Chapter 1251 Creepy Laugh Beside the Bed

That figure appeared in front of Kisa again and stood in her way.

She backed off in fear. Then, she turned around and found out that the figure had not moved at all.

The chilly atmosphere gradually surrounded Kisa and her scalp tingled.

She stared at the two figures that looked exactly the same anxiously and asked in a shaky voice, "Who are you?"

Neither of the figures responded to her.

Instead, they started to get closer.

The figures approached her from both sides.

An identical figure would appear in front of her no matter which direction she ran in.

In the end, she was surrounded by several figures.

The longer Kisa looked at those women's long hair and unearthly appearances, the more creeped out she felt.

She folded her arms tightly around her body nervously. She turned around and shook her head desperately, begging them, "Don't come near me. Who are you? Get away from me..."

The figures seemed like spirits looking for revenge as they approached her slowly.

'Did this woman lose her memory or has she forgotten everything that happened since she's too tired?'

Kisa was the one who had hugged him as if he was a bolster as soon as he came back and slept on the bed last night.

Besides, she even opened her eyes drowsily and said, "You're back. I don't have to be scared now."

However, Gilbert could not figure out why Kisa asked him such a question.

'Did she experience a blackout, or did she mistake me for somebody else?'

'Ugh!' He suddenly felt angry at the thought.

Gilbert pursed his lips and walked toward her.

His face was stone-cold and his shirt was fully buttoned. It made him look harsh and indifferent.

"I came back around two last night and I woke up at seven this morning."

"Oh..." Kisa nodded. She could not help but shiver after reminding herself of that nightmare she just had.

Chapter 1253 Horrifying Words on the Mirror

Gilbert looked at the mirror subconsciously and found out that there was a huge "DIE" written in red on the mirror.

At first glance, it looked like it had been written in blood.

Kisa was so scared, that her face turned pale.

She took off her clothes and went to take a shower as soon as she got inside just now and did not notice what was on the mirror at all.

Her scalp tingled after she noticed it.

'Turns out I wasn't imagining things when I struggled and heard somebody laughing creepily beside me.

"It was real that somebody came into my room and wrote that on the mirror in the bathroom.

Chapter 1254 Somebody's Taking Revenge

Gilbert did not feel like explaining himself any further after seeing Kisa's emotionless face.
'Whatever. I can't control what she thinks. It's not the first time she's acted like this anyway.'
He did not wipe the word off the mirror because he wanted the Mullens to see it.
All the Mullens gathered at the living during noontime.
The sons of Mr. Mullen Sr. and their wives stood at different sides.
Arthur and Jane stood behind Mr. and Mrs. Mullen Sr.
All of their faces looked very serious, and the atmosphere felt extremely tense

"No... Don't say that. It's impossible for Anthony to do that. He just came back this morning, and how would he have the time to do it?"

Kisa stared at Anthony.

'Is it true that he only came back this morning? I have no idea if spent the night with Lea. What did he do to her?'

"Heh heh. Jane, you should just stop defending him. I'm sure Mrs. Kooper looked at him because she thinks that he's the one who did it." Carrie smiled coldly.

Lydia said, "It's got to be him. After all, none of us have a problem with Mrs. Kooper. There's no reason for us to do that."

Kisa looked away from him and said flatly, "It's not him."

Everybody was shocked by what Kisa said.

Anthony looked at her confusedly.

Kisa did not say that because she was trying to get Anthony out of trouble, but she really thought that he wasn't the culprit.

Chapter 1256 I'm Just Playing With Her

"You spent the entire night yesterday outside because of that cheap woman. Didn't you remember that it was my birthday?"

Mr. Mullen Sr. was clearly mad.

Anthony bowed his head down. He stood there without saying anything.

Jane quickly tried to defend him, "You're misunderstanding him. He wasn't with any cheap woman at all last night. He had something important to take care of."

Mr. Mullen Sr. scoffed and ignored Jane as he stared at Anthony with his sharp eyes.

Anthony clenched his fists tightly. Then, he looked at Mr. Mullen Sr. and said, “Dad, why would I even want to be with a woman like that? I have no idea why all of you are so worried. I’m just playing with her.”

Kisa squinted angrily.

I knew that Lea fell in love with the wrong man.

‘However, Lea just can’t leave this man no matter what. I don’t even know what I can do anymore to convince that silly woman.’

Chapter 1257 Ask Around

The looks on Mr. and Mrs. Mullen Sr.’s faces were stone-cold. Vivian had utterly quieted down, and Mrs. Mullen Sr. asked for someone to send her to the guest house in the backyard.

Seeing the elderly couple sitting on the sofa, Kisa hurriedly pulled Gilbert over. 'I can't ask Vivian. about David since she's a little cuckoo. So, I have to get something out of these two. Though, I can't be too blunt, I'll just have Gilbert do it. I mean, it makes sense for him to ask since David is his uncle... But, I still have to find a way to bring up the topic,' Kisa thought.

"Mr. Mullen Sr., is the David that Ms. Mullen mentioned..."

about the eldest son of the Kooper family, David Kooper," Mrs. Mullen said coldly before Kisa finished that. "What kind of vendetta does Ms. Mullen have with my uncle? As far as I know, my uncle had with them. He sat outside the door with his back to them. He was not that far away, so though she suspected that he was David, she did not know how to verify her hunch. After all, he and David did not look alike at all.

Chapter 1258 To Rob and Destroy

Kisa sat beside Gilbert, quietly waiting for Mr. and Mrs. Mullen Sr. to answer the questions. Gilbert had asked everything she wanted to know, but the elderly couple did not seem like they wanted to answer. Mr. Mullen Sr. smoked his cigarette silently, and his face was gloomy and a little scary. I'm afraid I'm not able to talk about that shameless and sadistic event that only the Kooper family was capable of. If you want to know what kind of immoral acts your uncle did to Vivian, your should ask him yourself," Mrs. Mullen Sr. snorted coldly

After that, she got up and left as if she would be disgusted if she spared another glance at a Kooper family member.

Gilbert then turned his gaze to Mr. Mullen Sr., who was smoking as he asked with a cold smile, "Do you know why I wanted to snatch your woman away from you?" Gilbert sat upright and did not say a word while he looked at Mr. Mullen Sr. quietly with a cold and dark gaze. Mr. Mullen Sr. puffed out rings of smoke and snorted, "It wasn't just because that woman was seductive, but because... I hate your family. I want to rob your family of everything and destroy them!"

hand tightly when he said that. "I'll find out what my uncle did to Ms. Mullen. I will apologize to her sincerely if my uncle hurt her. On the other hand, I advise you to stop those thoughts. Both families wouldn't benefit if we were to break into a fight." Gilbert spoke slowly. His tone bitterness to it.

Mullen Sr. laughed. "Do let me know when you have a lead on your uncle's whereabouts. It would be a pity if I couldn't teach that b*stard a lesson. But,

Chapter 1259 Admit It

“Admit it, you’ve been hiding things from me,” said the man. His voice was warm and calm, but it made her feel oppressed. Compared to how he always yelled at her, his gentle yet cold demeanor was even more terrifying.

Kisa held onto her own hands and said, “I don’t know what you’re talking about.”

“Oh, you don’t?” Gilbert pursed his lips and smiled. The smile sent a chill down her spine. The man straightened up and slowly walked toward Kisa as she stepped back subconsciously.

The bed occupied most of the room, so as she backed away, she reached the side of the bed. The back of Kisa’s knee accidentally bumped against the edge of the bed, and she fell onto it as the man approached her. The bed was soft, and she bounced twice on it. Gilbert came closer, bent his back a little with one hand supporting him on the mattress, and stroked Kisa’s soft hair with the other. “Do you need a quick reminder?” He asked.

Chapter 1260 You Investigated Behind My Back

Kisa was taken aback. She then realized the cigarette in his hand was stretched out of the window as if he was afraid of burning her. “Then, just smoke. No one is stopping you.”

Gilbert stared at her for a few seconds and glanced at her belly. “Ugh. I have got to quit smoking.” The man tugged on his tie, as he was a little annoyed. Then, he stubbed out his cigarette.

“Why did you do that? It’s not like I can’t inhale it right now,” Kisa stared at him in a daze and said. “What is wrong with this man? When my health was at risk back then, he could not stop smoking in front of me. He would even deliberately puff out the smoke to my face. Now that I’m fine, he’s suddenly being considerate. He’s so fake,” Kisa thought.

She tried to change the topic and asked for the third time, “Did your uncle actually send a letter to grandma?”
