Chapter 2595

Elliot reminded again, “Did you bring bodyguards?”

Layla: “Dad, can I go home before 7 o’clock? I have to treat someone to dinner tonight! How come 6 o’clock is too late?”

Elliot was confused.

Eric said, “6 o’clock is indeed a bit early. 7 o’clock is not too late.”

Layla and Elliot looked at Eric one after another.

Eric was speaking for Layla.

Layla frowned: “You would be happy to see me dating other men?”

Eric said unhurriedly: “If you can find a good partner, I will be happy for you.”

Malcolm listened to Eric and didn’t even think about it: “Thank you, thank you! Uncle Eric, I will behave well.”

Eric looked at Malcolm: “You are only one of the 52 candidates. Sincerity is the most important thing, if you want to win Layla’s favor.”

Malcolm: “I understand. I like Aryadelle very much. When I was very young, my father came to work in Aryadelle. I have also

come here several times since then, and I like it very much. The climate in this country has four distinct seasons. It will not be cold and cold all the year round like in Carinovelle...” The implication of Malcolm’s words was the same as the amount of information Avery saw in the mailbox marked ‘may be married’ before. it’s the same.

Avery was reluctant to let Layla marry far away. If Malcolm could settle in Aryadelle, Avery would be very happy.

After Eric chatted with Malcolm for a while, Layla was full and put down the dishes.

“Malcolm, let’s go!” Layla originally brought Malcolm to anger Eric, but Eric actually chatted with Malcolm so speculatively.

When Malcolm put down the bowls and chopsticks, he did not forget to exchange contact information with Eric.

Layla watched the two of them exchange contact information, trying to maintain a calm face, but her eyes had betrayed her heart.

Avery couldn’t help laughing seeing Layla so awkward. After Layla took Malcolm away, Avery changed the subject: “Eric, are you nervous about going to the school to report next

Monday? Will you be secretly photographed by students during class?”

“I’m already mentally prepared.” Eric said and then asked the waiter to take away the tableware for Layla and Malcolm on the table.

“How long do you plan to be a teacher? How many years have you signed the contract?” Avery asked.

Eric: “Signed for two years.”

“Is there a salary?” Avery asked with a smile.

“Yes. I said it’s fine to pay the salary of an ordinary music teacher, but the school insists on paying the salary of a professor.” Eric

blushed, “If you want to see it, I’ll show you when I get paid.”

“Haha Okay!”

Elliot was a little jealous seeing the two of them chatting so happily.

“Are you both very optimistic about Malcolm?” Elliot ended their topic and changed it to something he could talk to.

Avery: “I think Malcolm is pretty good. My first impression is that he’s quite simple.”

Eric: “I also think he’s not bad. His looks, temperament, and manners are all okay.”

Elliot: “Why didn’t I see him? How good is it?”

Avery: “Husband, Layla is clearly not interested in him, if she were really interested in him, she wouldn’t bring him here.”

Elliot: “You mean, Layla still wants to marry Eric?”

Avery and Eric were speechless.

Eric has tried his best to avoid the center of the storm, so why is he still being targeted?
