

For Hong Changqing, charlie really planned to take it for his own use.

Although his strength is not strong, the first chapter of "Taizhen Hunyuan Dao" he practiced is indeed the complete first chapter, and he has been practicing this chapter for so many years, so it is certain that , His understanding of the introduction to "Innocent Hunyuan Dao" must have surpassed his own.

Sometimes, the most powerful person may not be suitable to be a teacher. Even if a high-achieving student with a doctoral degree is asked to teach the first grade of elementary school, he may not know how to make the first grade students understand what he is talking about.

But if you ask a teacher who has taught elementary school students for decades to teach, then he must have rich experience and various unique insights and methods, and he can use the fastest speed to let these elementary school students quickly understand what he wants to tell. knowledge points.

In charlie's eyes, Hong Changqing is such a primary school teacher.

Moreover, he has been specializing in textbooks for the first grade of elementary school for decades, and he is an absolute senior authority and absolutely memorized.

With his decades of foundation, if I give him the textbooks for the second grade at that time, he will definitely be able to get familiar with them quickly.

Earlier, this old boy was a bit ignorant, and wanted to take advantage of the situation and run back to the United States. Naturally, charlie had to sharpen his dog temper. After he gave up the position of head, let him hang out for a few days, then You can slowly help him restore his cultivation and let him enter the state slowly.

At this time, Hong Changqing was also very clear that he had no other choice but to serve charlie wholeheartedly, so he couldn't wait to give up the position of head as soon as possible in front of charlie.

Since charlie has time tomorrow, he naturally didn't want to delay any more, so he quickly said, "Master Wade, in this case, let's go early tomorrow, what do you think at nine o'clock?"

"What to do earlier, ten o'clock, I'll sleep more."

Hong Changqing could only agree repeatedly, and said courteously, "Okay, okay, then ten o'clock! I'm at Shangri-La, waiting for you, Master Wade!"

...

the next day.

charlie waited for Claire to go to the company, and then drove out unhurriedly to Shangri-La.

When he arrived at Shangri-La, Hong Changqing's phone call happened to come, and he asked respectfully, "Master Wade, have you arrived yet?"

charlie hummed, "I'm already here, where are you on vacation?"

"8802!" Master Wade, go down and pick you up!"

"No need." charlie said casually, "I'll just go up by myself."

Hong Changqing laughed and said, "Master Wade, my subordinates have already entered the elevator, now come down!"

” The car was parked in the parking space next to the main entrance of the hotel. As soon as he entered the lobby, Hong Changqing came out quickly.

When he saw charlie, he said respectfully, “Master Wade, you are here, let’s go up!”

charlie nodded and asked him, “

Where’s your first disciple?” The disciples are on the top.”

“Okay.” charlie smiled slightly, “Then let’s go up too, just in time to witness the succession ceremony of the head of your Taizhen Tao.”

Hong Changqing nodded again and again, and said with a smile, “Our small sect has a sense of ritual. It’s not that strong, and I hope that Master Wade will not be disgusted with the shabby after seeing it.” “

That’s not true.” charlie said lightly, “The simpler the better, the more ritual sense, it will lose its original meaning.”

“Yes yes yes!” Hong Changqing nodded and bowed his waist and said, “Master Wade is right, there is really no need to make this kind of thing too grand.”
