**Novel Married at First Sight Chapter 1793** -Zachary asked: "Didn't something happen?"

Serenity looked at him and asked back, "Why do you think so?"

"When I return, you typically come out of the house as soon as you hear the car enter the villa, stand in front of it, and wait for me to get out while grinning. But Sam came out, and Sam didn't come out tonight. What happened? Are you angry with me? Zachary asked softly: "Serenity, tell me, did I do something wrong?"

Serenity didn't expect that because she didn't welcome him out, he guessed that something was wrong. Seeing that he was cautious, she seemed worried that he would anger her.

Always worried that she would be angry, worried that she would leave him in a fit of anger.

She put down her clothes, grabbed his face, kissed him on the lips, and said, "It's not your fault, you didn't do anything wrong, and I wasn't angry. When you came back, I was just thinking about something. I was too involved in thinking, so I didn't go out to pick you up."

Serenity took the initiative to lean into his arms, and put her arms around his waist, "Zachary, you are my man and only belong to me. If anyone else wants to love you, I won't let them.

Ms. Dawson, who likes you, is back. She wants to meet up with me and talk. I see it's getting late. I know that you'll be back soon, so I tell her no. When I'm free, let's talk about it."

Zachary heard Analia, his face darkened.

Serenity: "Don't be angry either."

Serenity, who knew him well, left his embrace, looked up at him, and gently touched his handsome face with his hands.

It was normal for analia to fall instantly in love with him!

"You are so good, it's normal for someone to like you, and I'm not afraid that a rival in love will appear from time to time, anyway, I believe your feelings for me will not change. If you come to a rival in love, I will destroy one, and you will have a pair. I will destroy a pair, and I will not hand you over to others, and I will not share your love with others."

Zachary: "Honey, Ms. Dawson's treatment of you is a one-off for a lifetime. It's hard for her to let go of her liking for you. Maybe Mr. Dawson can control her for a while, but not for the rest of her life."

Serenity: "Leave this matter to me, and accumulate some experience in dealing with rivals. In the days to come, there will definitely be more admirers of yours. If I have no experience in fighting the enemy, I will be easily defeated."

Zachary said: "I have everything."

Serenity smiled, "You don't need anything else; as long as you continue to be kind to me and support me, my happiness and your loyalty will be enough to drive away those admirers and force them to back down despite challenges."

"If they never give up and conspire behind the scenes, our main thing is to seize the evidence, and if there is evidence, we can do whatever we want. The third person who destroys other people's marriages will always be taught a lesson."

Having said that, Serenity thought of Jessica, and she said to Zachary: "You knew about that sc\*mbag Hank and Jessica."
