Novel Chapter 1739 -The child held by Zachary should be Serenity's nephew.

It could be seen that Zachary really loved the little guy, which was the expression of love.

At the moment when Zachary brought Serenity in, Mr. Dawson had already thought a lot.

"Serenity, this is Mr. Dawson, Mr. Dawson, this is my wife, Serenity."

Zachary took Serenity to the table and introduced her and Mr. Dawson.

Mr. Dawson withdrew his thoughts, stood up, smiled and shook hands with Serenity. After that, he looked at the flowers and bags that the two bodyguards were holding.

As the distance got closer, Mr. Dawson could clearly see the logos on the outside of those bags. They were bags for a certain men's brand.

Mr. Dawson thought to himself: 'it must be the new clothes Serenity bought for Zachary and Zachary was here to show off'.

"Sister-in-law."

After Serenity and Mr. Dawson shook hands, Kevin called Serenity, and he also got up, stretched out his hand, hugged Sonny from the elder brother's hand, and said with a smile: "Sonny, it's been a while since I've seen you. Do you miss Uncle Kevin, Sonny?"

"No." Sonny said the truth.

He had very little contact with Kevin, and he didn't have any feelings for him. He really wouldn't think about an uncle who had no feelings for him and was like a stranger.

Even uncle's cousin.

Kevin: "...Sonny doesn't want uncle Kevin, but uncle Kevin misses you."

Sonny looked at Kevin who was holding him, and said seriously: "Uncle Kevin doesn't want Sonny either."

Kevin: "Uncle Kevin thinks about it."

Sonny: "If Uncle Kevin wanted Sonny, why would he never go to Sonny and take Sonny out to Play?"

Kevin was left speechless by Sonny's question.

Everyone was laughing.

Mr. Dawson praised: "Young Mistress, your nephew is really smart."

Serenity said modestly: "Mr. Dawson is over the top. Sonny is honest and only speaks the truth."

Everyone was laughing again.

After laughing, Zachary signaled the two bodyguards to put the bouquet and clothes on the empty chair next to Mr. Dawson.

Mr. Dawson looked at Zachary without knowing why, but he had a bad premonition in his heart.

"Mr. Dawson." Zachary said in a low voice.

Kevin looked at his elder brother without knowing why, and when he saw his elder brother speak, he pricked up his ears, for fear that he would miss it.

What was going on?

The bouquet and clothes that sister-in-law gave to elder brother, but elder brother asked the bodyguards to put them next to Mr. Dawson?

"Mr. Dawson, let me show you some pictures. I asked Josh to check them for me, and he sent them to me."

Zachary took out his mobile phone, clicked on WhatsApp, and showed the photos Josh sent him to Mr. Dawson.

After Mr. Dawson saw the photos, his expression was really indescribable.

"Mr. Dawson, You know I am married and I love my wife very much. In this life, there will only be one woman, my wife. I can't accommodate other women in my heart, and I have given up all my tenderness. I have a big family, and I can no longer share a single bit of it with other people.

Analia asked someone to give me these gifts, and please do me a favor, Mr. Dawson, to help me return these things to Analia."

The project that our two companies collaborated on and...
