### Chapter 1371 Accept it as God's Will

After all, nowadays, besides the paper version, there was also an online version. Kisa took a sip of her soup and asked, "How did it go last night? Did you have a nightmare?"

Kelvin looked resentful at the very mention of it. "Look at my eyes yourself. Take a good look."

Kisa glanced at his eyes and said amusedly. "They look normal, and you're not blind. What's wrong?"

"You have the nerve to ask me what is wrong. Look at the dark circles under my eyes."

When Kisa looked closely, she really noticed that he had severe dark circles under his eyes.

"I woke up in the middle of the night and couldn't go back to sleep after that, so I played with my phone for most of the night."

Kisa narrowed her eyes. "Looks like it is really because of that tea."

### Chapter 1372 Playing Along

Kisa did not make a sound but kept her head low and drank her soup.

Kelvin came to her side and said, "Kisa, trust me, Gilbert is not such an easy person. He only has you in mind. The media has always been so obsessed with reporting such things."

Kisa finished the soup in the bowl but did not take a single bite of the sandwich she was holding in her hand, as she had no appetite. She looked at Kelvin. "I understand; he must have been drunk."

Kelvin froze for a moment, and then quickly nodded his head. "Yes, yes. Look at the photos in the newspaper It looks like he was drunk."

"So, whatever happened, it wasn't his intention. So don't worry, I won't blame him." And she knew she did not have the right to blame him. After all, she was the one who pushed him away just so that she could get near Adrien.

Kisa looked too calm for Kelvin's comfort. "You really don't blame Gilbert?"

The grand garden looked magnificent in the hazy moonlight. In the opulent basement, other than the exquisite decor and furnishings, there was also a natural hot spring, where steam from the hot spring imbued the entire basement, turning the place into a mysterious and otherworldly fairyland.

A slender and graceful woman was lounging on a nearby couch, with a thin blanket covering half of her body and exposing a pair of gorgeous and slender legs.

Mr. Mullen Sr. got up from the couch, buttoning his shirt as he said, "I heard you went to see that man last night" There was a hint of anger in his tone.

Chapter 1374 A Man's Pride at Work

Gilbert had previously mentioned to Mr. Mullen Sr. about visiting the 'restricted area'. Mr. Mullen Sr. told him he would think about it, but no one knew if he had decided yet.

Thinking of Gilbert, Kisa seemed somewhat distracted. Gilbert had not been seen around the Mullen residence for several days, nor had he contacted her through calls or messages. Felicity had called her a few times but did not bring up Gilbert, and neither had Kisa asked. At one time, she thought that Gilbert and Davian had returned to Calthon, which would be good, because she would not have to say anything hurtful to gain Adrien's trust

Half a month later, Vivian could finally stand up, but still could not walk. The mere act of standing up brought tears of joy to her.

Kisa said to her happily, "I believe you'll be walking soon."

Kisa faced Adrien's inquisitive gaze with a calm expression and said seriously, "Let's wait a few more days. I'll go back with Kelvin in a few days. Gilbert has only just gone back, and if I go back immediately, he might think I lack attitude and find me unchallenging."

Adrien stared at her face for a long while but did not find any flaws. After a while, he laughed while puffing out rings of smoke. "Okay, what you said makes sense. Let's wait a few more days."

Kisa's eyes flickered, and she said deliberately. "By the way, Uncle Adrien, Gilbert's laptop is still in my room. There may be GK Pictures's confidential files inside. Shall we sneak a peek at his computer, see if we can steal some of his company's confidential files? It will be a help in our bid to bring down GK Pictures," she suggested, trying to gain Adrien's trust.

But Adrien's primary goal was not GK Pictures. He would not reveal himself or make a move on GK Pictures before she and Gilbert escalated their war to the death. He smirked, "Be patient. Let's play with him slowly. Sometimes, the process of revenge is more fun than the result, got it?"

Kisa feigned confusion and looked at him.

Chapter 1376 Visiting the Restricted Zone

"Who among you wants to visit that restricted zone tomorrow? You can all come with me," announced Mr. Mullen Sr.

As his words echoed through the silent dining room, everyone present stared at him, wide-eyed. The people who were having their meals all stopped. Some people were so shocked that they forgot to chew the food in their mouth. Only Mr. Mullen Sr. was still eating calmly.

Kisa broke the silence and said, "Can I join you tomorrow as an outsider?"

Kelvin was also curious about the restricted zone, but he lacked the courage to explore it himself. The last time he tried, the fearsome guards scared him off.

Mr. Mullen Sr. glanced at them with a faint smile. "Since I brought this up at the dinner and you all heard it, it's only fair that you get to join as well."

Kelvin exchanged

Chapter 1377 She Will Protect Him

Kisa was startled. She felt that what Arthur said made sense. Is it possible that Mr. Mullen Sr. deliberately let me visit the restricted zone? Is he bringing the other members of the Mullen family to visit because he wants to eliminate her suspicion? If he really intends for me to visit the restricted zone, then there must be something related to me in that place.”

Just as she was thinking so, Arthur suddenly called out, “Uncle Anthony!”

Kisa instinctively turned her head and saw Anthony walking in through the side door. Having not seen him for several days, she felt he had lost a lot of weight and looked depressed. He did not respond, even though Arthur had called him twice.

Arthur went straight up to him and asked, “Uncle Anthony, Grandpa is going to take us to his restricted zone tomorrow for a visit. Are you going along?”

Kisa kept silent with her lips pursed. She felt she had indeed hurt Gilbert badly this time. Now, she just hoped that he would listen to her explanation later.

“Kisa, what’s in the restricted zone?” Kelvin suddenly asked her, his eyes full of impatient curiosity.

“We’ll find out tomorrow when we go there. Go to sleep now. It will be tomorrow after a good night’s sleep. \*Kisa said calmly.

Kelvin looked up at the sky and sighed. “I really want to go to the restricted zone now. I bet everyone in the Mullen family will be sleepless tonight.”

Kisa rolled her eyes. “I think the only one who’ll be sleepless is you. Go back to sleep quickly. I have to sleep too.”

Chapter 1379 Waiting for Nothing

“What’s the deal with you asking this? Weren’t you the one who noticed there was something wrong with the tea and kept asking me to switch it with you? I don’t dare to take a single sip of that tea at Vivian’s place.”

“Nothing,” Kisa shook her head, lost in thought. The person who’s been trying to harm me is hiding in the shadows. Should I pretend to have those symptoms so I can fool them?’

Kelvin eagerly waited for Mr. Mullen Sr. to take them to visit the restricted zone all morning, but Mr. Mullen Sr. never showed up. The other members of the Mullen family waited, going from being excited to bored.

Kelvin leaned back in his chair, constantly yawning. Kisa glanced at him. “Why don’t you go take a nap? When Mr. Mullen Sr. shows up and is ready to take us to visit, I’ll wake you up.”

Kelvin shook his head, thinking, ‘I already stayed up all night. What’s waiting a little bit longer?’

Mr. Mullen Sr. was leading the pack, with the rest of the Mullen family following behind. Kisa was bringing up the rear.

Arthur slowed his pace on purpose to walk alongside Kisa. “Miss, I was right! Gramps just wants you to see the restricted zone. We’re just tagging along because of you,” he said with a cheeky grin.

Kisa shot him a side-eye. “How do you know that?”

Arthur nodded seriously. “I heard Gramps ask the maids where you were when he just got back. That’s how I figured it out.”
