

Chapter 5165

“Enjoying the sunrise?!”

Thirty-nine zero stunned, and at the same time full of excitement asked:

“Sir is this really happening?!”

Charlie nodded: “I just said, in the future, I will make sure that the dead soldiers,”

“Can take turns to go to the ground at any time of the day,”

“Right now this first time, prioritize those children who have never seen the sun, moon, and stars.”

Thirty-nine zero was excited, but suddenly remembered something and asked Charlie:

“Sir, at this time it is still dark outside?”

“Yes.” Charlie said, “In another half hour, it will be light.”

Thirty-nine Zero looked at the dense lights on the ceiling and sighed,

“It seems that our day and night inside are diametrically opposed to the outside.”

Charlie smiled faintly: "They don't want you to calculate the dates in real life,"

"So naturally they will invert and distort the time in here with reality."

After saying that, Charlie added: "But you don't have to worry,"

"From today onwards, the day and night here will be the same as outside,"

"I will have someone prepare clocks for you,"

"And from now on your dates and times will be completely synchronized with real life."

Thirty-nine zero gratefully and respectfully said, "Thank you, sir!"

Charlie said, "By the way, there is another task for you."

Thirty-nine Zero said, "Sir, please give the orders!"

Charlie seriously said, "Starting tomorrow, you have to divide your people, into three groups,"

"The number of people in each group will be about a thousand,"

“And then from each group, select one hundred and thirty laborers to continue,”

“To participate in the daily production mining of copper mines.”

Saying that Charlie turned around and said to Leroy,

The Cavalry guard who was following behind him,

“For the sake of fairness, for the Cavalry guard, it is also the same,”

“Let the three banners within the left center and right select about twenty laborers each,”

“And participate in the work together with the laborers selected by the dead soldiers.”

Leroy said without thinking, “Sir, don’t worry, I will do it later!”

Charlie instructed again, “The work adopts an eight-hour time period,”

“Three-shift work system with one-off, so this requires that when the internal people are selected,”

“At least one more shift has to be selected so that the shifts within each group are rotated,”

“To ensure that everyone gets a good rest.”

“No problem!” Leroy said, “The production scale of this copper mine is not that big,”

“There are only a hundred people who started working at the same time,”

“The dead soldiers and Cavalry guards combined are almost four thousand people,”

“It’s still easy to deal with this amount of work.”
