The Divorced Billionaire Heiress chapter 2473-Mitchell sent Selena another message. [Which uneducated b\*stard gave you this scrap paper, Ms. Nelson? Next time, you can ask me if you don't understand anything. I'll answer your questions anytime!]

Selena paused and replied.

[Thank you. I think it's better you don't know.]

Mitchell was speechless.

He suddenly thought that something was wrong.

Could it be... Mr. Ferguson?

The chat between Selena and Mitchell came to an abrupt end.

Selena took a deep breath and thought of the happiest moments in her life before she could suppress the anger in her heart.

Otherwise, she would really explode.

When she calmed down and planned to go downstairs, Eric suddenly sent her a message.

[I forgot to sign that check just now. Come over tomorrow, and I'll sign it for you.]

Selena did not have any regrets in her heart. She even thought that this was just another one of his traps.

Did that motherf\*cker think that she was an idiot?

Selena replied. [Get lost? I don't want your stupid money!]

She also took a photo of the ripped check in the trash can.

Hah!

It was just \$10 million.

How dare he humiliate her like this? Did he really think she was a pushover?

Selena refused to be humiliated!

She suddenly felt relieved and felt that she was a million times better than a petty person like Eric.

Eric was speechless.

He sent Selena a question mark but found that he had been blocked.

The sky was getting darker.

The music downstairs gradually became louder.

The nightlife began again.

Since Nathaniel saw Nicole the last time and was exposed by Selena, he never showed up again.

It seemed that he had gone to an unknown island for an adventure again.

Selena devoted herself to the stage and sang several songs in a row like she was letting herself go.

Some influencer recorded a video of Selena singing and posted it online, which caused quite a stir.

People were attracted by the bar owner with a sexy figure and a charming demeanor.

A few days later, the bar's business was booming with several times more customers than before.

Chaz was smiling so much that he had wrinkles all over his face.

Selena was also exhausted.

She was great at making money but had no motivation.

When she was not busy during the day, she would go out and wander around.

Julie saw the video of Selena singing and found it alluring. Thus, she wanted to invite Selena to play a guest role in the new TV show.

Fearing that Selena would refuse, Julie specially invited Nicole to accompany her.

Nicole had just gotten over what happened with Lance and Yvette. She had been putting the company's affairs on hold.

Grant was annoyed with Nicole's idleness and went to her office many times to persuade her to get serious about her career.

After a while, Nicole was so embarrassed that she got over the grief.

After all, those who had passed on were gone, and those who were still alive had to continue their lives.

When Nicole was unhappy, Clayton was also unhappy.

The atmosphere at home was also off.

Chatty was no longer naughty and studied seriously every day, which Nicole was not used to.

Nicole even felt that her daughter was switched.

In fact, Clayton was the one who coaxed his daughter. He told Chatty that Mommy was not in a good mood, so Chatty should not let the teacher call Mommy because of her poor grades. Otherwise, Chatty would have to coax Mommy whenever Mommy cries.

Thus, Chatty was no longer as mischievous as before and carefully considered her mother's feelings.

Nicole was dragged out by Julie to meet Selena.

Julie was in the middle of talking about the latest gossip in the entertainment industry.

A seemingly youthful actress had actually given birth to her second child long ago, but she kept it under wraps.

Another old actor, who was in the limelight and became popular in his middle age, bought out the headlines to reiterate the story of how much he suffered in the filming industry in the past 20 years. In fact, he was just lucky to meet a nitpicking film director, who made him excel in his performance.

There was also another young woman who always kept an innocent persona...

Selena, who was sitting on the side, was stunned when she heard it.

Nicole was not surprised. However, every time an actor or actress get shunned, she would think if they belonged to her company. That way, she could remind Dominic Young to ask for compensation for the damages.

Finally, they talked about Selena.

Julie could not help but say, "I think you have the potential to be an actress. Why don't you give it a shot?"

Selena shook her head. "Am I really cut out to be an actress? Do you think I look like one? I just want to live a quiet life and open a bar!"

Julie glanced at Nicole and signaled her to say a few words.

Nicole coughed and touched the face mask on her face.

"What's so good about being a celebrity? It's better to be your own boss.

That way, you don't have to care what anyone thinks!"

Selena nodded in agreement.

Julie sighed and looked at the two aggrievedly.

"But that role I have in mind is really suitable for you, Ms. Nelson. You don't have to make your debut. Why don't you just do me a favor?"

Nicole looked at Selena helplessly.

"Don't mind Julie. She's always like this."

Selena could not help but laugh.

"It's okay. How about this? I'll give it a shot. If it's not great, then I'll leave.

I'll help you just this once!"

Julie sat up happily.

"Okay, deal! Just this once!"

Nicole laughed. After a while, her phone rang.

It was Clayton calling. Nicole quickly answered it.

"Hubby?"

Clayton smiled helplessly.

"Baby, you said you were just going for a coffee. I've already held two meetings for you over here. Are you really not planning to come back?"

Nicole smiled guiltily.

“Just a little while longer. I just refilled the coffee!”

After she finished speaking, she quickly hung up the phone.

Julie could not help but roll her eyes.

“Why do you have to sneak out? Is Clayton that strict?”

Nicole stretched out her slender fingers and waved them lightly. Her voice was light and lazy.

“He’s not strict. He’s just so clingy that he can’t leave me alone for a moment!”

Julie and Selena were speechless at Nicole’s deliberate show of love.

The three of them finished their facial and went to the mall to shop around.

Selena found that these two rich ladies did not look like they were rich at all. They did not buy things with a wave of a hand like rich people did on TV. Instead, they kept picking without buying anything.

They were the same as her.

In the end, Julie made another appointment with Selena. Nicole also bade them goodbye because Clayton called to urge her again.

The guest appearance did not take much time. Selena only took an afternoon to get it done.

Selena did not expect it to be so simple.

She was also satisfied with the final result.

However, the film would not be released until several months later.

Even so, Julie could not wait to publish a short clip of Selena’s cameo online.

Selena’s figure in a dark green embroidered slim-fitting dress walked through the narrow corridor immediately gave off an elegant and demure vibe.

Her facial features were gorgeous, well worthy of being on the big screen.

Her figure was graceful with curves in all the right places.

More importantly, Selena's eyes were animated and glowed in the warm light, stirring the audience's souls.
