

When His Eyes Opened

Chapter 2527

□ □ □

Chapter 2527

When she was a teenager, she said she wanted to marry Eric, but her mother stopped her. She didn't think too much, because

she was young and a little heartless.

Unexpectedly, she and Eric hadn't had much contact these years, but this idea popped up again.

While waiting for the red light, she was in a trance.

After the red light turned green, a series of whistles sounded behind her, which made her withdraw her mind.

She kicked the accelerator and drove the car back.

She needed to talk to her mother.

Every time she encountered something that she was unhappy but couldn't digest, she always told her mother.

Although she was almost 25 years old now, she would always be a baby who would never grow up in front of her mother.

Foster family.

Avery received the concert tickets from Eric today.

Eric sent six tickets and sent her a message, saying that if there were not enough tickets, he could continue to send them.

Avery felt that six cards were enough.

After Layla came back, Avery immediately showed the tickets to her daughter.

“Mom, I have something to tell you.” Layla took her mother’s hand and walked to her room.

Seeing this, Elliot walked to the stairs: “Layla, what’s wrong with you? What’s wrong with you? You can also tell Dad.”

“Dad, I’m fine.” Layla didn’t dare to tell Dad about it. After Layla pulled her mother into her room, she closed the door.

“Layla, what’s the matter?” Avery looked at her daughter’s distressed expression, and immediately helped her to sit in a chair,

“Unsatisfactory at work? Or something else?”

“It’s not about work... If It’s about work, I’m sure I’ll go to Dad directly!” Layla held her mother’s hand in both hands and snorted,

“Mom, I confessed my love to Eric.”

Avery: “...”

Outside the door, Elliot put his ear to the door, trying to eavesdrop on the mother and daughter’s conversation.

However, the sound insulation of the door was so good that Elliot couldn’t hear anything.

“Mom, why don’t you talk? Did I do something wrong? Eric is 15 years older than me. Actually, I can’t accept a man of this age at all, but Eric is different.” Layla said in her heart, “Mom, I thought about it calmly. I like Eric. The first reason is that he is handsome, and the second reason is that he is really attractive. He is not only good at acting, singing and dancing, He is charming in everything he does. The third reason is that he is very kind to me. I remember that when I was young, I liked to cling to him. He also took me around, bought me delicious food, bought me beautiful clothes, and gave me all kinds of gifts.”

“Blame me and your father.” Avery said, “When you were young, your father and I often quarreled. I didn’t have time to take care of you and your brother. For a long time, your brother Hayden followed Uncle Mike, but you followed Eric.” “Mom, I didn’t blame you and Dad. Besides, I like Eric, is it really wrong? Otherwise, why would you blame yourself?” Layla was puzzled and opened her mouth.

“The age difference between you is too big. Mom doesn’t think it’s wrong for you to like Eric, but I’m just worried that you will

have many problems when you get together. Now I can't say a word or two." Avery was a little confused, "By the way, After you confessed your love to Eric, how did he reply to you?" "He rejected me! The rejection was super straightforward! He didn't say why he refused, just said no." Layla got angry when she said this, "Mom, He's never turned me down to anything. This is definitely the first time he's turned me down."

"Layla, don't get excited. Since he rejected you, he must have considered it carefully and thought you are not suitable." Avery patted her daughter on the shoulder.

"Mom, you clearly know why Eric refused so simply. He is so kind to me, and he must like me very much. The reason why he dare not agree is because he is afraid that you and Dad will disagree." Layla spoke her mind.

Avery: "Indeed, from the time I met Eric until now, he gave me the impression that he is a very humble and polite person. In fact, I like him very much."

"I don't think anyone dislikes him. He is really super attractive. His girls Fans call his husband on his Facebook every day. I want

to marry him, it's normal!" Layla said this, her cheeks flushed slightly, "Mom, do you support me?"

Avery was stunned for a moment: "Baby, what do you want to do?"

Layla: "I'll go after him!"

Avery: "Your father won't agree."
