

When His Eyes Opened Chapter 2609

Chapter 2609

After Lilly heard this, she immediately ran towards the gate of the backyard.

Mara was about to catch up with Lilly, but now Lilly ran away again.

“Mom! Hurry up! My sister has already run away!” Maria said anxiously to the unhurried mother behind her.

Shea’s temperament was more gentle, and Maria was more like her.

“Let’s go sit and have a rest in the monastery, your sister will come to see us later.” Shea walked in front of Maria and spoke calmly.

“No! You accompany me to find my sister. I’m going to see what my sister’s good friend looks like.” Maria dragged her mother to the backyard gate.

Back mountain.

After Siena chatted with Mrs. Jimenez for half an hour, Mrs. Jimenez suddenly remembered something.

“Lilly called me last night and said she would come to see me today. If you don’t want to see her, I won’t let you have lunch.” Mrs. Jimenez was too afraid of Siena’s embarrassment.

Siena froze for a moment, a little at a loss.

Was it such a coincidence?

After thinking briefly, Siena decided to go down the mountain.

The purpose of her trip had been achieved, and she had no regrets in her heart.

Just as she was saying goodbye to Master Jimenez, Lilly screamed, “Siena! I’m Lilly!”

Lilly had long legs, and ran to them in two or three steps.

Siena: “...”

Lilly recognized Lilly quickly.

Siena’s hair was as white as snow, and she liked to wear white clothes.

For example, now, her hair at the temples was pulled back, and the white hair on her back was spread out smoothly. She was wearing a long white dress, and she was very beautiful.

Siena's footsteps stayed in place. She wanted to go, but couldn't.

She wanted to see and chat with Lilly.

"Siena! It's really you! Why haven't you called me! Aren't you going to take my auntie's phone?"

Avery originally regarded Lilly as a goddaughter, but later Lilly went to live in Shea's house, and together with Lilly called Avery auntie and Elliot uncle.

"My auntie is Avery, did you lose her number?" Seeing Siena's eyes drooping and not speaking, Lilly continued, "Anyway, I'm so happy to see you today! "You are as cute as you were when you were a child!"

Lilly said happily, and gave Siena a big hug.

Siena's heart softened at this moment.

Lilly was indeed as kind and enthusiastic as she was when she was a child.

Any suspicion seemed foolish in front of her.

Lilly asked, "Siena, how are you doing now? Where's your mother-in-law? She..."

"Lily, Siena's mother-in-law, died last year." Mrs. Jimenez reminded, "She is now living in Thopiaville. She has been admitted to a very good university. This time, she came to visit me during the summer vacation."

"Oh..." Lilly held Siena's hand tightly and said, "Siena, since you are here, you can go to my house to play! Summer vacation is still in its early stages! Can you spend more time with me? We're still like when we were kids... When we were kids, we said we'd be best friends forever."

Lilly was older than Siena, so she remembered a little more than Siena.

Just as Siena was thinking about how to refuse, Shea and Maria walked over.

"Lilly, is this your good friend Siena?" Shea walked to Lilly and looked at Siena.

Siena looked very white, and had beautiful facial features. Shea felt an inexplicable sense of familiarity.

It seemed like Shea had seen Siena somewhere before.

“Mom, I want to invite Siena to our house for a while, is that okay?” Lilly immediately told Shea her thoughts.

“Okay! You haven’t seen each other for so many years, now that we meet, it’s fate.” Shea said, taking the hand of Siena, “Siena, I welcome you to visit our house very much.”

Siena looked at Shea, and her heart became more entangled.
