Chapter 2580

Eric looked at Avery's reply and fell into a deep entanglement.

Since he rejected Layla years ago, Layla had not contacted him again, nor had he contacted Layla. The two of them didn't see each other very often before, but occasionally they chatted on Whatsapp and liked things in Moments.

Now, the two of them were stranger than strangers. That feeling was very embarrassing.

He didn't want to continue being so embarrassing, so after thinking for a while, he sent a message to Layla: [Are you busy with work recently?]

Layla replied to the comments in Moments, and suddenly saw Eric's message pop up, and immediately opened the dialog box.

"Did he see my circle of friends?" Layla said to herself, and replied to Eric: [It's okay.]

After replying with two words, she immediately sent another message asking: [When will you and your girlfriend get married? I'm waiting to eat your wedding candy!]

This question stopped Eric from asking.

Layla questioned him again: [After you two get married, will you settle in Bridgedale or Aryadelle?]

Eric bit the bullet and replied: [There is no rush to get married. Do you plan to get along well with the person from Carinovelle

that you posted in your circle of friends? Carinovelle is a bit far away. You have to think carefully. Your parents are definitely not willing to let you marry so far away.]

Layla: [They say they don't care about me. Besides, the transportation is so convenient now, anyone can go anywhere quickly by plane.]

Eric: [I think your father seems reluctant.]

Layla: [Oh, you sent me a message just to tell me that my father is reluctant to marry me to Carinovelle?]

Eric: [...]

Layla: [Eric, you are so interesting. Every New Year, you will give me a New Year gift. For example, last year, you specially sent someone to give me and my brother a New Year's gift. This year, because I confessed my love to you, my and my brother's New Year's gifts are gone. Why didn't I realize you were so stingy before? Those who didn't know thought it was you who confessed

to me, but I rejected it!]

Eric: [What do you want, I will supply you and Robert.]

Layla: [Don't! It's as if I asked you for it.]

Eric: [Then I will make up for you next Spring Festival.]

Layla: [Whatever you want.]

Eric: [Regarding you finding a boyfriend, I suggest you listen more to your brother and your father. Neither of them will harm you.]

Layla: [Why don't you talk about my mother?]

Eric: [Doesn't your mother follow you in everything?]

Layla: [I like my mother like that. I used to like you, also because you are like my mother, everything follows me.]

Eric: [If you don't like to hear it, then I won't talk about it in the future.]

Layla put down her phone, feeling very blocked. For Eric to see, She sent a photo of the Prince of Carinovelle.

She wanted to see Eric's reaction.

Unexpectedly, Eric really reacted.

.....

Thopiavelle.

Siena made lunch and went to call Lucas for dinner.

But when she knocked on the door, there was no response. She tried to turn the doorknob, but the door was locked.

“Young Master, I’m sorry! Come out to eat! I know I talked to the second young master in the morning, you heard me. I apologize to you.”

There was still no movement in the room.

Siena took a deep breath and quickly walked out the door.

His room was on the first floor.

She could go to the window and see what he was doing in the room.
