

Chapter 5136

Charlie pointed to the man standing motionless in the corridor inside the door and asked him, "What is he?"

Reverend said, "He is my second-in-command."

Charlie frowned and asked, "Your deputy, do you still have to meet your needs in that area normally?"

Reverend replied, "He wanted to join the Battalion, but to join the Battalion,"

"He needed a recommendation from someone who had been trained in the Battalion,"

"So that's why I used that as a condition and asked him to satisfy my"

Charlie stretched out a hand to interrupt him,

"All right, you don't have to say anything."

Reverend immediately closed his mouth.

Charlie then asked, "In a moment, do you have any way to let me mix with you into the copper mine?"

Reverend said without thinking, "This is simple, you just need to wrap up in a black robe with me."

"Black robe?"

"Right." Reverend stood up, took off two black robes from the hanger behind the door, and said to him:

"Because I am a special envoy, my true face, only my superiors and my deputies can see,"

"In front of the rest of the organization, I am wrapped in robes to not let anyone see any features."

Charlie nodded and asked, "The head of the Cyprus Copper Mine, has he seen your true face?"

"No." Reverend shook his head and said, "If you want to go in,"

"Later you just need to disembark the ship wrapped in black robes like me,"

"And after we disembark, the Cavalry Guards of the copper mine will pick us up."

Charlie asked again, "Then when will you return?"

"Tomorrow." Reverend said, "After the ship docks, the Cavalry Guards on this ship will gather all the crew members into the engine room and not allow them to see the outside world,"

"Then the Cavalry Guards of the copper mine will start unloading,"

"After unloading all the supplies, they will also start loading the copper ore,"

"And after it's full tomorrow morning, we will depart back."

Charlie asked him, "What about you?"

Reverend explained, "I will stay at the copper mine tonight,"

"Supervise the Cavalry Guards to take their medicine,"

"And then supervise the dead soldiers to take their medicine,"

"After making sure that everyone is taking their medicine properly, it will be almost dawn."

"Good." Charlie nodded and said, "Then I'll go in with you!"

After saying that, he asked, "Where is the antidote you brought?"

Reverend pointed to the closet in the corner of the room and said,

"The antidote is in the cabinet."

Charlie nodded and said, "Take it out for me."

"Okay!" Reverend immediately went to the closet,

Carried out a heavy backpack from it, and placed it in front of Charlie.

Charlie opened the backpack and found that it was packed in four square boxes like chalk boxes, with more than thirty boxes.

He took out one box from it and found that the top lid of the box had a circular emblem printed with fire lacquer,

The emblem pattern was very complicated,

And one could vaguely see that the totem as a whole presented a "WD" character.

He directly opened the box, and found that the inside is as thick and thin length of the index finger,

With kraft paper rolled out of the cylinder.

And the cylinder of the upper and lower two seals, also have a fire lacquer seal.

He tore the kraft paper and saw ten small pills wrapped in it.

He put the pills under his nose and sniffed them,

And found that the antidote was similar to the antidote he had configured.

The antidote configured by himself, the vast majority of which are some nourishing ordinary herbs,

The real detoxification effect is only a very small part.

And this antidote is the same.

Most herbs are effective in strengthening the body,

While the part that really works is a composition that has been refined by a special method.

Charlie immediately recognized that this ingredient contained an extremely small amount of spiritual qi,

Although it was only minimal, he could still clearly sense the presence of spiritual qi.

This made his expression awe-inspiring,

It seems that the person who refined this antidote, like himself, can grasp spiritual qi!
