

Chapter 211

A worthless relationship!

This sentence directly pierced Harry Su's heart.

He used these words to threaten Amelia Su, but he didn't want Amelia Su to see the essence of the matter directly.

When he is no longer the chairman of the company, who will put him in the eyes?

Moreover, the Kangling gang, since Kangling died inexplicably, they took the initiative to mention continuing to cooperate with the company. Harry Su knew that there must be some inside story in this. Perhaps, Amelia Su, this scheming girl, has already mastered this. all.

“Amelia Su. I will make you regret it.” After Harry Su finished speaking, he looked at the other relatives of the Su family and continued: “I will let you know who can lead the Su family to prosperity. You trash will follow her sooner or later. regret.”

After Harry Su left, the Su family meeting proceeded as usual. Amelia Su's plan was simple, to stabilize the current development of the Su family, and then seek a breakthrough. Naturally, other people dare not have the slightest opinion on this matter. After all, they have to rely on the company to make a living, and now Amelia Su is the chairman of the board, and they just obediently obey the orders.

At the same time, George Han drove the Lamborghini he brought back from the repair shop towards Chengdu.

Rong City is less than a hundred kilometers away from Basin City, but it has developed better than Basin City, and in recent years has the momentum to impact first-tier cities.

There is a very famous temple in Chengdu. Pilgrims will come to the temple to pray for blessings on the fifteenth day of the new year. The incense is flourishing. Rumor has it that the abbot of the temple was the reincarnation of a certain great immortal. Of course, only some devout believers would believe this, ordinary pilgrims. It's just coming here to seek some psychological comfort.

In places like temples, it is very unusual for people to appear in Taoist costumes, but at this time there is a young Taoist priest, walking up the path towards the back mountain, when passers-by cast strange eyes on him, He didn't care.

“What do you look at? Haven't you seen a Taoist chanting Buddha?”

“Look again, believe it or not, I'll gouge your eyes out.”

“Get out of the way, don't stand in the way.”

The young Taoist priest cursed all the way, after walking to the back mountain, through nine turns and eighteen bends, he came to a blue tile house.

People here are rare and are forbidden for pilgrims, and only a few people such as the abbot of the temple know this place.

“Master, I'm back.” The young Taoist priest sat in front of the door of the blue tile house, without Taoist style at all, took off his shoes and started rubbing his feet. He put his fingers on his nose and took a deep breath of enjoyment.

“On the way, I'm almost exhausted, but I saw the person you mentioned. Actually, it's not very good. If I fight him without three tricks, he will kneel in front of me and pinch. The people who are behind me call for help.” The little Taoist continued.

The door was pushed open, and a gray-haired old man staggered out, hitting a chestnut on the head of the young Taoist priest, and said: “Qingyun, tell me honestly, you didn’t do anything stupid.”

The young Taoist named Qingyun covered his head with a painful expression on his face, and said, “Master, I respect your teachings. I just met him. I didn’t say anything or did anything, so you can rest assured. Right.”

“En.” The white-haired old man nodded his head, took out a piece of jade from his pocket, crystal clear, and said: “This thing is very important. Remember to put it away.”

Qingyun saw that this jade was not like a mortal thing, and quickly reached out to take it, and said with covetous expression: “Master, this thing is good, is it very valuable?”

The white-haired old man stretched out his hand as if he was going to teach Qingyun another lesson, but Qingyun moved quickly and hurriedly took two steps back and said: “Master, rest assured, I just ask casually, I will never sell this thing.”

“Remember, this jade is very important. Even if it is a life threat, you can’t give it to anyone. This is a token, a very important token.” said the white-haired old man.

“Don’t worry, my brain is so bright, I will never forget it.” Qingyun said with a smile on his face.

Seeing Qingyun’s arrogant attitude, the white-haired old man sighed and said: “Go down the mountain, go to George Han, don’t come back.”

Qingyun was taken aback for a moment, his expression put aside and laughed, and said, “Master. Why do you want to go to George Han? Didn’t you say that you want him to die? And I’m gone, who will take care of you?”

“Do I need you to take care of it? Remember Master’s words, it is best to be friends with him, and someone will find you in the future. This jade is a token to prove your identity.” said the white-haired old man.

Qingyun’s head is full of slurs, become friends with George Han? Are you going to kill him with a knife in the back? But with his current skill, even if it is a secret calculation, he may not be able to succeed, and who will come to him. What does this jade token represent?

“I know you have a lot of doubts, but in the future, you will have a chance to know, but before that, for your safety, you don’t want to investigate anything, everything will be natural.” The white-haired old man reminded.

“Master, I was brought back and raised by you since I was a child. I will definitely have nothing to say about what you want me to do. But I can’t come back. It’s too much, right? I still want to give your old man the end.” Qing Yun said.

The white-haired old man kicked and said, “Go away.”

After returning to the blue house and closing the door heavily, his voice came from inside: “Take off this Taoist robe, you can do what you want, don’t think I don’t know you often peek at those women Pilgrim, but female s*x is not enough, don’t waste your body.”

This sentence made Qingyun completely excited!

“Master, I actually don’t really want to leave. But your old temper is too bad for me, so I’m leaving now, don’t miss me too much.” Qing Yun finished speaking, and ran away.

When approaching the temple, Qing Yun suddenly stopped, with a hint of an unknown premonition in his heart, and ran back quickly.

After returning to the Qingwa room, Qing Yun called out Master several times, but there was no movement in the room, which made Qing Yun's heart sink to the bottom of the valley.

Push the door open. What caught the eye was a pair of suspended legs.

“Master! Who is it, who forced you to death!” Qing Yun cried out in pain. He was brought up by Master since he was a child. Although Qing Yun seemed to be a stubborn look, he had it in his mind. He almost treats the master as a father.

He knew that the death of Master must be persecuted.

“Master, I will definitely avenge you, no matter who he is. I want him to bury you.” Qingyun tearfully buried the white-haired old man before going down the mountain.

In Chengdu University, Jiang Yingying with a ponytail buried her head, her footsteps were obviously very hurried, as if she was running away, but when she arrived at the school gate, a few girls stopped her.

“Jiang Yingying, why are you in a hurry? If you run so fast, you won't be doing compensation dating and making money.”

“I can't tell, you, a good student in the eyes of a teacher, is actually a sl*t, making money in this way.”

“If you are short of money, tell us about it, you can help you, don't behave like this.”

“By the way, I heard that your mother worked as a servant for someone else. It should be very hard for you to pay for your tuition.”

These girls and Jiang Yingying are classmates, but the relationship is not very good. Recently, some rumors about Jiang Yingying came out in the school, so they found a chance to get into trouble, and they wished to use this opportunity to drive Jiang Yingying out of the school.

“What does my mom do, it doesn’t matter to you, please get out of the way.” Jiang Yingying said.

“Jiang Yingying, I advise you not to leave school. Now the school is holding a research meeting on your affairs. Maybe you will be expelled. If you go out at the cusp of this storm, wouldn’t it be true that you have a reputation as a female student? “

“Yeah, yeah, you don’t have to be so anxious to make money. I’ll talk about it after the limelight.”

“Maybe she is too poor to eat now. If she doesn’t go out to accompany guests, will she be hungry?”

Several people covered their mouths and laughed, and their words were full of insults and ridicule towards Jiang Yingying.

Jiang Yingying’s expression was gloomy. These things were framed by others, and they were simply made out of nothing.

“Jiang Yingying, I have a video here, do you want to watch it?” One of the women took out her phone and opened a video.

Although the distance is far away, Jiang Yingying can still see the video content from the screen. This is in the bedroom. The screen on the video shows her changing clothes.

Chapter 212

“If I post this video on the campus intranet, do you think it will cause a sensation?”
The girl holding the phone said with a smile.

From the video point of view, this should have been secretly filmed by a roommate.

But in the current situation, it doesn't matter who secretly filmed the video. If the video is really transmitted to the campus intranet, her innocence will be ruined.

Jiang Yingying's first thought was to rush to grab the phone.

But as soon as she walked to the girl's side, another girl pulled Jiang Yingying's ponytail and pulled Jiang Yingying to the ground very hard.

“Jiang Yingying, look at you poor, give you a chance. As long as you are obedient, I will delete the video, how about it?” The girl with the phone said to Jiang Yingying proudly.

“Okay, as long as you are willing to delete the video, I can do whatever you want.”
Jiang Yingying said with a pale face. She can't let this video flow, otherwise the stain will follow her life forever.

“That's what you said, I didn't force you.” The girl with the mobile phone smiled like a flower and looked good, but a wicked face made people sick.

After thinking for a while. The girl said, “You kneel down and admit that you are a bitch. I only take pictures, how about?”

Jiang Yingying was not a fool. Once the photos of her kneeling down were essayed, then her rumors would never be cleared away.

“I have no grudges with you, why are you deliberately targeting me?” Jiang Yingying said puzzled.

“The sl*t is the crossing mouse that everyone shouts and beats. You have damaged our school’s reputation. I will punish you. Do you need a reason?” The girl said disdainfully. In her eyes, Jiang Yingying is like a low-level creature general.

Jiang Yingying shook her head and sat helplessly on the ground, if she did not agree to her request. If the video is circulated on the intranet, she will be destroyed by the video.

But the photos of kneeling down, being used by someone with a heart, will also make her unable to clear her grievances.

What should I do?

Jiang Yingying felt the most desperate moment in her life, because no matter what choice she made, her life would fall into the bottom.

Looking down and sobbing, Jiang Yingying saw a pair of men’s legs walking in front of her.

“What’s the matter?” the voice asked very harshly.

Jiang Yingying raised her head, it was a strange face.

“Who are you and what does it have to do with you?” The girl with the mobile phone looked at the people with disdain, wanting a hero to save the beauty, and didn’t look at what she was.

In addition to these girls, many people nearby looked at him with surprise, because he appeared in a Lamborghini just now, which was very eye-catching.

The visitor was George Han. Although he had never met Jiang Yingying, he had already recorded Jiang Yingying's appearance on He Ting's mobile phone, but he didn't expect that when he arrived at the school gate, he saw Jiang Yingying being killed. bully.

"Jiang Yingying? This is George Han." George Han stretched out his hand to Jiang Yingying.

George Han!

Jiang Yingying heard He Ting mention it. Today her boss will come to school to help her deal with the trouble.

But in Jiang Yingying's imagination, since she is the boss, she must be a middle-aged person. How could she be so young? And he is still a handsome guy.

"You...you are Brother George?" Jiang Yingying said incredulously.

George Han smiled, and said, "If you are a fake, get up first."

After pulling up Jiang Yingying, George Han asked, "What's the matter?"

"She, on her mobile phone, there is a video of me changing clothes, which was secretly filmed by my roommate." Jiang Yingying said.

George Han condensed his eyes, and said coldly, "Give me the phone."

"Who do you think you are? Just give it if you want me. Whatever, what can I do if I don't give it to you?" The girl said with her head held up.

George Han turned to look at Jiang Yingying, and said, "If you can't study in this school, I'll give you another one."

Everyone still didn't understand what George Han meant. They saw that George Han suddenly pinched the girl's throat and said coldly: "Will the impact be too great for hitting someone at the school gate, or you? Give it to me honestly, and I will let you go."

The girl didn't expect George Han to be violent with her, and still be so bold in the public.

"You... let me go. Do you know who I am?" the girl gritted her teeth.

"It doesn't matter who you are, what's important is that you can't provoke me." After George Han finished speaking, he retracted his hand, pulled the girl down in front of him, and grabbed the phone.

The screen of the mobile phone remained on the page where the video playback ended. After George Han directly deleted the video, he threw the mobile phone on the ground and smashed it.

"I won't leave yet. If you have any dissatisfaction, you can find me at any time." George Han said to the girl, and then walked towards Lamborghini with Jiang Yingying.

"He... the sports car he drives!"

"Is this car his? This is a Lamborghini."

"When did Jiang Yingying know such a rich man?"

The female classmates who were blocking the road just now saw this scene, each of them grew their mouths with stunned expressions.

Jiang Yingying couldn't believe it, although He Ting had told her that this was the boss. But Jiang Yingying did not expect that this is a Lamborghini owner!

So young Jin would make a special trip for her little thing, Jiang Yingying didn't know how to thank George Han.

“Brother George, thank you, and I made a special trip for my business.” After getting in the car, Jiang Yingying said to George Han apologetically.

“Aunt He didn't say clearly what happened before, so tell me why the school expelled you.” George Han asked.

Jiang Yingying felt aggrieved at the thought of this, and her tears couldn't help but fall. Said: “I wanted to lighten my mother's burden, so I took a part-time job as a tutor. The student was a second-grade girl. One day when I got time, I went to teach her. But after I went home, she was not there, only Her father was at home. Her father had just started to take care of me and later said he wanted to support me. I didn't promise him. He originally wanted to force me, but happened to meet her wife coming home, so he said that I seduce him, and then Her wife made a noise in the school, and the matter spread.”

After a pause, Jiang Yingying continued: “Now the school says that I am a woman sitting on the stage, which affects the reputation of the school, so the school just wants to expel me. They are now in a meeting.”

George Han smiled. Said: “It seems that I came at the right time, don't cry. Since I am here, I will definitely not wrong you.”

After speaking, George Han started the engine and drove directly towards the school.

Off-campus vehicles are generally not allowed to enter the school, so the security guards saw it and planned to stop immediately.

But the roar of the engine roared like a beast, and the security guard saw that the car showed no signs of slowing down, so he could only dodge and avoid. I watched the car drive into the campus.

“f*ck, who is this, rampage, and doesn’t put our school in the eyes at all.”

“Didn’t Jiang Yingying get in this car just now? Isn’t it Jiang Yingying’s gold master?”

“Oh, now the gold master dare to come to the school to make trouble, doesn’t he know who the directors of our school are?”

“There was a good show this time. Jiang Yingying is not only about to be dropped out. This benefactor is so arrogant, there will definitely be no good fruit.”

“That is, several school directors. But they are all big figures in Chengdu. His second generation who is rich wants to find a place for Jiang Yingying, isn’t he looking for death?”

School meeting room.

In addition to the principal and school manager, there are Jiang Yingying’s teachers and Jiang Yingying’s tutor.

The teacher’s position is firm. Because she knows how hard Jiang Yingying is, in her opinion, it is impossible for Jiang Yingying to do such a thing.

“Principal, this matter should be checked in detail. You can’t slander a good student.” said the teacher.

Hearing what the teacher said, Ke Yun stood up angrily and said: “What do you mean, my husband slandered her? We are big business people. We want face. You have no grounds to believe that your mouth is dirty. ?”

As the person involved in this incident, Lin Shaohui knew exactly what the specific situation was, but in front of Ke Yun, where did he dare to admit his wretched behavior, and said, “Don’t be fooled by her honest appearance. , I also thought she was very pitiful, and told me so many pitiful situations, saying that the family was miserable and needed money. Otherwise, how could I be confused for a while?”

Chapter 213

There is nothing to blame for the crime.

The teacher sighed. She tried her best to help Jiang Yingying investigate this matter and avoid ruining a student's life, but Lin Shaohui's firm attitude made this matter no turnaround, and Jiang Yingying's status belongs to Lin Shaohui. The disadvantaged group, the school, will certainly not care about her feelings.

“There is no need to discuss this matter. If you don't expel Jiang Yingying, I will spread the matter. The school's reputation is damaged, and I can't blame me.” Ke Yun said coldly.

The principal and the two school directors at the scene glanced at each other. Although not all the school directors have arrived, the three of them also have the right to decide on such trivial matters.

Just expelling an unknown student can reduce incidents, which is the best result for the school.

“Okay, it's so decided, I will send a notification immediately.” The principal said.

Ke Yun smiled triumphantly, but she was obviously still showing up. Said: “This teacher has been protecting Jiang Yingying. I don't think she is a good thing. She should also be investigated. After all, she is sorry for her, maybe she is not clean.”

When the teacher heard these words, his face was pale, and he said: “Why do you say that to me?”

“Nonsense?” Ke Yun said with a straightforward and arrogant expression: “If you are not this kind of person, why do you want to protect Jiang Yingying, a bitch. Since you were a child, you will not learn good bitches. Later in the society, it will be a dirty thing and corrupt society. atmosphere.”

The teacher panted with anger, this incident was simply Lin Shaohui's fault. In Ke Yun's mouth, Jiang Yingying had become a mean woman, and she had risen to the level of corrupting social morals.

But as a teacher, she has limited abilities, and she can't help Jiang Yingying if she wants to help.

"I said you, being a teacher, just get paid. What do you care about so much? Do you have the ability? I know the school manager and make me unhappy. It's just to fire you. It's just a small matter." Ke Yun said proudly.

At this time, the door of the conference room suddenly slammed and kicked open, and George Han and Jiang Yingying walked in.

Both Ke Yun and the principal and school manager were very frightened, and when they saw Jiang Yingying, they were out of anger.

"Little bastard, who allowed you to come to the meeting room, do you know where this is?" Ke Yun scolded Jiang Yingying.

Jiang Yingying was frightened. She didn't expect that George Han would be so strong and drove through the campus. Now she even knocked the door of the meeting room and broke into the meeting room.

"Are you discussing the expulsion of Jiang Yingying?" George Han said lightly.

"Little Yakuza. What are you, is this a place where you can mess around?" Ke Yun scolded George Han.

"Who is the principal?" George Han ignored Ke Yun's words. He saw too many women like this, too lazy to talk.

“I am, who are you, why did you break into the conference room?” The principal stood up and looked at George Han coldly and dissatisfied.

“To expel Jiang Yingying, have you investigated the matter clearly?” George Han asked.

“This is our internal business, and it has nothing to do with you, an outsider.” The principal said disdainfully, and the stunned green who did not know where came, dare to question him, it is ridiculous.

“Jiang Yingying is my sister. If you want to fire her, of course it has something to do with me. No one has the right to slander her.” George Han said.

“Boy.” Lin Shaohui stood up with a smile on his face, looked at George Han contemptuously, and laughed: “What kind of thing are you, you are qualified to take care of my affairs. Now that Jiang Yingying has been fired, what can you do? Stop this?”

George Han turned his head to look at Lin Shaohui, and asked, “Is it because you did something to my sister?”

“Wrong.” Lin Shaohui shook his head and said: “It was your sister who seduce me by herself and made me almost make a mistake.”

George Han smiled coldly and said, “The school believes your one-sided words. It seems that your relationship is good.”

“Tsk tusk tusk, didn’t you expect you to be quite smart, now that you know it, don’t you hurry up?” Lin Shaohui said, this is the advantage of status. A broken female college student wants to fight him. Isn’t this looking for death?

“Did you decide, or reconsider and investigate this matter?” George Han turned his head and asked the three principals.

Lin Shaohui looked impatient and said, “Are you going to waste my time, do you still need to investigate this matter? My words are the best evidence.”

George Han looked directly at the three principals, unmoved by Lin Shaohui’s words.

The principal didn’t know who George Han was, but Lin Shaohui had a relationship with the school board. And just now I have received a phone call that the sewage from this matter can only be splashed on Jiang Yingying, so the result will not change.

“Decided, since she is your sister, you will take him away today.” The principal said.

“You two have the same opinion?” George Han looked at the two school managers.

“Boy, I advise you to get acquainted and get out of here.”

“If you don’t know our identity, go outside to inquire about it. No matter who you are, you can’t change the outcome of this matter.”

The two school directors didn’t look at George Han at all.

Jiang Yingying was a little scared. She was worried that the trouble would be too serious and it would affect George Han. After all, she knew that the school board was a big man in Rong City. If you offend them, there will be no good fruit to eat.

“Brother George, let’s go.” Jiang Yingying whispered.

“It’s still your sister who knows her, get out quickly, or I will write down your appearance, you won’t be able to escape even if you want to.” Lin Shaohui smiled.

George Han smiled. Said: “You scum, don’t even want to leave today.”

After speaking, George Han took out the phone.

Lin Shaohui and the others couldn't help but smile upon seeing it.

“This is Rong City. Are you sick? Do you want to stay here?”

“Young man, you are so naive, you are an outsider, can you still threaten us?”

“If you don't hit the south wall and don't look back, let him hit it. With a bloody head, you will naturally regret it.”

The two school directors and the principal were sitting in their place, and Lin Shaohui was not worried.

Jiang Yingying is not from Rongshi, and certainly neither is her brother.

Chengdu has its own network of relationships crisscrossed. Although there are differences in status, many of them are acquaintances. What storms can a foreigner make?

After a phone call, there was a lot of commotion at the school gate.

“Why are all the school directors here today, one by one. What big thing happened?”

“It's not because of Jiang Yingying.”

“How is it possible? How could Jiang Yingying's incident disturb all school managers.”

The school directors successively met at the school gate, but this disturbance is destined to alarm the entire city of Chengdu.

The people who came one after another did not end.

“This...this is Ning Xingpeng?”

“f*ck, why even Lu Hongguang is here!”

Ning Xingpeng and Lu Hongguang are the top big figures in Chengdu’s business community and belong to first-line celebrities. Almost no one knows in Chengdu. Even the school directors have their subordinates.

“My mother, what’s going on. This... isn’t this Bao Jingzhong’s car?”

“Look, Chen... Chen Kaihua is here too! These two people are big shots!”

“What’s the matter, there is such a big noise, we big people in Chengdu. We are here today.”

The wave of exclamation at the school gate was ups and downs, and everyone had an incredible expression.

In less than ten minutes, all the people in Chengdu that can be called fame came together, which is comparable to the annual gathering of celebrities in Chengdu.

But the expressions of these people. At this time, it is not very clear, and people can’t help but wonder if there is any major trouble.

In the school conference room, Lin Shaohui was already impatient to wait, and said to George Han: “Little brother, what’s the matter with the backstage you called, if you don’t come, I can’t wait.”

“Why make the scene so ugly? You’d better take Jiang Yingying away, this is not a place where you can mess around.” The principal sighed, it was not that he looked down on George Han, but that he didn’t care about it at all.

George Han tapped his index finger on the conference table, banged, and said, “Don’t worry, you have an appetite for this big meal. It’s best if you have an appetite. If you can’t eat it anymore, just go around today.”

Chapter 214

Jiang Yingying was the one who was suffering in the field because she was very worried that she would drag George Han because of her own affairs. In her opinion, it is a trivial matter to drop out of school now, as long as it does not harm George Han, as for the George Han Gang. She has no hope of solving this matter.

Several of the school directors were all big figures Jiang Yingying could not provoke. Although George Han seems to be rich, the solution to this matter is no longer measurable by the amount of money.

“Or don’t bother. Tell your friend that you offend Lin Shaohui. See if he dares to come forward.” Lin Shaohui said.

George Han knocked on the conference table, and there was a rush of footsteps outside the conference room. He smiled and said, “No. People have already arrived.”

Lin Shaohui picked up the collar and said, “It just happened to be here, but I want to see who it is.”

Lin Shaohui, pretending to be the first person, was stunned when he saw the first person who came in, because this school manager was the one who supported him, and the few people who filed in afterwards had already shocked Lin Shaohui to speak. .

Except for all school managers.

And Lu Hongguang. Ning Xingpeng, Bao Jingzhong, Chen Kaihua.

With the appearance of the four of Lu Ning and Chen, Lin Shaohui’s legs were already weak.

The principal and the two school managers just now. Trembling and daring not to speak, the four of them could barely breathe out by picking one out, let alone the four appearing together.

What kind of ability does this young man have to gather all the four great men!

“Is it enough?” George Han asked Lin Shaohui.

Lin Shaohui was almost frightened, and nodded like smashing garlic. He couldn't even speak.

“Principal.” George Han turned to look at the principal.

“Yes, I am here, I am.” The principal said in a panic.

“Is this matter checked or not?” George Han asked.

“Check, follow up to the end, I will definitely give you a satisfactory explanation.” The principal patted his chest to assure that he was totally different from his previous attitude.

Lin Shaohui looked desperate. He was wrong in this matter first, although as long as he insisted, there would never be any flaws to be found. But now that George Han has displayed such a large amount of energy, if he doesn't admit it, this matter will not only kill him, but will also implicate his backer.

“Lin Shaohui, what is going on, you still don't explain it honestly.” Lin Shaohui's backer has heard about this a long time ago. He doesn't care about who is right or wrong before, because it's just a student, even if it is a slander, it is not a big deal of.

But now, the severity of the matter has exceeded his imagination. Lu Ning and Chen were able to set off stormy waves in Rong City at will, and being able to call

these four people out with a single phone call is no longer capable of him. Imagined.

“I... it’s my fault.” Lin Shaohui knelt directly on the ground, crying loudly and said: “I have an idea for Jiang Yingying, and I slander her.”

Lin Shaohui couldn’t help but admit it, and he didn’t dare not to admit it. His mouth was hard for a while, and sooner or later he would explain the truth of the matter.

“Have you three heard? This is the result of your investigation?” George Han asked the three principals.

The three principals have all the desire to die, but what is the truth of this matter. They knew that Lin Shaohui was a person who liked to mess around outside, and with Jiang Yingying’s character, how could he seduce him?

But based on Lin Shaohui’s relationship before, they had to shield Lin Shaohui, who would have thought that Jiang Yingying had such a hard relationship.

“I’m sorry, I’m sorry, our investigation made a mistake. Don’t worry, I will definitely return Jiang Yingying’s innocence.” said the principal.

“How to pay it back?” George Han asked, since he is here, he must handle this matter well. Give them time to procrastinate, as soon as he leaves, I’m afraid it will be gone.

The principal looked at other people, how could he pay it back? Is it possible to lift a rock and hit one’s own foot?

It was rumored in the school that Jiang Yingying would be expelled. At this time, they withdrew their decision and they had already slapped the school. If there was

a big noise to clear Jiang Yingying's grievances, where would he be the principal's face?

But look at George Han's attitude. If you want to calm down, it is obviously impossible, after all, even the four people Lu Ning and Chen have come.

"What are you still hesitating about, quickly find a solution. Otherwise, you, the principal, don't become a principal." Bao Jingzhong scolded.

"Yes, yes." The principal wiped cold sweat from his forehead, glanced at George Han, and asked tentatively: "Or, let Lin Shaohui apologize to Jiang Yingying?"

Bao Jingzhong heard this sentence. He was so angry that he walked up to the principal, no matter his age, kicked him and said coldly: "This is the plan you gave? Apologize, do you think about it after an apology?"

The headmaster was so frightened that he repeatedly said no.

Chen Kaihua also stepped forward at this time and said coldly: "It's okay to apologize, in front of the teachers and students of the school. I don't care whether you lose face or not, this matter can't satisfy Jiang Yingying, you are ready to roll your bed and go."

The two big guys stood up to speak, and the principal would dare not follow it. As for Lin Shaohui, he was now at the mercy of others.

His backing is very strong, so he can ignore most people in Chengdu, but he knows that the iron plate he got kicked this time is too hard. It was so hard that even Bao Jingzhong and Chen Kaihua had to do things for him. He had no choice but to obey orders.

After Bao Jingzhong and Chen Kaihua looked at each other, they set their eyes on George Han.

They didn't know who this young man was, but the provincial government directly issued an order to satisfy him, and they both had to follow suit.

George Han looked at Jiang Yingying, who was already shocked, and asked, "Yingying. What do you think?"

"Ah...!" Jiang Yingying returned to her senses, as if she was dreaming. In her cognition, the school director was already a very powerful person. As for the four of Lu Ning and Chen, they were already terrifying identities that were as big as Skyrim. She didn't expect that George Han would find all four of them at once!

original. He was not kidding when he said to help himself solve the trouble!

It turned out that he drove into the college and then broke into the conference room. It was not a fever!

"Brother George, I...I don't know." Jiang Yingying had never encountered such a big decision in her life, and she was still in front of so many big people, so she didn't know what to do.

George Han stood up and said, "Since you can't make a decision, let me come."

After finishing speaking, Kan Xiang continued to say: "The flag-raising stand, inform all the students to come, let the whole school witness this, and your ugly behavior, say a word without missing a word, I will not miss a punctuation mark. I will let you go."

The headmaster's face was ashamed. If this matter was spread, his respectable image would be ruined. This would not leave him a way out.

But if you don't do what George Han said, he will be finished.

Lu Ning included Chen and none of them would let him go.

After the school announced the announcement, many students watching the excitement surrounded the playground. In less than ten minutes, thousands of people were surrounded by water.

“What is this for?”

“Maybe it is necessary to report criticism of Jiang Yingying. After all, she discredited our school. How could it be possible to simply expel her?”

“I heard that this woman looks pretty good, and she looks honest, but I didn’t expect it to be such a person.”

The girls who surrounded Jiang Yingying at the school gate were the first to come and occupy the front row. They are the ones who most hope to see Jiang Yingying end in this way.

“Jiang Yingying, the eighth wife, thought that by finding a rich second generation to help her, she would be able to calm her down, but she didn’t expect things to get worse.”

“The shameless pen just now was so arrogant and domineering. I drove into the school. Now I know how good our school is.”

“To deal with this kind of rubbish, the school manager can come forward. I really don’t know why the other four big people appeared, but it’s okay. I guess I will scare that shameless pen. I’m really curious about his current mood.”

“Is it worth it for a woman like Jiang Yingying?”

At this time, George Han and Jiang Yingying took the lead on stage, and many good people could not help but clamor.

Chapter 215

“Jiang Yingying, you really embarrassed our school, let’s get out of here.” The girl took the lead in clamoring.

Several other girls also agreed and yelled at Jiang Yingying as shameless. This situation quickly spurred other students. For a while, Jiang Yingying pointedly pointed out, and some even made the absurd remarks of soaking the pig cage.

Jiang Yingying listened to these words and felt very wronged in her heart. She did nothing but was criticized by so many people. If it weren’t for George Han to help her clean up her grievances, this matter would definitely become an inseparable stain in her life.

“Have you said enough?” George Han said lightly.

“Of course not. She has done such a shameful thing, even if she is scolded to death, I am not ashamed as her classmate.” The girl said.

George Han sneered coldly. At this time, the school and the people George Han called came on stage one after another.

When the students saw the person involved, Lin Shaohui, they felt a little strange, because Lin Shaohui’s expression was particularly ugly. It didn’t look like she was going to punish Jiang Yingying, and Lu Ning did not have a good-looking face for the four of them, the principal and the school manager.

“Don’t kneel down and apologize?” George Han said.

Hearing these words, Lin Shaohui’s legs softened and he knelt down without hesitation. His arrogance came from the school manager, but now, the school manager is nothing more than a fart in front of this young man.

“Sorry, I slandered you and ruined your reputation. Please forgive me.” Lin Shaohui said to Jiang Yingying.

The students saw this scene in an uproar.

Lin Shaohui actually knelt down to apologize to Jiang Yingying, how is this possible!

Many people rubbed their eyes, thinking they had hallucinations.

“What happened? Lin Shaohui actually knelt down to apologize to Jiang Yingying.”

“Oh, I’m going. This plot has developed so unexpectedly, what’s the matter?”

“Jiang Yingying doesn’t have a harder background, otherwise, how could Lin Shaohui apologize to her?”

When these remarks came out, many people put their eyes on George Han.

They heard about Lamborghini’s entry into the campus, but in their imagined script, this rich second generation should end up miserably. How could he vindicate Jiang Yingying?

“The story of the matter, let’s explain it in a five to ten.” George Han said.

Lin Shaohui nodded like a chicken pecking at rice, and told Jiang Yingying as a tutor and all his thoughts about rape Jiang Yingying, which caused another uproar.

Since the turmoil of Jiang Yingying’s incident in the school, all public opinion has been directed at Jiang Yingying, saying that she is a woman and a bitch, but now it turns out that Jiang Yingying is the victim.

After restoring the truth of the matter, the principal once again appeared to say that he had neglected to verify the matter and that he had to take full responsibility and from now on. Many people could not believe the result of resigning as the principal.

The principal was also dragged down by this incident.

At this time, people who are not bright in their brains are also aware of a different meaning.

Just Lin Shaohui's apology can only show that the paper bag cannot hold the fire, and the facts cannot be concealed, but the principal bears the responsibility for causing such serious consequences, but it is not just that the paper bag cannot hold the fire.

Many people began to guess the identity of George Han, and at this time they also understood the reason why Lu Ning and Bao Chen appeared, I am afraid this young man called it.

The girl's face was pale before. She guessed that Lu Ning and Bao Chen appeared to deal with George Han, but now it seems that this is obviously not the case, and he is not a simple rich second generation.

Her family is also very rich. Otherwise, it is impossible to buy Jiang Yingying's roommate to get the video of changing clothes. Now even Lu Ning and Chen will support him. She can't imagine if he wants to pursue this. What kind of consequences will it cause?

Withdrawing from the crowd, she quietly called her family: "Dad, I might be in trouble."

“My dear girl, the sky is falling, and Dad can help you handle it, don’t worry.” The voice on the other end of the phone was calm. He didn’t care about his daughter’s troubles.

“However, this matter is very troublesome. The person I provoke is likely to be a few big figures from Rong City Lu Ning Baochen backstage.”

“Wh...what! Who are you talking about?” The phone was instantly excited.

“Lu Hongguang, Ning Xingpeng, Bao Jingzhong and Chen Kaihua.”

“Shen Dan, what did you do!” the voice on the other end of the phone roared furiously. He spoiled his daughter and was spoiled since childhood, but he did not expect that Shen Dan would cause such a big trouble.

Lu Ning took Chen, offending anyone is beyond the Shen family’s ability to bear, and now she provokes four people at once, this is to drive the Shen family to death.

“Dad, I’m sorry. I don’t want to, I don’t know he can be so powerful.” Shen Dan cried.

On the flag-raising platform, when everything was said, the truth became clear. During this period of time, Jiang Yingying’s rumors were not self-defeating, and the students were agitated, and they were very dissatisfied with the principal’s handling of this matter. Fortunately, he had resigned, and he was able to calm some of the anger, plus the two of Bao Chen showed up. In the future, management in this area will be strengthened, and this will calm the whole matter down.

Jiang Yingying Lihua looked at George Han with rain. She didn’t know how she could thank George Han for being so busy, no matter what she did. I’m afraid I can’t repay it.

“Brother George, thank you.” Jiang Yingying said.

George Han patted Jiang Yingying on the shoulder and said, “It’s just a small matter, don’t worry about it. Aunt He worked hard to raise you up. You will be filial to her from now on.”

Jiang Yingying kept nodding her head, sobbing silently.

After George Han got off the flag-raising platform, he took out the phone.

“Thank you for your help, I owe you a favor.” George Han said.

“I’m very happy that you can ask me for help, but this favor, I took it down.” Mary said, being able to use such a large force in Rong City, George Han can’t do it, after all, he has never dabbled in Rong City. this place. But the energy of the Han family is different.

“How many people know about this matter?” George Han asked.

“Don’t worry, no one knows that this matter is related to the Han family.” Mary said.

“That’s good, nothing else, so be it.”

“Return the favor to me during the Chinese New Year, take her home and have a look.” Mary said.

George Han was taken aback.

Come back home?

These two words felt extremely strange to him.

Yenching’s home?

In that place, George Han had already become his own home.

“Let’s talk about it.” George Han finished speaking without giving Mary a chance to refute. Hung up directly.

When Jiang Yingying was following George Han’s pace, George Han had just collected his phone and said to George Han, “Brother George, I will treat you to dinner.”

“Okay, I’m hungry.” George Han touched his stomach and said, “But I’ll take this meal.”

“How can it work, you helped me so much, how can you invite me to dinner.” Jiang Yingying certainly couldn’t agree. George Han came to Rong City so far to help her solve the trouble, just a few words of thanks. Jiang Yingying couldn’t express her gratitude. Although the meal is not enough, she has so much ability and can do now.

“Wait for your holiday, go back to Basin City and invite me to eat. At that time, I will look at you fiercely, or else rich people like me, can’t you invite me to a roadside stall?” George Han pretended to be pompous Said.

With Jiang Yingying’s current financial ability, it is true that George Han cannot be invited to a big meal, so these words. She didn’t have to refute.

There are a lot of food outside the school, high and low-end consumer places, after all, there are some rich people among college students.

Shortly after sitting down in the restaurant, a girl walked up to them apologetically.

“Liang Hong, why are you betraying me?” Jiang Yingying was not calm when she saw her. This Liang Hong was her roommate. Only Liang Hong was in the bedroom with her during the video period of changing clothes.

“Yingying, I’m sorry, Shen Dan forced me. If I don’t do this, she won’t let me go. You also know that her family is rich, so how dare I offend her.” Liang Hong took the video, although I took some money, but my conscience was also tormented, and today Jiang Yingying was so innocent that George Han showed strength, so Liang Hong had to apologize to Jiang Yingying.

Chapter 216

“She forced you, are you going to harm me? I treat you as a sister, so you treat me like this, are you worthy of me?” Jiang Yingying was very angry, even more annoyed than being slandered, because in the entire dormitory, she had the most relationship with Liang Hong Well, the two were born close to each other. They are both single-parent families, and they have always been sympathetic to each other. Jiang Yingying even treated Liang Hong as her own sister. She had difficulties in life. Even if she tightened her belt, Jiang Yingying would help her, but she never expected that Liang Hong would harm her.

Liang Hong knew how sorry she was for doing this, Jiang Yingying, and cried and said, “I’m sorry, Yingying, please forgive me.”

“You go, we will no longer be sisters in the future.” Jiang Yingying said.

“Yingying...me.” Liang Hong hesitated to speak but stopped. When she got to her throat, she didn’t say anything. She knew she was not qualified to ask Jiang Yingying to forgive her.

At this time, a middle-aged man ran into the restaurant, looking very anxious, sweating profusely, and he was also followed by Shen Dan, his father Shen Bin.

After arriving at the school, Shen Dan had already told Shen Bin what had happened, when Shen Bin learned what had just happened. Dan is almost shocked.

The young man who was able to get Lu Ning to entrust the four big men of Chen to come forward, he couldn’t afford to offend him at this level of weight, so he must quickly find George Han to apologize.

After seeing George Han and Jiang Yingying, Shen Bin walked to the table. He bowed his head and said, “Little brother, I will bring my daughter to apologize to Jiang Yingying. She will make mistakes when she is confused. Please forgive her.”

George Han pretended not to see anything, and picked up some dishes for Jiang Yingying, and said, “Eat more. I have to make up for so many wrongs.”

Seeing that George Han ignored him, Shen Bin bit his head and continued: “The Shen family is willing to bear the consequences and will never escape. If you have any requirements, I will try my best to satisfy you.”

“Apologize, you must have an apology.” George Han said without looking at Shen Bin.

Shen Bin’s heart sank, and gritted his teeth and said to Shen Dan: “Don’t kneel down yet.”

“Dad...” Shen Dan couldn’t accept kneeling down in the public. She was a face-loving person, and she was spoiled by Shen Bin since she was a child. When did she ever do such humiliating things.

“Stop talking nonsense, I will let you kneel down.” Shen Bin looked at Shen Dan with a cold face, and the young man in front of him could wipe out the Shen family with a single sentence. If he does not follow his requirements and does not satisfy him, Shen Jiake will be over.

Shen Dan looked desperate, glanced at George Han secretly, then knelt on his knees.

“What do you want?” Shen Bin asked.

“Is this sincerity enough?” George Han asked back.

Shen Bin was taken aback and gritted his teeth. At any rate, he is also a celebrity in Chengdu, and he is considered an elder in terms of age. Does he even have to kneel down?

But when he thought of George Han being able to alarm the four of Lu Ning and Chen, Shen Bin was instantly discouraged, and he was able to mobilize these big men. What could he think of Shen Bin?

With a bang, Shen Bin knelt down.

George Han said to the nervous Jiang Yingying: “Don’t be afraid, eat. If anyone dares to retaliate against you in the future, I will definitely want his family to ruin.”

Hearing this, Shen Bin’s body trembled. It was obvious that George Han was beating him.

“From now on... Jiang Yingying will be the distinguished guest of the Shen family. I will treat her well. If anyone dares to bully her, Shen Bin will be the first to refuse.” Shen Bin said.

George Han smiled, this Shen Bin is also an old fox, his mind is turning very fast. The intention of George Han’s remarks was to find Jiang Yingying a backer in Rong City to avoid similar incidents in the future. After all, she still has to study in Rong City.

During the entire meal, the father and daughter of the Shen family couldn’t kneel down until George Han and Jiang Yingying left, and the two men with numb legs were helped by the waiter.

“Dad, is this matter resolved?” Shen Danxin asked with lingering fear.

Shen Bin sighed and said: “Since he didn’t say much, he shouldn’t trouble the Shen family anymore, but who is this young man and how can he have such a great ability?”

Shen Bin couldn’t figure it out. To be able to find Lu Ning and Bao Chen to come forward at one time, it would take a lot of face and high status talents to do it.

“Dad. I want to marry him.” Shen Dan said suddenly.

Shen Bin was taken aback, then shook his head, and said, “I know you want to marry a rich family, but this kind of person is much higher than the Shen family. You are not worthy of him, and he looks down on you, so he should dispel this idea. Right.”

Shen Dan bowed his head feebly. The words just now were only spoken impulsively, so consider carefully. How is this kind of thing possible? She is a good daughter, but how does she compare with George Han?

George Han, who walked out of the restaurant, sent Jiang Yingying to the gate of the school and said to Jiang Yingying: “If you want to work part-time in the future, you can go to Shen Bin’s company. He should not embarrass you.”

“Brother George. Thank you for helping me so much.” Jiang Yingying said.

“Thank you so many times, you are not tired, my ears are all callused, don’t say such things in the future.” George Han said.

Apart from thanking Jiang Yingying, she didn’t know how to thank George Han. That’s why I mentioned it repeatedly. After listening to George Han’s words, he nodded and said: “Wait for my holiday, I must work hard, and treat you to a big meal.”

“I look forward to it. You work hard. I don’t want to go wherever it is cheap.” George Han pretended to carry his clothes and continued: “After all, I am a rich man who drives a Lamborghini.”

Jiang Yingying couldn’t help laughing when she saw George Han’s appearance. Said: “Brother George, don’t pretend, I know you are different from other rich people.”

George Han looked serious and said, “Zah, don’t I look like the rich second generation?”

“It’s not like.” Jiang Yingying said simply.

George Han rolled his eyes, and it seemed that he did not have the qualifications to be a rich second generation in his life, and he didn’t even pretend to be like him.

“Let’s go to class, I’ll take a look at this place in Rong City. It’s the first time to come and bring some gifts home to my wife.” George Han said.

Jiang Yingying looked at George Han in disbelief. Said: “Brother George, are you already married?”

“Yes, the husband and wife are loving, living in harmony, and we are gone.” George Han turned around and waved his hands to Jiang Yingying. This kind of girl would be merciful if he didn’t pay attention. George Han’s words could be regarded as breaking Jiang Yingying’s thoughts. miss you. Of course, it is also possible to be affectionate.

Jiang Yingying watched George Han drive away before returning to school listlessly.

Why are you married so young?

Chengdu has developed very rapidly in recent years, with many tall buildings. It has been approaching the scale of first-tier cities infinitely, and maybe in two or three years, it will be able to officially join the list of first-tier cities.

Although George Han has never been to this place, it is a place that can be considered for development.

If it were before, George Han would not have such thoughts. In the past, his goal was only to replace the Han family and surpass the Han family.

But now, George Han knew that the Han family had a strong opponent secretly, and that this opponent was likely to hold the life of Grandpa, so he had to do everything possible to make himself strong enough.

If grandpa is still alive, he will do everything possible to save grandpa back. In the entire Han family, the only person worthy of his attention is Han Tianyang, a man who claims to be born and raised without any background capital, relying on his own hands to work hard. With the glory of the Han family, such a person is not only worthy of George Han's attention, but also respect, because in his heart, grandfather exists like an idol.

What is the geocentric prison? Why has all the relationships been used, and there is no news about the prison in the center of the earth?

Can we just wait for them to come home?

According to the gopher, no one knows the location of the center of the earth prison. Those national felons are taken away personally by the people of the center of the earth prison. Even the big figures at the national level cannot access the core letter of the center of the earth prison.

Driving to the busiest commercial street, George Han's Lamborghini caused many people to stop and watch. After he parked the car and got off the car, a very s*xy girl walked in front of him.

She is tall and enchanting, can not find any blemishes, she is also very beautiful, and her delicate light makeup is not like those girls with heavy makeup.

Chapter 217

“Is there no one in the passenger? I happen to be free tonight. Why don’t you invite me to dinner.” The woman said to George Han, winking.

George Han looked at her from bottom to top and said, “I’m a driver.”

When the woman heard this, her expression changed instantly, gritted her teeth and said: “Wasting my time, why doesn’t a broken driver say it earlier.”

“I’m a driver, should I put a sign on my neck?” George Han smiled helplessly.

But this woman was obviously not interested in him anymore, turned around and left, too lazy to pay attention to what he said.

“Hey.” George Han sighed, this is the naked reality of society. The seemingly superior woman who worships gold is actually ugly at heart, and can do everything for money.

“f*ck, buddy, you are wasting a great opportunity, this kind of woman can get started casually, you don’t want it.” An unwilling voice rang in George Han’s ears.

George Han turned his head to see, although he changed his clothes, but his appearance. George Han still remembered clearly.

“It’s you.”

“f*ck, it’s you!” Qingyun looked at George Han with a shocked expression.

“You don’t go for fortune-telling, what are you doing here?” George Han said dumbfounded. Last time, this guy pretended to be a Taoist priest and even talked about the sayings of a destined person. It made George Han think he was a liar. He didn’t expect to be in Chengdu today. Hit.

“What are you doing? Look at this street.” Qingyun said.

George Han looked around for a week, nothing special, and asked suspiciously, “What happened on the street?”

“With so many girls in cool clothes, you won’t be a severely myopic eye.” Qing Yun said, rolling his eyes.

George Han was speechless. This guy is really a liar.

“Don’t you know that this street is the most prosperous commercial street in Chengdu. It is a visual feast to come here to see the beautiful women. Look at you, so many white legs. Such a beautiful scenery, where to find it. And now many Internet celebrity street shots are from here.” Qingyun said with a coveted face.

“You fake Taoist, don’t lie, can you see the beautiful women fill your stomach?” George Han said.

Speaking of the belly, Qingyun touched it unconsciously, and grunting at the Temple of the Five Internal Organs, leaning on George Han’s shoulders, showing a very enthusiastic look, and said: “You and I are predestined, or I will help you count today. One count?”

“Calculate marriage? Fortune? Or what do I ask you to eat?” George Han said.

Qingyun’s thoughts were seen through, and he didn’t feel embarrassed, and said, “If you want to talk about what to eat, I know there is a famous delicacy in this street. With your wealth, you should be able to eat it, Brother Rambo.”

“Why should I invite you?” George Han asked.

“Only with your tall and mighty image, handsome man, unmoved by beauty, and talented. You are rich in five cars, suave, handsome, and magnificent. Is it enough?” Qingyun said, spittingly. .

Listening to this mess of flattery, George Han couldn't laugh or cry. This guy took off his Taoist robe, as if he had changed a person completely, no different from a rogue.

“But what does it have to do with you? I'm excellent, that's my business.” George Han said.

“Damn, buddy, you have a thicker skin than me. Based on this, we are brothers, let's go, and I will take you.” Qingyun puts his arms around George Han's shoulders, regardless of whether George Han agrees or not. The duck is on the shelf.

When he came to the restaurant Qingyun said, George Han was speechless for a while. Because of his poor Taoist priest, he dared to eat in such a high-end place, and there were no dishes less than four figures on the menu.

“Man, my name is Qingyun, what is your name?” Qingyun asked George Han while ordering.

“George Han.” Finished. George Han said puzzledly: “You are so poor that you can't even eat, dare you come to this kind of restaurant?”

“Brother George, you can't say that. I went out to cheat...heh, show people the fortune-telling, it's also very profitable, and it's okay to go back to this place in half a year,” Qing Yun said.

George Han was completely out of words, and didn't know how to describe this rogue rascal in Taoist robe.

Qingyun ordered nearly ten dishes in one breath. After this meal, it was a five-figure consumption.

While eating, he gobbled it up, just as if he hadn't eaten in half his life, George Han watched quietly, and the other guests looked at this scene with disgust.

“Don't you need to be in such a hurry. At any rate, pay attention to your own image.” George Han reminded.

Qingyun shook his head again and again, and said: “You need to pay attention to image in front of women. What do you want to do in front of food?”

In less than ten minutes, Qingyun was full of food and drink, and hiccuped, only to find that George Han had not moved his chopsticks and said, “Eat, why don't you eat?”

“What to eat?” George Han said silently while looking at the CD.

Qingyun sighed and said in an educational tone: “Brother George. Do you know what this is called?”

“What's the point for you?” George Han said dubiously.

“It's slow, and eating shit can't keep up with the heat, but it doesn't matter to you, anyway, you have money.” Qing Yun said.

When talking about this kind of topic at the dinner table, George Han really didn't know what was in this strange flower's mind.

“Enough to eat and drink. Our fate is almost over.” George Han stood up and went to checkout. Although he lost a little money, it was a waste of time to care about such scammers and Taoists.

Qingyun followed George Han and left the restaurant together. The lingering spirits.

“What else do you want to do?” George Han asked puzzledly.

“Brother, from today, you will be my elder brother, going up to the sword and down to the sea of fire, as long as you say a word, I will watch you unswervingly.” Qing Yun clasped his fists in both hands and said with a serious expression.

“Are you talking about your business?” George Han said speechlessly, Qingyun pulled it out, and he really couldn’t keep up with Qingyun’s brain circuit.

“Big Brother. You misunderstood, this is discrimination against my profession, but I don’t plan to be a Taoist priest anymore, let me follow you.” Qing Yun said.

“Go away.” George Han said, with such a neuropathy, sooner or later he will also get a neuropathy, it is best to stay as far away as possible.

Qingyun followed George Han with a faceless expression, and persuaded with all his heart: “Big Brother, how can you be a distinguished person without a little brother waiting by your side. Don’t worry, I can do everything except hard work.”

George Han stopped, turned around and raised his fist, threatening: “You follow me again, believe it or not, I will punch out all the food you just ate.”

Qingyun stepped back in fright and said, “Big brother, since I was a child, I am sick and weak. I am no different from paper. If you hit me. I must be called for help among those who pinch me, why bother.”

George Han put down his hands feebly, how could he spread such a product, just like brown sugar, it seemed that it was not easy to get rid of it.

“I’ll call you big brother. You let me go.” George Han said.

“This is not good, I have no money, how can I be your elder brother?” Qingyun said, eyes drifting, wondering what bad idea he was making.

“Beauty. My eldest brother drives a Lamborghini, are you interested in driving?”

“Beauty, Lamborghini test drive, do you want it for free?”

“My eldest brother is very rich, do you lack a boyfriend.”

Qingyun catches every girl passing by him, and she has to grab someone else and ask, which makes George Han feel helpless, where the hell is this crazy!

“It’s disgusting for a broken driver to have a face to bluff and cheat.” At this time, the tall girl just walked over and said with disdain to George Han.

Hearing these words, Qing Yun, who is a little brother, was of course unhappy, and said: “Be careful when you speak. My eldest brother is not a driver. It’s just that you can’t get into his eyes with your respectful face.”

“You...you mean I’m ugly?” the tall girl gritted her teeth.

Qingyun touched her nose and said, “It’s not very ugly, but at my elder brother’s level, it’s normal to look down on you.”

George Han couldn’t let this guy mess up anymore, and quickly walked to his side and said, “Qingyun, do you really want to try to pinch what it’s like?”

“Broken driver, your wicked friend has already provoked me, you can wait and see.” The tall girl said angrily.

Chapter 218

George Han didn't want to cause trouble, so he took Qingyun and left.

But Qingyun obviously refused to give up and was still clamoring along the way, facelifting, liposuction of legs, all kinds of criticism, and he almost vomited blood from that tall girl.

“Big brother, I didn't expect you to be so good to me, and I was afraid of something wrong, so you took me away. Don't worry, this kind of woman has a strong mouth and no real skills.” Qingyun said with a smile.

George Han looked at Qingyun with cold eyes, is he good to him? If this guy pulled him into this matter, even if he was beaten to death, George Han would not blink.

Qingyun felt the coldness from George Han's body, and shivered unconsciously, and said, “Big Brother, if you don't like my public personality. How about a little restraint in the future?”

George Han took a deep breath and said, “Why do you want to follow me?”

“Eat full.” Qingyun said without hesitation.

“Other than that?” George Han continued to ask.

“Brother, look at my age, I haven't tasted what a woman is like until now. If you have a good heart, you can help me find a girlfriend.” Qingyun said.

“Okay, I can let you stay by my side, but don't blame me for not reminding you that betraying me has no choice but to die.” George Han said coldly.

Qingyun smiled and said: “Big Brother. Why would I betray you? Don’t worry, I don’t have much pursuit, and I can eat and dress warmly. I will be satisfied if I have a woman to warm the bed.”

The reason why George Han agreed to Qingyun was that in addition to his awkward face, Qingyun’s steps seemed to be erratic like rootless duckweed, but all this was an illusion. He deliberately used this method to hide his strength.

From George Han’s point of view, he is by no means an ordinary person. He definitely has a certain purpose to stay by his side.

Since he had a purpose, George Han naturally wanted to find a way to show him the fox tail.

“Brother, there is a good place in Rong City, how about I take you to see it?” Qing Yun said.

“What’s a good place?”

“It’s still early, you’ll know when it gets dark, and you will never be disappointed.” Qingyun deliberately sold Guanzi.

After dark, Qingyun took George Han to the entrance of a nightclub, which made George Han speechless again, because he didn’t have the slightest affection for this noisy environment.

“This is the good place you said?” George Han said.

Qingyun put his arms around George Han’s shoulders and said, “beauties are like clouds, this nightclub is famous for many beautiful women.”

“How can you, a deceived Taoist priest, know these things well?” George Han said.

“Big Brother. I’m a fake, how can I be indifferent to female s*x.”

After entering the nightclub, under the music of heavy metal, the demons danced wildly, and the ghosts roared and screamed. There were indeed a lot of women.

“Ning Yu, today I came across a shame pen, and I don’t know where it came from. Can you help me get revenge?” On the second floor, only VIP VIPs in nightclubs are eligible to be positioned. Ning Yu takes more than October every month. His consumption has become the supreme VIP of this nightclub. The girl who speaks is named Qiu Wei, who is the tall girl that Qingyun scolded by the day.

Qiu Wei and Ning Yu have known each other for a long time. She has always hoped to be Ning Yu’s girlfriend, but Ning Yu is a fan of nature and only likes to hunt for beauty. She has never had an official girlfriend. Although she has already slept with Ning Yu, she has After the freshness of her, Ning Yu never mentioned her thoughts about her again. If she hadn’t been thick-skinned, she would stay at the entrance of the nightclub every night, and would not even have the qualifications to go to the second floor.

In Ning Yu’s heart. Qiu Qi can’t even count as a spare tire. The reason why he hasn’t broken off his relationship with Qiu Qi is because Qiu Qi has a very good sister, and Ning Yu couldn’t get it through any means.

“You can help. When can I persuade your sister to have a meal with me.” Ning Yu said.

Qiu Qi was very upset when it came to this. She felt that the reason why she could not develop into a boy and girl friend with Ning Yu was because of the existence of this sister, but she did not dare to tear her face with her sister. She knew that she would rather do so. Yulian would not give her the qualifications to accompany guests.

“Ning Yu, she is not as beautiful as I am, so what do you think of her?” Qiu Fei said.

“I don’t know the taste of the grapes I didn’t eat, can it not be itchy in my heart?” Ning Yu smiled.

“Okay. As long as you are willing to help me, I will help you. She lives with me now, and you can get her with any small means.” Qiu Wei said.

Ning Yu touched his chin and said with deep eyes, “Isn’t it a dead fish?”

“A dead fish is better than nothing.”

Ning Yu laughed when she heard this, and said, “It makes sense. She has a sister like you, and she doesn’t know what happened to her in her last life. Let’s talk about who it is.”

“A guy driving a Lamborghini seems to be a driver, but the license plate is not local.” Qiu Wei said.

“Not local?” Ning Yu frowned, and the Ning family had a lot of influence in Chengdu. But he couldn’t mess around when he left Chengdu, and he could drive a Lamborghini, which shows that the other party’s family background is definitely extraordinary.

It’s not a good thing to go through the river and fight the local snake.

“Ning Yu, you won’t regret it? Are there anyone you dared not provoke, Ning Yu?” Qiu Wei said deliberately.

Ning Yu looked at Qiu Wei coldly. Said: “Bapo, are you underestimating my Ning Yu?”

Qiu Fei shrank his neck in fright and said, “Ning Yu, I didn’t mean that. How could there be someone who dare not provoke you if you are so powerful.”

“It’s not local, it’s a bit troublesome, but it’s not a big problem.” Ning Yu said.

At this time, Qiu Wei suddenly shook his body, and the two people sitting next to the bar downstairs. Isn’t it the two guys today?

“Ning Yu, it’s them, it’s not that the enemy didn’t get together. I didn’t expect to take the initiative to send it to the door.” Qiu Wei pointed to the two people at the bar downstairs and said.

Ning Yu sat upright. Although the lights did not allow him to see the appearance of the two of them clearly, the faces were generally unfamiliar.

“Let’s go, take revenge for you, and fix your sister tonight by the way.” Ning Yu said with a smile.

Qiu Fei stood up in a hurry, already thinking about how to deal with George Han.

Qingyun, who scolded her, would definitely be beaten. As for George Han, who drove her boss’s car out to pretend and made her wasting her expression, at least he had to kneel down and apologize to her.

Sitting at the bar, Qingyun ordered two cocktails with his familiarity. Seeing his appearance, it was not like his first visit. This made George Han more sure that he was not easy.

If he was just a deceived Taoist priest, how could he have money to spend here?

“I don’t drink, give me a glass of ice water, thank you.” George Han said to the cocktail girl in the bar.

The bartender girl looked surprised. She has never seen anyone who does not drink in a nightclub.

“Ice water is also charged.” The bartender sister said.

George Han nodded, took out two hundred yuan bills, and stuffed them into the neckline of the cocktail girl.

“Brother, you don’t come to this kind of place less. You have more experience than me.” Seeing this scene, Qing Yun said with a smile.

George Han has seen a way of tipping in Modu. He hasn’t eaten pork, and hasn’t seen a pig run?

At this time, George Han suddenly felt a heavy pat on the back of the head.

Turned. Ning Yu hugged Qiu Qi, and said provocatively: “Man, the woman who provokes me, you are so courageous.”

Looking at Qiu Wei, George Han glared at Qingyun again. If it weren’t for this guy, how could he get into this trouble.

“Misunderstanding, your woman, I just met once today.” George Han said.

Ning Yu suddenly raised his hands, and the nightclub music stopped abruptly.

“what happened.”

“DJ, are you crazy? Lao Tzu is hilarious.”

“Go to Nima, you want to be laid off, right?”

The scolding broke out, and the customers in the store burst into dissatisfaction.

“Whoever has an opinion, come to me and speak.” Ning Yu said loudly.

When the guests saw Ning Yu, they all closed their mouths.

“Shao Ning, it’s you, I’m sorry, I’m sorry, it’s me who talked too much.”

“Young Master Ning wants to do something, and quickly turn on the lights.”

“Turn on the lights.”

George Han smiled bitterly when he saw this scene. This person named Ning Shao was obviously not low in status in Chengdu. Otherwise, there would not be so many guests afraid of him.

Ning Shao?

Isn’t it Ning Xingpeng, the surnamed Ning in Rongshi and he is powerful?

“Your father won’t be Ning Xingpeng?” George Han asked.

Chapter 219

George Han's words made Ning Yu smile proudly, and said: "I didn't expect you, a hillbilly from other places, to know me. Now that you know, you should be able to think of what will happen?"

"Before you mention it, why don't you call Ning Xingpeng and ask him what I should end up with?" George Han said, coming to Rong City to help Jiang Yingying solve the trouble, and then just take a look, he doesn't want to provoke trouble. I don't want to add to Ning Xingpeng, after all, Ning Xingpeng also helped with Jiang Yingying.

"Call my dad?" Ning Yu smiled coldly and said: "What are you, a person like you, do I have to ask my dad to come forward to teach you, I will be enough."

"Shao Ning, your status is honorable, should I help you beat him?"

"Shao Ning, I am coming, and this kid will not be able to eat."

"I'll come here. I can handle this kind of garbage with one hand."

Among the crowd watching the liveliness, the voice of helping Ning Yu was constantly sounded, because for them, this was an opportunity to please Ning Yu. If Ning Yu can be a pawn, it will definitely change their lives. Who Don't want to follow this rich second generation to eat and drink spicy food?

"Man, it seems that your character is not very good, so many people want to beat you." Ning Yu said mockingly. This is his influence in Chengdu, and with a casual wave, hundreds of dogs can help him.

"Brother, my stomach hurts, or I will go to the toilet first." Qingyun saw something wrong. Want to bugger.

Although George Han can play, but with so many people in the nightclub, relying on his own strength, he will definitely not be able to play, and the end will be terrible.

As the saying goes, people under the eaves have to bow their heads.

“What do you want?” George Han asked.

Seeing George Han’s compromise, Ning Yu curled his mouth in disdain, and said, “You don’t have a temper at all, don’t you want to fight?”

George Han smiled bitterly, and said, “So many people here help you, how can I fight?”

“If you are a little self-aware, please kneel down, apologize to my woman, and spare you today.” Ning Yu said.

Qiu Fei raised his head and looked at George Han with a contemptuous smile: “Broken driver, now you know how to offend me.”

Qiu Qi looked like a powerful bitch with an ugly face. George Han smiled coldly and said to Qingyun: “You caused the trouble. You can figure it out.”

Qingyun’s head was as big as a fight, and said bitterly, “Brother, I really have a stomachache.”

“You have two choices, apologize, or let’s play out. What do you think?” There was a little smile hidden in George Han’s eyes. In this situation, Qingyun will not be forced to make a move, but it is possible to do so. See what kind of person Qingyun is.

If he chooses to forbear and kneel down to apologize, George Han will be very surprised and will be more careful about this person.

Qingyun didn't seem to hesitate for a moment, and directly chose to kneel down, and said to Qiu Wei: "Beauty, it's me that damn it, I said something wrong, you who are as beautiful as a god, how can you care about such a cock like me, let me go? Horse."

George Han took a deep breath. This wolf in the city mansion is not easy to deal with.

Seeing Qingyun kneeling down, Qiu Wei felt like a goddess, letting Dia Si crawl to show her superior status.

"And you?" Qiu Wei said to George Han.

George Han looked at Ning Yu and said, "Ning Shao, enough is the best choice. If you have to play, I will play with you to the end."

Ning Yu frowned. Since the other party knew who he was, and dared to say this, he obviously had a certain status.

Although Ning Yu is not from Rong City, Ning Yu will not have the slightest fear, but it is not Ning Yu's style of doing things for a woman, let alone the other party kneeling down and apologizing, it is a step back, there is no need to Things got worse.

"Man, I am in a good mood today and let you go, but I advise you to get out of Chengdu as soon as possible, otherwise, you won't be so lucky next time." Ning Yu said.

George Han did not apologize. Qiu Qi hadn't found a sense of superiority yet, so he was naturally unwilling to agree, and said to Ning Yu, "Ning Yu, he also offended me, how could he..."

"Qiu Wei, is it me who has the final say, or is it yours?" Ning Yu said coldly.

Seeing Ning Yu about to get angry, Qiu Wei bowed his head in fear and said, “Of course you have the final say.”

“Since it’s me who has the final say, you can say one more nonsense. I will abolish you.” Ning Yu said.

“Yes, I know.” Qiu Wei said with trembling.

“Go away.” Ning Yu said to George Han.

“Shao Ning let you go, what are you doing in a daze?”

“Hurry up and don’t show up in this place in the future, otherwise we won’t let you go.”

“Trash. Keep your eyes open in the future, Ning Shao is not someone you can offend.”

In the wave of ridicule, George Han left the nightclub with Qingyun.

Qingyun looked depressed, and complained to George Han: “Big brother, I have only been your little brother on the first day. You made me so embarrassed, aren’t you afraid of me running away?”

“The road is at your feet, you should run quickly.” George Han said.

“Hey.” Qingyun smiled and said: “Big brother, in fact, this kind of grievance is nothing, isn’t it just kneel down and apologize, trivial, trivial.”

Scheming City Mansion, the means tolerate, and Qingyun is not lacking. George Han knew that he had brought a time bomb with him, but his purpose was very likely to solve a mystery for George Han, so even if George Han was carrying danger, he could only keep Qingyun by his side.

The two found a hotel nearby to rest. In the nightclub, because Ning Yu disturbed the guests, he paid the whole audience as an apologetic. This undoubtedly made the atmosphere in the nightclub reach its zenith in an instant.

Qiu Wei is very happy now. But it was also a bit regretful that George Han couldn't get her to kneel and apologize. I always felt that something was missing.

“Qiu Wei, my business will be settled tonight.” Ning Yu said to Qiu Wei.

“Ning Yu, don't worry, what I promised you will definitely be done.” After Qiu Fei finished speaking, he hesitated for a moment, and continued: “But I can get the benefits. What else?”

Snapped.

A resounding slap on Qiu Wei's face, Ning Yu sneered: “Qiu Wei, are you a damn thing, are you qualified to talk to me?”

Qiu Fei covered her face, knowing that she would never be favored by Ning Yu again. That's why I wanted to take this opportunity to make a profit, but she didn't expect Ning Yu to have such a big reaction, and quickly said: “I'm sorry, I just talked casually, don't take it seriously.”

“Get out. I'll contact you at twelve. If you fail to do it, don't blame me for throwing you on the Longyin Bridge.” Ning Yu said.

Hearing this, Qiu Yu trembled all over. Under the Longyin Bridge, there was a gathering place for homeless people. Two years ago, a girl from outside town got lost and accidentally walked to Longyin Bridge and was raped by more than a dozen homeless people. This news made a lot of noise in Chengdu, but there were too many people involved in the case, and no conclusive evidence could be found. This matter did not stop.

There is a saying in Chengdu that after ten o'clock in the evening, girls must not appear in Longyin Bridge, because it is like a hell.

Qiu Qi couldn't imagine what would happen if he was taken to Longyin Bridge.

"I will go home now and wait for my good news." Qiu Wei said.

Leaving the nightclub, Qiu Wei found that the familiar Lamborghini was parked not far away, angry at George Han, Qiu Wei walked to the car and kicked it hard.

Poor Lamborghini, who just came out of the repair shop, is devastated again, probably the most ill-fated among luxury cars.

In the hotel, George Han didn't know that his car was injured again. When he was about to go to bed, the doorbell rang.

Opening the door, a strange face, with a respectful smile, handed an invitation to George Han.

"What is this?" George Han asked in confusion.

"Mr. Han, this is a party invitation. Mr. Lu asked me to send it to you."

Boss Lu, is Lu Hongguang?

George Han looked at the invitation. It was similar to a business party. It was supposed to be a celebrity banquet. The host was Lu Hongguang. Given his status in Chengdu, those who were able to attend were probably some big names.

"Boss Lu said, Mr. Han must be there."

"En." George Han agreed.

Chapter 220

Lu Hongguang holds a celebrity gathering every year. In addition to increasing his influence in Chengdu, it can also consolidate his personal connections.

Although the two giants of Chengdu shopping malls, the Lu family and the Ning family, have developed very harmoniously on the surface, they secretly compete all the year round. Everyone wants to sit in the position of the leading brother. As the saying goes, there is no room for two tigers. These two giant tigers compete, except Own power. There will inevitably be acts of forming cliques.

The Chengdu business community has also formed two distinct forces because of these two people. The gathering is to consolidate this relationship.

Of course, in addition to business people, there are official figures who can participate in this gathering. The tricks and tricks of this party can't be carefully considered. Otherwise, I don't know how many people will lose their black hats.

George Han was about to drive to the hotel where the party was after having breakfast with Qingyun early the next morning. When he walked to the car, George Han smiled bitterly.

"Little brother, it made you suffer again." George Han said helplessly as the main driver's door was sunken.

"f*ck, who the hell did this? This is Lamborghini, and it's smashed when you say it's smashed? Brother, check it thoroughly, you must check it thoroughly, you must find the murderer." Qing Yun said in shock.

"For fear that the world will not be in chaos? Don't call a taxi." George Han stared at Qingyun and said.

I have had this experience last time. George Han understands women's attitude of holding grudges, so you don't have to think about him knowing who did it. To blame, you can only blame him for parking the car on the side of the road and lazy to move. If you park the car in the hotel parking lot, There will be no such thing.

Qingyun stopped a taxi. Heading to Lufeng Hotel, looking at the name of the hotel, this should be Lu Hongguang's own property, but it is not unusual for a big boss like him to have his own hotel.

"Little brother, did you stay here at Lufeng Hotel today?" After getting on the bus, the taxi driver said enthusiastically.

"What is a stay?" Qing Yun asked curiously.

"Lu Hongguang holds a party today every year, inviting the big bosses in Chengdu, don't you guys who stay here just guard those big bosses and seek opportunities for cooperation?" the driver said with a smile.

"Brother, you look down on people, we went to the party." Qingyun said triumphantly.

"Participating in the party?" Lu Hongguang looked at the two of them in the rearview mirror, laughed, and said, "Little brother, you guys are really bragging. I have never seen anyone who needs a taxi to attend Lu Hongguang's party. , If you go to the entrance of Lufeng Hotel, there is no luxury car that is less than one million."

"Brother. I'm not joking with you, we are the invitations sent by Lu Hongguang himself." Qing Yun said unconvinced.

The driver gave Qingyun a thumbs up and said: "I have seen someone who brags, I have never seen you such a brag, I am convinced."

Qingyun still wanted to defend, but was stopped by George Han, because no matter what Qingyun said, the driver couldn't believe his words.

After arriving at the Lufeng Hotel, George Han found that there were indeed many people staying nearby, probably waiting for his target boss. From this we can see that Lu Hongguang's party influence is indeed not small.

After George Han got out of the car, the driver did not leave directly. He wanted to watch Qingyun's cowhide blow and watch the two being driven out.

But he didn't see what he wanted to see, and someone led George Han and Qingyun into the hotel.

"f*ck, you really didn't brag?" The driver exclaimed with a stunned expression on his face, "This is some awesome character he has encountered, low-key, too low-key."

After entering the hotel, George Han and Qingyun went directly to the banquet hall on the top floor. The person who sent the invitation yesterday sent them to the elevator door and said: "Mr. Han, if you have any instructions, you can find me again."

Before George Han spoke, Qingyun said, "My name is Mr. Qing."

The man was taken aback, and awkwardly called: "Mr. Qing."

Qingyun is satisfied. Said: "You go to work first, and I will find you if you have anything."

"A liar is a liar, and there really is a set of pretends." George Han said helplessly to Qingyun.

Qingyun straightened his chest and looked like a dog, and said, “Big Brother, one thing is very important when people are floating in the rivers and lakes.”

“What?” George Han asked curiously.

“Even if you don’t have half a silver in your pocket, you have to pretend to be a multi-millionaire, otherwise it’s easy to be looked down upon.” Qing Yun said.

“You look respectable, even if you give you ten million, you don’t look like a rich man, are you equipped with it?” George Han said with disdain.

Qingyun was instantly discouraged, drooping his head, and said: “Brother, thank you for taking time to hit me in your busy schedule.”

“No thanks. If you need it, you can speak at any time.” After saying this, George Han was shocked and only had contact with Qingyun for a day. He would actually say such things, and it is really black near Mo.

For George Han, there are all new faces in the venue, but it is certain that these people are not low in status in Chengdu, and according to the current situation in Chengdu. These people have a good relationship with Lu Hongguang, and they must have a bad relationship with Ning Xingpeng. There is no need to think about it and know that there are many secret contests.

George Han has a very thorough understanding of business affairs. He has been in business since he was a teenager. There have been countless intrigues among them, which can be called a battlefield without gunpowder, and the influence of business wars can be imagined.

However, even if these people belong to Lu Hongguang’s system, there will still be many small differences. At this time, there are groups of people together. It is the best proof. After all, the industry is different and the status is different. Even in the same big circle, there will be many small circles.

This is the case in society, one loop and one circle, one circle and one circle, but to step out of this big circle is not a simple matter.

After finding a corner position and sitting down, George Han was like a falcon in secret. Looking at the situation on the court.

The taxi driver said before that there are many people staying outside the hotel. In fact, this phenomenon does not only happen outside the hotel, but also inside the venue, but the method is different and the purpose is different.

All the waiters at the party were women, handsome in appearance, tall, and the perfect arc was outlined in the uniform buttocks skirt uniform. These women were not hotel staff. Instead, they become temporary workers through temporary recruitment. Their purpose is very simple: to find a rich man, be a girlfriend, be a canary, and be a junior. As long as they are able to ingratiate themselves with the rich, it is considered successful.

Qiu Qi is also one of them, wearing a uniform uniform, with crystal high heels under his feet. Very consciously cut out a slit in the chest, revealing his proud figure looming.

Holding a tray of wine in her hand, Qiu Wei looked for her prey. Her thoughts were very pure, as long as the other party had no female companions. As for her age, she doesn't care about her age. She can wear designer clothes and carry designer bags as soon as her eyes are closed.

When Qiu Qi saw George Han and Qingyun, he immediately gritted his teeth, these two goods. He actually got into such a high-level celebrity gathering.

“Unexpectedly, you two rubbish can also get in. Get out if you know, or I will ask the security guard to blast you out.” Qiu Wei walked to the two of them and threatened.

George Han didn't expect to meet an acquaintance here, and he was still an acquaintance with a grudge, and said, "You have your purpose, isn't it good that we don't interfere with each other?"

"Hmph, I came in with dignity, unlike you two sneaking in, can it be the same?" Qiu Mei said proudly.

"Just come in and fish for the Kaizi? Sister, will your taste be too strong? Look at the people present. There are a few people with thick hair and such old meat. Don't you think it is stuffy?" Qingyun smirked. .

Qiu Fei's expression changed, and he said coldly, "What my taste has to do with you? They are better than your two rubbish when they are old. Since you don't get out, don't blame me for being polite, just because I didn't vent yesterday. Enough."

After finishing speaking, Qiu Wei picked up a glass of wine and poured it directly on George Han's face, saying, "Security guard, security guard, there are two garbage mixed in here, they have no invitations, come and blast them out."

The security measures at the scene were very strict. Hearing Qiu Wei's words, several security guards ran over.
