Chapter 2619

Robert nodded obediently, staring blankly at his mother's back.

With a "whoosh", Elliot got up from the sofa and chased after Avery.

"Honey, why are you going back to Aryadelle suddenly? What happened?" Elliot caught up with Avery, and reached out to grab her arm.

Robert wanted to know his mother's answer, so he followed immediately, trying to eavesdrop.

"Look at this." Avery showed Elliot the photo that Wesley had sent her.

Robert stood at the stairs, watching his parents staring at their mobile phones... It's a pity that he was far away and couldn't see anything clearly.

"What are you looking at? Can you show me?" Robert wanted to follow upstairs.

As a result... the parents who always called him baby seemed to have not heard his voice at all.

The two of them didn't even slow down their pace, and went straight to the second floor.

Robert was shocked!

He immediately took out his mobile phone and called his brother Hayden: "Brother, my parents are going back to Aryadelle today, let me take them to the airport later. Do you know about this?"

"Know?" Hayden's answer made Robert freeze.

Robert: "Mom told you?"

"Yeah."

Robert: "Why are they going back to Aryadelle? Is it because I made them angry? The morning is fine... and I said that we will go surfing together for a few days!"

"Don't take yourself too seriously. It has nothing to do with you when they return to Aryadelle." Hayden was kind of giving Robert a vaccination.

Robert had always been the youngest child in the family, so everyone was very tolerant of him.

"Oh, that's good. I thought they were mad at me."

Robert exhaled.

"Father may be angry, but mother will definitely not."

Hayden said, and changed the subject, "Maybe Dad will not be angry soon.

No one cares about what you like to do in the future."

Robert was stunned and terrified: "Brother! Are you telling the truth? Why can I do whatever I want, why no one cares about me

anymore?! Could it be...they finally found out that I am not their real son?!”

After Robert expressed his conjecture, he felt that all the strength in his body was drained, as if he was about to pass out in the next second!

“Robert, have you watched too many TV shows and become a brainless person? If I tell you any more, I feel like I’m going to be infected by you. Goodbye.” Hayden finished cursing and hung up the phone.

Robert: “...”

The second floor.

Avery packed her luggage, while Elliot took Avery’s phone and looked at Siena’s photos.

He just stared at the girl in the photo quietly, his eyes gradually mourning.

“Husband, do you also think she is our daughter?”

Avery quickly packed her luggage, looked at the time, and could stay at home

for half an hour, so she walked up to Elliot and sat down, “At first we suspected that she was Haze, but she was taken away from under our noses like this!”

“Fortunately, she looks very healthy and lively. Wesley said that she came to G-Temple to see the Teacher who raised her ...It

shows that she is well-educated and knows how to be grateful. She should have been well-educated in these years.” Avery said

gratefully, “We have returned to Aryadelle. If the results of the appraisal have not yet come out, don’t bother her first. Wesley said

She has a more restrained and cautious personality, and she must have had a hard life in the past few years.”

When Avery finished speaking, Elliot’s tears fell. He had not shed tears for many years.

Seeing this scene, Avery immediately hugged Elliot, and gently wiped away the tears from the corners of his eyes with her fingers.

Avery: “Husband, don’t cry. If she is our Haze, we will double compensate her in the future, and she will definitely forgive us.”
