

Chapter 121

The rule of the game is to guess the number, put four character cards, and everyone will draw lots. Whoever draws the judge will lead the whole game.

I have to say that Pei Jun is very lucky, he actually got the judge's card in the first round.

“Now I lose a number within 10 on my phone. Everyone guesses. The person who guesses right will be punished. I decide how to punish.” Pei Jun smiled and looked at the three present. I don't know if it was an illusion, Gu Jinxin always felt that his eyes stayed on her for a long time, which made her feel a little hairy.

Pei Jun lost a number on the phone, and the first person to guess was Gu Jinxin.

“5.” Allen Chu sat on Pei Jun's left, and he was the first to guess.

“No. It's older than 5.” Pei Jun shook his head and looked at Noila Mo, “Noila, now you can only guess between 5-10.”

“7” is Noila Mo next. She quoted a number.

“Nor. It's older than seven. Miss Gu, it's your turn. You can only choose a number between 7-10.” Pei Jun looked at Gu Jinxin and smiled narrowly.

Gu Jin became nervous. There are only 8 and 9 between 7 and 10, which means that the probability of her guessing right is 50%. If she guesses right, she will play Truth or Dare. Pei Jun said just now that the scale of this Truth or Dare is relatively large. 555...I don't know how Pei Jun will fix her!

Gu Jinxin bit her lip, her heart almost jumping to her throat, “8.” His eyes were fixed on the phone in Pei Jun's hand.

“No. Hey, you are lucky!” Pei Jun’s handsome face was a little upset. Unexpectedly, Gu Jinxin was so lucky.

“Allen, it’s your turn. You can only choose a number between 8 and 10.” Pei Jun looked at Allen Chu with a smile. Allen Chu must die! The number on the phone is 9.

“Okay, I’ll admit it!” Allen Chu calmly retracted his claws from Noila Mo’s legs and squeezed his eyes at Pei Jun.

Pei Jun knows. A severe sentence was pronounced against Allen Chu: “I order you to take a big adventure and k*ss Noila Mo!”

Allen Chu took the big palm from his lap, and Noila Mo was relieved. In the end, Pei Jun asked Allen Chu to k*ss him!

“I protest! Your honor, your ruling is unfair!” Noila Mo stared at Pei Jun, this was purely to help Allen Chu take advantage of him!

“The protest is invalid. I am the judge, and the rules of the game are controlled by me.” Pei Jun didn’t care about Noila Mo, anyway, he was helping Allen Chu.

Allen Chu glanced at Pei Jun, avoided the sight of Noila Mo and Gu Jinxin, and gave Pei Jun a thumbs up.

The bar started to play the world’s best music, Gu Jin’s heart healed his scar and forgot the pain, and now he began to encourage Noila Mo: “Noila~play it! It’s all games anyway! Don’t let it go.

“Well, only your face!” Noila Mo stood up reluctantly. Now that you have played the game, you have to lose. She didn’t believe it, and Allen Chu dared to eat her and failed in the crowd.

Noila Mo stood up, Allen Chu also got up from the chair and walked in front of her.

The lights in the bar were blurred, Allen Chu was already a little bit lustful by the wine, and his big palm directly touched Noila Mo's slender waist. Noila Mo dodged a moment and glanced at Gu Jinxin. She was really scared of what a good friend would see.

“Start! What are you still daunting about!” Pei Jun looked forward to watching the show.

Gu Jinxin also booed beside him: “Quick! Quick! President Chu, be agile!”

Noila Mo glared at Gu Jinxin, really a bad friend! I was arguing with Allen Chu just now, and now he is starting to encourage Allen Chu to take advantage of her! What an accident of making friends!

Allen Chu saw Noila Mo's angry look, and his heart moved again. Noila Mo was really beautiful in the light. A pair of watery eyes could talk, and the plump breasts slumped under the V-neck skirt, and Allen Chu's throat tightened.

Noila Mo raised his head, and put his right cheek in front of Allen Chu: “Only your own face!”

Allen Chu ignored Noila Mo's request. He grabbed Noila Mo's waist and held her tightly in his arms. In the next second, his hot lips were already pressed against her mouth!

“Wow!” Gu Jinxin and Pei Jun both began to cheer and applaud.

Gu Jin thought to himself that he must go back to torture Noila Mo in a while. Judging from the appearance of her and President Chu, it must be difficult. It seems that Allen Chu is pursuing Noila Mo.

If Noila can handle Allen Chu, then I don't know how many people will be envious of it! Haha, it's best that those eight women in the company are mad with envy!

Gu Jinxin has started to design a wedding date for Noila Mo.

The hot tip of the tongue got into Noila Mo's mouth with domineering possessiveness, and the big palm was close behind her through the clothes. The strong masculine aura swept through everything, and Allen Chu greedily plundered her fragrance and sweetness. The tip of the tongue kept rolling and stirring in her mouth, not letting go of every inch of her sweetness.

Noila Mo was embarrassed and embarrassed, struggling desperately, and the corner of his eyes looked at Gu Jinxin and Pei Jun. Seeing that both of them were watching her and Allen Chu's reality show with relish, he felt even more angry.

How could this Allen Chu estrus casually regardless of time, place and occasion!

Allen Chu felt the body struggle in her arms, and a certain part of her struggles had a stronger reaction.

The big palm hugged Noila Mo tighter, moved her hot lips to her ears, and whispered: "Don't move, I'm already hard! Be careful I want you here!" The fiery breath pours on Mo Behind Noila's sensitive ears, if she is naked, Noila's blush is about to burst!

Her soft body had already felt Allen Chu's prosperous male, and she didn't dare to struggle anymore, fearing that Allen Chu would really get on her brain and do something that would make her more embarrassing.

The hot scene made Gu Jinxin a little embarrassed. Although she speaks boldly and looks like a girl, she is actually very conservative in her style, and she is an out-and-out little virgin.

Don't stop looking at Allen Chu and Noila Mo at the beginning, Gu Jinxin's eyes don't know where to put them.

"Miss Gu, if you don't know where to look, you might as well look at me." Pei Jun said jokingly. Looking at Gu Jinxin with burning eyes.

Halo, this person is really cheeky. Gu Jin thought to himself, with the most uncompromising expression: "Look at it! Who is afraid of whom!"

Gu Jinxin raised her head and looked at Pei Jun. Pei Jun's eyes were romantic and peachy eyes, with the tail up, his eyes were not as deep as Allen Chu, but with an unpredictable smile. Pei Jun still looks like a bohemian, leaning lazily on the sofa, his eyes fixed on Gu Jinxin.

The three-dimensional and handsome facial features, the affectionate peach eyes, the lines of the lips are very beautiful, and they must feel very good when they k*ss... Gu Jinxin suddenly recovered! day! What is she thinking about!

Hurry up and look away, feeling hot on his face!

"Haha..." Seeing Gu Jinxin suddenly retracted his eyes and blushed, Pei Jun was in a good mood. He laughed and said to Gu Jinxin, "Miss Gu, you have lost!"

"Huh?" Gu Jin looked up because of unknown heart.

"Aren't we playing the game of 'whoever lowers his head and loses' just now?" Pei Jun deliberately teased Gu Jinxin.

"Who played this game with you? I just looked at you casually!"

"Just take a look? Didn't think about it? Then why are you blushing, Miss Gu?" Pei Jun didn't let the opportunity to tease Gu Jinxin.

Noila Mo was stunned by Allen Chu's k*ss. The scene was so hot that even the people at the next table were shouting!

Noila Mo was ashamed and angry, holding both hands against Allen Chu's chest, telling him not to stick to himself so close: "Enough! Let me go!"

Allen Chu was about to go into flames, his voice was dull and unbelievable, and he whispered in Noila Mo's ear: "Shall we go to the back box?"

Noila Mo is about to explode, the box, let you be big! Stomp on Allen Chu's foot hard, trying to take advantage of Allen Chu's pain and run back to his seat. But Allen Chu's body was tightly clamped.

This brave little woman! I must teach her a lesson when I go back tonight!

Allen Chu was so angry that he didn't dare to move too much. The little brother was still braced in his pants. No matter how thick he was, he couldn't be embarrassed to be seen by others.

"Noila Mo, you go ahead of me, get closer to me, and block the sight of others for me." Allen Chu whispered to Noila Mo.

"What?" Allen Chu was finally willing to let her go. Noila Mo was very happy, but was puzzled by his request.

"Pighead! How can I go back like this!" Allen Chu pushed Noila Mo with his thing, and the hard touch made Noila Mo blush.

Under Noila Mo's cover, Allen Chu finally returned to his seat. But still not letting go of Noila Mo, he leaned over in her ear and said, "I'll get back to you later!"

A pair of magic claws, with eager dissatisfaction, stroked Noila Mo's smooth legs.

What a shame! Noila Mo dodged desperately, but that hand became even stronger, and he went deeper and deeper!

“Jin Xin, I’m so hot here, shall I change seats with you?” Noila Mo felt that if she was harassed by Allen Chu like this, she would be crazy!

“Okay!” Gu Jinxin readily agreed to Noila Mo’s request.

“Jin Xin, don’t go! Just sit next to me.” Pei Jun reached out and held Gu Jinxin, with an ambiguous smile at the corner of his mouth, and raised his eyebrows at Allen Chu.

Gu Jinxin opened his eyes and looked at Pei Jun: “You just called me Jinxin? President Pei, when did we get so familiar?”

Pei Jun squinted, and a pair of peachy eyes lingered on Gu Jinxin’s face: “When you blushed just now.”

...

Allen Chu also stared at Noila Mo: “Noila Mo!” This little woman wanted to escape from him? !

In the past few days on business trip, he has been thinking about her every day. She is good, and she ran to the friendship with her behind her back. Now she still looks disgusting with him and wants to stay away from him? well!

Seeing Allen Chu being so fierce towards Noila Mo, Gu Jinxin began to fight for Noila Mo: “Chu, I found that you are unusual for Noila! Are you interested in Noila?”

“Interesting?” Allen Chu seemed to think the word was funny, and repeated it again.

“Yeah! Do you like Noila? Would you like me to help you chase her?” Gu Jinxin said jokingly.

Chapter 122

“Uh...” Noila Mo looked at Allen Chu nervously. With Allen Chu’s personality, she still didn’t know what would make her blush!

“Do you still need to chase? Noila Mo was originally my woman!” Allen Chu glanced at Noila Mo and said lightly.

“Wow! Noila! So you and Mr. Chu have been dating for a long time! You didn’t tell me! Not enough friends!” Gu Jinxin exclaimed, “No wonder Mr. Chu took care of you so much! No wonder the game was really hot just now! k*ss! Noila Mo! You are so unfriended!”

Noila Mo was speechless.

Where did Jin Xin know that she was not a genuine girlfriend at all, but just a prey and a mistress that Allen Chu was entangled in and did not want to let go!

Allen Chu said it herself, she didn’t even think about fate!

Noila Mo raised her head and took a deep breath: “Jinxin, it’s not what you think, I didn’t associate with President Chu. Me and him, just...”

She really didn’t know how to explain the word mistress, too humble, too humiliating.

Pei Jun’s eyes shimmered, and his face still had an unruly smile. He looked at Noila Mo and Allen Chu.

Allen Chu’s eyes narrowed. Is this little woman so unwilling to admit her relationship with him? Is he so embarrassed to see Allen Chu?

The anger rolled in his heart, his eyes became more cold and sharp, his big palm directly grabbed Noila Mo's chin: "Noila Mo, what did you say? You repeat it!"

Noila Mo's stubbornness also came up: "Repeat what? Are we dating? Don't you dare to say that you are my boyfriend and I am your girlfriend?"

Allen Chu's deep eyes looked at Noila Mo's face closely, and the meaning in his eyes flowed, but he couldn't see the emotions.

Seeing that something was not right, Pei Jun quickly pulled Allen Chu: "Allen, don't do this, come out to play for fun, why are you so nervous?"

Gu Jinxin was also frightened by the sudden quarrel. Noila Mo and Allen Chu looked like they were lovers, in other words, President Chu was chasing Noila Mo! Why did it quarrel?

Allen Chu didn't care about Pei Jun at all, and fixed his eyes on Noila Mo: "Are you to blame for not giving you status? Do you want to be my true girlfriend?"

Suddenly, I felt very happy. It turns out that Noila Mo was mad at this, and wanted to marry him, and pester him forever? Allen Chu loved the feeling of being pestered by Noila Mo.

Seeing the worried and sympathetic eyes of Pei Jun and Gu Jinxin next to him, Noila Mo trembled with anger!

I was played by Allen Chu in the palm of my arm like a monkey. If you say a strong *kss*, *you will kss* strongly. You don't ask her opinion at all. If you say coercion, you'll be forced to ask. In front of so many people, you use violence against yourself. Does this man understand? Respect a person! !

He said he loved her, but he never considered her feelings! She is arrogant, domineering, and unreasonable. She doesn't like such a man at all!

Biting her lip, Noila Mo looked at Allen Chu coldly. She spoke in a small voice, but very firm and clear: “Sorry, Allen Chu, I never thought of being your girlfriend! I’m to you Not interested in!”

I am not interested in you, let me go! I’m not interested in you, stop pestering me!

Allen Chu’s eyes suddenly became cold and bloodthirsty, and the hand that squeezed Noila Mo’s chin suddenly tightened! Noila Mo let out a low cry of pain.

“Allen Chu! What are you doing! Let go!” Gu Jinxin yelled when he realized that something was wrong.

Gu Jinxin has always been enthusiastic about chivalry and is very loyal to his friends. Noila is her good friend, of course she would not watch Noila being bullied by Allen Chu.

Although Allen Chu is his boss, so what? Big deal, quit your job! It is absolutely impossible for her to watch a good friend being bullied in front of her!

Pei Jun was a little surprised. This Gu Jinxin was really courageous. She knew who Allen Chu was and dared to call him by name like this! Looking at Gu Jinxin’s eyes, there was an extra touch of appreciation.

Noila Mo didn’t struggle, didn’t speak, but looked at Allen Chu coldly, his eyes were desperate and cold, with contempt.

All the anger in Allen Chu’s heart was caught by this look! Come to fellowship with him behind! Don’t admit her relationship with him! Looks disgusted with him!

Lowering his voice, Allen Chu gritted his teeth and said to Noila Mo: “Noila Mo, if you want to die, I will fulfill you!”

He dragged Noila Mo up from the seat and dragged it out of the door! The movement was so sudden that Noila Mo couldn't stand firmly, and her foot was twisted! The pain was painful.

But Allen Chu didn't even notice that Noila Mo's ankle was twisted. He just carried her angrily to continue walking!

Noila Mo bit her lips tightly and said nothing, she was completely desperate! If you drag her out, drag her out, it's better to kill her! She has had enough of this kind of life!

Just twisted, the shoes fell off the feet, the white and tender feet dragged on the floor, the skin was worn out, and the blood was winding all over the ground!

Pei Jun and Gu Jinxin stared blankly and reacted fiercely. The two pounced at the same time!

Pei Jun took Allen Chu's arm, "Allen, calm down!" Pei Jun has never seen Allen Chu have such a big temper to a woman. The woman is not good and makes him hate him, or she can ask someone to do it directly. Get rid of her, or throw a bunch of money away.

This was the first time he had seen this teaching a woman personally. This Noila Mo really has the ability to make Allen Chu so angry!

Gu Jinxin didn't think so much. She saw Noila Mo's feet bleeding, and she was furious, Allen Chu, what if you are the president? Others don't want it, how can you force it!

He rushed forward and tried to pull Allen Chu's arm away fiercely: "Allen Chu! It's great that you are the president! Don't bully others! Noila says that you don't like you but you don't like you! You quickly let go!"

Allen Chu was in a bad mood at first. Gu Jinxin's sentence "Noila said he didn't like you, but he didn't like you" sounded so harsh, and Allen Chu's eyes flashed with bloodthirsty light: "Secretary Gu, there is nothing wrong with you here!"

The arm held by Gu Jinxin waved fiercely, with too much force, Gu Jinxin rushed to fight Allen Chu, but the center of gravity was unstable and fell to the ground.

"Jinxin!" Noila Mo felt terrible anger in her heart! Allen Chu, a beast, a scumbag, it's nothing more than treating her like this, Jin Xin and him have any grudges, even treating her like this!

He opened his mouth bitterly and bit Allen Chu's naked arm fiercely! Exhausted all his energy, like an angry little beast, bite fiercely and desperately!

"Hey..." Allen Chu took a painful breath. Bright red blood flowed from the corners of Noila Mo's mouth, and Noila Mo raised her head. There was still a palpable blood on the corners of her pale lips. The whole person was strangely beautiful.

Without thinking about it, Allen Chu slapped his backhand directly.

"Pop!" The slap in the face is extremely dull, which fully shows how powerful this palm is!

Noila Mo was directly slapped to the ground, and his hips fell heavily on the hard ground, a pain in the heart!

Her hip bone was pushed down by a clerk when she was pregnant before. She had an old injury. Now it hurts even more. Tears are about to come out!

"Noila!" Gu Jinxin got up from the ground and ran to Noila Mo quickly, trying to help her up.

The movement was so loud that the guests in the store were all disturbed, no longer dancing or chatting, they all looked over here one after another. In an instant, the crowd formed a small circle.

Others recognized Allen Chu. “Oh, isn’t the man who beaten Chu’s president?”

“So handsome, how come you beat women~ What a scumbag!” The woman who said this was aggrieved.

“Wow, if I have such a handsome boyfriend, I would be willing to be beaten by him every day!” said another nympho woman. Suffered by a bunch of eyes around.

“...”

The expression on Pei Jun’s face is also ugly. He never expected that there would be such a big trouble in his shop.

“Allen, how are you? Is your arm okay?” Pei Jun took out a tissue from the table and helped Allen Chu hold his bloody arm.

Noila Mo’s heart was cruel enough, and the bite was very deep. It seemed that the paper towel didn’t work at all. It’s best to go to the hospital for a look.

Allen Chu didn’t care about Pei Jun helping him stop the bleeding, pushed Pei Jun away, and walked towards Noila Mo.

Gu Jinxin opened her arms in front of Noila Mo like an old hen: “Allen Chu! What are you doing! Don’t come over!”

Half of Noila Mo’s face was red and swollen. She covered her face and looked around at the same eyes as the monkeys in the zoo, feeling completely ashamed!

As long as she is with Allen Chu, she will live in the eyes of others. She really hates this feeling!

Pei Jun frowned and grabbed Allen Chu, “Allen, forget it! Stop it! Let’s go to the hospital to help you look at your arm!”

Seeing the people watching the excitement around him, Pei Jun winked at the security guard at the corner of the bar, and the security guard came over to grab Allen Chu’s arm with Pei Jun.

“President Chu, let’s go, President Pei and I will accompany you to the hospital!”

Allen Chu gave face to Pei Jun, but that didn’t mean that he also gave face to the security guard, clenched his fists, and slammed the security in the face!

Allen Chu has a strong physique and often exercises. His physical strength is extremely good. Although the security guard has a bit of skill, Allen Chu’s ears are buzzing. But without Pei Jun’s order, he didn’t dare to let go, holding back the pain, and holding Allen Chu tightly with Pei Jun.

Seeing the excitement of playing here, Gu Jinxin hurriedly pulled Noila Mo to run outside!

Noila Mo twisted her ankle and couldn’t run fast. Gu Jinxin desperately held her back, almost half of Noila Mo’s body was pressed on Gu Jinxin.

People watching the excitement around automatically made way for the two girls.

The matter is very clear, that is, the rich President Chu deceived others by beating two girls without telling him, and he was rude to the security guard.

Some people have even started hitting the hotline of the news agency. This is definitely the entertainment headline of tomorrow!

Allen Chu was dragged by Pei Jun and the security guards, and his eyes were red like a sleepy beast: “Let go! You f*cking let me go!”

Where did Pei Jun dare to really let go? He was also afraid that Allen Chu would really go crazy and cause death, and his bar would be closed for a while for rectification.

Watching Noila Mo and Gu Jinxin go further and further away, Allen Chu gritted his teeth and shouted in a low voice: “Noila Mo, you wait for me!”

Chapter 123

Gu Jinxin supported Noila Mo, and the two stumbled to look back at Jinxin's home, only when their thumping hearts settled down.

“Noila, sit down and I will get you the traumatic ointment.” Gu Jinxin looked at Noila Mo's feet distressedly, and ran to find the ointment.

Noila Mo put down her bag and looked at Gu Jinxin's cabin.

The house is a one-bedroom and one-living room, with only more than 50 flats, but it was cleaned up by Gu Jinxin. The floor was clean and shiny. The glass jar on the small table was filled with fresh gerbera.

It can be seen that Gu Jinxin is very dedicated to life.

Noila Mo suddenly envied Gu Jinxin, and she really wanted to have such a small room, not too big, as long as it belonged to her completely. She wants to be an independent person, not Allen Chu's pet.

“Noila, what is going on with you and President Chu?” Gu Jinxin walked over with the ointment and expertly helped Noila Mo apply the medicine.

“I...” Noila Mo really didn't know how to describe her relationship with Allen Chu. She was very afraid that Gu Jinxin would look down on her. She has very few friends, so she cherishes everyone.

Gu Jinxin is a very smart girl. Seeing Noila Mo hesitating, knowing she must have difficulties.

Holding Noila Mo's hand tightly, Gu Jinxin looked at her sincerely: “Noila, no matter what your difficulties are, no matter what your relationship with Allen Chu is, I am your friend and I will always stand by your side.”

A moment of emotion filled my heart. Since my father passed away, who else has said such warm words to her?

Allen Chu sometimes treats her well, but that kind of goodness is good for pets, not good for a woman. Touch twice when you are in a good mood, use violence when you are in a bad mood. Gu Jinxin is different. Gu Jinxin really thinks about her and can really stand in her position.

“Jin Xin...Actually, I am Allen Chu’s mistress.” Noila Mo said with difficulty, every word.

After finally telling the truth to Gu Jinxin, Noila Mo suddenly felt relieved. The burden in my heart is personally borne, and I feel much better.

Gu Jinxin’s eyes widened in surprise: “Noila, you have only been here for a few days, why did you get caught by Allen Chu?”

Noila Mo smiled sadly: “Jin Xin, in fact, Allen Chu and I have been entangled for more than a year...”

Seeing Gu Jinxin’s surprised eyes, Noila Mo told her the story of herself and Allen Chu little by little.

Sometimes angry and sometimes worried, Gu Jinxin was completely immersed in Noila Mo’s description. Noila Mo has finished the whole process of getting to know Allen Chu, but Gu Jinxin is still sinking in the story.

“Noila, do you think that President Chu actually likes you?” Gu Jinxin frowned and said to Noila Mo.

“...”

Noila Mo was speechless. After spending a long time talking and talking, Gu Jinxin came to such a conclusion?

“Noila, in fact, President Chu just has a more domineering and strong personality, but he seems to have moved his true feelings towards you. Otherwise, it won’t be like this. You think, he is overwhelmingly powerful, what kind of woman can’t? Why not? Want to haunt you? Except that he loves you, no other reason can be explained.”

“Jin Xin, do you understand that it is not love at all! It’s just his possessiveness! To love someone, you must first learn to respect her instead of imposing your will on her!”

Gu Jinxin was also a little shaken by Noila Mo’s words: “Oh! Maybe! But I think from what you said, President Chu is not a bad person. It’s just a bad temper and a little overbearing.”

Noila Mo looked helplessly at the sky. For the first time, she felt unable to communicate with Gu Jinxin.

“Noila, I think you can consider it! If Allen Chu can change your character for you, I think you can consider accepting his pursuit.” Gu Jinxin said seriously.

“Jin Xin, are you dizzy? Is that pursuit? That is imprisonment! Do you understand it!” Noila Mo really felt that Gu Jinxin was not right.

“Forget it, don’t talk about me. Tell me about you. Pei Jun seems to have a good impression of you, how about it, do you want me to help you match up?” Noila Mo felt that he didn’t understand Gu Jinxin, so he simply changed the subject.

Gu Jinxin rolled his eyes at Noila Mo: “Don’t! Don’t help me match up! Then Pei Jun, at first glance, is a playboy, I don’t want to be his 2750th woman!”

“Haha...” Noila Mo was almost amused by Gu Jinxin: “Pei Jun seems to be twenty-seven years old this year. If he has 2,750 women, then he has to sleep with a hundred women a year, assuming he starts from 1. He starts to be XXOO at the age of, then he changes a woman every three days. Wow~~ What a scary number!”

After hearing Noila Mo’s joking, Gu Jinxin laughed loudly: “I’ll be XXOO at just one year old! Little sparrows haven’t developed well! You think beautiful for Pei Jun!”

The two frolicked into a group, temporarily forgetting the farce at the bar.

In Pei Jun’s bar, Allen Chu was drinking a cup of wine.

Lafite in 1982 opened a bottle and poured three mouthfuls and five mouthfuls directly into the stomach. Later, he didn’t use the cup at all and drank directly into the bottle.

The blood from the wound on the arm had clotted, but it was still stinging abnormally.

“Allen! Don’t drink it!” Pei Jun looked at Allen Chu worriedly. This Noila Mo has completely affected Allen Chu’s life.

In the past, Allen Chu regarded women as clothes and never took women seriously. Pei Jun had never seen him use alcohol to relieve his sorrow and worry about women.

Now I have a quarrel with Noila Mo. I am bitten so hard by Noila Mo, and drink so much alcohol, making myself inhuman and ghost.

“Leave me alone!” Allen Chu continued to drink a bored wine. The tie was torn open indiscriminately, revealing a strong chest. He is still handsome, but his face is deeply lonely.

Pei Jun sighed. He would rather Allen Chu be the same Allen Chu who didn't care about women at all and just vented his desires. Such Allen Chu would be happier.

What happened tonight, Pei Jun looked on coldly, seeing clearly, it was Allen Chu who was shaved and hot, and Noila Mo didn't want to be with him.

“Allen, let go! Let Noila Mo go, and let yourself go.” Pei Jun seriously persuaded Allen Chu.

“Let go?” Allen Chu suddenly laughed arrogantly: “Pei Jun, you let me let go? What I want, Allen Chu, has never been unavailable in my life!”

“Feelings can't be forced, Noila Mo doesn't love you! You wake up! You get her people, but you can't get her heart!” Pei Jun is polite.

“What are you talking about?!” Pei Jun's words were like a sharp knife, which deeply hurt Allen Chu's heart. The bloodshot eyes opened in anger, and his big hand grabbed Pei Jun's collar: “What are you talking about? You said Noila Mo doesn't love me?!”

Pei Jun was not afraid of Allen Chu going drunk, and at this moment Allen Chu needed someone to wake him up. Otherwise he will remain obsessed with it!

“Yes! I'll say it again! Noila Mo doesn't love you! Let go! Why bother to make yourself so embarrassed!” Pei Jun said coldly.

Allen Chu's heart suddenly became a ball.

Noila Mo didn't love him, Noila Mo didn't love him, and Noila Mo had never loved him. The idea that has been hovering in my heart for a long time, but has never been willing to admit it, is exposed to life at this moment, like a bloody peeling off his skin, making him heartbroken!

Suddenly letting go of Pei Jun's collar, the wine bottle in his hand also slammed to the ground. Allen Chu slumped to throw himself into the sofa, holding his head in both hands, not wanting Pei Jun to see his expression.

He was so failed that he couldn't even handle a woman. Noila Mo, is your heart made of stone? What is it going to do, what can I do to impress you?

Allen Chu muttered to himself, all his anger and domineering disappeared. At this moment, he only felt depressed and desperate.

"Allen, cheer up." Looking at Allen Chu's depressed and painful look, Pei Jun didn't know what to say. He grew up with Allen Chu and was used to his arrogant and domineering appearance, Allen Chu who is now so depressed. It made him feel very uncomfortable.

The woman Noila Mo really didn't know what to do. It was the friend she brought, named Gu Jinxin, who was more cute.

Pei Jun thought in his heart. Gu Jinxin's shadow suddenly jumped into his heart.

Gu Jinxin is a girl that Pei Jun has never seen before, sunny and cheerful, and a little boyish chivalrous, her face is cute like a doll, but she is thin and tall, vigorous like a boy.

A complex of contradictions, the charming little girl's breath and the hearty boy's breath combine so well in her. It is unforgettable.

Thinking of Gu Jinxin, Pei Jun had a faint smile on his face.

At dawn, Noila Mo realized that she and Gu Jinxin were squeezed in a small bed and fell asleep. I kept chatting till late last night without knowing when I fell asleep.

“Jinxin, wake up soon! I’m going to be late!” Noila Mo looked at the watch on his wrist, it was already past 8 o’clock! You will be late for work if you get up!

“Ah!” Gu Jinxin jumped out of the bed with a carp. I was about to rush to wash, but suddenly reacted and looked back at Noila Mo: “Noila! Are you sure we are going to work?”

“Ah?...Uh...” Noila Mo was taken aback, then suddenly remembered what happened last night and was stunned.

Indeed, after experiencing what happened last night, how did she face Allen Chu? Gu Jinxin probably can’t go to work anymore, right?

“Jinxin, I think we don’t need to go to work.”

“Noila, didn’t you always want to escape from Allen Chu? This is an opportunity! Maybe you bit him yesterday, and he will never come to you again when he is angry!”

“I hope it’s like what you said!” Noila Mo’s eyes lit up after hearing Gu Jinxin’s words. She bit Allen Chu too hard yesterday. She still remembers the look in Allen Chu’s eyes. It was indeed a chilling look. Maybe Allen Chu really won’t come to her again!

“Noila! Let’s find a new job! I heard that the department store of the Shen Group is hiring a secretary!” Gu Jinxin said cheerfully.

Shen? Is it the company of Senior Shen? Noila Mo’s heart jumped suddenly.

Chapter 124

Noila Mo quickly asked Gu Jinxin: “Shen family? Which Shen family?”

“It’s the Shen who specializes in shopping mall office buildings! The boss seems to be married to Mayor Liang’s daughter.” Gu Jinxin looked at Noila Mo very interested, and then said, “But yeah! There seemed to be a lot of trouble at the wedding. In the end, the marriage didn’t happen!”

“Not married? No? I seem to have read reports before that Mayor Liang’s daughter is pregnant?” Noila Mo was also a little surprised. She had already gone to the United States when Salmon Shen got married, and she didn’t understand the twists and turns.

It turns out that Senior Shen didn’t marry Liang Nuanxin... But the last time I saw them in the mall, they were very happy. It is clear that they have given birth to a baby...

“We were planning to get married at the time, and the wedding was already held. But it seems that there was a disturbance at the wedding and the wedding was not completed.” Gu Jinxin added: “However, the president of the Shen family and the mayor’s daughter have been living together. There are kids.”

Noila Mo was a little dizzy: “Is that married or not?”

“I am not married, but I have children, and I live together.” Gu Jinxin said, looking at Noila Mo: “Noila, why are you so interested in these now? I remember you are not a gossip!”

Noila Mo hesitated, and decided not to tell Jin Xin about her and Salmon Shen. I told her too much last night, afraid that her little brain could not bear it for a while.

Indeed, it is too messy. Noila Mo herself felt that her relationship with Allen Chu and Salmon Shen looked like a mess.

“Noila, do you want to try?” Gu Jinxin asked.

“No! I definitely don’t go to Shen’s. I’ll see if there are other job opportunities.” Although Noila Mo said so, she didn’t have any confidence in finding a new job. She doesn’t know whether Allen Chu will let her go...

“Noila, I will go back to the company today to complete the resignation procedures. Are you going?” Gu Jinxin asked.

“Ah...I won’t go anyway. I haven’t been to work for a few days anyway, and the company has nothing to take away, and there is no paper to hand over.” Noila Mo is actually a little frustrated. If she goes back to the company, I don’t know yet. How would Allen Chu torture her.

“Okay, then I’ll go there first. I should be back at noon. By the way, let’s go shopping in the afternoon!” Gu Jinxin suggested.

“it is good.”

When Allen Chu woke up from a hangover, his headache was about to explode.

Struggling to get up, I found myself lying on the floor of Pei Jun’s house all night.

Pei Jun is sleeping on the big bed.

“Pei Jun!!” Allen Chu roared! Anyway, he was taken to the guest room to sleep, so he just threw him on the floor! Sleep in a big bed by yourself!

Pei Jun was awakened from his sleep, and he didn't look good.

“Why? The person who was trapped by love finally woke up?” The opening was ironic.

A light red flashed across Allen Chu's handsome face, but his voice became even more angry: “Pei Jun, don't tell me that your house has no guest rooms!”

“Haha... what kind of room, don't you feel comfortable sleeping on the floor?” Pei Jun turned over, too lazy to look at Allen Chu's angry face. The floor of his house is constant temperature, and there is a long pile carpet on it, which will not freeze Allen Chu's.

“Are you the way of hospitality?” Allen Chu was dying of anger. He and Pei Jun had been friends for so many years, so they didn't even prepare a bed for him.

Pei Jun's voice came faintly: “You were drunk and you were full of alcohol. It would be good for President Pei to endure the smell of alcohol and help you back yourself! Don't pick and choose!”

“...” Allen Chu was speechless.

“Hurry up and wash! The smell of alcohol on your body makes my boudoir smelly!” Pei Jun said solemnly.

If before, this “boudoir” would definitely make Allen Chu laugh, but today he really doesn't have the mood to laugh.

Sitting on the floor blankly, Allen Chu tried his best to recall what happened yesterday.

It seems that memory will always consciously shield those unpleasant scenes. What happened last night, Allen Chu thought very hard, seemed to be just a hazy

shadow. But one thing is clear, that is-Noila Mo doesn't love him. He finally saw one thing clearly, Noila Mo didn't love him.

A slash of heartache washed away the numbness caused by the hangover, and Allen Chu only felt that his heart was blocked badly, and it was painful.

“Allen, let's take a shower. Don't go to the company at all today. Let's go play ball!” Seeing Allen Chu in a daze, Pei Jun calmed down and persuaded.

Allen Chu did not answer. The handsome face was deeply lonely, and his expression was not like a high-spirited president at all, but like a 70-year-old man. Sad and frustrated.

Pei Jun sighed: “Allen, let go! Why bother? You don't want a woman you want? Why embarrass others and yourself?”

In a word, Allen Chu woke up from a daze and heartache.

Passed? Leave Noila Mo?

This thought circled in his mind. Maybe, it can really be considered. This kind of heartache is really uncomfortable. Since he was a child, it was the first time he was so sad for a woman. This feeling is really uncomfortable.

But are you really willing to let go? Since then, and Noila Mo have become strangers? From then on, she no longer belongs to him. Will she smile in the arms of other men and k*ss other men to do ai?

Do not! impossible! He can't do this anyway! He will not let go!

As if seeing through Allen Chu's thoughts, Pei Jun sat up and said to Allen Chu earnestly: “Allen, I know it's hard to let you go now. Why don't you give yourself a week and don't meet Noila Mo for now. A week later, you find that you would

rather be with her and endure the pain of her not loving you, then go back to her again.”

Allen Chu looked up at Pei Jun, and suddenly saw his face in the glass by the window.

Haggard and lonely. For one night, the green stubble had already appeared on his chin, and his eyes were bloodshot.

Allen Chu was taken aback, how did he become like this? The handsome face seemed to be covered with a gloomy tulle, and the whole person lost its luster.

Maybe it's time to let go... He has spent so much thought on Noila Mo, if she had a good impression of him, she would have been tempted long ago, and she wouldn't be like this.

Perhaps Noila Mo was destined not to belong to him.

Allen Chu's heart ached, but he nodded to Pei Jun: “Okay. I'll try.”

Gu Jinxin's resignation procedures went smoothly unexpectedly. The chief executive did not ask the reason at all, and asked her to complete the handover with other secretaries and sign the paper. Anyway, there are many Chu secretaries. One less than her.

When the resignation certificate was finally issued, something went wrong. The young supervisor in charge insisted that Allen Chu had to agree to give her a resignation certificate.

“Secretary Gu, you’d better call the president about your resignation. After all, you are the secretary of the president. We don’t know if the president has given you any special tasks. You just left. If the president asks, We are not easy to explain.” The little supervisor said it was reasonable.

“Okay. Then let me call Mr. Chu.” Gu Jinxin said with a heart.

After dialing Allen Chu’s phone, Gu Jinxin was still a little nervous. Allen Chu’s aura was too strong. Although there was a phone call, Gu Jinxin was still a little surprised: “Hey, President Chu, this is Gu Jinxin.”

Allen Chu and Pei Jun are playing golf. Suddenly received a call from Gu Jinxin.

“Hello, President Chu? This is Gu Jinxin. I am going to resign. I will come to the company to complete the resignation procedures today. The supervisor said that he must report to you.” Gu Jin was still very worried. She didn’t know how Allen Chu would treat her.

“Okay.” In a simple sentence, Allen Chu hung up the phone.

Gu Jinxin was taken aback. Allen Chu was so happy.

“Allen, whose call?” Pei Jun was a little curious.

“Gu Jinxin’s resignation call.” Allen Chu said lightly, with no expression on his cold face.

“Gu Jinxin?” Pei Jun suddenly became interested, and grabbed the mobile phone in Allen Chu’s hand, “I’ll remember her phone number.”

“What are you doing?” Allen Chu was surprised. Is Pei Jun really interested in that man?

“What? Of course it’s picking up girls~” Pei Jun said casually, but a smile appeared in his eyes.

After completing the resignation formalities smoothly, Gu Jinxin happily called Noila Mo: “Noila, I have completed the procedures, you come out soon! Let’s go shopping and watch a movie today!”

“Don’t go shopping. Watch a movie! It’s been a long time since I watched a movie.”

Noila Mo changed her clothes and was about to go out. I twisted my foot yesterday, and it still hurts a little today, but it does not hinder walking. It’s just that the wound on the foot that was cut yesterday still has eye-catching blood stains, and the bare feet in sandals* are exposed, and the blood stains look a little scary.

Forget it, no matter how much, Noila Mo tossed her hair. It feels good to be able to escape from Allen Chu and move freely. She must be happy today.

In the cinema, Noila Mo bought the tickets and sat in a chair quietly waiting for Gu Jinxin.

Outside the cinema, Salmon Shen accompanied Liang Nuanxin looking at the large propaganda poster at the door.

Today is Liang Nuanxin’s birthday. She begged to be coquettishly, and Salmon Shen took Liang Nuanxin to watch the movie. It’s true that he hasn’t been with her for a long time to warm up his heart. He owes her a wedding, he owes her a lot of love and a lot of time, and Salmon Shen feels a little guilty.

“Salmon, I want to watch this horror movie!” Liang Nuanxin pouted coquettishly. Although she has become a mother, she still likes to act coquettishly with Salmon Shen.

Salmon Shen smiled: “Okay.”

The sun shone on Salmon Shen’s face, white and gentle, elegant and handsome, and his tall figure looked so tall in the sun.

Liang Nuanxin looked at Salmon Shen with a sense of pride in his heart: This is her man, handsome and good-natured, walking on the road holding Salmon Shen’s hand, often being envious of others. Let Liang Nuanxin be extremely satisfied.

She thought, she really loves Salmon Shen.

With a sweet smile on his face, Liang Nuanxin looked up at Salmon Shen: “Salmon, the movie is about to begin, let’s go in!”

Chapter 125

“Good.” Salmon Shen nodded and smiled.

The hall was full of people waiting for the movie to start. Salmon Shen glanced around randomly, his eyes suddenly attracted by a slender figure in the corner.

With his head hung down, his long black hair slightly covered half of his face, the familiar silhouette looked like a person.

Salmon Shen’s heart suddenly pounded. Unable to contain the excitement in his heart, he quickly ran to the slender figure.

“Salmon, what are you doing?” Liang Nuanxin saw Salmon Shen suddenly ran over there, and followed him.

As she got closer, Salmon Shen’s heart beat faster and faster, and finally stopped a few steps away from her.

He did not admit his mistake, the sitting girl was Noila Mo.

Thousands of words rushed to my heart, but I couldn’t say a word. Salmon Shen wanted to speak, but felt that his throat was blocked.

Liang Nuanxin also followed, and at a glance she recognized Noila Mo, who was still immersed in her mobile phone. Jealousy climbed into her heart like a poisonous snake, her coquettish face was a little distorted.

Salmon Shen stood quietly in front of Noila Mo, afraid to speak. He was afraid that as soon as he spoke, Noila Mo would disappear, and he would have to wait for several years.

As if sensing Salmon Shen’s gaze, Noila Mo suddenly raised her head.

His eyes collided with Salmon Shen.

Senior Shen...

Noila Mo's eyes were full of shock, and... a touch of embarrassment.

"Noila! Where did you go? I called your sister and she said you were killed in a car accident." Salmon Shen also felt like she was dreaming, and couldn't believe that she could really meet Noila Mo again.

"Ah? I didn't have a car accident, I, I went to the United States to live for a while." Noila Mo's eyes passed over Liang Nuanxin next to Salmon Shen, and said lightly.

Salmon Shen's always gentle face was somewhat urgent: "Noila, how have you been in the United States?"

"Will others take care of you? Salmon Shen, you care too much, right?" Liang Nuanxin's voice sounded sharply. The words were addressed to Salmon Shen, but his angry eyes stared at Noila Mo.

Not wanting to get involved in the dispute between Salmon Shen and Liang Nuanxin, Noila Mo stood up and squeezed a smile at Salmon Shen: "Senior Shen, my friend is coming soon. I'll go there first."

He nodded politely to Liang Nuanxin, and prepared to go inside.

"Noila Mo, I warn you! Stay away from my fiance! Don't be cheap!" Liang Nuan said cruelly.

"Heart-warming, you are too much! Do you know what you are talking about? Hurry up and apologize to Noila!" Salmon Shen, who has always been gentle, said in a cold voice.

Salmon Shen had never said such a heavy word to Liang Nuanxin, she couldn't hold it on her face, but she hated Noila Mo even more in her heart! He bit his lip and stared at Salmon Shen, "Salmon, you asked me to apologize to this woman?"

"Yes. Noila is my friend, you can't talk to her in this tone!" Salmon Shen's face was ugly.

Liang Nuan trembled all over, and tears flowed out: "Salmon, I have children for you, and have been by your side. What's wrong with this woman? You, you shouted at me for this woman!"

Salmon Shen sighed, mentioning his son, his heart softened a bit. No longer looking at Liang Nuanxin, she turned her head and said to Noila Mo: "Noila, it's wrong to warm your heart. I apologize to you for her."

I apologize to you for her.

But Noila Mo's heart was aching because of Salmon Shen's words.

He apologized for her? What stand? She is his son's mother, her own, and her family, so he has a stand to apologize for her. Isn't it?

She Noila Mo was already an outsider to Salmon Shen. It is no longer possible to enter his life.

Holding back the sadness in her heart, Noila Mo smiled slightly at Salmon Shen: "It's okay. Don't mind."

Turn around and walk to the door. She was afraid that one second later, her tears would stay. All her strong disguise will collapse, and her fragility will be completely exposed to the sun.

Suddenly lost the mood of watching a movie. Noila Mo called Gu Jinxin: “Jinxin, where are you? I suddenly don’t want to watch the movie. I’ll go back first. You can watch it yourself.”

“I just arrived at the cinema. Where are you?” Gu Jinxin saw Noila Mo in the crowd as soon as he finished.

“Noila, why don’t you want to watch a movie suddenly?”

“It’s nothing, I’m not in a good mood.” Noila Mo said with a frown.

“Then let’s go to dinner! A nice Japanese restaurant has opened in the city center. Let me invite you to dinner! Celebrate leaving today.”

“Okay.” Noila Mo couldn’t bear to refuse, looking at the enthusiastic look of her good friend.

The newly opened Japanese restaurant looks really good. The decoration outside is very elegant. There are two stone fish tanks at the door. Water lilies are planted inside and goldfish are raised. It looks very emotional.

The leader at the door saw Noila Mo and Gu Jinxin come in, and said apologetically: “Two ladies, there are no seats available now. Could you please go to the private room inside and wait for a while?”

“Okay.” Wait a while, just wait a while. It’s not very hungry anyway.

The two followed the leader and walked to the more elegantly decorated small room.

Gu Jinxin, who was walking in front, stopped suddenly, turned her head nervously, and said to Noila Mo: “Noila, Allen Chu.”

“Eh?” Noila Mo wondered why she suddenly mentioned Allen Chu.

“Allen Chu is inside!” Gu Jinxin raised his voice. The two men inside heard Gu Jinxin’s voice and raised their heads at the same time.

Hearing what Gu Jinxin said, Noila Mo just wanted to take Gu Jinxin away, but it was too late.

Allen Chu’s deep eyes had already fixed on her closely. Noila Mo’s heart trembled.

“Miss Gu, what a coincidence.” When Pei Jun saw Gu Jinxin, his eyes lit up, “Are you guys coming over to wait for a seat? You can just put together a table for dinner in a while.”

Gu Jinxin looked at Noila Mo’s pale face, and at Allen Chu’s angry face, and said to Pei Jun a little embarrassed: “Thank you, President Pei, for your kindness. Let’s go to another place to eat. Goodbye.”

“Stop.” Allen Chu said coldly, pinning the legs of Noila Mo and Gu Jinxin.

After a short pause, Noila Mo picked up Gu Jinxin and wanted to leave.

“Noila Mo, if you dare to leave, Gu Jinxin won’t even want to find any job in City C.” Cold threats.

Noila Mo trembled in anger. Does this man do nothing but threats? In the past, she used her father to threaten her, but now she uses Gu Jinxin.

Why does everyone she cares about becomes his handle to threaten her?

Allen Chu, what exactly are you trying to force me to?

Noila Mo stopped and turned his back to Allen Chu, but his slender figure stiffened because of this threatening word.

“Noila, go! I don’t believe that if I walk out of this door today, I really can’t find a job!” Gu Jinxin is not afraid of Allen Chu’s threat! He didn’t believe that Allen Chu could really cover the sky with one hand.

But Noila Mo didn’t dare to be so optimistic, no one knew Allen Chu’s strength better than her. His power in City C is beyond Gu Jinxin’s imagination. She can’t let a good friend take this risk.

“Jinxin, I’m hungry. Let’s eat here.” Noila Mo raised his eyes to look at Gu Jinxin. There is pleading in his eyes.

Seeing Noila Mo’s expression, Gu Jinxin nodded. The two reluctantly sat down at the table and happened to face Allen Chu and Pei Jun.

“Noila, don’t be so nervous. Allen won’t eat you.” Pei Jun looked at Noila Mo, feeling a little uncomfortable. Allen Chu is so handsome and rich, and his ability to manage the company is also top-notch. Yes, he likes Noila Mo. Noila Mo should wake up with a smile in her dreams. As a result, she still looks reluctant. Pei Jun is worthless for Allen Chu!

Allen Chu sat coldly with his arms folded and said nothing.

In the morning playing golf with Pei Jun, he was completely in no state, thinking about Noila Mo all over his head. He wanted to see Noila Mo, but only wanted to see Noila Mo. Other things couldn’t attract his attention.

The moment Noila Mo appeared just now, his heart suddenly beat quickly. The empty heart was filled in an instant.

But Noila Mo's expression was like a basin of cold water, pouring it down from his head, making him feel cold.

Noila Mo smiled reluctantly at Pei Jun, without speaking.

The four of them were silent, and the atmosphere was awkward.

“Noila, you really don't need to be so nervous. Allen has decided to let go. He won't pester you anymore.” Pei Jun said tentatively. He wanted to see Noila Mo's reaction and see what Noila Mo really did. Whether or not he has feelings for Allen Chu, even a trace, Allen will be much better.

Only Pei Jun knew how bitter Allen Chu felt. Allen Chu, who was ruthless and domineering, and trembling with his determination to kill him, had a day in which he was embarrassed. Pei Jun really admired Noila Mo.

Noila Mo's body shook sharply when she heard Pei Jun's words. Looking up at Pei Jun in disbelief, his voice trembled with excitement: “You, are you true?”

The surprise on Noila Mo's face was clear.

The last hope in Allen Chu's heart was shattered. It turned out that Pei Jun was right, the bystanders were the most sober, and Noila Mo had no affection for him at all! Otherwise, she would never have this expression.

Noila Mo's expression was as if someone who had been hungry for a long time suddenly saw Gan Quan, so excited and so excited.

It turned out that staying by her side would make her so painful. It turned out that she really didn't love him at all, even, never loved him...

Allen Chu's hands were clenched into fists under the table, deep eyes, darker eyes, and the darkest night of the Buddha.

Pei Jun shrugged: “It’s true. If you don’t believe me, ask Allen.”

Noila Mo turned to look at Allen Chu inquiringly. This glance made her heart throb.

In Allen Chu’s eyes, she saw a thing, this kind of thing can only be described in one word-despair.

Allen Chu’s eyes have been seen a lot by Noila Mo, cold and domineering, arrogant, childish, and obsessed... But she has never seen a desperate expression in Allen Chu’s eyes.

Will letting her go make Allen Chu so painful? She always thought that she was just Allen Chu’s plaything. Could it be that she was really wrong? Does Allen Chu really love her?

Something in his heart was hit hard. In Noila Mo’s heart, something slowly broke through...

Chapter 126

Hearing Pei Jun's words, Gu Jinxin was also excited: "Noila, great! You are free! You can live the life you want in the future!"

The words of congratulation seemed so harsh in Allen Chu's ears. Deep eyes stared at Noila Mo, but her stern face showed no expression.

Noila Mo suddenly felt confused. Why, when she was finally free, she was not as happy as she thought? There seemed to be something that made her feel empty.

Unwilling to think about it so much, Noila Mo lowered his eyes and said softly, "Thank you."

Thank you? Allen Chu's eyes narrowed. Is Noila Mo talking to him? She thanked him, set her free, thanked him, and became stranger ever since.

Thank you... Allen Chu only felt that his heart had never been so painful.

Gu Jinxin didn't feel the undercurrent between the two at all, and happily took Noila Mo's hand: "Go, Noila, let's celebrate."

Pei Jun stood up and stopped the two of them: "Since the words have already been said, everyone is still friends, so we can get together and spend time. This meal should be regarded as a farewell dinner. Noila, you must show your face."

Noila Mo had no reason to refuse any more, so she sat down silently.

Gu Jinxin said carelessly: "Pei Jun, is that your treat?"

Pei Jun still smiled unruly and replied straightforwardly: "Okay. Whatever you like, you can order whatever." After that, he handed the menu to Noila Mo and Gu Jinxin.

Noila Mo had no appetite, sitting next to him alone, looking at the wooden tabletop, not wanting to speak at all.

Gu Jinxin is very strange, he has been free, why is Noila's expression so unhappy? Well, probably because Allen Chu was there, Noila didn't like to eat with him. It must be so, Gu Jinxin found an excuse for Noila Mo's behavior in his heart.

Since it's Pei Jun's treat, then don't eat white or eat it, Gu Jinxin is not polite, and points to the menu refreshedly: "This, this, this...we need it!"

Pei Jun looked at Gu Jinxin with a smile, and thought this girl was really interesting.

The other girls ate with him, very restrained, and said they were full after eating a little bit, for fear of destroying their image of a lady. Gu Jinxin was good, as if he would not give up without slaughtering him.

It's refreshing, he likes it.

After ordering the dishes, Gu Jinxin added: "I want freshly squeezed peanut juice on ice."

Before Noila Mo had time to speak, someone had spoken calmly: "Noila Mo is allergic to peanuts."

It is Allen Chu.

Noila Mo looked up at him in surprise. He was allergic to peanuts. This incident was accidentally said a long time ago, but Allen Chu remembered it so clearly.

There were some chaotic thoughts passing through her mind, Noila Mo couldn't tell what it was, she just felt that the atmosphere was so dull, embarrassing and depressing, she wished to leave.

Sitting here now is a complete suffering.

The decoration of the room is very elegant. Next to it is a large bogu rack and a tall folding vase, casting a dim black shadow under the light. Allen Chu's face was just hidden in the shadow, and Noila Mo couldn't see his face clearly.

But Allen Chu's eyes, even in the dark, Noila Mo could feel the deep gaze falling on her.

Allen Chu used to look at her with blazing eyes, which made her a little bit overwhelmed. Now his eyes concealed all the enthusiasm, as if only a cold body remained. It was so dim that Noila Mo's heart palpitated.

The dishes have not yet come. The waiting time is always long. Pei Jun proposed to play Truth or Dare, but Gu Jinxin refused without hesitation. The last game gave her a great shadow.

Allen Chu and Noila Mo both sat silently, neither of them spoke. Pei Jun had to find some topics for himself.

"Jinxin, I heard you resigned?" Pei Jun looked at Gu Jinxin's face and saw a small mole under her right eye.

I heard that people with moles of tears are the marks formed by tears falling on their faces when their lover held this person and wept when they died in a previous life. After reincarnated, when they meet again, the lover will be able to get from this tear. Mole recognizes his former lover. And this person with moles of tears, once he meets his destined lover in the previous life, he will never be separated for life.

I don't know what kind of man Gu Jinxin was deeply loved in her previous life, that would leave this mole of tears on her face...

Pei Jun stared at Gu Jinxin's face, thinking about it for a while.

“Hey~~!” It wasn't until Gu Jinxin waved his hand in front of him that he recovered from his thoughts.

Gu Jinxin looked at him curiously, and touched her face with her hand: “President Pei, why are you staring at my face so hard? Is there anything strange on the little girl's face?”

Pei Jun was teased by Gu Jinxin and was not angry. He still smiled and said, “I stare at you, of course because you look good.”

Such a blatant flattery made Gu Jinxin's face blush.

Gu Jinxin has a very carefree personality. Most men treat her like a buddy. Although she is also a big beauty, it seems that men don't notice this. Since childhood, she has no opposite sex.

It is not unhappy to be complimented by Pei Jun so sweetly today.

But he did not show weakness: “Needless to say, this lady also knows that she is beautiful and beautiful!”

Pei Jun's narrow eyes flashed with a strange look, and he began to put on Gu Jinxin: “Miss Gu, our company is in need of a few beautiful assistants. You have resigned anyway. Why not come to work in my company!” “

Hearing Pei Jun's words, Gu Jinxin was really tempted. The Pei family has a lot of involvement in the entertainment and publishing industries. Gu Jinxin is still very interested in the entertainment industry and hopes to develop in this area in the future. Pei Jun's company is really suitable.

Gu Jinxin hesitated, then turned to ask Noila Mo, who was sitting next to her silently playing on her mobile phone: “Noila, what do you think of Mr. Pei’s suggestion?”

Noila Mo was playing games with her mobile phone. In fact, she didn’t know what she was playing. She slid her fingers mechanically on it, trying to figure out why she felt lost in her heart.

I don’t understand, I really don’t understand.

I accidentally opened a folder with my finger. A photo suddenly came into view.

That is a photo of her and Allen Chu. Allen Chu hugged her tightly, his face pressed against her face, and the smile on the corner of his lips was the smile that a child would only show after eating delicious candy.

Noila Mo’s chest suddenly felt a little stuffy. Allen Chu forced her to take this photo. At the time, she was using her mobile phone to take photos of the plants growing on the balcony. Allen Chu suddenly ran over and grabbed her mobile phone. He held her tightly in his arms, held her mobile phone far in front, and took a selfie of the two.

“Noila Mo, there are so many photos of you on my phone, but none of me on your phone! It’s too unfair!” Allen Chu’s words at the time echoed in Noila Mo’s ears again.

Indeed it is. There are many pictures of Noila Mo in Allen Chu’s phone. Smiling Noila Mo, silent Noila Mo, Noila Mo walking, Noila Mo eating, Noila Mo just waking up in the morning with sleepy eyes...

But in Noila Mo’s mobile phone, there are mostly landscape photos and photos of small animals and plants. There is no picture of Allen Chu.

This is because Allen Chu is a cameraman. And I am not. Noila Mo thought so.

Noila Mo bit her lip, stretched out her slender finger, and silently clicked on the photo. A prompt box pops up on the phone “Are you sure you want to delete the photo?”

The fingers trembled a little, and he hesitated on “OK”.

“Noila, I’m so involved in playing with mobile phones, I can’t hear you talking.” Gu Jinxin pouted and looked at Noila Mo. What’s wrong today? Everyone is distracted. Pei Jun was distracted, Noila Mo distracted, and Allen Chu didn’t say a word, as cold as a stone.

The finger quickly clicked the “Cancel” button, Noila Mo breathed a sigh of relief for no reason, and turned to look at Gu Jinxin apologetically: “Jinxin, I’m sorry I didn’t hear you, what did you just say?”

“Mr Pei asked me to work in his company. What do you think?” Gu Jinxin looked at Noila Mo expectantly. Noila is a very independent person, and her opinions are still very valuable.

“Um... Jinxin, haven’t you been longing for the development of the entertainment industry? I think this is an opportunity. You can consider it. Moreover, there is Pei Jun covering you when you go, and no one dares to bully you.” Noila Mo raised Seeing Pei Jun, “Right, President Pei?”

Pei Jun smiled brightly, “Of course. Who dares to bully me... my friend?”

After speaking, I looked at Gu Jinxin slightly. He almost said just now, “Who dares to bully me?” In Pei Jun’s mind, Gu Jinxin has become a woman who wants to win and must win.

Allen Chu watched indifferently, a little shocked at Pei Jun’s decision.

Pei Jun is a romantic, yes, there are many women, but he never takes the woman he wants to work with to the company. what is it today? If you want to get Gu Jinxin down, you won't be joking about your company.

Ask a woman to eat a few meals, send some roses, take a few trips abroad, and give some luxury goods. What kind of woman can't handle it?

Allen Chu thought, but his eyes turned to Noila Mo involuntarily. Please eat, send luxuries, take it to play everywhere, send roses...what has he never done? But Noila Mo was not dealt with by him.

The overbearing possessiveness came up again, Allen Chu gritted his teeth and looked at Noila Mo, his unyielding mentality prevailed. Began to regret that he followed Pei Jun's advice and let Noila Mo free.

He can't let go, really reluctant, and really can't let go...

Allen Chu looked at Noila Mo Qingli's small face, thinking that she would smile in the arms of other men in the future, thinking that she would give birth to other men, and grow old together, feeling sad.

The anger burned in my heart, anger hit the table with a punch!

The other three people were shocked, and turned to look at Allen Chu!

Chapter 127

“Allen, what’s the matter?” Pei Jun asked concerned.

“You have to ask, Mr. Chu must be angry that the three of us left him out in the cold.” Gu Jinxin said affirmatively, confident in his own speculation.

Pei Jun smiled slightly, only Gu Jinxin thought so simple. Allen Chu’s eyes were fixed on Noila Mo, he had already noticed.

Allen Chu’s sudden anger was definitely because Noila Mo had been ignoring him. Having known each other for more than 20 years, Pei Jun knows Allen Chu very well.

It seemed that Allen Chu still couldn’t let go of Noila Mo in his heart. Pei Jun sighed in his heart.

Fearing that Allen Chu might do something again, Pei Jun quickly took him to the bathroom next to him: “Jin Xin, Noila, you sit for a while first, and I will go to the bathroom with Allen.”

In the bathroom, Pei Jun lit a cigarette and handed another one to Allen Chu. The two smoked in silence.

“Allen, if you really can’t let go of Noila Mo, you can look back for her. But why don’t you try to let it go temporarily?” Pei Jun said sincerely, “You can give yourself a week, this week, Don’t find Noila Mo, don’t meet her, don’t text her, don’t call her. If you find that you still can’t let it go after a week, it’s not too late to go back and find her.”

Allen Chu smoked silently without saying a word.

“The twisted melon is not sweet. Only when you are happy can you be happy. You and Noila Mo are always quarreling and then quarreling and then reconciling. Isn’t this too tired?” Pei Jun felt that he was already a middle-aged woman. Body, all kinds of long-winded, all kinds of talk.

Allen Chu frowned tightly and took a deep breath. Looking up at Pei Jun: “No.”

Pei Jun was a little anxious: “Allen, just a woman, it really doesn’t deserve you to be so sad and tired!”

Allen Chu looked out the window with deep eyes, and said coldly, “I won’t let Noila Mo go. But I will give her freedom for a week, or even a month!”

Pei Jun was curious: “Are you playing a game of grappling?”

Allen Chu gritted his teeth: “I don’t believe that Noila Mo feels nothing to me! I will give her a month to let her see her heart clearly!”

How could Noila Mo not feel for him? If you really don’t feel for him, how can you keep silent? Why don’t you dare to look in his eyes?

If Noila Mo really didn’t feel for him, how could he sink into the caress and orgasm he gave again and again? How could he groan like a kitten in his arms? He didn’t believe that this woman could really separate sex and love so clearly!

Noila Mo didn’t feel anything for him, he didn’t believe it!

Don’t let go, I will never let go. Noila Mo, you can’t escape! Allen Chu clenched his hands into fists, his deep eyes darkened.

When the two returned to the table, the dishes were already served. Pei Jun walked in front and sat down inside by the way. Allen Chu sat outside.

In this way, Allen Chu sat next to Noila Mo.

Feeling the powerful aura of Allen Chu, Noila Mo suddenly fought a cold war. There is an inexplicable power in this man, which always surprises her.

“Why do you go to the bathroom for so long? Are you constipated?” Gu Jinxin will never be able to say anything.

“Jinxin you...” Noila Mo looked at her friend angrily and funny. Only Gu Jinxin could do it when talking about it during dinner.

Allen Chu frowned, Gu Jinxin was too carefree, how could Pei Jun be tempted by such a woman. I took another look at Noila Mo, who was refreshing and refreshing, and I felt that Noila Mo was the best.

Pei Jun didn't care and looked at Gu Jinxin with a smile: “Jinxin, you even know this? Did you secretly follow us to the bathroom just now?”

“You!” Gu Jinxin glanced at Bai Pei Jun, picked up his chopsticks, and ate: “I'm too lazy to care for you! Waiting for you for a long time, I'm starving to death!”

Noila Mo had no appetite, so he picked up a piece of tuna sushi and ate it.

The sushi at this restaurant is very special, with a thin and crispy floss on the outside, which tastes sweet and refreshing and not greasy.

Noila Mo ate two pieces in a row. As he was about to eat another piece, Allen Chu beside him said: “Noila Mo.”

“Huh?” Noila Mo turned to look at Allen Chu. This is the first time Allen Chu has spoken to her since this meal. I was a little worried.

Allen Chu turned her face naturally, took out a paper towel from the box on the table, and helped her wipe off the floss sticking to the corner of her mouth.

Allen Chu's movements were quick and smooth, and Noila Mo didn't react for a while, staring at him blankly.

Allen Chu is... wiping her mouth?

Noila Mo couldn't react a little bit. Didn't you just say you want to let her be free? From then on, the two have no relationship at all, he, how can he help her wipe her mouth? Isn't this something that can only be done between couples?

Seeing Allen Chu's movements, Pei Jun and Gu Jinxin were also stunned.

Pei Jun was rebellious because of Allen Chu's rebellion. Just now he told Noila Mo to give Noila Mo a month, and now he started to do something with her again.

Gu Jinxin was envious.

Allen Chu's face is very three-dimensional, and he is particularly handsome from the side. Aside from his domineering and cold personality, he is indeed a very, very attractive man.

Once such a man becomes gentle, it is terrible!

Especially like now, so gentle and so spoiled to help Noila Mo wipe the corners of her mouth, the gesture and the expression is so gentle, okay, it's so handsome, okay, it's the best lover and best boyfriend How about choosing a husband!

Gu Jinxin felt that his previous judgment of Allen Chu was completely wrong! It was so wrong!

Allen Chu loves Noila Mo! It's not just for fun!

Gu Jinxin instantly became a member of Allen Chu's camp, and became a die-hard fan of Allen Chu!

"..." Noila Mo suddenly reacted from shock, and quickly turned her head, trying to avoid Allen Chu's hand.

Allen Chu had finished wiping, his brows frowned unhappy when he saw Noila Mo's movements. Just wipe your mouth, is Noila Mo so resistant?

Just about to say something, Gu Jinxin said in a idiot: "Wow! President Chu, did you know that your actions were so gentle just now! Just like the scenes in the movie! The first time I found out that President Chu turned out you are long? So handsome!"

Allen Chu glanced at Noila Mo triumphantly. Look, now even Gu Jinxin is conquered by his charm, admitting that he is a super handsome guy, only Noila Mo is blind and can't see it!

Noila Mo felt incredible about Gu Jinxin's transformation: "Jinxin, are your eyes lame?"

Which eye of her saw Allen Chu's gentleness? Allen Chu's action to wipe her mouth just now was very fierce, okay, when she wiped it so hard with a tissue, the corners of her mouth were sore!

Gu Jinxin still looked at Allen Chu with red eyes: "Chu, you are so handsome! I regret leaving!"

After speaking, he turned his eyes to Noila Mo again: "Noila, I think Mr. Chu really loves you! You promise him! Let's be together! So I can often see the handsome Mr. Chu in the future. Up!"

Noila Mo looked at the sky speechlessly, and felt deeply that he had made a bad friend.

In order to see the handsome guy, hesitate to use good friends as bait!

“It’s not easy to want to see a handsome guy, isn’t there one next to you?” Pei Jun smiled and said, feeling a little sour.

Gu Jinxin’s look at Allen Chu made him feel a little uncomfortable. He is also a handsome guy, OK? He and Allen Chu are also known as the four big sons of City C. In terms of appearance, he has not lost much to Allen Chu. Why is Gu Jinxin only idiot Allen Chu?

“It’s so thick-skinned!” Gu Jinxin gave Bai Pei Jun a look, and suddenly remembered that this is his future boss, and quickly flattered: “Hey, you are actually pretty handsome too! But it’s just a pair of eyes that make you look bad. .”

After finishing speaking, he immediately realized that he was wrong, and quickly covered his mouth with his hands, looking at Pei Jun with a pair of eyes desperately pretending to be innocent, really wishing to bite off his tongue right away.

After listening to Gu Jinxin’s words, Pei Jun was not angry at all. Silently added in his heart: “Little girl, you are right! This young man is very lustful! You will never give up unless you eat it!”

The meal is finally over. The four people have their own ideas.

“Jinxin, Noila, where do you live? We will send you back.” Pei Jun said as he walked.

“Oh, no need. We just go back by ourselves.” Noila Mo quickly refused. She didn’t want Allen Chu to know that she lived there.

Seeing Noila Mo's mind, Pei Jun stopped insisting.

Allen Chu ignored Noila Mo's words and drove over to the parking lot.

Long arms opened the passenger's car door, and a pair of deep eyes looked at Noila Mo: "Get in the car."

Gu Jinxin hurriedly pushed Noila Mo: "Quickly, always please, go up. I'll take the back seat with President Pei."

Gu Jinxin now especially wants to match Allen Chu and Noila Mo. If it is not so domineering and cold, Allen Chu is really a very good boyfriend. The way he wiped Noila Mo's mouth just now is really gentle and affectionate, so enviable~~

The car drove gently on the road. On the back seat, Gu Jinxin and Pei Jun were talking softly.

Allen Chu drove the car intently, but Noila Mo's body was a little stiff, his eyes were staring at the road in front, but his heartbeat was a little jerky.

Sitting in a small space with Allen Chu in this way, with his strong and deep masculine aura between his nose, Noila Mo felt that he couldn't control this situation. This man's aura is too strong.

Suddenly remembering that everything is in Allen Chu's place, Noila Mo hesitated to tell Allen Chu that she would move things tomorrow.

In fact, she has nothing to move. They are all clothes and shoes, just buy them again.

But there was a cardboard box that her father left for her, and Noila Mo hadn't opened it yet. I'm afraid I can't accept the stimulation. Thinking of the time when

my father was in the hospital alone, with no one to take care of or company, he passed away so alone, Noila Mo's heart was so painful that he couldn't breathe.

“Um...may I go to your house tomorrow to get something?” Noila Mo said timidly. I don't know why, now, talking to Allen Chu she always feels guilty.

Chapter 128

Move things to his house? Hearing what Noila Mo said, Allen Chu choked.

Can't wait to get rid of him? Allen Chu's sharp eyes rolled with anger, and his handsome face looked even colder, and he remained silent.

Noila Mo looked at Allen Chu cautiously, seeing the expression on his face, feeling very bad in his heart.

In fact, she didn't want to go to Allen Chu's house anymore. In the current situation, she felt too embarrassed to face Allen Chu alone. But dad's relics, she will take them anyway.

"That... if it's not convenient for you..." Before Noila Mo's words were finished, Allen Chu had already coldly said, "Come and pick it up tomorrow night." The voice was harsh.

"Um. Good. Thank you." Noila Mo whispered. He quickly looked out the window, not daring to look at Allen Chu again.

Allen Chu felt even more angry, is he the devil? Why did Noila Mo look at him like a ghost? Talking and laughing with Pei Jun.

The anger in his heart vented, Allen Chu slammed on the accelerator! The steadily driving car suddenly sped up, and the other three people in the car exclaimed.

Gu Jinxin was asking Pei Jun about the benefits of their company. Allen Chu's drag racing made her lose weight, and suddenly fell on Pei Jun.

The unique scent of the girl filled Pei Jun's nose, and he couldn't help taking a deep breath. The smell on Gu Jinxin's body was very special, and he liked it very much.

Holding Gu Jinxin's body firmly with his arm, Pei Jun asked with concern: "Jinxin, are you okay?"

"Oh, oh, it's okay..." Gu Jinxin's body was almost held in Pei Jun's arms. The two of them were close to each other, and Gu Jinxin could feel the strong muscles under Pei Jun's thin shirt. His face flushed suddenly.

Allen Chu watched the ambiguous interaction between Pei Jun and Gu Jinxin in the back seat from the rearview mirror, then glanced at Noila Mo.

Noila Mo was also taken aback by Allen Chu's sudden acceleration just now. The body also leaned toward Allen Chu, but she firmly held the safety handrail above the car window, her knuckles turned white, and she refused to lean on Allen Chu's side.

As if afraid of any physical contact with Allen Chu.

Allen Chu hummed coldly, slammed the steering wheel, and the car made a fierce left turn with fierce speed. Noila Mo's body could no longer be stabilized, and suddenly fell on Allen Chu.

Not wanting to touch Allen Chu's body, Noila Mo had to work hard to turn his body to the side, but his nose hit Allen Chu's shoulder hard!

"Ah~ It hurts!" Noila Mo touched her nose, whispering pain.

"Allen, what are you doing!" Pei Jun shouted at Allen Chu, but he was a little bit happy in his heart, and secretly thanked Allen Chu, because Gu Jinxin's body had all been pressed into his arms.

Hearing Noila Mo's pain, Allen Chu frowned, secretly annoyed. Step on the brakes and stop the car.

“Come here, let me see!” Rudely pulled Noila Mo’s face, and looked closely at Noila Mo’s face through the lights in the car.

“It’s okay, just bumped...” Noila Mo whispered, trying to push Allen Chu’s hand away, but was afraid that it would cause Allen Chu to make more movements.

Noila Mo’s small nose turned a little red, but there was nothing serious about it. Allen Chu frowned tightly, staring at Noila Mo: “Stupid woman!”

Stupid woman, wouldn’t you fall into my arms? Would you rather hit your nose rather than get into his arms?

Allen Chu’s deep eyes looked at Noila Mo’s eyes, as if to keep seeing her in her heart.

Noila Mo’s heartbeat suddenly accelerated, and breathing became a little difficult. She wanted to move her eyes away, but she didn’t know why her gaze seemed to be stuck by Allen Chu’s eyes, so she could only look at Allen Chu.

Noila Mo’s eyes wavered, the struggle and confusion in her eyes were so obvious. She didn’t know how sultry and helpless her look was.

Allen Chu suddenly wanted to k*ss Noila Mo.

Stretching his arms around Noila Mo’s waist, he pressed her closer to him, and the tips of the two noses were almost close to each other, and the heat from Allen Chu sprayed onto Noila Mo’s face. Hot and itchy.

Gu Jinxin in the back seat was excited when he saw the scene ahead. Wow~~ Allen Chu and Noila Mo look so ambiguous like this!

She supports Noila and Allen Chu together!

“Mr. Chu! *kss Noila! kss Noila!* Don’t hesitate!” Gu Jinxin said excitedly.

Noila Mo, who seemed to be in a dream, was awakened by Gu Jinxin’s voice. After regaining his senses, he realized that he and Allen Chu were looking at each other in such an ambiguous posture.

Quickly pushed Allen Chu away. Blushing like a red tomato! The heart is beating too badly!

Gu Jinxin saw his intentions, and Allen Chu was a little embarrassed. He gave Gu Jinxin a fierce look in the rearview mirror.

The car stopped downstairs at Gu Jinxin’s house. Allen Chu silently remembered the building number and floor number.

“Noila, I think Chu always really loves you! Let’s stay with him!” Gu Jinxin started to speak nice things to Allen Chu as soon as he got home.

Noila Mo was a little startled, as if she was thinking about things in a daze.

I was indeed abnormal today. Why did I feel a little pain in my heart when I saw Allen Chu’s eyes? Allen Chu, who is not domineering, cold, and not so unreasonable, made her a little uncomfortable. His eyes, let the Buddha have a strange magic power, can easily suck himself in...

Shaking his head, Noila Mo cast aside these messy thoughts. Faintly said: “Jinxin, go to sleep, I don’t want to discuss this matter today.”

“Noila, I don’t understand what you are running away from, President Chu obviously loves you very much! Can’t you feel it?” Gu Jinxin said angrily. She really didn’t understand what Noila Mo was doing.

“Do I have to accept him if he loves me?” Noila Mo felt that Gu Jinxin’s logic was strange.

It was Gu Jinxin’s turn to be surprised and speechless: “Don’t you, don’t you love him?” Mr. Chu is such an excellent man, besides a little domineering personality, he is really impeccable. A woman will find him very attractive. Noila Mo didn’t even feel at all?

“Yes, I don’t love him. I don’t fit him. I can’t accept his character.” Noila Mo said tiredly.

Today’s meal is too tired, and I have been worried about what Allen Chu would do to her again.

As a result, Allen Chu unexpectedly became so silent, that Noila Mo was a little nervous. Allen Chu was never such a talkative person, and Noila Mo didn’t believe that he could really let her go so simply.

Like a sword hanging on her head, I don’t know when this sword will fall off and make her corpse strange.

This feeling is really tired.

“Didididi...” Gu Jinxin’s phone rang.

“Hey, mom...” Gu Jinxin took the phone to the balcony. Noila Mo curled up on the sofa, just about to close his eyes and rest for a while. “Ding” also had text messages on her cell phone.

Turning on the phone, a text message jumped into view.

“Come down. I’ll wait for you in the car.” Allen Chu’s text message. A short sentence, always domineering.

Noila Mo replied without hesitation: “It’s too late, I’m already asleep. Let’s talk about it tomorrow.”

“Don’t want to take back the cardboard box?”

Another threat! When will this man learn to speak well? Noila Mo frowned.

After thinking about it, I decided to go on. Anyway, Jin Xin was calling from the balcony. This old house was only five stories high. If Allen Chu wanted to do anything, she could hear Jin Xin when she shouted.

Taking the phone and going downstairs, Allen Chu’s car stopped downstairs as expected. The black Bugatti is also so conspicuous in the night.

As soon as Noila Mo walked out of the corridor, the door of the back seat opened. Noila Mo took a deep breath, cheered herself up, and walked slowly to the car door.

Strange, why did Allen Chu sit in the back seat?

Just as Noila Mo walked to the back seat door, a big hand stretched out from the car and dragged her in. The door slammed shut!

“Allen Chu, you...” Noila Mo was about to shout, her body was already overwhelmed on the spacious back seat, a fierce male breathing on her face, a powerful hand grabbed her chin, Allen Chu The flexible tip of the tongue slid into her slightly opened mouth!

Noila Mo realized that he was too naive just now! Allen Chu was desperately plundering her mouth almost madly, swept her breath, she had no chance to call for help!

Allen Chu, who had been suffering for several days, finally reconnected the k*ss that died tonight.

The tongue kept licking in Noila Mo's mouth, the action was passionate and wild, and the crazy tip of the tongue did not let go of any corner of her mouth, like a wildfire, burning Noila Mo's consciousness clean!

Sweet, incredibly sweet. Satisfaction, supreme satisfaction.

This is what Allen Chu feels at this moment. It's like a person in the desert who is dying of hunger and thirst. He suddenly saw a clear spring and crawled over it desperately. He grabbed a handful of water and drank it in. The dry and cracked throat was soothed by the cool water. The taste was just as imagined. The same, really fatal happiness.

A k*ss with longing, was almost frantically expressed by Allen Chu, with a heart-shaking power!

Even the hard-hearted people will be moved by his enthusiasm, let alone Noila Mo!

Allen Chu's heartbeat was so powerful and strong, and the sturdy body pressing on her was suffocatingly hot, and his tongue was even more flexible and incredible, and it was about to burn.

Noila Mo was slowly conquered, reveling in this k*ss.

Allen Chu's k*ssing skills are very clever, and the tip of his tongue seems to carry a small electric current, which can arouse Noila Mo's tiny tremors wherever he passes.

Perceiving the fall of Noila Mo, Allen Chu was even more encouraged. Slowly, he was no longer satisfied with just getting a k*ss, he wanted more...

Chapter 129

After Gu Jinxin answered the phone and returned to the living room, she found that Noila was not there. Go to the bedroom and look at it.

It's strange, where did Noila go so late? Gu Jinxin yelled twice, but no one responded. Picking up the phone and dialing Noila Mo's phone.

Under the messy clothes in the back seat, Noila Mo's phone rang faintly.

Noila Mo, who was burning all over her body, became a little clearer when she heard the sound of the phone.

Reached into the pile of clothes, trying to find the phone. It must be because Jin Xin couldn't find her and was anxious, Noila Mo was a little annoyed, and I should have told Jin Xin just now.

Allen Chu's big hand pressed her little hand: "No answer!" The voice was dull and magnetic, with a bewitching scent.

"It's Jinxin...the...phone..." Noila Mo's voice trembled and broke.

Noila Mo's fair face was blushing, and there were fine beads of sweat on her playful little nose. Allen Chu squinted his eyes: "Don't pick it up!"

Gu Jinxin's call to Noila Mo was not answered, and she was a little scared.

It's so late, Noila is clearly carrying the phone, why not answer it? Could something be wrong?

Remembering that Pei Jun just grabbed her mobile phone during dinner today and entered her number into the phone, Gu Jinxin quickly dialed Pei Jun's number.

Pei Jun just came out of the shower. Seeing Gu Jinxin's phone call, a smile overflowed on the handsome face.

"Why, Jinxin, you just started to miss me just after breaking up?" Pei Jun said cynically.

"Who misses you! You are really stinky!" Gu Jinxin said grimly, "Pei Jun, you call Allen Chu and ask him if Noila is with him!"

Pei Jun was surprised: "Didn't we take you and Noila home tonight?"

"Yes, Noila came back with me. But I just went to the balcony to make a phone call back, Noila is gone!" Gu Jinxin said worriedly, "I didn't answer the phone when I called her. I'm worried that something will happen. It's up."

The smile at the corner of Pei Jun's mouth deepened. No wonder Allen Chu walked back after sending him home. At that time, he thought Allen Chu had something to do, so he didn't ask much.

It seems that Allen Chu must have gone back to find Noila Mo again.

Hey, this man, can't help it for a week? Is Noila Mo really that charming? Turned into his opium?

Pei Jun smiled and said, "Don't worry. Noila Mo will be fine. Maybe you are enjoying it now!"

The explicit hint in the words made Gu Jinxin's face flushed suddenly.

"What are you talking nonsense! Give me Allen Chu's number, I want to call him!" Gu Jinxin is really afraid of what will happen to Noila Mo.

“Well, don’t get angry. I will send it.” Pei Jun hung up and said to himself: “Allen, don’t blame me for disturbing you. Gu Jinxin forced me.”

Thinking of Gu Jinxin, Pei Jun’s eyes are more playful. Tomorrow the little girl will go to work in his company, he is looking forward to it.

The air in the car was terrifyingly hot, and Allen Chu’s cell phone rang dull in a pile of clothes.

“Shit”, Allen Chu is the moment of love, at this moment he will not answer the call of the king of Laozi!

Reach out and grab the phone and press the shutdown keyboard. Allen Chu began to concentrate on enjoying his meal.

Noila Mo’s taste was so good that he was deeply fascinated and couldn’t stop!

No one answered Noila Mo’s phone, and Allen Chu’s phone was turned off again. Gu Jinxin wandered around the room in a hurry, for fear that something would happen to Noila Mo.

In the car, Allen Chu was holding Noila Mo tightly, with his head buried between her neck. Inhale the faint fragrance of her body.

“Let me go back, Jin Xin must be anxious...”

Noila Mo pushed Allen Chu. She is really ashamed, why does it happen every time? From the beginning of being forced to the last enjoyment, why can’t she always escape the web of desire that Allen Chu has compiled?

Although she and Allen Chu do fit well. However, she knew very well in her heart that Allen Chu was not suitable for her. It was impossible for her to live together with such a man until she was old.

Now that you have said you want to let go, why do you want to do something that can only be done between lovers?

Noila Mo's mind was messed up, just want to go back quickly.

"Don't let go... Noila Mo, you love me. Don't lie to yourself." Allen Chu's voice was blocked between Noila Mo's neck, a little dull.

"..."

"Noila Mo, did you dare to say that you were uncomfortable just now?" Allen Chu raised his head with a narrow smile in his eyes.

"..."

Noila Mo was speechless. That's just a physical reaction, OK? The physical fit is perfect, but that doesn't mean that it is love.

Allen Chu still depends on Noila Mo. He reached into the small box in front of the car and felt it.

He hugged Noila Mo and sat on his knees tightly. Allen Chu took out a beautifully packaged box.

"Open it and see, do you like it or not?" Allen Chu whispered in Noila Mo's ear, and the tip of his tongue rubbed her sensitive ear.

"Sorry, I can't accept it." Noila Mo lowered his eyes.

She saw her white body naked and tightly fitting with Allen Chu's wheat-colored body. In that way, the Buddha is the most loving couple.

what is this? The relationship between her and Allen Chu is no longer the relationship between the mistress and the benefactor, but they are not boyfriends and girlfriends. Why does she receive Allen's gift?

"Noila Mo!" Allen Chu's good mood was completely ruined by Noila Mo's indifferent "cannot take"!

What is this woman thinking? Moaning in his arms like a cat just now, now he's playing arrogance again?

Allen Chu glared at Noila Mo: "Open it! Otherwise you never want to go back today!"

Noila Mo looked upstairs from the car window, Gu Jinxin's light was still on. It's so late, Jinxin hasn't slept yet, is she still waiting for her? Jinxin must be anxious, right?

Opening the box slowly, Noila Mo was stunned!

In the box, is a diamond cartoon doll. The workmanship is exquisite, the diamond cut is very beautiful, and it gives off a dazzling brilliance under the light of the street lamp outside the car.

The appearance of the doll is a bit familiar, Noila Mo took a closer look at it.

God, this doll is almost exactly the same as hers! The big eyes, the tall nose, and those smart eyes, who is it if it's not her?

This doll... was Allen Chu specially made for her?

With so many diamonds, plus handwork, it must cost a lot of money, right?

So much money, just to make a doll like her? To please her?

I was moved, and suddenly rushed through Noila Mo's heart... The last time I went to the mall with Allen Chu, I saw a crystal doll. I thought it was funny, so I looked at it more. I didn't expect Allen Chu to remember...

Noila Mo raised his eyes to look at Allen Chu, his eyes a little moist.

Seeing Noila Mo's expression, Allen Chu's mood improved a lot. Noila Mo liked this diamond doll very much, as she could tell from her expression.

"How about it, are you very touched?" Allen Chu licked his lips between Noila Mo's neck, his voice was charming.

Noila Mo's mind is very confused, she really doesn't know how to end this situation!

Accept Allen Chu? How long can she bear his domineering and cold personality? One day, two days, or a lifetime?

Not accept? Seeing Allen Chu's pampering eyes, Noila Mo suddenly couldn't bear it.

Chapter 130

Suddenly, the light of a flashlight shot from a distance.

Gu Jinxin's voice came over: "Noila, where are you? Noila..."

Noila Mo quickly grabbed the phone. The phone was forced to shut down by Allen Chu just now. Jinxin couldn't find her and must be anxious to death.

When I was about to call Gu Jinxin, I suddenly realized that I was not wearing any clothes. Noila Mo quickly grabbed the clothes and put them on.

"Noila, will you go home with me?" Allen Chu grabbed Noila Mo's hand and prevented her from getting dressed.

Although he was satisfied just now, he still felt that it was not enough.

"Not good. Didn't you say it's good to let go? Why are you doing this again?" Noila Mo was anxious when she heard Gu Jinxin shouting to her. What to do if something happens!

"I can't bear it, I regret it." Allen Chu hesitated for a moment before he said this sentence.

This kind of low-pitched words, put Allen Chu to death, couldn't say it before. But today, he is willing to put down his body for Noila Mo.

When did he Allen Chu say this to a woman, it was only women who begged him, where would it be his turn to beg a woman?

Judging from Noila Mo's performance and reaction just now, Allen Chu is 100% sure that Noila Mo will definitely agree.

He gradually felt Noila Mo's temper. She was soft but not hard. With a soft coax, the thorns on her body became less piercing.

Noila Mo opened Allen's hand and put on clothes in a hurry.

There was a homicide case in the neighbourhood two days ago. It is said that there were gangsters who raped women everywhere. If the other side resisted, they would rape and then kill.

Without even thinking about what Allen Chu was talking about, Noila Mo hurriedly said, "Allen Chu, we are not suitable. It is better to be ordinary friends."

Picking up the phone, pressing the power button, hurriedly dialed Gu Jinxin's number.

"Noila Mo!" His affectionate confession was completely ignored by Noila Mo, and Allen Chu felt that he was useless!

This woman is simply unreasonable! Cold heart cold lung! When you put on your clothes, you turn your face and don't recognize people!

Allen Chu snatched the phone from Noila Mo, opened the car window, and threw the phone far away!

Gu Jinxin just got on the phone here. "Hey, Noila! Where are you!" a surprised voice came.

Noila Mo only heard Gu Jinxin say "Hey", before she could speak, her phone was thrown out by Allen Chu!

"Allen Chu! Do you know what you are doing!" Noila Mo trembling with anger, stared at him fiercely: "You crazy man! I won't go back with you! Never!"

Pushing Allen Chu fiercely, wanting to get off.

The sentence “I won’t go back with you” completely aroused Allen Chu’s enduring anger for a long time!

With a big hand, Noila Mo pushed Noila Mo to the back seat, tearing her hands, Noila Mo’s thin nightdress shattered into pieces of cloth in an instant!

“Very good! Noila Mo, you asked for this!” Allen Chu snarled viciously, and tightened her arm...

“Allen Chu! You lunatic! You are crazy! I hate you!!” Noila Mo reached out to grab Allen Chu’s face. Just now, she felt softhearted. He was really blind. This man is simply a devil and a lunatic. , Is a neurotic!

Where did Noila Mo beat Allen Chu, his hands were tightly controlled by him, and he could only still gallop.

Noila Mo stared blankly at the roof of the car, turning into a doll without any emotions and thoughts...

Pei Jun, who had fallen asleep in a daze, was awakened by the phone ring again.

“What!” shouted impatiently, but after hearing the other party’s voice, his attitude immediately became gentle: “Ah, Jinxin, what’s the matter? Don’t cry.”

Gu Jinxin started crying anxiously, and her voice choked: “Pei Jun, Noila...she may have really had an accident...she called me just now, and just...just picked up... It’s broken...it seems to have hit something...I suspect, I suspect she was kidnapped...”

Pei Jun frowned. If Noila Mo were really with Allen Chu, it wouldn’t be like this.

At first, I didn't answer the phone, maybe the two were making love, but now it's almost two hours, it's impossible to still do it? Allen Chu's physical strength is not so good, right?

Is something really wrong?

"Pei Jun, you can help me...find Noila! Go...look at Allen Chu...Is Noila...was she kidnapped by him?" Gu Jinxin cried out of breath. Take the breath.

I am really worried about Noila.

"Okay, okay, don't cry. Where are you, I'll come over immediately." Pei Jun has always been a passionate person. Hearing Gu Jinxin's cry, he only felt distressed. Quickly calm down with a soft voice.

Gu Jinxin, who was sitting idly by the flower garden, started crying loudly as soon as he saw Pei Jun stepping out of the car.

"Pei Jun, I lost Noila..."

The careless and boyish Gu Jinxin cried so sad, her thin shoulders shrugged, two lines of tears hung on her cheeks, looking at Pei Jun's eyes, as if the lost child saw his mother, full of dependence.

Pei Jun's heart was suddenly soft and unreasonable, and he strode over, grabbing the girl's petite body. Gu Jinxin sat outside for a long time, his body was cold.

Pei Jun took off his coat and put it on Gu Jinxin, gently wiped her tears with his hand, "Be good, don't cry. I'll help you find it together. Noila will not be wrong. Don't worry!"

It's rare for Pei Jun to have such a calm expression on his smiled face. Looking at Pei Jun's tall body, Gu Jinxin suddenly felt a lot more at ease.

Pei Jun dialed Allen Chu's phone, but turned it off. Pei Jun called Allen Chu's home again. The steward said that the young master has not yet returned home.

Strange, where did Allen Chu go?

Looking for Noila Mo, they don't have a clue right now, they can only start with Allen Chu. But Allen Chu's cell phone couldn't get through!

"Jinxin, have you looked for it near your community?" Pei Jun asked suddenly.

If Allen Chu really went back to find Noila Mo, then they must have left in Allen Chu's car. Maybe it's still near the community.

"Ah, I didn't look for it in the community..." Pei Jun's words suddenly reminded Gu Jinxin. When he went downstairs just now, he seemed to see a car downstairs, but it was too dark and was hidden by the shadow of a tree. She didn't take a closer look.

Thinking about it now, that car seems a bit like Allen Chu's.

He pulled Pei Jun up and ran back.

In the car, Noila Mo, like a lifeless doll, was still in and out of Allen Chu.

But Allen Chu could no longer care about Noila Mo's feelings. Noila Mo's place, sucked him tightly, making him comfortable and going crazy.

A bright flashlight shone on the license plate, and Pei Jun looked at Gu Jinxin in surprise, "It's Allen's car!" Pei Jun took Gu Jinxin's hand and ran to the car.

Allen Chu was deeply addicted, his eyes flashed suddenly by the bright light.

“Shit!” Allen Chu let out a low curse, who on earth is taking a flashlight to take pictures everywhere at this late hour! If it wasn’t for the critical moment, I really wanted to rush down and beat that person up!

Gu Jinxin took the torch and ran to Allen Chu’s car with Pei Jun.

“Chu...” He just yelled a word, but his eyes suddenly changed when he saw the scene inside the car.

Allen Chu and Noila Mo actually did that kind of thing in the car!

Gu Jinxin’s face immediately flushed with shame! Can’t wait to slap yourself! So immortal, why shine in the car with a flashlight!

Pei Jun also saw the situation in the car at a glance, moved his eyes awkwardly, and pulled Gu Jinxin to the side.

Noila Mo in the car was shocked. The whole body’s blood is pouring into the face!

It must be Jinxin! Jin Xin saw her and Allen Chu! Noila Mo felt like he wanted to die!

I don’t have the face to meet people in my life!

Gu Jinxin and Pei Jun sat awkwardly on the stone bench in the distance. Gu Jinxin’s blush was like a red cloth. Fortunately, there were dark clouds in the sky, and Pei Jun should not be able to see her expression clearly.

The man is indeed a visual animal, and Pei Jun’s blood burned all over his body at that glance!

The faint fragrance of the girl next to her body floated in the night breeze, and Pei Jun only felt itchy in her heart. Gu Jinxin’s taste should be pretty good too...

“What are you doing here!” Allen Chu sternly made Pei Jun and Gu Jinxin look up.

Allen Chu stood in front of them full of anger, his sharp eyes almost piercing a few holes in their faces.

“Allen... sorry... we didn't expect you... ahem...” Pei Jun explained a little embarrassingly.

Anyone who is bumped into by others while doing that kind of thing should be very upset! Pei Jun understands Allen Chu.

Gu Jinxin was awkwardly speechless.

Allen Chu's face was gloomy and ugly. I really want to beat Pei Jun.

“Where is Noila?” Gu Jinxin asked courageously. Although she had only one look just now, she could clearly see the desperate and helpless expression on Noila's face. She was very worried about Noila Mo.

Allen Chu did not speak. Turned coldly and walked into the car.

The little woman's expression was a bit scary just now, and his heart was suddenly a little nervous for no reason.

Opening the car door, Allen Chu's handsome face instantly turned pale! “Noila!” A hoarse roar made people scared!

“Ahhhhhhhhh!!!

There is blood everywhere in the car! Wearing broken clothes, Noila Mo lay dying on the back seat, holding a paper-cutting knife in his hand.

A deep wound on her left wrist was shocking!
