man.

Elizabeth felt a little guilty when she saw Janet.

He explained; “Jorge is much better now.

He... He even brought me to work.” Jorge scratched the back of his head and he smiled apologetically at Janet.

“I am sorry.

I was in a bad mood due to my withdrawals.

In As for what happened with Elizabeth, I asked her sincerely apologize.

I won't lose them again stirrups and I will definitely appreciate it from now on ahead.” Jorge's words sounded quite sincere, but

Janet's instinct told her not to trust the.

So he just nodded with coldly and then entered the study.

After saying goodbye to Jorge, Elizabeth trotted to catch up with her friend.

She explained: “Janet, I want to give Jorge another chance.

we had a good conversation that day, and Jorge He promised he would never hit me again.

Janet's heart sank.

it was unlikely that the domestic abuse would stop once started.

Jorge's promise did not seem contain the water.  
Janet was sincerely perplexed with Elizabeth.  
How could a woman who was always so insightful in  
his career to be so weak and hesitant in love? how could  
enjoy such a toxic  
relationship? "Do what you think is right.  
Only the one who usa knows where shoes hurt.  
I can give you my two cents, but at the end of the day,  
it's still your choice and your life." Janet gave Elizabeth  
a meaningful  
message.

I look and then walked towards the tea room to drink  
some water.

Janet listened absently to the water pouring out of the  
water dispenser.

His mind wandered so saw yesterday on his laptop and  
didn't notice realized that his glass was almost full.

"Watch out".

Suddenly, he heard a soft caveat. Stunned, Janet turned  
around to find that Draco was standing behind her.
