

Chapter 5146

Charlie nodded and said frankly: “You’re right, it’s impossible for the Warriors Den,”

“To come up with this kind of real antidote, and even if they could, they would never do it.”

Leroy subconsciously asked, “Then why are you

Charlie looked at him and laughed: “Because I’m not a special envoy at all,”

“And I’m not a member of the Warriors Den, but an enemy of the Warriors Den!”

Leroy was shocked and said offhandedly, “This how is this possible

After saying that, he couldn’t help but look at the envoy standing on both sides as well as the envoy’s personal guards,

And couldn’t help but ask Charlie: “Could it be that they are all your people as well?!”

Charlie waved his hand: “They are not, I came here by myself tonight,”

“They are just controlled by me with a psychological suggestion.”

After saying that, he said to Leroy: “By the way, I came today and brought several thousand antidotes that can completely release the toxins in your bodies,”

“Which can completely free all your Cavalry guards and all your dead soldiers,”

“From the grip of the severe poison in the bodies.”

“In addition, I have heard what you just talked to them in the next room,”

“Although courage is commendable, but the strategy is still a little short!”

“If you people choose to stay here and hold on to this copper mine,”

“It’s only a matter of time before the Warriors Den will attack and kill all of you,”

“If you people escape, then the Warriors Den will definitely kill you one by one,”

“Without leaving any future problems, it’s also just a matter of time!

“Only, the latter lingered a little longer than the former.”

Leroy was silent for a moment, looked at Charlie, and opened his mouth to ask:

“Then I dare to ask, you came here today with the antidote, can you give us people a third choice?!”

“Of course!” Charlie looked at him, nodded approvingly, and said aloud,

“I came here today to do three things! One is to control the special envoy,”

“As well as the envoy here without bloodshed, as you can see, which I have already done.”

Saying that Charlie gave a slight beating and continued,

“As for the second thing, it is to remove all the toxins from all of you without the Warriors Den noticing,”

“But the premise is that none of you can escape and must stay here to cooperate with me,”

“And follow my orders anytime and anywhere.”

“And the third thing is for you all to stay here and cooperate with me both inside,”

“And outside after the poison is removed, in preparation for the complete annihilation of the Warriors Den!”

Leroy frowned, then said with a serious face: “Since you want to be the enemy of the Warriors Den,”

“You and we have a common enemy, are our comrades, and you are willing to lift the poison in our bodies,”

“Then you are our benefactor, as long as you can no longer control us like the Warriors Den,”

“I, Leroy Li, am willing to follow your lead!”

Charlie blandly said: “Since I brought the antidote that can completely lift the poison in your bodies,”

“I naturally won’t use such underhanded means to control you to work for me as the Warriors Den did.”

“What I need is for you to work together with me as comrades in arms to uproot the Warriors Den,”

“And I promise you that after the Warriors Den is eradicated, all of you will be completely free,”

“At that time, where you want to go and what you want to do is your freedom,”

“And I, Charlie Wade, will never interfere!”

Hearing these words, Leroy’s whole body was already a bit excited!

Charlie’s words unleashed three huge surprises for him.

The first surprise was that they could all be completely relieved of the poison in their bodies,”

“And would no longer be shackled by it for the rest of their lives!

The second surprise was that Charlie shared a common goal with them,

Which was to eradicate the Warriors Den, originally he never thought he was capable of uprooting the Warriors Den,

But Charlie’s profoundness made him subconsciously feel that by following Charlie,

The chances of success would be infinitely greater!

As for the third surprise, it was the promise of freedom that Charlie gave him!

This was the key to changing the miserable fate of these people for hundreds of years!

All of their ancestors, all of them longed for a free body.

But after so many years, countless people gave their lives for the Warriors Den,

And were even killed by the organization itself, but none of them gained freedom in the true sense.

Some of the guards and their “scholar” descendants have indeed gained relative freedom by working for the Warriors Den,

But as long as the poison remains intact, freedom remains firmly in the hands of the Warriors Den.

A bird in a cage has no freedom, and a parrot with a chain around its ankle has no freedom either.

Therefore, the latter kind of conditional freedom has also been Leroy disliked.

If he had the chance, he would be more willing to fight to the death against the Warriors Den,

Even if he died in the end, it would be a good death.

However, although he had such a mind, he was not a reckless man,

And he knew very well that if he just went against the Warriors Den regardless of everything,

It would basically be to send him to his death for nothing.

Until a few minutes ago, Charlie’s antidote, let him ignite the confidence to fight to the death.

And after Charlie said his true purpose, his confidence is a few points more points up!

At this thought, without thinking, he knelt down on one knee,

Clasped his hands together, and said devoutly, "If you can keep your promise,"

"I, Leroy Li, swear by the name of all my ancestors that I will follow you until the Warriors Den completely disappears from this world!"

Then he suddenly changed his mind and said, "No! I will follow you to the end of my life and serve you,"

"As long as you can give my descendants freedom, I will be able to smile and have no regrets in this life!"

Charlie nodded and said indifferently, "I will naturally keep my promise,"

"Not only to you but also to all the dead soldiers and Cavalry Guards who are controlled by the Warriors Den.
