Chapter 2594

When Avery saw Layla and the tall and handsome young man beside her, she immediately understood what would happen next.

Elliot also understood.

Daring Layla hadn't let go of Eric yet!

Layla actually brought a man there to show off in front of Eric.

Elliot hoped that he was thinking too much, otherwise this matter would be more difficult.

“Hey, what a coincidence!” Layla had the cheek to arrange Prince to sit next to Eric, and she sat down next to her mother, and

said, “I happened to be looking for a place to eat, and then I saw you outside the hotel door I'll come in.”

Layla pretended to meet them by chance.

Eric glanced at the blond man beside him, and saw that he was the prince that Layla posted on Moments before, and

immediately said politely: “Hello.”

The prince also greeted politely: “Hello. You are Eric, right? I know you.”

“Malcolm, my parents don’t know how to call you yet, please introduce yourself!” Layla said to Prince with a smile.

The prince nodded, and immediately introduced himself generously: “Uncle and aunt, Mr. Eric, hello.

My name is Malcolm, from royal family of Carinouvelle. I am 24 years old...”

Malcolm finished introducing himself. Layla immediately asked Avery in a low voice: “Mom, do you think he is more handsome than he looks in the photo?”

Avery said with a polite smile on her face, “Layla, eat.” “Oh...”

Elliot asked the waiter to bring over two sets of tableware.

After getting the tableware, Layla said to Malcolm:

“Don’t be restrained, my parents are very easy-going.

My Uncle Eric is more easy-going. You can call him Uncle Eric with me in the future.”

Malcolm listened and smiled: “Uncle Eric, hello.”

Eric said with an awkward but polite smile on his face,

“Hello. Try this restaurant’s signature dish, steamed flower crab. See if it suits your appetite.”

Eric calmly and generously introduced the dishes to Malcolm.

Malcolm wanted to move his chopsticks, but he noticed that Elliot had been staring at him, so he was a little embarrassed and

said, “Uncle, you eat first.”

Elliot: “I’m not hungry, you can eat!”

Avery said to Malcolm with a smile on her face: ” You have to try it! This crab is shelled, you can eat it directly. This is the sauce,

which tastes sweet. You can eat it with the sauce. If you like spicy food, you can also ask the waiter to add some spicy food. “

Avery handed the sauce to him and spoke enthusiastically.

“Auntie, I can eat both sweet and spicy. Then I won’t be polite.” Malcolm took the sauce, took a small piece of crab meat, dipped it in the sauce and put it in his mouth.

After eating, he immediately showed a satisfied look.

“How is it? Is the taste still acceptable?” Layla asked.

“Well, the taste is very fresh and not greasy.” Malcolm said, holding his chopsticks again.

“This sea cucumber dish is also good, and it’s also the signature dish of the store.” Layla recommended to

him, “You’re welcome,

eat whatever you want. If you don’t have enough dishes, you can order more.”

“Thank you! You are so enthusiastic, I’ll pay later.”  
Malcolm said sensibly.

“Hahaha! You came all the way, how can I let you pay the bill? With the elders around, you don’t rush to pay the bill.” Layla said,

and asked her mother, “Mom, is there anything interesting here? I plan to take him around later. But I found that I am not very familiar with this place.”

“Look at what Malcolm likes, and then see where to take him. Maybe he made a travel guide.” Avery originally wanted to chat with Eric, but after Layla and Malcolm came, Avery had forgotten what to say.

Moreover, with the two juniors around, it was not easy for Avery to chat with Eric.

“Okay! Then I’ll take him for a stroll later.” Layla took a few mouthfuls of food and found the atmosphere a bit weird.

Avery, Elliot, Eric, the three of them didn’t speak.

“Did we bother you?” Layla asked. “We’ll be leaving after dinner.”
