Chapter 1011 She Sure is Skilled

He did not pay much attention to his birthmark in the past. He just thought that he was just born with it, and there was nothing special about it.

And, since his older brother had the same birthmark, he did not mind it at all.

But, ever since the day Kisa asked him about the birthmark, and now that he had taken another look at it, he felt something strange.

He raised his hand and gently caressed the birthmark.

‘Did mother have it?’

It seemed like he would need to ask his father about it when he got back.

When he came out of the bathroom, Adrien was still hugging and making out with Carolyn.

Peter really hated that the woman degraded Adrien’s standing.

Anthony had already left a long time ago. He was probably unable to stomach the

scene.

Peter frowned and looked away, as he walked toward the elevator.

“Peter, where are you going?”

“Going out for a spin,” he replied flatly.

Adrien then let out a genial smile, “So be it, then. But, don’t cause trouble. As for Jolina, it’s probably the demands of the production team. Don’t take it to heart.”

“Okay.”

Peter twitched his lips and entered the elevator.

‘So, Adrien was afraid that I’ll look for trouble with Sharon. Hah, it looks like he is really serious about Carolyn.’

But, no matter how he cracked his head, he could not understand why Adrien would fall for Carolyn. It was as if he was enthralled or something.

His father had introduced plenty of good, beautiful girls to Adrien before, but he was totally dismissive of them, causing him to think that Adrien liked men and not women.

Suddenly, he felt that even if Adrien was gay, it was far more acceptable than him liking Carolyn.

“Oh, Adrien, you’re so nice to me. You always dote on Peter. I didn’t expect you to stop him for me.”

“You silly girl, no matter how I dote on Peter, he is still just the son of a friend. You’re different. You’re MY woman.”

“Oh, you naughty man, who’s your woman now?”

Adrien grabbed her hands that were pounding his chest and gave her an ambiguous

smile. “How about you spend the night here.”

“Naughty man, what are you planning to do?”

“What are you saying? I’ll make you feel good tonight.”

“Okay...”

Carolyn rubbed her face against Adrien’s embrace.

The shyness on her face belies

her age.

Meanwhile, Adrien was smoking a cigarette. His

eyes cast far away, and a cold yet

contemptuous smile lined up the corners of his lips.

The filming wrapped up early today, and Kisa did not want to go back and face Mrs. Kooper Sr. this early.

So, she changed her

destination halfway through the journey

and went to GK Pictures to look for Gilbert.

Just as she arrived at the floor Gilbert’s office was in

and walked into the huge office

hall, the originally quiet hall suddenly had a burst of whisperings and chatter.

Some of the chatters subconsciously entered her

ears, and even if she did not want

to hear them, she could not block them out.

“Huh, it’s her, the woman who forced Mr. Kooper to marry her using some despicable means?”

“Yeah, that’s her. She’s pretty successful, you know. Even when she went to prison, she was still doing so well, and she’s still the wife of our GK Pictures’ CEO.”

“I know, right? I think we need to get some tips from her. She is really skilled.”

Kisa frowned rather unhappily.

Although Gilbert had disclosed their relationship to the media, but he did not tell them the truth about them back then.

‘No, I need to talk to Gilbert about this.’

She did not like people talking about her like that behind her back.

Just as she got to the door of the CEO’s office, she was suddenly stopped...
