

Chapter 111

Just said one sentence wrong, and was shot twice?

Noila Mo raised his head, his gaze ran into Allen Chu's deep eyes, and his heart skipped a beat inexplicably.

With her eyes shining away, Noila Mo faintly lowered her head and said, "Really? I thought you were not his biological son. Now it seems that you are indeed his biological son."

"Noila Mo, what do you mean?!" Allen Chu wrinkled his eyebrows.

"Because you father and son are equally moody."

Allen Chu was instantly enraged by Noila Mo, gritted his teeth and said, "Noila Mo!"

Seeing Allen Chu slumped, Noila Mo's mood improved somehow.

"Come on, eat an apple." He handed him the peeled apple.

Seeing the little woman's tender and clear face, with a faint smile at the corners of her mouth, playful and pure, Allen Chu couldn't move his eyes.

Allen Chu did not pick up the apple. Noila Mo looked up at him in surprise, but saw his hot eyes.

His face flushed with flames.

"Noila Mo, come here."

Noila Mo thought that Allen Chu asked her to pass the apple to him, and walked to the bed.

Allen Chu didn't do anything, and opened his mouth slightly, meaning to let Noila Mo feed him.

Seeing the snow-white bandage on his chest, Noila Mo sighed and handed the apple to his mouth.

“Um...” Allen Chu didn't bite the apple, but he held Noila Mo's raised fingers.

Noila Mo exclaimed. What is this going to do?

Noila Mo stared at Allen Chu blankly, with his fingertips in his mouth, and an itchy sensation suddenly spread all over his body! Lingering and grinding.

Noila Mo's brain buzzed, and suddenly he realized that Allen Chu, he was taking advantage of her!

Noila Mo took his finger out of his mouth severely, and threw the apple into the trash can next to him, “Hop!”

“Noila Mo! What are you doing! I haven't eaten yet!” Allen Chu shouted.

“I think you don't want to eat apples at all. It's better to throw them away.” Noila Mo gave him a glance.

Staring at Noila Mo's evasive figure displeased, resisting the urge to rush to embrace her, Allen Chu gritted his teeth and spoke word by word, with a domineering tone that is not for discussion: “Noila Mo! Come and k*ss me!”

Does this man need to be so domineering?

Noila Mo stood far away and looked up at Allen Chu very seriously: “Allen Chu, were you nervous when I was pointed at the head with a gun today?”

Unexpectedly, Noila Mo asked this suddenly. Allen Chu was shocked, then turned his head, his tone was awkward and stiff: “You care about me!”

Seeing that Allen Chu didn’t answer, Noila Mo continued, “I saw the look in your eyes, and I was very nervous and distressed. You are afraid that I will be killed by them. Right?”

With a trace of embarrassment on his face, Allen Chu impatiently interrupted Noila Mo’s words: “Why are you so long-winded today, what are you trying to say?”

Noila Mo stood by Allen Chu’s bed, with a clean face with exhaustion and haggard. A pair of apricot eyes looked at him quietly, and his pale pink lips opened slightly: “Allen Chu, do you like me, right? Or... Are you in love with me?”

Noila Mo asked directly, without any subtlety.

Allen Chu didn’t expect that Noila Mo, who has always been a little hedgehog, would ask him such a direct question. Suddenly he was stunned there.

The rhythm of the heart suddenly becomes faster...

For a moment, Allen Chu raised his chin slightly and looked at Noila Mo proudly: “What about you? Noila Mo?”

Noila Mo never agreed to admit that he loved him, but Allen Chu didn’t believe it. How could there be women in the world who don’t love him?

This is never possible.

Noila Mo looked at Allen Chu.

“What about you, Noila Mo?” Why did he answer that way. Why not just deny her words, why not laugh at her for thinking too much. Why didn’t she ridicule her taking herself too seriously?

Asking such words means admitting that you guessed it right. Allen Chu, he really likes himself.

Lowering his eyes, Noila Mo smiled bitterly: “Allen Chu, I don’t love you.” Noila Mo raised his eyes again, looked deeply into his eyes, and said seriously: “So... you must not love you. Get on me.”

Never fall in love with her.

She can’t afford his love. She is just an ordinary woman and wants to live an ordinary life. She and Allen Chu are destined to be impossible to come together.

He is too domineering, too selfish, and too pretentious. And Noila Mo, it is precisely such a man who can’t stand such a man the most.

Hearing Noila Mo’s answer, Allen Chu leaned against the head of the bed, staring at her with deep eyes, without any expression on his stern face.

Again, she doesn’t love him.

This duplicity woman. Don’t love him? Why don’t you love him and help him scold his father at the risk?

Don’t love him? If you don’t love him, why is it so happy and so happy under him? Allen Chu didn’t believe it, there really are women in the world who can completely separate body and emotion!

Allen Chu was silent, just staring at Noila Mo all the time.

Time seemed to stand still, and even the air became thinner.

Being stared straight at by Allen Chu, Noila Mo's heart also changed a little, and she couldn't help lowering her eyes: "I'll help you pour a glass of water."

Turning to escape Allen Chu's sight.

I was flustered, and when I poured the water, I accidentally showered my hand with hot water.

"Ah!" The biting pain caused Noila Mo to throw away the cup in his hand, exclaiming in pain.

"Bah!" The cracking sound of the porcelain cup was so harsh.

Noila Mo is going to take the trash can for disposal. Turning around, he suddenly ran into a broad embrace.

Looking up, Allen Chu was standing at the door, his dark eyes staring at her closely.

"Allen Chu, you are crazy! Why did you get out of bed?" Noila Mo frowned and pushed Allen Chu's arm: "Go back to bed and lie down! The doctor said you need to rest!"

"Noila Mo, you are a liar!" Allen Chu roared in a vicious voice, and with fierce force on his arms, he put Noila Mo in his arms, resisting the pain in his chest, and roared unreasonably: "Noila Mo, say you Love Me!"

Noila Mo was still held by Allen Chu. Fear of struggling to tear his chest.

The water eyes looked back from Allen Chu's shoulder and saw a very deep and far place.

No, Allen Chu, I don't love you.

I love Salmon Shen, in the past, now, and in the future.

What I love is not you, never.

So don't love me, because I can't give you what you want.

“Allen Chu, stop making trouble. Go back and lie down.” Noila Mo said as gently as possible, reaching out to pull him to hold his arm tightly.

“Noila Mo!” Allen Chu didn't care at all, still wrapped her arms tightly around her, pestering her like a child reluctantly, and said slyly: “Say, you love me! You love me.” !”

Noila Mo's delicate eyebrows wrinkled, and her white teeth bit her ruddy lips.

Why must he be so domineering? Who stipulated that Noila Mo must love Allen Chu?

Not love or love is not love!

Is there anyone so compelling to love yourself? Allen Chu didn't understand love at all. He doesn't understand what love is and what is possession.

“Allen Chu, don't make trouble, okay?” Noila Mo said helplessly.

“Noila Mo, say!” Allen Chu roared arrogantly.

Must he be so domineering and arrogant?

He doesn't understand, relying on domineering and arrogant, it is impossible to get a woman's heart.

Noila Mo became a little impatient. He yelled directly at Allen Chu and went back: "Allen Chu, it's the same for saying a hundred times! I don't love you or you don't love you! Are you satisfied?"

Allen Chu's arms tightened, and his body fits Noila Mo tightly. There is no gap between them. Noila Mo just felt breathless!

In a second, Allen Chu had firmly fixed her head, and k*ssed her lips, fiercely and without mercy, attacking the city in her cherry lips!

"Hmm..." Noila Mo frowned. But still did not dare to struggle, for fear of hurting his wound.

Allen Chu didn't know that his rib was broken, and he hugged Noila Mo tightly, with the tip of his hot tongue stuck into her mouth, as if he didn't feel any pain at all!

The atmosphere between the two is so hot that the temperature in the room has risen several degrees!

"I'm sorry to bother you."

A gentle female voice suddenly sounded beside them, interrupting Allen Chu's deep k*ss.

"Shit!" Hearing this voice, Allen Chu immediately left Noila Mo's lips, cursed in a low voice, stretched out her hand and quickly tore off her pulled-up top, turned his eyes and stared at him displeased.

Chapter 112

Noila Mo flushed with shame, looking from the gap in Allen Chu's shoulder, a nurse in between was holding an iron plate, looking at Allen Chu apologetically: "Sir, you need a dressing change."

After speaking, he glanced at Noila Mo who was nestled in Allen Chu's arms.

Noila Mo really wants to find a hole to go in!

Allen Chu glared at the nurse with a cannibalistic look: "I don't need it!"

Noila Mo quickly pulled Allen Chu's sleeve: "Lie down and go for an infusion! Otherwise, when will your injury recover? Xiao Sihan must miss his father, don't you want to go back to see him sooner?"

Noila Mo found out that Xiao Sihan is Allen Chu's weakness. As long as he talks about the baby, Allen Chu will usually listen.

Hearing Noila Mo mentioning the little baby, the boss Allen Chu reluctantly lay down on the bed again and asked the nurse to insert the needle and change the medicine.

Noila Mo covered him with the quilt.

Suddenly, Allen Chu's hand was held tightly. Noila Mo looked up at him suspiciously, Allen Chu raised a smirk at the corner of his mouth, and pointed to his collarbone.

What does the collarbone do? It's not the broken collarbone...

Noila Mo slandered in her heart. But I was too lazy to think.

The little nurse next to him also quickly glanced at Noila Mo's collarbone, blushed, and quickly ran away.

Noila Mo looked at Allen Chu inexplicably, and touched his collarbone, nothing special.

Turning his head, he saw the little nurse walking towards him just now, holding a band-aid and handing it to her.

Noila Mo thought to herself, this little nurse is quite eye-catching, and she can see the scraped skin of Allen Chu under the sleeve.

Rolled up Allen Chu's sleeves and applied the band-aid to the scab.

Allen Chu finally couldn't help laughing: "Noila Mo, this is for you!"

Noila Mo looked up without knowing it, "Uh? For me?"

Allen Chu pointed to Noila Mo's chest, and he couldn't say coherently with his smile: "You... go by yourself... look inside... haha"

Noila Mo quickly walked to the bathroom inside and looked in the mirror. There was a very bright and eye-catching hickey above her collarbone!

No wonder the nurse looked shy just now, no wonder Allen Chu smiled so smugly!

It's all this damn man, who is in estrus casually! That made her be seen by others!

I haven't had a good rest these days, Noila Mo fell asleep as soon as he touched the bed.

She had a long dream. In the dream, she returned to the schoolyard that year. She and Senior Shen sat under the cherry tree and read together. At that time, how young they were. Salmon Shen is still a young boy.

The sunshine in the dream is just right, and the big boy in the dream is gentle as water...

It was past nine o'clock when I woke up, and after a quick wash, I walked to the ward next to Allen Chu.

The atmosphere in the ward was very depressing.

Uncle Li stood there with his head down trembling, and the little nurse also stood in a row in front of Allen Chu's bed. It seems that Allen Chu is getting angry.

Seeing Noila Mo coming in, Uncle Li immediately heaved a sigh of relief, and looked at Noila Mo for help, "Miss Mo, please persuade the young master, he refuses to take medicine."

Noila Mo raised her eyebrows in surprise.

Refusing to take medicine... Isn't this something children do? In my impression, only children under ten will refuse to take medicine, right?

Seeing the uncontrollable ridicule on Noila Mo's face, Allen Chu yelled at Uncle Li displeased: "Uncle Li! What are you talking about!"

Uncle Li quickly lowered his head, not daring to say more.

The nurses next to him also lowered their heads and looked at the ground, for fear that Allen Chu would be offended again.

The pills were scattered all over the ground. It seemed that Allen Chu had lost his temper just now.

Noila Mo was secretly funny, but seeing Allen Chu's angry expression, he had to suppress his smile, walked to Allen Chu, and said softly: "How can you not take medicine when you are sick? It will be better if you take medicine. Hurry up! This medicine is not bitter at all. If you don't believe it, try it."

Noila Mo feels like a kindergarten teacher, and the students are still in a small kindergarten class!

Allen Chu glared at Noila Mo: "I said I won't eat it!"

Noila Mo was speechless.

Children in the kindergarten small class will also listen to the teacher, right?

Allen Chu, even the children in the small class are not as good as...

Allen Chu's face was stinky, and he looked resolutely refusing to take medicine.

Noila Mo shrugged and was about to give up, but when he saw Li Shu's eyes looking at her for help, his heart softened a little, and patiently said to the gloomy Allen Chu, "Then how can you take medicine??"

Allen Chu said unceremoniously, "Don't talk about it, let them go!" He pointed to the little nurses standing in a row.

...

Forget it, anyway, she couldn't persuade his old man, so it's better to give up.

Noila Mo made a helpless expression towards Uncle Li. Suddenly I feel so hungry. Came here in the morning to play the kindergarten teacher, she was really hungry.

“Uncle Li, I want to go to the restaurant to eat something, how can I get to the restaurant?”

Something to eat? Allen Chu turned to look at Noila Mo. Didn't this woman see him still lying in the hospital bed? He hasn't eaten breakfast yet!

Don't condone and care about him, but want to leave him for breakfast?

Does she have any heart! !

“Noila Mo!” Allen Chu glared at Noila Mo, gritted his teeth and shouted.

“Huh?” Noila Mo stopped and turned to look at Allen Chu, thinking he had something to call her.

“You dare to go out of the room and try one step!” Allen Chu's tone was extremely domineering, his face was gloomy and dripping.

Uncle Li and the young nurses saw that something was wrong, and they all slipped on the soles of their feet.

Noila Mo frowned, how could she be so domineering every time. She just wanted to eat. Where did he offend him?

Inexplicably asked: “What do you mean? Forbid me to eat?”

Allen Chu snorted coldly, and stared at her with deep eyes: “Let Uncle Li bring the breakfast here, you eat with me!”

After that, he glared at Noila Mo arrogantly, shook the bed flat, and lay down comfortably.

naive! It is so childish than the children in the kindergarten class!

Noila Mo shook his head helplessly, and had to ring the bell for Uncle Li to help order the meal.

It's unlucky for her to meet such a domineering man!

Soon, Uncle Li pushed the dining car with rich dishes into the ward.

The color of the food on the dining car is bright and harmonious, and it is very appetizing to look at.

Noila Mo sat on the chair in front of the hospital bed, lowered his head and said nothing. Without even looking at the food.

“Noila Mo, eat!” Allen Chu raised his head and shouted at Noila Mo. “Isn't you going to eat in a hurry just now?”

Eat it! Noila Mo was really hungry.

I walked over and drank a glass of juice first. The cold and sweet juice slid down my throat, and the entire stomach was soothed. so comfortable! After a cup of fruit juice, Noila Mo's appetite suddenly went wide, and she picked up the browned whole wheat bread baked in the small basket and ate it.

Eat some colorful and beautiful vegetable salad, Noila Mo ecstatically ate, did not notice that the face of the man on the hospital bed became more and more ugly.

“Noila Mo!” shouted.

Noila Mo frowned, what's the matter, eating a meal without stopping, it really affected her appetite!

“What's the matter, young master?”

“Come and feed me!” The neglected people protested with dissatisfaction.

Noila Mo shook his head. Really, he injured a rib instead of an arm. Didn't he have a long hand? Such a big person, let others feed it!

Looking at Allen Chu's arrogant and domineering face, Noila Mo was about to buckle the salad from the plate on his face...

But thinking about returning, Noila Mo resignedly walked to Allen Chu's side, picked up a plate of salad, and handed it to his mouth with a spoon.

Allen Chu opened his mouth triumphantly and swallowed the food that Noila Mo had fed. The salad dressing dipped a little on his mouth, and it looked like a child. Noila Mo couldn't help but smile, and she reached out to take a tissue to wipe his mouth.

He took another spoonful of salad and brought it to his mouth, and Allen Chu opened his mouth and ate it all. Noila Mo was about to feed the third spoonful, but Allen Chu did not open his mouth.

what the hell? Noila Mo frowned impatiently. I saw Allen Chu looked domineering and pointed his finger at the corner of his lips: “Noila Mo, wipe your mouth.”

Noila Mo was about to vomit blood! What kind of mouth to wipe? Wipe a hairy mouth! The corners of your mouth are clean and there is nothing to wipe!

Noila Mo said patiently, “The corners of your mouth are clean, you don't need to wipe it.”

Allen Chu raised his thick eyebrows and glared at Noila Mo: “If I say wipe my mouth, then wipe my mouth!”

Noila Mo was helpless and didn't know what was causing the trouble, so he had to pick up a tissue and wipe the corners of his lips that were already clean.

A triumphant smile appeared on Allen Chu's face. The action Noila Mo wiped his mouth just now made him feel very happy, as if his mother wiped his mouth when he was a child.

He likes the feeling of being loved, the feeling of being loved and cared for.

Seeing Allen Chu's triumphant expression, it was the same as what he had acquired.

It's naive.

Noila Mo curled his lips.

“Noila Mo, stretch out your head.” Allen Chu said suddenly.

Noila Mo put her ears to Allen Chu's mouth, she thought Allen Chu had something to say to her.

Suddenly, Allen Chu's hot lips k*ssed her.

With the refreshing sweetness of a salad, his lips brushed her clean face.

Allen Chu's injury needs to be recuperated. After eating, Allen Chu continued to stay in the ward to recuperate.

On a beautiful morning, the sun was warmly spilled into the ward through the gauze curtain.

Noila Mo was forced to stay on the hospital bed with Allen Chu. He put his arm around his shoulder, and the two leaned side by side to read a novel.

Noila Mo watched a touching love story with great enthusiasm. Seeing the sad plot, her eyelashes were slightly moist.

Allen Chu hugged her and watched together.

A very beautiful and warm picture...

Of course, everything would be even better without Allen Chu's hand touching her everywhere under the quilt.

Noila Mo is still reading the book intently, but Allen Chu's hands are burning everywhere on her body...

,

Chapter 113

Noila Mo frowned: “Allen Chu, I can’t concentrate on reading if you touch it like this!”

The corner of Allen Chu’s mouth evoked an evil smile: “Noila Mo, are you so determined?”

Mouth close to Noila Mo’s ear, and the heat from her voice rushed to her neck: “Or, I am too attractive. You can’t hold it when you see me?”

“Bah! Who can’t control it anymore! It’s you who can’t control it! Don’t touch me, okay! I’m seeing the key point!”

The neglected Allen Chu stared at Noila Mo displeased: “What is so good about this book that fascinates you like this? Read it to me!”

Noila Mo endured Allen Chu’s claws and tried to focus on the book he was reading: “The door opened violently, and the room was filled with dust. This room, decorated like a new house, seemed to be covered with tombs everywhere. The general faint and miserable atmosphere...”

Noila Mo’s voice is soft and moving, pure and magnetic, and it sounds very comfortable.

Allen Chu put his arms around Noila Mo’s waist, pressed his face to her head, and sniffed the scent of scent from the depths of her hair. His voice was sexy and deep: “Keep on...”

Noila Mo stretched out a hand to hold Allen Chu’s restless big hand, and then read: “The corrupted rose curtain, rose lampshade, dressing table, a row of fine crystals and a man with silver as the base Toilet utensils, but the silver has no luster...Hey...”

With a malicious rubbing of Allen Chu's big palm, Noila Mo almost jumped up in shock.

"Why don't you read it?" Allen Chu asked with a smirk.

"You..." Noila Mo was angry.

He still had the face to ask her why she didn't read it? The person to question is whether she is good or not!

Noila Mo glared at him fiercely: "Can you stop touching your hands everywhere!"

"Randomly?" Allen Chu buried his face in her neck and k*ssed her hot lips.

"Stop it!" Noila Mo threw away the book, pulled his hand out, frowning tightly, and said angrily: "Allen Chu, your bones are broken, you will die if you bear it for a few days!"

Apart from these things, there is probably nothing else in his mind!

Noila Mo pushed her hand away, and Allen Chu stared at her dissatisfiedly: "Noila Mo, I am worthy of you when I touch you! Many women want me to touch me and I don't bother to touch it!

...

Noila Mo laughed with anger, self-righteous Allen Chu! I thought every woman in the world wanted to climb onto his bed!

"Since so many women want to be touched by you, how about you touch them! Why do you pester me?"

This ignorant woman! Allen Chu's thick eyebrows frowned dangerously. The arms around Noila Mo tightened hard. Noila Mo broke free. "Hey..." Allen Chu's wound was pulled with a cry of pain, and the pain made him groan.

Seeing Allen Chu's painful look, Noila Mo felt a little unbearable.

Sigh and persuade him: "Can't you bear it? Wait until you get better..."

Halfway through the words, I felt wrong again, biting my lip a little annoyed.

Allen Chu immediately caught the loophole in her words: "How about the injury? Can you satisfy me every day after the injury?" He smiled lustfully.

Noila Mo became anxious and stared at him fiercely: "Are you shameless? Why do you think about this all day? Can't you control it?"

control? What a bullshit! If he could control it, would he even ignore the injury?

It was so easy to reconcile with Noila Mo. It has been several days, and I can see her every day, holding her, k*ssing her and touching her but can't taste it, it's really hard!

Allen Chu lay on his back on the bed in frustration, his expression ugly. He is really suffocated. It's been a while since I didn't see Noila Mo, and now I see each other every day but I can't move her, it's really torturing!

Seeing Allen Chu's face was ugly, Noila Mo was also a little worried, and quickly asked: "What's wrong? Is the wound hurting badly? Can I call a doctor for you?"

Call a doctor? His doctor can't cure it!

Allen Chu shook his head, "Noila Mo, k*ss me!"

Noila Mo was stunned, what kind of play was this?

She read the book well, why did she k*ss him?

“Noila Mo!” Allen Chu frowned, staring at Noila Mo, and shouted at her.

Noila Mo was afraid that he would get hurt when he was angry, so she had to k*ss him on the face perfunctorily.

“This doesn’t count! I want a French k*ss.” Allen Chu was advancing.

Smelly man, really dissatisfied with desire.

Noila Mo frowned and said to Allen Chu seriously: “Allen Chu, are you so hungry?”

Why is this only thought in his mind with her?

Does he really love her? Or just love her body? Is it just because of his so many bed partners, her body just fits him best?

Noila Mo was really confused. Be confused by Allen Chu.

“Don’t you be hungry and thirsty?” Allen Chu said frankly, speaking so frankly that there is no one who is not hungry and thirsty in the Buddha world.

“Of course not!” Noila Mo said categorically, trying to distance her from Allen Chu.

“Allen Chu, I’ll get you something to eat...” Noila Mo wanted to break free from Allen Chu and get out of bed. This is a place of right and wrong. After a long time, something will happen.

“I don’t want to eat anything, I just want to eat you!” Allen Chu said dumbly, and the heat brushed her neck.

Allen Chu stared at her face and said word by word.

If this goes on, I will not be able to escape...

The alarm bell in Noila Mo’s mind was great. Quickly grabbed his fumbled hand, and Allen Chu threw Noila Mo’s hand away.

Noila Mo persuaded: “Stop making trouble, you can lie down, and the wound will hurt again.”

Is she caring about him? The corners of Allen Chu’s lips curled up, and he k*ssed her face, and whispered close to her ear, “Since I am afraid that I might get the wound, why don’t you take the initiative?”

Also good. He hasn’t tried her initiative yet. He doesn’t hate being served by her.

Allen Chu simply lay on the bed, still holding her hand with her big hand, with a cozy expression ready to enjoy the meal: “Noila Mo, come over and k*ss me. Let me see if you make progress.”

...

“Improve your height!” Noila Mo cursed secretly in her heart.

He didn’t dare to say no, for fear of more intense harassment from him.

I had to bend down and pecked on his lips.

Allen Chu glared at her dissatisfied, lifted his hand to hold her neck, and pressed her lips to his own.

The kss became more intense, and Allen Chu's hands became less and less honest. Noila Mo passively accepted his kss, but his brain was spinning fast. Suddenly, the corner of her eyes caught the bell ringing by the bed.

Slowly stretch your hand to the bell ring, and press it hard.

Dididididi~~ The crisp bell rang in the room.

“Noila Mo, you are looking for death!” Allen Chu looked up and saw that Noila Mo pressed the summoning bell that changed the bed, his eyes froze instantly, and he looked at Noila Mo viciously.

There was a knock on the door, and the little nurse hurriedly walked in: “Mr. Chu, what do you need?”

Noila Mo smiled triumphantly: “Nurse, Mr. Chu will leave it to you.” After saying that, he turned and ran out of the ward. Before leaving, he pretended to be kind and told Allen Chu: “Allen, take good care of you!”

Allen Chu was angry.

Chapter 114

Allen Chu's injury finally healed. Noila Mo finally breathed a sigh of relief. In close contact with Allen Chu in the hospital every day, her heart hangs all day long.

Father Chu asked the servants to prepare a sumptuous meal to welcome Allen Chu home.

"Allen, the mayor Liang of City C has already taken care of it. You take a day off and go back to City C tomorrow. The real estate project there must be followed up immediately." The old man Chu took a sip of white wine and said to Allen Chu.

Want to go back? Noila Mo's eyes lit up suddenly. She must ask Allen Chu to take her back. She didn't want to leave her father's soul in C city alone. Dad will be alone.

"Okay. Grandpa." Allen Chu didn't like Chicago either. Chicago had some people he didn't want to meet.

"Allen, you have to worry about Tianxi's affairs. If you are such a big person, you should find a boyfriend to get married soon." Old man Chu said majestically.

The son is completely abolished, and now I am counting on my grandson and granddaughter. The grandson also gave birth to him a great grandson anyway, and now only needs to worry about this little granddaughter.

"Grandpa, let's take the nanny back together. Go back to City C, I'm afraid the child is not used to it." Allen Chu wanted to take Sihan back together.

"Sihan stay here to accompany me. You don't even have a serious woman by your side. How can Sihan follow you?" Elder Chu glanced at Noila Mo and said lightly.

This Miss Mo doesn't hate him, but it's a pity that she doesn't seem to have a cold with her grandson.

"Grandpa!" "Master Chu!" Allen Chu and Noila Mo said at the same time. Noila Mo was also reluctant to bear the baby. Although she was not her own child, she felt terrible at the thought of separating from her.

"Unless you get married quickly and find a mother for your baby!" Old Man Chu looked at Allen Chu and Noila Mo, and said impliedly.

Noila Mo lowered her head, it was not that she hadn't heard what Old Man Chu meant, but she really couldn't agree to this request.

It's late at night, and I will return home tomorrow. Noila Mo sat by the baby's cradle, looking at his sleeping little face.

The baby's eyelashes have grown, long, like a row of delicate feathers. I don't know what kind of dreams I have had. A smile suddenly appeared on the baby's face, which is very cute. Noila Mo gently stroked the fine lanugo on the child's head with his hand, feeling very sad.

"I like it so much, then we'll have one." Allen Chu's voice rang softly behind her.

Noila Mo felt a pain in her heart and suddenly thought of her daughter, tears streaming down Qingli's face.

"Why are you crying again?" Allen Chu sat next to Noila Mo and took her into his arms: "People say that some children roam between the planets. After they came to the earth, they found that they didn't like this place. Will leave and start a new

interstellar journey. So, your daughter is destined to miss you. Now she has found a planet that is more suitable for her, and you should be happy for her.”

Allen Chu’s voice was low and warm, and her clean-shaven chin rubbed comfortingly on her hair, and the pain in Noila Mo’s heart seemed to ease. He raised his head and tried to smile at Allen Chu.

She accepted his comfort and his kindness.

“Stupid girl.” Allen Chu fondly stroked Noila Mo’s hair with his hand.

The night is very dark and heavy.

The private jet stopped on the lawn of the Chu family mansion. Finally returning to the familiar city C, Noila Mo’s eyes were slightly moist. I heard that my father’s tomb was in Xishan, she was going to see it this afternoon.

“Noila Mo, I have something to go to the company. You are waiting for me at home.” As soon as Allen Chu returned to City C, he changed into a formal suit and was about to go to the company.

“Allen Chu, can you give me five minutes?” Noila Mo looked up at him.

“Say.”

“I don’t want to be kept in a house by you like this. I don’t owe you anything. I need my own life, my friends, and work.” Noila Mo really doesn’t want to have anything to do with Allen Chu anymore.

“Do you want to work? Yes! Go to the Chu family! I will arrange a position for you.” Allen Chu said disapprovingly.

“Allen Chu, do you understand what I mean?” Noila Mo was angrily. “I mean, I don’t want to be with you! You have no right to restrict my freedom!”

“No right? Your mistress contract hasn’t been fulfilled yet? Would you like me to show you the agreement? In black and white, it’s clear.” Allen Chu raised his eyebrows, his anger gradually filled his eyes.

Noila Mo looked at him seriously, with a solemn tone: “Our contract is, you save my dad, and I will be your mistress for one year. However, now my dad is dead, you did not save my dad, so neither did I. You must continue to be your mistress.”

After a pause, she said softly: “Allen Chu, let’s end this relationship!”

A strong anger flashed in Allen Chu’s eyes, this woman really knows how to quibble!

Angrily said: “The reason why your father died is because you broke the contract in advance and you ran away! You were the one who broke the trust first!”

Noila Mo shook her head helplessly. If she didn’t run away, maybe she would have died long ago!

Forget it, she didn’t want to make any sense with this domineering and arrogant man.

“Allen Chu, let’s end it!” Noila Mo said tiredly.

End? She said the end? Allen Chu’s eyes flashed cold, and he roared with exhaustion, “Noila Mo, you have the guts to say it again!”

Allen Chu’s aura was too scary, and Noila Mo almost didn’t dare to look at his face, but since the words had already been spoken, she had to make it clear, she didn’t want to be such an indecision!

Noila Mo took a deep breath, clenched her right hand into a fist, gave herself a little courage, and said in a low voice, “Allen Chu, let’s end it! Let’s end it!”

“Noila Mo!” Allen Chu called her name word by word, with murderous eyes.

“I’m not suitable to be your mistress, let’s stop wasting time.” Noila Mo raised her head and looked at Allen Chu’s eyes boldly: “You are so powerful, what kind of woman can’t get it? Don’t pester it anymore. I won’t let it go.”

He can accept such a statement, right?

Originally, what kind of woman the president of the Chu Group wanted, how could he not get it? She Noila Mo, no matter her appearance or figure, she is not the most perfect, why bother with such an ordinary woman like her?

Allen Chu stepped forward and walked to Noila Mo, holding her arm tightly with both hands.

He shook his hand closer and closer, wishing to pinch her arm.

No need to waste time? Stop pestering her? She wants to leave? Leave so easily?

well. Noila Mo successfully angered him again!

“Okay...” Allen Chu’s cold eyes shot a sharp light, staring at Noila Mo coldly, and his thin lips opened mercilessly: “Noila Mo, don’t you want to stay by my side?”

His voice had a bloodthirsty smell, which made people shudder.

Noila Mo shivered slightly, but still straightened her back. Sooner or later, she can’t hold back.

Biting his lip and making a fist with his right hand, Noila Mo summoned all his courage and looked up at him: “Yes.”

She dare to respond? The anger of the whole body was completely ignited.

In the next second, Allen Chu violently grabbed her hand and dragged it out! Noila Mo wanted to struggle, but Allen Chu pushed him down on the parked car beside him!

“Allen Chu! What are you going to do!” Noila Mo cried out in pain.

“What are you doing?” Allen Chu snorted coldly, his handsome face was covered with haze, his hands pulled her hair hard, pulled her face to his eyes, and gritted his teeth and said, “Noila Mo, you want to end it? Tell you, this is never possible!”

Allen Chu overwhelmed her, and moved his face down against his lips, biting her neck with one bite, tearing hard...

“Allen Chu! You lunatic!” Noila Mo cried out in pain, and beat his shoulders with both hands desperately.

Noila Mo shivered with anger from her neck.

Why should this man be so domineering!

Every time, everything depends on his decision. Every time you communicate well, you end up being devastated. Never listened to her seriously, except for brute force conquest or brute force conquest.

She is a person of flesh and blood! Not an inflatable doll! She does not exist just to satisfy his desire as a man!

“Let go of me! Allen Chu! I’m going to kill you!” Noila Mo was anxious and kicked desperately with her legs.

“Come on, come and kill me!” Allen Chu roared in a vicious voice, leaning down and staring at Noila Mo condescendingly. Dismissed her threats.

Noila Mo desperately pushed up with both hands.

Allen Chu’s movements became stiff, and he suddenly let go of his hand, touching his chest with one hand, his entire face was pale, and he let out a low cry of pain...

Noila Mo was taken aback, and quickly reacted, “What’s the matter? Allen Chu?”

He has no sense of self-protection at all.

Just after coming out of the hospital, I ran around the world, beating people and trying to take her...

Allen Chu stared at Noila Mo coldly against his painful chest. Damn it, he didn’t even have the strength to press her under him.

For the first time, he was so angry that he was useless.

Seeing Allen Chu not speaking, with thick eyebrows on his pale face, Noila Mo held his arm and asked eagerly: “What’s the matter? Is it the chest pain again?”

She brought some soft and nervous voice to his heart like something...

The full of anger was only due to her flustered movements gradually subsiding. Even my chest doesn’t hurt so much.

Is she worried about his injury?

Dead woman... It's clearly not unintentional to him.

It happens to be hard.

Or is he playing the game with him again? What is the end...what does he do if he is so nervous to end? !

Chapter 115

After some bargaining, Allen Chu finally agreed to let Noila Mo go out to work, but on the condition that she must work in Chu's enterprise. Be his secretary. He wants to keep her firmly in his sight.

Today is the first day of work. Noila Mo was particularly excited. A small black suit and a red hip skirt set off her slender figure particularly charming.

“Hello! Is it Miss Noilamo?” The personnel director took her directly to the office next to the president's office.

There are two other girls in the secretary's room, staring at the computer screen at work.

“Let me introduce to everyone, this is the new colleague Noila Mo.” The director of personnel introduced, and he was a little bit whispered, what is the origin of this Noila Mo, the president instructed her to personally guide the entry.

“Ah!” With a cheer, a girl in a blue chiffon shirt stood up, her face full of surprises: “Noila! Why are you!”

Noila Mo looked at the girl with a surprise smile on her face: “Jinxin! Why are you here?”

The girl in the blue dress is Noila Mo's former friend who worked in the restaurant, Gu Jinxin.

Gu Jinxin rushed over and grasped Noila Mo's hand: “Noila, why have you disappeared for so long? The phone number has also changed. I have called you several times but I can't get through...”

“Ahem...” The personnel director coughed twice, and a pair of phoenix eyes shot sharp light.

Noila Mo and Gu Jinxin looked at each other while sticking out their tongues. I was so excited just now that I forgot that I was working in the company.

The personnel director closed the door and left. This small office suddenly became the world of three girls.

“Noila, this is Xiang Wan.” Gu Jinxin introduced another girl in the office to Noila Mo.

Noila Mo stretched out her hand friendly: “Hello! This is Noila Mo. You can call me Noila.”

Xiang Wan is very beautiful, with white and tender skin, a pair of beautiful big eyes, long and curled eyelashes, like a doll, dressed in a princess style, she looks like an exquisite porcelain doll.

Xiang Wan pretended not to see Noila’s outstretched hand, and squeezed a smile from her face: “Hi!”

What little girl from an unknown source still wants to shake her hand. Gu Jinxin’s friend is probably another poor girl with no background. She doesn’t need to entertain her.

Gu Jinxin flushed with anger beside him. She had a bad relationship with Xiang Wan, but because of this, Xiang Wan would be so rude to Noila Mo.

Noila Mo looked at Gu Jinxin a little unclear. She didn’t seem to offend Xiang Wan. Why was her attitude so impolite.

“Go, I’ll take you to your work station.” Gu Jinxin winked at Noila Mo, pulled her up and walked to the next table.

The computer is already configured. Noila Mo just entered the work interface.

Just after logging in to the company’s internal communication software, Gu Jinxin’s dialog box popped up: “Noila, Xiang Wan’s father is Chu’s account manager, so she has always been very arrogant in the company. She has that kind of virtue. Take care of her.”

“Okay, I see. Anyway, I can do my job well.” Noila Mo smiled at Gu Jinxin.

It’s great, I didn’t expect to meet Jinxin in the Chu family. Noila Mo felt that her life had some color again.

It feels good to be able to work again. Since being with Allen Chu, her life has deviated from the normal track for too long.

Noila Mo looked at the high blue sky outside the window and took a deep breath. This is City C. She finally came back.

She has called the funeral home and ordered memorial supplies such as wreaths and paper money. Tomorrow, she will go to the cemetery to see her father.

Dad, are you okay in heaven? Is it very happy to be with mom?

Dad, I’m fine.

Noila Mo opened the diary on the computer and recorded his mood at the moment.

“Ding...” The loudspeaker in the secretary’s room rang.

Allen Chu's voice came from inside: "There will be an important meeting in a while. Please bring Noila Mo to the secretary."

Xiang Wan looked at Noila Mo in surprise. Generally, only senior secretaries are eligible to attend such high-level meetings. Noila Mo's little girl who just came today, did the president call her to attend?

Noila Mo was a little excited, and finally was able to meet the legendary high-level. She, a rookie in the workplace, can participate, and she will definitely learn a lot.

When the time came, Xiang Wan coldly shouted: "Noila Mo, meeting."

Noila Mo took the laptop and walked to the meeting room with Xiang Wan. When she saw Gu Jinxin making a cheering gesture to her from a distance, her heart felt warm.

Xiang Wan led the way. When approaching the meeting room, Noila Mo suddenly became anxious, probably because she drank too much water just now.

"Xiang Wan, will you wait for me? I want to go to the toilet." Noila Mo said embarrassedly.

Xiang Wan frowned, this Noila Mo was really annoying. She won't wait for her.

Xiang Wanzhi pointed to the conference room at the end of the corridor: "You can go by yourself in a while, I'll go first."

When Noila Mo hurried over after his convenience, the directors and managers of all departments in the conference room had already arrived. Noila Mo stood at the door anxiously holding the laptop, and everyone in the meeting room cast curious glances at her.

This little girl is very face-to-face, and everyone has guessed her identity.

Suddenly there was the sound of footsteps at the door. Noila Mo stood with her back to the door and saw everyone standing up from their seats, shouting respectfully in unison: “President.”

Noila Mo turned her head to see that Allen Chu walked in with a few people who looked like executives.

Noila Mo hurriedly walked inside to make way for them.

When Allen Chu and the others were all settled, Noila Mo found sadly that there were no more seats in the conference room! The only empty seat is next to Allen Chu!

Everyone in the conference room looked at the only girl standing in the room like a monster. Noila Mo saw Xiang Wan cast a reproachful look at her from a far corner.

Xiang Wan is dying, why this woman is so stupid, the secretary should come in early, find a corner to sit down, she is late, she is still there like a stick.

The president asked himself to bring her to the meeting, and now he stabbed the basket. The person to bear the responsibility is still her Xiang Wan!

“Secretary Mo, sit down!” Allen Chu, who looked down at the file, suddenly said lightly.

“Eh?” Noila Mo was a little surprised, but she had to sit down beside him.

“Let’s start!” Allen Chu put his hands on the table, slender fingers crossed, and his thick eyebrows wrinkled slightly, waiting to hear reports from the heads of various departments.

Noila Mo sat beside him, and the corner of his eye saw Allen Chu listening to the report with full concentration.

The deep eyes shoot out a wise light, the fingers are slender and powerful, the wheat-colored skin looks extremely clean and young in the bright morning light, and a cold face is so handsome that people dare not look directly.

Noila Mo has never seen such a Allen Chu, professional, calm, deep and wise, completely different from the arrogant man in her mind!

Noila Mo watched secretly with some idiots, and sighed in his heart: No wonder it is said that working men are the most attractive!

As if sensing Noila Mo's gaze, Allen Chu's mouth raised a small smile.

A very, very faint smile, so small that it is impossible to notice.

But Noila Mo just felt it.

Blushing, he quickly took back his mind, and he started to be idiot Allen Chu! Noila Mo felt that his brain must be short-circuited.

Hurry up and listen carefully to the reports of each department manager.

Suddenly, a speech by a manager of the business department caught her attention. The business manager is submitting a business proposal. Noila Mo happened to see this project this morning.

The data the manager said is not the same as the final data report she saw.

The delicate eyebrows frowned slightly. Listen carefully to the manager's statement. It became more and more certain that the manager was wrong, and the data he provided to Allen Chu was not right at all!

But Allen Chu didn't seem to hear it at all. I also asked the manager about the most detailed budget with great interest.

Noila Mo couldn't sit still. She knew that this business was the most important business of Chu's recent business, and it was of great significance to Chu's.

She was constantly struggling, after all, she was a newcomer, and she was only on the first day of work today. Even if the manager made a mistake, Allen Chu didn't notice it. Why was she anxious? It is not her turn to point out the manager's mistake!

But another voice was saying that since she joined the Chu family, she is an employee of the Chu family, and she must try her best to do everything well and strive for the greatest benefit for the Chu family.

The manager finished speaking and sat down. The projector starts to play another department's report. There is no chance if you don't say it.

Noila Mo plucked up all his courage and stood up fiercely, with a trembling voice saying, "Some data in the report of the business manager just now is not correct."

Noila Mo's words immediately stirred up a huge wave.

Everyone stared at her in astonishment. This new secretary, even pointed out the mistake of the business manager at such an important meeting!

Everyone whispered to each other. The manager of the business department blushed and his voice was not convinced: "Secretary Mo, you said I was wrong, do you have any basis?"

Noila Mo raised her head with a professional smile on her face, hoping to hide her nervousness with the help of a smile.

She settled down, tried to recall the report she had read in the morning, and said in a calm and soothing voice: “I happened to read the report related to this business this morning. According to statistics, the Chu family spent last year on TV stations and major media. The advertising cost in the magazine is 20 million. I don’t know the benefits of the 20 million, but you should have seen Chu’s annual financial report. The benefits are considerable. And this time, there is no KPI. Under the pressure of assessment, the business department only hires print media and online media, but does not have the expense of TV stations. Why does the advertising cost exceed 40 million?”

While speaking, Noila Mo calmed down completely. In the last question, she looked at the people in charge with an extremely confident smile, waiting for their response.

Chapter 116

His eyes suddenly met Allen Chu's deep eyes, and Noila Mo did not evade, but stared at him bravely.

At this moment, she has completely forgotten the entangled relationship between her and Allen Chu. She is just an ordinary employee who is putting forward her own opinions on the company's business and trying to reduce unnecessary losses for the company.

She was ashamed of her heart, so she dared to look straight into Allen Chu's eyes.

Allen Chu's deep eyes flashed with admiration. Unexpectedly, as a newcomer, Noila Mo had such sharp eyes. She suddenly pointed out the doubt that he hadn't even thought about.

Allen Chu looked at Noila Mo with admiration!

Said to the business manager: "Manager Zhang, you can go back and review the data."

Noila Mo breathed a sigh of relief, knowing that his suggestion had been adopted.

After some reports, the memory is finally over.

Noila Mo walked out holding the notebook. Allen Chu, who was about to walk out of the conference room, suddenly stopped, turned his face, and took a deep look at Noila Mo who was not far behind him.

Noila Mo just raised his head, his eyes filled Allen Chu's deep eyes, and he choked for no reason, and was a little nervous.

“President?” The senior director who followed saw Allen Chu turned to look at the little secretary behind him, thinking that there was something else for Allen Chu.

Allen Chu still stared at Noila Mo closely, an unknown gleam flashed in his eyes, and he pursed his lips, “Give Secretary Mo a bonus, according to the highest specifications.”

Xiang Wan, who was walking behind Allen Chu, heard these words truly, her teeth clenched tightly on her extremely delicate red lips, and the jealous expression on her face was fleeting.

Seeing Xiang Wan’s expression, Noila Mo was depressed for a while. She didn’t want to show up in the limelight, but now it’s fine. She made enemies for herself when she first joined.

Back in the secretary’s room, Noila Mo was still a little bored. Seeing Noila Mo’s face, Gu Jinxin thought it was something wrong with her work. She walked over and asked concerned: “Noila, are you all right? Didn’t make the minutes of the meeting?”

“Gu Jinxin, you are so passionate! I just showed up! Now I am a celebrity in the eyes of the president!” Xiang Wan said, sitting on her own deeds, yin and yang weirdly.

Gu Jinxin saw that Xiang Wan was jealous and envied. Gu Jinxin knew that there should be nothing wrong with Noila Mo’s work, so he felt relieved. Patting Noila Mo on the shoulder, she returned to her seat.

“Jinxin, I pointed out the mistake of the business manager at the meeting.”

“Noila, what did you do during the meeting just now? Look at Xiang Wan’s face with a jealous look.”

The two dialog boxes popped up at the same time. Noila Mo and Gu Jinxin raised their heads and smiled at each other tacitly.

Xiang Wan watched the exchange of eyes between the two of them, and her white tender hand clenched the porcelain cup in her hand. The beautiful long nails couldn't stand the pressure, and one snapped.

Noila Mo told Gu Jinxin about the events of today's meeting. Gu Jinxin was so excited that she almost jumped up: "Noila, you are great! You can see such a big loophole just now, you are still so smart!"

Noila Mo smiled shyly. Jin Xin is always so cheerful and never hesitates to praise his friends.

Allen Chu's figure suddenly flashed past the door, and he and two director-like people were walking out of the office.

"Noila, great! The CEO is out! Let's relax again for an afternoon!" Gu Jinxin happily played Noila Mo's small window.

Xiang Wan also saw the figure of Allen Chu outside the door, her gaze fell on Noila Mo's face, flashed slightly, stood up and walked to the pantry with a twisted butt.

It's lunch time. Gu Jinxin walked over and happily patted Noila Mo's shoulder: "Noila, go, go to dinner!"

Chu's staff restaurant is a well-known food concentration camp. Not only all meals are free, but the dishes are rich and varied, and the taste is no less than those of well-known restaurants.

This is also the reason why so many people come to Chu's clan when they squeeze their heads. The son is good, the welfare is good, and the president is a famous and

handsome bachelor. Many unmarried girls come to work in Chu with the mentality of catching a beetroot, such as Xiang Wan.

Once, she and Allen Chu had a passionate night, but unfortunately, there was only one night.

But she was not reconciled. As long as she manages it carefully, she can't get Allen Chu's heart if she doesn't believe it!

Noila Mo and Gu Jinxin sat in a relatively secluded corner, chatting and eating, very happy. Noila Mo hasn't been so happy for a long time. I am really happy to be able to chat with my good friends without any scruples!

Xiang Wan came over from the side, steaming on the plate, as if he had just made a thick soup.

Walking over here, twisting and twisting, when she walked to Noila Mo's side, her body shook, the dinner plate suddenly tilted, and a bowl of hot soup was splashed on Noila Mo's arm!

"Ah!" Before Noila Mo could scream, Xiang Wan already screamed: "Noila Mo, I'm sorry! I'm so sorry! I didn't mean it!"

"Ah, it hurts!" The hot soup has already burned Noila Mo's arm.

"Ah, Noila! Are you okay?" Gu Jinxin quickly threw down the dinner plate to help Noila Mo check the injury, Hong Hong's arm had some small blisters, "Noila! Arm blistered!"

Gu Jinxin stared at Xiang Wan angrily: "Why are you so careless! You see Noila's arms are blistering!"

Xiang Wan tried her best to conceal her pride, pretending to be sorry and said: “I didn’t mean it!”

Seeing Xiang Wan’s hypocritical appearance, Gu Jinxin’s heart suddenly became angry: “You didn’t mean it? I think you did it on purpose!”

“Jinxin!” Noila Mo held back the pain and pulled Gu Jinxin. If she doesn’t hold her again, maybe she will fight Xiang Wan.

They were all colleagues in an office, and Noila Mo didn’t want to make things too much. Besides, maybe Xiang Wan was really careless?

People in the restaurant looked over here. Some people recognized Xiang Wan. Posing his lips: “The president’s canary is bullying again!”

“Not necessarily! That scalded little girl is not an ordinary person. At today’s high-level meeting, she was very popular!”

“What can you do if you show up again, Xiang Wan and the president, you don’t know...”

Suddenly, all the chattering voices calmed down. There was a suffocating silence.

The sound of leather shoes moving on the floor came closer and closer.

Noila Mo looked up, his mouth opened slightly in surprise, and it was Allen Chu who came!

He and a few high-level people are walking here.

“Why does the president come to the staff restaurant for dinner?” Gu Jinxin whispered.

Chu's dining place has three floors, and the president usually eats in the special restaurant on the third floor. The lobby on the first floor is where these little employees eat.

I have never seen Allen Chu in the staff restaurant on the first floor. No wonder Gu Jinxin is surprised.

As soon as Allen Chu came to the staff restaurant, he found a group of people pointing towards the corner on the right.

Looking along, Allen Chu saw Noila Mozheng and Xiang Wan pulling and pulling, and the other secretary next to him was very excited about what he said.

Noila Mo frowned tightly, seemingly painful.

Allen Chu frowned, what is this little woman doing?

Allen Chu walked over and asked with a cold face, "What are you doing?"

Xiang Wan and Gu Jinxin turned their heads in shock, and saw Allen Chu standing behind them with a gloomy look.

The two took a step back subconsciously, Allen Chu's aura was too strong.

Noila Mo quickly explained: "Oh, nothing happened. I accidentally burnt my arm. Secretary Gu is about to take me to the infirmary!"

Gu Jinxin was unhappy when Noila Mo said so, and pointed to Xiang Wan and said to Allen Chu: "It wasn't Noila who burned himself, but Xiang Wan deliberately burned it!"

She is not afraid that Xiang Wan is Allen Chu's lover, she must seek justice for Noila today!

Noila Mo hid his arms behind him, not wanting Allen Chu to see it.

Allen Chu took a step forward and pulled Noila Mo's arm out from behind him. The place where Noila Mo's arm was scalded had been blistered!

Allen Chu frowned, did not speak, and stared at Xiang Wan with a stern look, and took Noila Mo's hand and walked towards the infirmary.

Xiang Wan and Gu Jinxin both looked at the backs of Allen Chu and Noila Mo in surprise. Gu Jinxin's face was pure astonishment, while the astonishment on Xiang Wan's face was mixed with deep jealousy.

Noila Mo reacted and pulled her hand out. But Allen Chu's big hands are really powerful, and she is embarrassed to struggle too hard under all eyes. I had to let Allen Chu hold her hand and walked into the elevator with everyone's astonished eyes.

As soon as he entered the elevator, Noila Mo struggling desperately to throw Allen Chu's hand open: "I can go to the infirmary by myself, you can go work!"

Allen Chu ignored Noila Mo's set at all, raised Noila Mo's arm, and looked at it carefully. The arm was already red and swollen, and several small blisters were densely formed on it. It seems quite hot.

"Don't move!" Allen Chu said coldly. This little woman really didn't make people worry, she just took a while to make herself like this.

"I'll just go to the infirmary and rub some medicine. You let it go!" Noila Mo felt that Allen Chu was making a fuss. She burned a few blisters. She used to get scalded when she was working in a restaurant.

"Shut up!" Allen Chu suddenly roared domineeringly.

Noila Mo frowned: “What are you doing so fiercely!” This man was really nervous, pretending to feel distressed for her burns for a while, and turning around and shouting for a while.

“Why are you so stupid! Wouldn’t you let it go when you saw someone walking over with hot soup?” Allen Chu suppressed the anger on his chest and began to teach her the principles of life.

“You don’t need to teach me kindly! I know how to do it!” Noila Mo blushed, really inexplicable, she didn’t call him to help her, he took her hand to the infirmary on his own, and What’s your temper at her?

This man is always so domineering and never considers the feelings of others. Everything must be done according to his ideas.

When will he learn to respect others?

Chapter 117

“You woman, you really don’t know good or bad!” Allen Chu glared at her and said coldly.

His eyes directly hit her face, which was extremely aggressive and made her feel a little hairy. Allen Chu really got angry, it was still very scary.

Quiet and stop talking, the elevator moves up steadily.

The walls of the elevator are very smooth stainless steel, and you can clearly see Allen Chu’s figure. He was wearing a silver-gray shirt, no tie, two unbuttoned buttons on the front of the shirt, and his neckline opened casually.

The tall and sturdy figure, the arrogant style of a prince, coupled with handsome features, exudes charming masculine charm.

Damn, Noila Mo suddenly realized her gaffe.

She actually looked at Allen Chu’s shadow and stared blankly. Secretly glanced at Allen Chu, his eyes were looking at the buttons in the elevator, but he didn’t notice her gaffe.

Noila Mo breathed a sigh of relief, and said unnaturally: “President, you don’t need to deliver it yourself, I’ll just go by myself.”

Noila Mo felt that her tone was tactful enough. Allen Chu ignored it and said directly, “Shut up!”

Noila Mo squeezed her mouth and stopped talking in a knowing manner. She didn’t want to really anger Allen Chu.

But he didn't think so in his heart, Allen Chu was caring about her, right? But why does this concern make people so uncomfortable?

I don't feel the warmth of being cared for, but a weird sense of threat.

Caring for the individual is also so overbearing, Noila Mo shook his head in his heart, Allen Chu was indeed an arrogant man.

Noila Mo shook her head and sighed in her heart. She drew Allen Chu the label of "arrogant". Perhaps her expression was too vivid. Allen Chu turned around and said, "Noila Mo, what are you muttering?"

"Ah? I didn't!" Of course Noila Mo would not admit that she was scolding him in her heart.

"Really not?" Allen Chu turned his head slightly to Noila Mo and looked down at her. His voice was low and magnetic, with a little pampering, making her a little lost for a moment.

Turning his head away, he escaped from Allen Chu's sight. Noila Mo nodded vigorously to express his innocence.

Allen Chu suddenly stretched out his hand and patted Noila Mo's head: "Silly girl, it's the 19th floor!"

Noila Mo looked up, and sure enough, the elevator had reached the 19th floor infirmary.

The two walked along the shiny floor to the infirmary.

Allen Chu reached out to hold Noila Mo's hand, raised her arm and looked at: "Did you offend the secretary today?"

Noila Mo shook her head quickly. She didn't want to tell other people's right and wrong in front of Allen Chu: "No, you think too much, Secretary Xiang should be careless."

"Regardless of whether she burned my woman on purpose or not, she must pay the price," Allen Chu said coldly. A fierceness flashed in his eyes.

"Cut~" Noila Mo sneered at Allen Chu's words, "President, are you mistaken? Isn't Xiang Wan your woman? I heard that you and her also had a romantic history."

This man is really ruthless. It is clearly the woman he slept with, but he turns away and doesn't recognize anyone.

"Noila Mo, are you jealous?" Allen Chu lowered his head towards her, and the exhaled heat sprayed to her ears, the light smell of cologne on him, faintly floating in her nose.

Noila Mo hurriedly took a step back, pulling the distance between her and Allen Chu: "Of course not jealous. I just remind you not to be too ruthless."

Noila Mo was worthless for Xiang Wan, who didn't know that Allen Chu was always ruthless to women, she just stepped into this dead end and refused to come out.

"Really?" Allen Chu ignored Noila Mo's sting and forced her to the corner, his voice even lower and ambiguous.

"Hey~hey~Allen Chu, don't get estrused! This is the company! Are you afraid that your subordinates will see you molesting a female employee?" Noila Mo was forced into a corner by Allen Chu, and there was no escape!

I had to put my hands against his chest, his chest was hard, his muscles were very tight and flexible, and his hand felt very good. Noila Mo blushed suddenly. What the hell is she doing!

This man is molesting her, but she is experiencing the feel of the man's chest!

When Allen Chu saw Noila Mo's blushing face, he was suddenly in a good mood. She lowered her head and covered her small hand with her big hand, her voice was dull and almost flirting: "Noila Mo, you blush. What are you thinking about?"

gosh! Noila Mo was almost mad. This man is so speechless! Only he thinks about things that are not suitable for children, right?

"You're so boring!" He slammed a word, abandoning Allen Chu and ran to the infirmary.

Seeing the president arrived, several doctors in the infirmary quickly stood up: "President."

Allen Chu nodded casually, took Noila Mo to the sofa next to him and sat down, and raised Noila Mo's arm: "She is burned, let her take care of it."

Several doctors exchanged glances, and they were all curious about Noila Mo.

Allen Chu was cold and iron-blooded. He was a well-known president of the iceberg in the Chu family. He rarely saw him being so caring and gentle.

Several pairs of eyes looked up and down Noila Mo. A very ordinary girl, she is pretty, but she is definitely not a top beauty.

Has the president changed sex recently? Didn't you just like super beauties with hot bodies? It is estimated that I have eaten too many large meals, and occasionally want to change my appetite. This kind of porridge and side dishes will not have a

long shelf life. Everyone sentenced Noila Mo to death in their hearts. It is concluded that her favored period will not exceed one week.

“What are you doing in a daze? Don’t you let you treat the wound?” Allen Chu said coldly. The doctor was so scared that he turned around to get the medicine.

The ointment was a bit irritating, and when she applied it on Noila Mo’s arm, she frowned with pain.

“Okay, okay, forbearance will be fine for a while.” Allen Chu looked down at Noila Mo, softly coaxing her with a childish tone.

The doctors were shocked again! It turns out that the president will speak softly, but the president’s voice is so lethal when he is gentle! Single female nurses have red hearts in their eyes. This is simply the perfect man! She looks domineering, but she is gentle with the woman she likes... The female nurse is constantly idiot...

Seeing the surprised eyes of the surrounding doctors, Noila Mo felt uncomfortable. Pushing away Allen Chu tried to hold her hand, frowning tightly.

It’s really annoying. She only went to work on the first day. She didn’t want to be watched like wild animals. I blame Allen Chu. Didn’t you say that she just came to work before? Treat her as an ordinary employee. But he never did it!

Noila Mo gave Allen Chu a fierce look, and calmly moved his body away from Allen Chu.

Noila Mo’s dislike for Allen Chu was so obvious that the doctors around were not only shocked, they almost fell out of their eyes!

This not surprising little girl is really bold! Even the president dare to dislike it! Everyone worshipped Noila Mo deeply in their hearts, and Noila Mo occupies the number one idol position in their hearts!

When Allen Chu brought Noila Mo out of the infirmary, she had become a legend of the Chu family and became the focus of public opinion throughout the company.

The entire company is like a blast, everyone is discussing the relationship between Noila Mo and Allen Chu.

Several doctors in the infirmary, as soon as Noila Mo and Allen Chu left, they immediately released the latest developments of the president and Noila Mo through the company's internal communication software!

Including the president who wanted to pull the little girl's hand, but was rejected and despised by the little girl, including the president's gentle and low voice coaxing the little girl not to be afraid of pain, Allen Chu's love and care for Noila Mo was magnified ten times by everyone everywhere. Spread, Noila Mo became the most famous secretary in the history of Chu!

Noila Mo returned to the secretary's office accompanied by Allen Chu.

Several times in the middle of the journey, Noila Mo begged Allen Chu: "Please, don't follow me? Just now it's eye-catching enough, now you send me back, I don't know what others will say!"

Allen Chu raised his thick eyebrows: "Noila Mo, don't be affectionate, okay? I just drop in! I also go this way back to the office."

Noila Mo nodded: "Okay then! Then I go up the stairs, right?"

Allen Chu stretched out a big hand to directly pull on the collar of her coat: "Follow me in the elevator!"

Noila Mo returned to the secretary's room in response to the gazes of everyone on the road, already full of anger in her stomach.

“Noila, are you back? How’s your arm?” Gu Jinxin greeted Noila Mo with concern and asked.

“Oh, it’s okay, it’s much better after applying ointment. Don’t worry.” Noila Mo smiled at Gu Jinxin.

Xiang Wan saw that Allen Chu was also coming, with a bright smile on her face, twisted her butt and walked to Noila Mo, pretending to be concerned, and said, “Noila, I’m so sorry, I really didn’t mean it. Yes! Are you okay?”

Noila Mo glanced at Allen Chu and saw that he was staring at his arm. His deep eyes swept over Xiang Wan’s face without focus. Nothing flashed in his eyes because of her beautiful face like a porcelain doll. The same light.

Noila Mo breathed a sigh of relief for no reason, and then faintly returned: “It’s okay, it doesn’t hurt much anyway.”

“Noila, you are so magnanimous, I am really touched...” Xiang Wan said pretentiously, with a pair of big eyes that didn’t look at Noila Mo at all, and kept sweeping over Allen Chu.

The color of sarcasm flashed through Allen Chu’s eyes, and the expression on his face became more grim. The delicate features like a prince were so gloomy, and a cold air suddenly radiated from his body.

“Xiang Secretary, you have been fired!” He said coldly, his sharp eyes brewing this cold and unknown light.

“President Chu!” Xiang Wan was stunned by Allen Chu’s words and looked at Allen Chu with big eyes in disbelief.

She was also Allen Chu’s former lover anyway, how could he fire himself for a humble secretary like Noila Mo?

“President, Secretary Xiang didn’t mean it, how could you punish her so severely!”
Noila Mo was also surprised by Allen Chu’s decision.

Chapter 118

Allen Chu's stern face didn't show any signs of poverty, but looked at Xiang Wan sternly.

Xiang Wan yelled in horror: "President, it's not what you think!" Her face was deeply shocked, she couldn't believe that Allen Chu would really fire herself for such a trivial matter.

Even if it hadn't been that night, Xiang Wan's father was somehow an executive of the company, and she looked at the face of the Buddha regardless of the monk's face. This little girl only came to the company one day!

Seeing Xiang Wan with a distorted face, Allen Chu frowned impatiently, and said solemnly, "Go pack things and leave immediately!"

Xiang Wan's tears suddenly flowed out: "President, I was wrong! I will never dare anymore!" She threw herself at Allen Chu's feet.

"Get out! Immediately!" Allen Chu hates the entangled woman the most, his tone is already cold and can't be cold anymore.

Xiang Wan knew that there was no room for retention anymore, the tears in her eyes were spinning, her eyes shot cold light, looking at Allen Chu, her trembling hands slowly harvested fists: "Noila Mo is so important to you?"

"Go out!" he sneered.

Xiang Wan's bitter gaze swept across Noila Mo's face, making her shudder!

It was just a small burn. Even if Xiang Wan did it intentionally, the punishment would be too heavy for her.

Is Allen Chu trying to vent her anger? However, she does not need such revenge!

Noila Mo looked up at Allen Chu, her eyes complicated.

After another three days, Noila Mo was sitting at her desk working on the documents. Before typing half a line, she heard Gu Jinxin's excited voice: "Noila! Are you lucky?"

Noila Mo turned her head in surprise: "What?"

Gu Jinxin smiled and walked up to her with a pretty face and a mysterious look: "Noila, say, which rich man have you caught?"

"What?" Noila Mo shrank. Could it be that Jin Xin discovered her relationship with Allen Chu?

Impossible, she is usually very careful, it is impossible for Jin Xin to find out.

Gu Jinxin magically took out a large bouquet of delicate roses from behind: "Just sent from the flower shop! Your name is written on the card!"

Who gave the flowers? Noila Mo was also a little strange.

Busily stood up and took the rose, the rich fragrance came out, and a sentence was written on the pink card: Noila Mo, isn't it a pleasant surprise?

The handwriting drawn by the silver hook is strong and powerful. It's Allen Chu's handwriting!

Surprise? Surprised! Allen Chu, this naive man!

She is not a little girl anymore, can a bouquet of roses surprise her?

“Ahhhhh...”

“Wow wow wow...”

The high-decibel screams of female colleagues outside competed.

Noila Mo rubbed her aching ears, frowned and looked at the door. Now she was dumbfounded, and saw a person in a florist uniform carrying a big red heart made of roses coming here.

The big red heart is too big, almost 2 meters high, and the spacious office suddenly appears crowded.

“Wow! The vulgar part of the idol drama is live! How much does it cost for such a big bunch of roses?” Gu Jinxin stood next to Noila Mo in awe, her white face full of envy.

Noila Mo was speechless.

“Miss, a total of 9999 roses, please sign for it.” The flower shop staff took out the list and signed for her.

“Sorry, I refuse to sign for it.” Noila Mo also stuffed the rose bouquet in her hand back: “Please take all these roses back.”

What exactly is Allen Chu going to do? Didn't you go on a business trip? Why is there still free time to send her roses?

“Miss, please sign for it! The other party has already paid.” The staff of the flower shop thought Noila Mo didn't want to pay.

“I don't care, move away!” Noila Mo said coldly.

What does Allen Chu treat as her? Deliberately made her unable to survive in the company. It's all right now, she has once again become the focus of the company!

She doesn't want this! She just wants to go to work quietly and live a plain life!
Does he understand?

“Noila! Are you stupid? There are so many roses in the office!” Gu Jinxin stopped excitedly, grabbing a brush to sign for Noila: “I signed for her! You guys! Let's go! Let's go~”

The staff rushed out of the magazine as if fleeing, for fear that she would regret it next second.

“Gu Jinxin!” Noila Mo stared at Jinxin angrily.

Gu Jinxin is a good friend of hers. Knowing her stubborn temper when she says no, she dares to take the flowers!

“Oh, don't be angry! If you don't like it, just leave it to me!” Gu Jinxin coaxed Noila Mo happily, but said that, her body didn't move at all. Staring at Noila Mo gossiping: “Say! Who gave the flowers? Why don't you accept them?”

Why not accept it?

Noila Mo smiled bitterly. If Jinxin knew who gave this flower, she probably wouldn't ask such a question.

Only when Noila Mo came to the Chu family did he know that Allen Chu was a combination of angel and devil in the minds of employees.

To say that he is an angel is purely because of his handsome face, and that he is a devil, because of his cold and domineering work style. Almost no one can stand his

quirks, and the secretary next to him changes from one call to another, and Gu Jinxin stays for a long time.

“Noila, who sent it! Tell me secretly, I promise not to tell anyone!” Gu Jinxin was still begging Noila Mo vigorously, the blood of gossip burning.

“From an old, short, bald, arrogant man with a beer belly, no amount of perfume can cover the body odor!” Noila Mo said through gritted teeth.

Then he turned his head and smiled at Gu Jinxin unkindly: “You want this rose so much, how about I call you to him?”

“Ah! I still have work to do, bye!” Gu Jinxin ran away, pretending to be busy.

“Haha...” Noila Mo burst into laughter at Gu Jinxin’s expression.

Noila Mo sat at the table and thought for a while, walked to the lounge with her mobile phone, and dialed Allen Chu’s number.

The dull bell rang for a long time, and a strange female voice rang from the phone: “Hello! Who?”

“...”

Noila Mo was stunned for a moment, feeling inexplicably pouring down.

It was like a basin of cold water pouring from head to toe, and it was so cold that she could barely speak.

He has only been on a business trip for a few days, and has a woman so soon?

In that case, why do you pretend to give her roses? Let her be the word of the whole company?

She should have understood that a man like Allen Chu is always so casual about the relationship between men and women. The women he has been with are too numerous to mention. She Noila Mo is just a toy for him when he is bored.

Funny, she still takes it so seriously.

Noila Mo turned to the phone, unable to speak a word, and was about to hang up. The woman on the other segment of the phone spoke again with a stylized voice: “Is it Ms. Mo? Mr. Chu is in a meeting now and it is not convenient to answer the phone. Do I need to remind him to call you back?”

This woman...knows her existence?

Are you still so generous to help her convey it to Allen Chu?

Noila Mo said in amazement: “May I ask who you are?”

“I’m President Chu’s secretary here in Shanghai.” The woman on the phone chuckled and politely explained: “Mr. Chu’s cell phone is dead. I asked me to charge it just now. Please don’t get me wrong.”

What a reasonable explanation... How skilled she is, she seems to have explained it many times before.

Have you dealt with many women like this?

Suddenly remembered Gu Jinxin’s joke: “Being Allen Chu’s secretary is a must for him to deal with women from all walks of life”

Noila Mo was silent...

“Noila!” Gu Jinxin ran to the lounge with a cup, “Quick! Will you participate in the event! I have organized a grand blind date with S.T tonight! You must go!”

After speaking, another gust of wind ran away and went to lobby other colleagues.

Gu Jinxin said that her biggest dream is to marry herself before the age of 25. Therefore, she never let go of all kinds of blind date activities. In her words, she would rather kill the wrong person than let it go!

Noila Mo curled his lips helplessly, and then asked to the phone: “Chu, is he in a meeting? Then I will call you back.”

The building of Chu’s branch in Shanghai is located in a prime location by the Huangpu River. The president’s office is on the top floor, and the curtains of the floor-to-ceiling windows are opened remotely, and the scenery of the entire city is in full view.

It is already six o’clock in the afternoon to finish reading the documents on hand.

Allen Chu opened the drawer, and there was a diamond cartoon figure in the drawer. He had straight black hair, a fair face, a playful little pointed chin, and a pair of smart big eyes made of two large black crystals. With a dazzling light.

This is a cartoon version of the doll specially customized by Allen Chu for Noila Mo in Swarovski. The doll stood on the table playfully. It didn’t match his icy presidential room. The display was very eye-catching...

The first time he saw a similar cartoon doll in a Chicago shop window, he thought of Noila Mo. Girls like this kind of shiny stuff, and Noila Mo will definitely like it too.

By the way, next time you will make a cartoon version of your own doll and let Noila Mo take it with you!

Allen Chu's sexy thin lips couldn't help but evoke an upward arc.

“Bang Bang—”

The office door was knocked twice.

“Come in.” Allen Chu condensed his thoughts and said coldly.

An intellectual woman in her thirties stepped forward. It was Miss Zhang, his secretary in the Shanghai branch.

“Mr. Chu, your coffee.” Secretary Zhang put the hot coffee on the desk and reported the itinerary by the way, “You and the general managers of Diye Real Estate have a meeting dinner at nine o'clock in the evening. I ordered The Junyang Hotel in Western District.”

“Yeah.” Allen Chu picked up the coffee cup and sipped it.

“Also... Miss Lan, Miss Xu, Miss Mo, Miss Fang, please call them back when you have time.” The secretary pushed the black-framed glasses to report on personal matters, giving a stern look.

Allen Chu is the president of Chu's Asia-Pacific region. He is young and vigorous, and he is extremely handsome. There are never fewer women around him.

Secretary Zhang sometimes feels that he is not a secretary, but his nanny and elder, and he has to deal with various male-female relations issues for him.

Allen Chu drank coffee, “Which Miss Mo?”

“Miss Noila Mo.” Secretary Zhang couldn't help looking at Allen Chu curiously. The four young ladies only asked Miss Mo? It seems that Mr. Chu is very fond of this young lady surnamed Mo...

Noila Mo?

Allen Chu's eyebrows were lightly raised, and she would actually call him on the initiative. It seems that those roses have worked. Therefore, roses are the most harmful to women, and Noila Mo can't avoid it.

She wasn't very touched the last time she gave the Blue Demon Fairy, it must be because there was only one handful.

Chapter 119

In the clothing store, Noila Mo is accompanying Gu Jinxin to choose clothes.

“Noila, do you think I should wear this one?” Gu Jinxin picked up a black dress and gestured to Noila Mo.

Noila Mo shook his head. Jinxin’s skin is smooth and healthy wheat color, which is ruined in a black dress. Noila Mo walked over to pick up a white onepiece from the hanger and handed it to Gu Jinxin: “Jinxin, try this one.”

Gu Jinxin hesitated: “My skin is not fair enough, will it look black if I wear this?”

Noila Mo smiled and shook his head: “You have honey-colored skin, so you can wear white to line it!”

Gu Jinxin walked into the fitting room suspiciously. Noila Mo casually looked at the clothes on the shelf.

Suddenly a familiar voice sounded in the next door, separated from her by a row of shelves.

“Salmon, I’m so angry! People can’t wear these beautiful clothes now! It’s all on you! It’s causing them to become pregnant, and turning into a yellow-faced woman after giving birth.” It was Liang Nuanxin’s voice.

Salmon, the familiar name made Noila Mo tremble.

Looking through the gaps in the clothes on the shelves, Salmon Shen was buying clothes with Liang Nuanxin.

Liang Nuanxin is fatter, and his white, tender and round face has the breath of a rich young lady. Salmon Shen, who was accompanying him, was still handsome

and elegant, and still had the usual gentleman smile on his face, but there was some melancholy between his brows.

Noila Mo quickly hid herself among the clothes on the shelf. But my heart was pounding uncontrollably!

Salmon Shen, her Senior Shen, is next door! With her, only separated by a shelf distance!

But the distance of this shelf is so far...so far away, she can't reach it anymore in this life.

The farthest distance in the world is not between life and death. But when I stand in front of you, you don't know that I love you. This sentence suddenly came to Noila Mo's heart. It was an indiscriminate sentence, but at the moment it made Noila Mo sad.

Senior Shen, he should be doing well, right? Married Liang Nuanxin, gave birth to a lovely baby, and lived a happy life.

That's great. Senior Shen's life should have been like this.

Liang Nuanxin is not good enough, but so what? She loves Senior Shen, this is enough.

Noila Mo's fingers gripped the clothes on the shelf tightly, just like his painful heart.

"Nuanxin, you don't like these, then let's go and look at the clothes over there!"
Salmon Shen smiled gently, and took Liang Nuanxin to the other side.

Noila Mo breathed a sigh of relief, he should be thankful, Salmon Shen and Liang Nuanxin didn't come here.

She is not yet mentally prepared to meet Senior Shen. If possible, she hopes that she will never meet again in this life. Let him keep the best impression in his heart.

Looking sadly at Salmon Shen and Liang Nuanxin going further and further, Noila Mo didn't know that his eyelashes were moisturized.

“Hey! Noila! What are you looking at so absorbed?” Gu Jinxin's voice interrupted Noila Mo's thoughts.

Hurrying to conceal the wetness of the corners of his eyes, Noila Mo squeezed out a smile: “Jinxin, have you changed it?”

Gu Jinxin was a little careless, and didn't pay much attention to Noila Mo's strangeness. She wore a white skirt and turned around in front of Noila Mo: “Noila, how is it? Is it beautiful? Can you kill the tech guy tomorrow night?”

Tomorrow night's sorority will be with the technology company in the opposite building. It is said that there are many high-income, high-educated and handsome technology men.

The white skirt style is very simple, but it sets off Gu Jinxin's beautiful figure and honey-colored skin particularly charming. Coupled with her brilliant invincible smile, shiny white teeth, typical sunny beauty.

Noila Mo praised sincerely: “Jinxin, you are so beautiful! I firmly believe that those tech men will be obsessed with you!”

Gu Jinxin slapped her hair and made a complacency: “Well, tomorrow night I have to show my fists and hook up one by one, and strive to marry myself this year!”

Looking at Gu Jinxin's brilliant smile, Noila Mo was envious. Really, she envied Jinxin. Although she has no boyfriend yet, her life is clean and innocent, pure work, pure love, and future marriage and children. Everything can be put in the

sun, unlike her, the other side of life is destined to be in the dark and has no right to see the light.

The quality of this sorority was indeed high. Most of the people who go there are handsome men and women, even men and women who are not so outstanding, their body and temperament are first-class.

Looking around, everyone is pleasing to the eye. Noila Mo sighed that today was the right one. She has no interest in friendship, purely to accompany Gu Jinxin and help her check. But I didn't expect to see so many handsome men and beautiful women today.

The whole city seems to be coming...

Gu Jinxin was very excited and happily said to Noila Mo: "I think my lifelong event has hope!"

The sorority got a number speed dating. Noila Mo drew 7, so the match with her was number 17. Gu Jinxin drew to 23, and she was matched with No. 33.

Seeing Noila Mo secretly put the number plate on the table, Gu Jinxin disagreed: "Noila, don't let it go! Are you single too? If you don't want to find a boyfriend, you should know one more boyfriend. Are new friends bad? Let's play together~ They are all young people. If you feel inappropriate and don't like it, just don't leave the phone for a while."

Noila Mo is right to think about it, anyway, it's here too, so let's get to know more friends.

Walk to the fixed table in order, where No. 17 is already sitting. The figure seemed familiar from the back. Noila Mo calmly walked towards the man.

"Hello!" The words of greeting got stuck in the throat just halfway through!

Allen Chu! The man sitting there turned out to be Allen Chu! With a terrible expression on her face, she was staring at Noila Mo fiercely!

“You... why are you here?” Noila Mo shrank back and asked in a low voice because she felt guilty and unreasonable.

Allen Chu stood there with a long figure, his deep eyes staring at Noila Mo, and his black shirt lined him with a haze.

Seeing Allen Chu’s expression, Noila Mo’s heart contracted.

“Noila Mo, you are very courageous!” Allen Chu gritted his teeth. The handsome face was covered with thick clouds, and it was a burning anger.

“I...I...” Noila Mo wanted to explain, but didn’t know how to explain, saying that she just came to accompany Gu Jinxin? Said she didn’t even plan on real friendship? Allen Chu would not believe it.

Forget it. No explanation. Noila Mo lowered her head, not wanting to speak.

But Noila Mo’s appearance was an expression of guilty conscience in Allen Chu’s eyes. He stayed up late to deal with matters in Shanghai. He didn’t even want to take a break. He hurried back and looked around for her and couldn’t find her, but he heard the company’s receptionist say that she and Gu Jinxin had come to socialize!

The anger burned more vigorously, Allen Chu stood up with a sullen expression, his dark eyes were burning with angry flames: “Noila Mo, are you looking for death? How dare you come out for friendship behind me!”

Someone around looked over. Noila Mo felt ashamed of being yelled at by Allen Chu in public! Being with Allen Chu will become the focus of everyone every time!

Noila Mo hates this feeling!

Too lazy to deal with this arrogant man, Noila Mo sat down on her own, looked at Allen Chu indifferently and said, "I'm just here to make up the numbers, do you believe it or not!"

Oh, is this still his fault? Is he suspicious? Is he not trusting her?

Allen Chu is almost going crazy by Noila Mo!

"Make up? Make up just to take advantage of my business trip? Make up and dress up so coquettishly? Who do you want to seduce!"

Allen Chu roared fiercely, grabbing Noila Mo's arm and sternly questioning: "You can't stand it if you don't have a man for a few days?"

Although the hall was very noisy and noisy, Allen Chu's roar still attracted the attention of many people, and they all looked over here.

"Allen Chu! Let go!" Noila Mo said with a frown when his wrist hurt.

Allen Chu scanned Noila Mo's clothes with angry eyes.

Noila Mo wore a black V-neck skirt, revealing a white and slender neck.

Deliberately wear this, dare to say that it is just to make up the number! Noila Mo, it seems that I should not give you any freedom at all!

Allen Chu looked at Noila Mo sullenly with cold eyes, grabbed her arm and pulled her up: "Go! Come back with me!"

“Allen Chu, what are you doing! Let go!” Noila Mo was really angry. Yelled loudly.

Gu Jinxin saw something happened to Noila Mo over there, so he hurried over.

When it was clear that the man entangled with Noila Mo was Allen Chu, Gu Jinxin was stunned.

“Mr. Chu?”

Allen Chu turned his head and saw Gu Jinxin, the young secretary in the secretary room. The anger in her heart is more intense, and Noila Mo has a very good relationship with Gu Jinxin. She must have instigated Gu Jinxin to come to this sorority today!

He said coldly: “Secretary Gu, did you RaNoila Mo come over to join the sorority party?”

Looking at Allen Chu’s gloomy expression, Gu Jinxin was also a little scared, but he nodded: “Yes, I called Noila to come. Anyway, it’s all for friendship. It’s nice to know more people!”

“Knowing more people means knowing more men? Are our female employees of the Chu family so open now?” Allen Chu said coldly.

Hearing what Allen Chu said, Gu Jinxin looked at him in disbelief. Is this what the president should say to the staff? But just to participate in a friendship, not betrayed the company’s secrets, as for this?

“Mr. Chu, although we are employees of the Chu family, I think we still have our own private lives. You can’t control what we do when we are off work, right?” Gu Jinxin is not someone who accepts it. She will never be weak when it’s time to fight back.

“Gu Jinxin, I think you don’t want to work for the Chu family!” Allen Chu’s expression on his face became even more ugly. The employees of his Chu family even spoke to him in this tone! In this world, apart from Noila Mo, no other woman dared to refute him!

Chapter 120

“President, if you dismiss me because of this, I will definitely complain to the newspapers and media so that everyone in City C will know that President Chu even manages the friendship of employees after get off work! It’s right that Chu is your company. But it’s not your harem! You don’t care what female employees do after get off work, who they associate with, who they fall in love with, and who they sleep with!”

“Papa.....” The sound of a person applauding nearby.

The three turned to look at the same time. I don’t know when there was a slender, handsome man standing next to him, with a pair of peach eyes smiling, and his face is always an unruly smile.

Pei Jun.

“Allen, your employee is very interesting~” Pei Jun said with a smile, but looked at Gu Jinxin instead of Allen Chu.

Pei Jun is an out-and-out handsome guy, and he has an unruly taste, which is very charming.

“You don’t come to join in the fun!” Allen Chu said angrily. This Secretary Gu was so ambitious that he dared to threaten him. He must teach her a lesson!

Seeing Pei Jun and Allen Chu talking, Gu Jinxin took Noila Mo’s hand: “Noila, let’s go!”

Pei Jun moved his body and stopped the two of them: “Noila, long time no see.”

Gu Jinxin was really surprised this time, “Noila, do you also know each other?”

Noila Mo nodded. I had to introduce them to the two: “Jinxin, this is Pei Jun. The president of Zhongji Entertainment.” “Pei Jun, this is my good friend Gu Jinxin, now working in Chu family.”

When Gu Jinxin heard that Pei Jun was from Zhongji Entertainment, his eyes immediately brightened: “President Pei, is that Liu Zichen a star of your company? I really like her movies! Why haven’t you seen her work recently? Can you get a signed photo for me?”

Liu Zichen... Noila Mo’s eyes twitched.

However, before she saw the nasty affairs between Liu Zichen and Allen Chu, she also liked Liu Zichen. After all, her face can indeed turn sentient beings upside down.

“Liu Zichen, she has been banned~ In the entertainment industry, she is basically dead. If you want to see her new works, you probably don’t have any hope in this life.” Pei Jun still smiled. Waiting for Gu Jinxin to jump into the pit.

Sure enough, Gu Jinxin asked: “Why was she blocked? Her movie is pretty good!”

Pei Jun’s face was even more smiling, and Noila Mo discovered for the first time that there were two dimples on the corner of his mouth: “Miss Gu, you have to ask your boss Chu about this!”

Just as Gu Jinxin wanted to turn her head to ask Allen Chu, she suddenly remembered that she was arguing with him, and quickly turned her head around.

Within a second, the expression on her face changed three times, and all her psychological activities were clearly written on her face.

Pei Jun saw it more interestingly in his heart. He saw a lot of women of all colors, and it was the first time that Gu Jinxin had seen such a simple and stupid girl.

“Miss Gu, are you here for a friendship?” Pei Jun said again, with a very obvious meaning to strike up a conversation.

Allen Chu frowned and frowned. These people talked enthusiastically. Why, when they are transparent?

Noila Mo didn't notice Allen Chu's upset at all. Seeing that Pei Jun had a good impression of Gu Jinxin, he quickly hit the iron: “Yes! President Pei, Jinxin doesn't have a boyfriend yet!”

After speaking, he winked at Gu Jinxin: “President Pei is also single!”

The meaning of the matchmaking is very obvious. Gu Jinxin's face immediately blushed, and she rushed to pinch Noila Mo's face: “What does it matter to me that President Pei is single! You are a bad friend!”

Noila Mo quickly begged for mercy, but it was very scary that Jinxin launched Biaolai.

Seeing the playfulness between the two girls, Pei Jun was smiling and admiring, while Allen Chu's face was dark and his arms coldly hugged his chest.

Pei Jun is his good friend, he knows very well. With a very high vision, a girl like Gu Jinxin is fine for fun, and she is not qualified for being a girlfriend.

After the fight, Gu Jinxin didn't want to stay here any longer, pulling Noila Mo and saying to Allen Chu and Pei Jun: “Slow talk, let's go first.”

“Miss Gu, why don't you have a drink together?” Pei Jun also smiled towards Allen Chu and Noila Mo: “Allen, Noila, let's be together.”

Allen Chu felt resentful, and was about to have a drink. And the surrounding area is too noisy, it is not convenient to teach Noila Mo here. So nodded: "Okay. Go to your bar."

The two men just made a decision. Ignore what Noila Mo and Gu Jinxin mean.

Gu Jinxin's eyes widened in surprise: "You two are very interesting. Have we agreed to go for a drink with you? You just made your own decision?"

Pei Jun was also a little surprised: "Why Miss Gu doesn't want it? Miss Gu, aren't you single? You're also single here." His narrow, pierced eyes were smiling, and he looked unruly.

Gu Jinxin had no immunity to the handsome guy. Seeing Pei Jun like this, his heart beat twice. But he said with a cold face: "It doesn't matter if you are single, right? I didn't steal your girlfriend and make you single!"

"Hahaha..." Pei Jun suddenly smiled upon hearing Gu Jinxin's words. This little girl is really funny. OK, he won't let her go tonight.

Allen Chu raised his eyebrows. Although Pei Jun was polite to women, they were all on the surface. In his bones, Pei Jun was a true romantic man. Romantic and passionate, he can maintain an ambiguous relationship with N women at the same time.

But for this Gu Jinxin, it seems to be really different. Pei Jun never pester a woman, as long as the other party shows a little unwillingness, he immediately let go. Why do you stalk Gu Jinxin tonight?

Allen Chu looked at Gu Jinxin, with a tall figure, a bright and sunny smile, and a hearty personality. Among Pei Jun's women, it seemed that there was really no such thing.

Forget it, what does it have to do with him... Allen Chu took Noila Mo's hand: "Come with me for a drink."

Noila Mo frowned and said in a low voice, "Let go!" She didn't want to drag and pull in the crowd. More importantly, she didn't want Gu Jinxin to know her relationship with Allen Chu.

Allen Chu obviously knew this too, and let go.

Pei Jun saw it in his eyes and said, "Noila, give me a face! Bring your friends and let's have a drink together."

Noila Mo helplessly, so she looked at Gu Jinxin pleadingly: "Jinxin, go! Let's sit for a while and leave." She didn't really give Pei Jun face, but was afraid that if she didn't go, Allen Chu would do anything excessive on the spot. Move. In this way, her relationship with Allen Chu was completely exposed.

Gu Jinxin looked at Noila Mo's expectant eyes and nodded. From the corner of his eyes, seeing the smile in Pei Jun's eyes, his face became slightly hot.

There are many people in the bar, men and women who come out to relax and have fun on Friday night.

Seeing so many people, Gu Jinxin's guard was temporarily relaxed. Although she is controlled by a handsome guy, a man like Pei Jun is really eye-catching. He is handsome, rich and passionate. There must be a lot of women who like him. She is rushing to get married and fall in love. She doesn't want to waste time with this kind of prodigal son.

After drinking some wine, everyone was more relaxed. Gu Jinxin's lively nature is exposed again, "Shall we come to play Truth or Dare?"

Just now Pei Jun proposed to dance, but she refused. She didn't want to have any physical contact with Pei Jun. Pei Jun, a playboy like that, is probably looking for her to have fun, a one-night stand or something, so she won't be fooled!

Pei Jun's first response: "Okay!" Turning to look at Allen Chu and Noila Mo.

But when she saw Noila Mo's face flushed, her expression was very strange. Pei Jun thought it was a little uncomfortable to drink just now.

Where did Pei Jun know that at this moment, Allen Chu's big hands were hiding under the long tablecloth to harass Noila Mo.

Noila Mo was chatting with Gu Jinxin, and suddenly a fiery palm was rubbed on her thigh. Noila Mo trembled first, and then immediately realized Allen Chu!

Allen Chu's big hands slowly moved up Noila Mo's knees, and into Noila Mo's skirt...

I've been holding back on a business trip for several days. Just now I drank some wine. Noila Mo was wearing a V-neck skirt again. From the angle of his sitting, she could just see a little of her white breast line.

Allen Chu's lower abdomen was suddenly a little bit ready to move.

Noila Mo was embarrassed, this Allen Chu really regarded this as his bedroom! Even come to this trick in public!

Hurry up and stretch out a hand under the table, wanting to take away Allen Chu's big hand. But Allen Chu didn't give her any chance. The big palm stubbornly climbed upward with a hotter temperature.

Allen Chu's hand is so powerful, Noila Mo has no way to remove him!

I had to let his big hand walk on her thigh...

The silky touch of Noila Mo's legs made Allen Chu take a breath. Why does this little woman feel so good? It was so good that he couldn't stop it, he couldn't wait to ask her on the spot!

With a little tricky teasing, Allen Chu's big hands touched and teased it like a piano, and his fingertips lightly flicked on the smooth skin with a little strength, which aroused the flames all over Noila Mo.

Seeing Pei Jun's expectant gaze, Allen Chu said with a smirk on his face: "Okay."

Noila Mo just nodded slightly. She didn't dare to make any sound at all, for fear that she would groan when she opened her mouth. Allen Chu's hands are so technical!

"Noila, this snack is quite delicious, try it..." Gu Jinxin pushed the plate with the snacks towards Noila Mo.

"Uh..." Noila Mo endured Allen Chu's harassment and the slight pleasure that came with it. His face was flushed.

"Noila, are you uncomfortable?" Gu Jinxin found Noila Mo's anomaly and quickly asked concerned.

"Uh, it's okay. Let's start playing the game!" Noila Mosheng was afraid that Gu Jinxin would see something, so he quickly diverted his attention.

Pei Jun pulled out an unruly smile on his face, "Okay! Let's play the game! Today is a big adventure, the scale will be a bit big! None of you can deny! You must follow the rules!

Gu Jinxin already has three points of wine: “Cut~ What a big scale~ I’m not afraid! Just let it go!”

Okay, little girl, you are fooled! The small dimples at the corners of Pei Jun’s mouth became more obvious, and he pointed his finger at Gu Jinxin: “Miss Gu, bold enough!”
