

The normal process is that the current head and the successor of the head need to return to the Taizhen Dao Dojo together, and then hold a grand ceremony in front of the Taizhen Dao disciples, and also offer sacrifices to the Taizhen Dao ancestors, such a set of procedures After walking, the new head can officially succeed to the throne under the witness of everyone and the ancestors.

However, Hong Changqing wants to hug charlie's thigh in his dreams now, and he is really unwilling to go back to the United States to pass on the throne. What's more, he still has a small thought in his heart, that is, he must let charlie witness with his own eyes that he passed the position of head to Maxton.

Only in this way can charlie believe that he has no second thoughts about him.

That's why he called Maxton all the way from America.

Although Maxton didn't know what her master was planning, but out of respect for her master, she naturally didn't want to ask any more questions.

And it was precisely out of respect for Master that she didn't deliberately look at Master's cultivation.

If she took a closer look, she would find that her master's cultivation had already regressed to a four-star martial artist, which was one level behind her.

After the two left the airport, Hong Changqing stopped the car and went to Shangri-La.

Originally, he didn't live in Shangri-La, but after knowing charlie's identity, he hurried to Shangri-La to open a room, not for anything else, just to get a little closer to charlie, even if it was just a drop in the bucket, in his eyes It is also better than nothing.

After the two arrived at Shangri-La, Hong Changqing asked Maxton to check in, while he walked out of the hotel lobby and called charlie.

At this time, charlie had just returned to the urban area from the Champs Elysees Hot Spring Hotel. Seeing a call from Hong Changqing, he answered the call and asked, "Master Hong, do you have any advice for calling?"

Hong Changqing said in fear: "Master Wade, you are too serious. I don't have any advice from my subordinates. I just want to ask you for something..."

charlie said casually, "I'm short on time, so just tell me if you have anything."

Hong Changqing hurriedly said, "That's it. Master Wade, the eldest disciple of my subordinate has already arrived in Aurous Hill, and my subordinate intends to pass on the position of head of Taizhen Dao to this disciple tomorrow, I wonder if you have time, I would like to invite you to be a witness."

charlie chuckled lightly and said, "I'm not one of your too-true people. If you pass on your position, what kind of testimony do you ask me to do?"

Hong Changqing hurriedly said: "Master Wade, this subordinate has sworn to be loyal to you in the future. After the subordinate announces the position of the head of Taizhen Dao, he will officially withdraw from Taizhen Dao. He will only obey your orders in the future, so I hope you can come to witness ..."

charlie teased: "Master Hong, in my impression you seem to be very respectful of teachers, why are you suddenly leaving the school now?"

Hong Changqing felt a burst of heat on his face, embarrassing He laughed and said: "Master Wade... As the saying goes, a good bird chooses a tree and dies... The subordinates respect your strength and character very much. If you can be by your side, it will not only be a subordinate It's an honor for you, and it's also an honor for Taizhen Dao!"

charlie couldn't help laughing and said: "Master Hong, I didn't expect that your ability to flatter horses is much better than your martial arts cultivation, your words have made you Taizhen Dao for thousands of years The patriarchs who came here have all been sold out, so you are not afraid that they will find someone to settle accounts with you?"

Hong Changqing hurriedly said: "Master Wade, your strength is unmatched by the patriarchs of the Taizhen Tao. The "Taizhen Hunyuandao" that I talked about Taizhendao for the first time is just the beginning. This incident shocked my subordinates greatly, not to mention my subordinates. Under the door..."

charlie chuckled and said, "Okay, there's no need to talk about flattery, when do you plan to give up your position to your apprentice?" Hong Changqing blurted out: "

Of course, the sooner the better, it's up to Master Wade and you When will you be free?"

charlie thought for a while, and said, "Tomorrow morning, you can decide the location."

Hong Changqing hurriedly said: "Master Wade, let's go to the Champs Elysees Hot Spring Hotel! The last time my subordinates were confused, I was not lucky enough to go in, this time I hope you can give your subordinates a chance..."
