Chapter 2558

During the concert, Eric asked Maggie to help him pretend to be his girlfriend.

Maggie readily agreed.

After making Layla give up, the two went back to their own homes and became friends again.

It's just that this matter was not told to the third person.

“You don't have to worry about me, people who chase me can line up outside my house to where I go to work.” Maggie laughed

to make Eric relax, “My plan is to wait until I'm forty before thinking about the big things in my life.”

Eric: “As long as you have a plan in mind.”

“I heard your tone seems to have thrown off a big burden!” Maggie teased.

“No. I'm definitely not a burden.” Eric immediately explained.

The two of them failed to go on a blind date many years ago, and they didn't even meet each other seriously.

But then one time, Eric went to Bridgedale to shoot a TV series, in which the heroine was a doctor, so the crew hired several

doctors in Bridgedale to guide them. Maggie was one of the doctors.

Although the two have never met before, they have never deleted their social friends.

After meeting with the crew, Maggie saw Eric at work, so she fell in love with him.

And Eric also took care of Maggie because of his previous fate with Maggie.

After going back and forth, the two became good friends.

“Maggie: Go and take care of the children! If you still need me to act with you, call me anytime.”

“This is too much trouble for you. You probably won’t need to act in the future.” Eric said. After all, Layla has completely ignored Eric.

“No trouble! I can be considered a small person in charge now, and my time is much freer than before.”

Maggie was very happy to help Eric.

The two of them had known each other for so many years, and this was the first time Eric asked Maggie for help.

And Maggie had asked Eric for a lot of help.

Many younger relatives knew that Maggie knew Eric, so they asked her to ask Eric for autographs and autographs of other

celebrities.

Every time Maggie asked Eric for help, Eric agreed.
