I am a quadrillionaire chapter 1814–The two continued chatting for a while.

Then, there was a knock on the door.

Knock knock knock!

“Master, I’m here.”

“Come in!” Nova said.

Selena pushed the door open and entered.

As soon as she entered the room, she saw a familiar person

‘Amadi!’

It was the man who travelled with Celeste when she came to the Milky Way and brought her and others to Star Kingdom.

After they parted ways in Star Kingdom, she never saw him again.

Selena stepped forward, bowed, and greeted Nova, “Master!”

Then, she turned to Amadi.

“Hello, Master Amadi.”

“Hello, Miss Selena!” Amadi also responded politely.

“Selena, why are you looking for me? Have you encountered problems during your cultivation?” Noval asked.

“Master, I…”

Selena glanced at Amadi, hesitating to speak.

“It’s okay! Tell me. Amadi can be regarded as a semi-disciple in the Iridescent Sect anyway. Back then, his mother was one of the seven high priestesses of the previous batch, and you are one of the seven high priestesses of this batch.”

“Master, I want to know about David’s situation,” Selena said seriously.

“You already know about him?”

“Yes, I want to know what’s going on. Why is David wanted and where is he now? Is he in danger? Please tell me the truth, Master.”

“Sigh!”

Nova sighed. She did not tell Selena at first because she was afraid they would do something irrational.

However, she also knew that the women would find out sooner or later.

Fortunately, Amadi brought news from David.

“I don’t know exactly what’s going on as well. As for where David is now and whether he is in danger, let Amadi answer you. He came with a message from David.”

Selena immediately looked at Amadi when she heard that.

There was a hint of excitement in her eyes.

Finally, there was news from David.

What she was afraid of was David disappearing without a trace and she could not even see him for the

last time.

“Master Amadi, how is David now? Where is he? Is he safe?” Selena asked eagerly.

“Miss Selena, I don’t know where David is now, but I came here this time to pass on a message from him. He asked me to tell you not to worry about him. He is safe now. It won’t be long before he comes to pick you all up, so you have to trust him,” Amadi said.

“Really? He said he would pick us up? When?”

“He did say that he would, but as for when, I don’t know.”

“Why are they pursuing David?”

“You have to ask him this yourself.”

“What can we do to help David?”

“You should just stay in the Iridescent Sect and hide your relationship with David. This will be the greatest help to him.”

“Master Amadi, do you have David’s contact information?”

“Of course!”

“Can you share it with me? I want to ask him myself. The ladies and I are very worried about him,” Selena asked with a hint of expectation.

“Sure!” Amadi replied.

At the same time, he could not help but sigh in his heart.

‘What did David do to make so many outstanding women worry about him?’

Selena finally smiled when she heard Amadi’s affirmative answer.
