Novel Married at First Sight Chapter 1796 -In addition to being influenced by his parents, Kingston and some of his cousins all thought that the second uncle shouldn't train Analia to be his successor and that it would be best for him to take over the company in the long run. If Analia got married and her husband's family bullied her, he would also seek justice for Analia.

"I can go wherever I like. You don't need to worry about it. I come to meet friends, can't I come to travel? Brother, if you come to take me back, I advise you not to meddle in your own business." Analia said, and The bag was thrown by her on the sofa, and then she sat down on the sofa, ordering the maid: "Go, pour me a glass of water, I'm thirsty."

The maid hurriedly poured a glass of warm water for her.

Kingston had been waiting for quite a while, and the maid had already served her tea and snacks.

He also returned to the sofa and sat down, softened his tone, and said to Analia: "Analia, you can misunderstand elder brother however you want, but elder brother believes that second uncle did that for your own good, and elder brother is also for your own good."

Knowing why the second uncle didn't let Analia come to Wiltspoon, the second uncle must have done that for Analia's good.

The second uncle had only one child, Analia, and he loved Analia like a treasure. He was so spoiled, when did he force Analia?

Kingston guessed that his cousin might have caused trouble in Wiltspoon, so the second uncle didn't let Analia come to Wiltspoon again.

"Analia, where did you go just now? Who is your friend? You don't know anyone here."

After Analia drank a cup of warm water, she didn't want to quarrel with Kingston. This big brother was deeply relied on by his father.

Originally, Analia and Kingston had a good relationship, but when her father threatened her last time, saying that he could let Kingston take over the Dawson family, Analia began to target Kingston, regarding Kingston as her strongest opponent.

"In two days, I'll be back. Brother, please treat me as if I'm on vacation; I'm really just here to hang out with my buddies and won't do anything harmful." Analia pleaded with Kingston to assist her in keeping her visit to Wiltspoon a secret.

“Analia, the hands and eyes of the second uncle are up to the sky. Someone will tell the second uncle if I don’t tell him myself. You should go back with me now and clean up. If that happens, I won’t go with you to Wiltspoon. What do you have in mind?”

Kingston was also very careful, mostly because he was afraid Analia would cause a big accident that would affect the Dawson Group, which he wanted to take over and inherit.

“Brother! Are you going to spy on me?” Analia got angry and yelled at Kingston again.

“I’m not spying on you. I’m watching you for my second uncle. Analia, I’m not stupid. You must have caused trouble in Wiltspoon, otherwise my second uncle will not prohibit you from coming to Wiltspoon. No matter how much you hate me, I can’t let you mess around.”

Analia’s face was dark.

She came to Wiltspoon quietly, how could Kingston know about it?

If she didn’t listen to Kingston, Kingston would tell her father, and it would be very bad for her if her father got angry.
