

Chapter 221

“Sir, please show your invitation card.” The security captain said to George Han.

“No.” George Han began to say.

“No?” The security captain frowned. Lu Hongguang’s invitation card is of collection value even if it is used, because this invitation card in Chengdu is equivalent to an honor. Being able to participate in the party held by Lu Hongguang is itself a piece of cake. It’s a conversation, so many people will carefully put the invitations away. The person in front of you said no, which means that he didn’t get the invitation at all.

“He got in. Hurry up and get out.” Qiu Fei sneered.

The security captain glanced at Qiu Wei. If it weren’t for this woman yelling, how could the people in the field have all their eyes turned over? If Lu Hongguang knew about this matter, not only would he not be able to secure his job. Rong City is hard to move.

“Two people, don’t make trouble here, and honestly go out with me, otherwise I can’t guarantee that the two will be injured.” The security captain said.

George Han is as steady as a rock. Said: “Although I don’t have an invitation card, but I came to the party and it was invited by Lu Hongguang himself. How about going to ask him before driving me out?”

“Unexpectedly, you, the driver, are quite capable of bragging. Lu Hongguang invited you personally. What are you that can have such a big face?” Qiu Wei smiled disdainfully.

“Nothing to do with you here, shut up.” The security captain scolded Qiu Wei.

Qiu Qi was full of dissatisfaction. She felt that she was just for the party. George Han was only demolished, but how could she understand the current mood of the security captain, he was in charge of the current security work, was mixed in by an unknown person, and was known by the senior management. Can't eat and walk around.

“Please.” The security captain made a please gesture.

George Han remained motionless and said: “If I leave, your end will be even worse. Why don't you ask for instructions and see if I am eligible to participate.”

The security captain took a deep breath. According to the usual practice in previous years, Lu Hongguang should be coming soon at this point. If this person is not cleared, the paper will not contain the fire.

“I'll say it for the last time, I hope you don't embarrass me or yourself.” The security captain said.

“I said, why are you so clumsy? Just ask if you can, and kick us out. I'm afraid you will regret it too late.” Qing Yun stood up and said arrogantly.

Qiu Wei was very happy to see the two of them not leaving. The bigger the incident, the more embarrassing George Han would be. This is what she likes to see.

Among the crowd, Qiu Ji found Ning Yu watching the excitement. To reveal the identity of the two of George Han, as long as Ning Yu comes forward, the security captain will definitely not doubt it, and will use direct means to drive the two out.

“Don't believe them. Ning Shao knows these two people. Ning Shao knows exactly what they are.” Qiu Wei said.

As a melon-eating crowd, Ning Yu just wants to see the excitement, and to attend this gathering today is to help Ning Xingpeng inquire about the reality and to see what Lu Hongguang's contacts are. To put it bluntly, it means acting The identity of a spy is now being pulled out by Qiu Fei, making him gritted his teeth with hatred.

“Ning Yu, do you know these two people too? Who are they? If the rubbish is mixed in, you can help prove them and drive them out.”

“Ning Yu, this is the site of your Uncle Lu, you can help me take a look.”

“These two people will not be your friends.”

Hearing these words, Ning Yu had to bite the bullet and glared at Qiu Wei. Out of the line and said: “Dear elders, I do know these two people, but they are not my friends, and I, Ning Yu, never make such rubbish.”

At this time, no one noticed that Lu Hongguang had entered the venue.

When his assistant discovered this incident, he asked: “Mr. Lu, it seems that there was some misunderstanding, let me explain it clearly.”

Lu Hongguang pulled his assistant with a gloomy look in his eyes, and then said: “Don't worry, wait until the situation can't be controlled before coming forward.”

The assistant looked puzzled, didn't Lu Hongguang treat this young man as a VIP? Why don't you help him if there is a problem?

Naturally, Lu Hongguang's thoughts are not something people like assistants can understand.

Fighting with Ning Xingpeng for so many years, with mixed results, has never been able to occupy an absolute advantage. Lu Hongguang has never seen a breakthrough.

But today's situation is a breakthrough for Lu Hongguang.

He didn't know the identity of George Han, but he knew that the energy that George Han possessed was amazing. If Ning Yu offended him, wouldn't it be equivalent to Ning Xingpeng offending this big man?

This is an opportunity that fell from the sky. How could a thoughtful person like Lu Hongguang miss it?

“With Ning Shao testifying, I don't need to verify the identities of the two of you. Should I go by myself or should I do it?” The security captain said to George Han.

George Han looked at Ning Yu. He said calmly, “Ning Yu, there is nothing to do with you, and this matter today has nothing to do with you.”

“Of course it has nothing to do with me. I just don't want your rubbish to ruin Uncle Lu's party. Look at the people present.” Ning Yu continued after pointing a circle, “These people are all celebrities in Chengdu. , Great man, what are you, what qualifications do you have to appear in the same party with them?”

These words. In addition to belittling George Han, he also touted other people, which can be regarded as the kindness that Ning Yu released to these people, which was a disguised win.

When those people heard what Ning Yu said, they all smiled complacently. Although they are all from Lu Hongguang, they can be valued by Ning Yu as a way to prove their value.

“Ning Yu, outsiders say you are young and arrogant. It seems that today. Not all.”

“Yes, it seems that the outside world has too much prejudice against you, a rich man.”

“Those are all rumors, and Ning Yu is such a sensible young man, but now it is rare.”

Flattery has always been courtesy. Ning Yu gave them sweets, and they naturally wanted to give Ning Yu some sweetness.

Ning Yu didn't expect that there would be such an unexpected gain today, which would make them feel good, and it would be easier to draw in in the future. If Ning Xingpeng knew about this, he would definitely be rewarded with millions of pocket money.

“Dear elders. You are all people worthy of my Ning Yu's respect, so today, let me drive out this rubbish for you.” After Ning Yu finished speaking, he turned to look at George Han, and said coldly: “Get out, do you rubbish worthy of appearing here?”

“What can you do to us if you don't leave?” Qingyun yelled.

Ning Yu said with a cold face, with a yin smile: “Don't leave? Then see how capable you are.”

Seeing Ning Yu walking towards him, Qing Yun quickly hid behind George Han and said, “Boss, you have to protect me. If I am such a fragile flower and grass, if he is injured, I will not lie in the hospital for ten or eight years. Years can't start.”

Seeing Qingyun hiding, Ning Yu put it on George Han's shoulder and pulled it hard. Prepare to pull George Han out.

However, even though Ning Yu had used all his strength, he still couldn't shake George Han. It gave him the feeling that George Han was like a stone pillar in the ground.

“You can't cry without seeing the coffin, right?” Ning Yu gritted his teeth.

“This is more applicable to you.” George Han said.

Ning Yu was furious. Raised a fist at George Han, he cursed: “I'm going to Nima, I don't know what is good or bad, this is what you asked for.”

After watching this scene, others sighed and shook their heads. In their eyes, George Han really didn't know what was good or bad. He had to offend Ning Yu, can he have good fruit? If you honestly admit your fate and leave, you will have nothing. If you have to force Ning Yu to take action, you will not only get out of the way, but also be beaten. Why is this?

With a fist, George Han rolled his head lightly, and after dodge the slightest difference, he kicked Ning Yu's abdomen.

Ning Yu yelled in pain and retreated after practicing, then fell to the ground.

“You...you f*cking dare to beat me!” Ning Yu looked at George Han angrily. From childhood to adulthood, he was the only one who bullied others. When would anyone dare to break ground on him and beat him!

Standing up tremblingly, Ning Yu said viciously: “No matter who you are today, I will abolish you.”

Chapter 222

Qiu Wei was so excited that he could provoke the contradiction between Ning Yu and George Han. George Han's end would be even worse. She was very happy to see this. She had to let the driver know how to offend her. How miserable.

“You even dare to fight Ning Yu, don't you know who Ning Yu is?” Qiu Fei added fuel to the fire, and then ran to Ning Yu, pretending to be concerned.

Ning Yu now has no ability to think in his mind, and is filled with anger, wishing to kill George Han on the spot.

The security guards did not expect that George Han would dare to act on Ning Yu. Although the Ning family is Lu Hongguang's opponent, how can Ning Xingpeng explain to Ning Xingpeng if Ning Yu was injured at the Lufeng Hotel?

Several security guards rushed forward, how to subdue George Han, but at this time a very stern voice came.

“What are you doing!” Lu Hongguang seized the opportunity to come out. Ning Yu could offend George Han, but he would never be able to involve his people.

“President Lu.”

“President Lu.”

“President Lu.”

The respectful shouts rose and fell. Lu Hongguang walked to the security captain and asked sharply, “What's the situation?”

The security captain was terrified, but he didn't expect that this matter could not be kept secret. He lowered his head and said, "I'm sorry, Mr. Lu, it was me who had neglected my duty and let in those who didn't have invitations."

The assistant glanced at Lu Hongguang and said to the security captain: "Mr. Han is a distinguished guest invited by President Lu. I helped him put away his invitation. How could it not be possible?"

After speaking, the assistant took out the invitation card.

When others saw the invitation, they were shocked.

There are three styles of Lu Hongguang's invitations, each of which represents a different level of guests, and the invitation card held by the assistant is a black bronzing frame. This is Lu Hongguang's highest specification invitation card, and it has not been used for several years.

"Black gold invitation card!"

"It's actually a black gold invitation card!"

"Mr. Lu hasn't used this kind of invitation for many years."

This young man was able to get this invitation!

The security captain was dumbfounded. He had only heard this invitation. I have never seen it before, because the level is too high for someone to get.

"Lu...Mr. Lu, I'm sorry, I don't know, it was my fault." The security captain lowered his head and said in a panic.

Qiu Fei was already dumbfounded. She believed that George Han had come in, but the fact before her was that George Han had received the highest-level invitation!

Isn't he a driver? Why is it important to Lu Hongguang.

At this time, Ning Yu gritted his teeth and walked to Lu Hongguang's side.

The level of the invitation is very high, but it can only surprise others. As the young master of the Ning family, as the son of Ning Xingpeng, he would not put this invitation in his eyes.

"Uncle Lu, your VIP is so courageous, even I dare to fight, you have to give me an explanation." Ning Yu said coldly.

Lu Hongguang glanced at Ning Yu contemptuously and said: "Ning Yu, what is your purpose for you to come to my party every year. I know very well, I open one eye and close one eye, I don't know. But today It's too arrogant that you have offended my distinguished guest and want me to explain to you."

"Uncle Lu, what do you mean?" Ning Yu's face was gloomy. He didn't believe that Lu Hongguang dared to tear his face with him. He didn't believe that Lu Hongguang dared not give Ning Xingpeng face.

"I called your dad, this matter is not something you can solve, so please ask yourself." After speaking, Lu Hongguang took out the phone and dialed Ning Xingpeng's number.

"Ning Xingpeng, your son is making trouble with me. Come and solve it yourself." Lu Hongguang said.

When Ning Xingpeng heard these words, he smiled faintly, and said: "This kid, how can you make trouble in your place? You don't give you any face, please help me teach me a lesson. As an elder, he dare not? You are the Lord."

"Ning Xingpeng, you may not understand the seriousness of the situation. I advise you to come here." Lu Hongguang said coldly.

Ning Xingpeng frowned, in his opinion. Even if Ning Yu is in trouble, it is just a small matter. How old is his son, can he still not know? Is it possible that Lu Hongguang is on the line like this because he wants to use this to deliberately find the ballast?

“Lu Hongguang, you don’t need to go online like this. You won’t be so bad as to embarrass me with this thing? Does it make sense, don’t you know it yourself?” Ning Xingpeng said disdainfully.

The corner of Lu Hongguang’s mouth rose slightly. Ning Xingpeng would have such an attitude. He had predicted that even if Ning Yu directly smashed his Lufeng Hotel, Ning Xingpeng would probably not care too much, maybe he would even praise Ning when he went home. Yu, but today’s things, the level involved is no longer the same.

“Ning Xingpeng. I can persuade you. I finally invited Brother Han today. Your son had a conflict with Brother Han. I can’t do this.” Lu Hongguang said.

“Brother Han? Who are you talking about!” Ning Xingpeng, who was on the other end of the phone, stood up suddenly, with horror on his face.

“Who else do you think? Hung up.” After Lu Hongguang finished speaking, he hung up.

Ning Xingpeng was lost in time, Brother Han, George Han!

Besides George Han, who else could it be?

Ning Yu, the rebellious son, actually offended George Han!

Ning Xingpeng felt his hands tremble. He doesn’t know who George Han is, but the energy of this young man is unmatched in Chengdu, let alone the Ning family, even the Ning family and the Lu family. It’s also a scam.

“Drive, go to Lufeng Hotel.” Ning Xingpeng said to the driver.

After hanging up the phone, Lu Hongguang said to Ning Yu: “Your father should be here soon, so you can explain to him.”

Ning Yu grinned and waited for his father to come. It was Lu Hongguang who explained to him.

After hearing Lu Hongguang’s words, Qiu Qi, who was shocked, heaved a sigh of relief. As long as Ning Xingpeng came forward, could there be anything he could do? What if he is Lu Hongguang’s VIP guest? Lu Hongguang would never tear his face for him and Ning Xingpeng.

This meeting of the two giants in the business world filled the crowd with expectations, and they even felt that whether the two can be divided depends on today.

Lu Hongguang walked in front of George Han and said apologetically: “Brother Han, I’m sorry, I am late. I made you misunderstood.”

George Han’s eyes were shining, and he said in a flat tone: “Did you come late, or just pinch it? Lu Hongguang, how can you be such a smart person who can’t defeat Ning Xingpeng?”

Hearing this, Lu Hongguang was shocked and quickly said: “It is indeed delayed by something, Brother Han, don’t get me wrong.”

George Han sneered coldly. From the time Lu Hongguang called Ning Xingpeng, George Han understood this guy’s wishful thinking. I also guessed that he must know about this, but he didn’t show up on purpose.

Lu Hongguang wanted to use his hand to deal with the Ning family, which was a good idea.

“Your idea is very good, but using me as a tool is your biggest mistake.” George Han said coldly.

These words made Lu Hongguang’s forehead seep in cold sweat, but at this point, he could only grit his teeth and refuse to admit it. Otherwise, the two business giants in Chengdu might fall overnight.

In less than ten minutes, Ning Xingpeng finally arrived. It also heralds the performance of this big show.

On the way here, Ning Xingpeng still had some fluke in his heart, hoping that the Han brothers in Lu Hongguang’s mouth would never be George Han. Although he knew that this possibility was almost non-existent, if he didn’t think so. He will be very desperate.

But despair will be late, never less.

When Ning Xingpeng saw George Han, his heart seemed to be hollowed out.

“Dad, you finally came, Lu Hongguang’s guest hit me. He actually asked me to be responsible, you must help me get revenge.” Ning Yu said.

Ning Xingpeng glanced at George Han tremblingly, took a deep breath, hit Ning Yu’s face with a fist, and yelled: “Asshole thing, are you going to ruin my Ning family?”

Ning Yu never dreamed that after Ning Xingpeng arrived, he would punch him first, as if he had done something wrong.

Not only Ning Yu was puzzled, others were also very puzzled.

Ning Xingpeng is famous for protecting his calf in Rong City. There are many people planted in Ning Yu’s hands, and whether right or wrong, Ning Xingpeng

will keep Ning Yu. In the worst case, Ning Yu even offended him. Ning Xingpeng spends a lot of money to get things done, but this time Ning Xingpeng's attitude is completely different.

Chapter 223

In the eyes of others, this was an immortal fight. After all, the conflict originated from the two giants in Chengdu. The Lu family is not easy to provoke, and the Ning family is also not easy to provoke.

Ning Xingpeng gave Ning Yu a punch. It was probably just a trick. After reproaching Ning Yu, he accused Lu Hongguang with a higher attitude.

This trick of pre-emptive control over others has made others admire, and there are only people like Ning Xingpeng. Did you think of this way?

But when they found that Ning Xingpeng was walking towards George Han, instead of Lu Hongguang, they murmured.

Could it be that he intends to teach this young man first, and then blame Lu Hongguang?

“Ning Xingpeng deserves to be a man who has played a lot with scheming methods. I really can't figure out his thoughts.”

“If you can figure out his thoughts, will he still be in his current position?”

“It is not unreasonable for Ning Xingpeng to develop the Ning family to such a degree. Look at it, I also want to see what his tricks are. I can't say that Lu Hongguang has to apologize to him today.”

While everyone was guessing, Ning Xingpeng had already walked in front of George Han, but his performance was not as responsible as others thought, but bent over and bowed his head.

“Young Master Han, this matter is my son's fault. I will apologize to you on his behalf.” Ning Xingpeng said.

This move instantly exploded the venue!

Ning Xingpeng did not blame the young man, but instead apologized to him. How is this going!

One of the people present was counted as one, rubbing his eyes, thinking that what was in front of him was an illusion, but no matter how soft it was, it couldn't change the fact that happened.

Ning Xingpeng indeed apologized. And also bowed his head!

“This...what is this situation?”

“Ning Xingpeng apologizes! I've never heard of this before. He won't be convulsed!”

“You guys, haven't you seen that Ning Xingpeng is very afraid of this young man?”

“Who is he, who can be Lu Hongguang's guest of honor, and can make Ning Xingpeng afraid, does Rongshi have such a ruthless character?”

Countless amazing whispers sounded in the crowd. In addition to the incredible, they were even more curious about George Han's identity.

The two giants seemed to be inferior to him, and this status was no longer what they could imagine.

“Yesterday your son asked me to kneel down and apologize. I don't care about him because of your face. I didn't expect him to come to me for trouble today. You don't know how to educate people. Do you want me to teach you?” George Han asked lightly.

Ning Xingpeng's scalp was numb, did this beast provoke George Han yesterday? Since he had already been given a chance, why did he want to hit the gun?

"Young Master Han, I can't help discipline. Please give me a chance and I will definitely let him change his past." Ning Xingpeng said.

Ning Yu was already stunned by the side. He had never seen Ning Xingpeng so low his breath. How could this young man, He De, be able to make his father apologize?

"Dad, what are you doing? Why do you want to apologize to him? Should we still be afraid of him based on our Ning family's strength?" Ning Yu walked to Ning Xingpeng and said unconvinced.

In Chengdu, the Ning family's status is extraordinary and there are no people who can't afford it. Since childhood, Ning Yu's arrogant arrogance has never been halfway down. During school, he had the courage to rush into the principal's office and beat the principal. Afterwards, it was safe and sound, but the principal retired early. All this proved the strength of the Ning family and made Ning Yu more and more aware that he could not put anyone in his eyes. A rich second generation from outside is not just an ant. ?

Hearing Ning Yu's words, Ning Xingpeng's lungs almost exploded. He was thinking of a solution to this matter. But Ning Yu made the situation worse.

The young man in front of him, with the strength of Rong City, is not necessarily his opponent.

"Nizi, what are you talking nonsense, quickly apologize to Young Master Han." Ning Xingpeng gritted his teeth.

"No, it's impossible. I can't apologize for this rubbish, Dad, when did you start to be afraid of offending Lu Hongguang?" Ning Yu said disdainfully. Up to now, he

still thinks it is because of Lu Hongguang, so he let it Ning Xingpeng has such a performance.

But in his opinion, what is there to be afraid of Lu Hongguang? And when did Ning Xingpeng start to be afraid of Lu Hongguang?

In anger, Ning Xingpeng slapped Ning Yu's face and grabbed Ning Yu's hair. Angrily said: "Kneel down and apologize to Young Master Han."

At this moment, Ning Xingpeng's state of mind was like walking on thin ice, and under the thin ice was an abyss. Once he fell down, the entire Ning family would be forever.

Ning Yu didn't understand Ning Xingpeng's feelings, and he didn't even know what Ning Xingpeng was afraid of. How could he kneel down casually as someone who wanted face?

Rather than obey, this is Ning Yu's attitude!

"Dad. I don't know how nervous you are today, but it is absolutely impossible for me to kneel to this waste!" Ning Yu said coldly.

waste?

Ning Xingpeng smiled angrily. What qualifications does Ning Yu have to scold George Han? In his eyes, everyone present is rubbish!

boom!

Ning Xingpeng knelt on both knees. Tremblingly said to George Han: "Young Master Han, it is my fault. It is because I am too pampered that he will be despised. Please give me a chance to discipline him."

The audience was silent. The whispers stopped abruptly, because everyone's eyes widened and looked at Ning Xingpeng who was kneeling in disbelief.

Just asking Ning Yu to apologize, they could barely accept it, but Ning Xingpeng personally knelt down, which was beyond their understanding.

Who can make Ning Xingpeng kneel?

Even with Bao Jingzhong and Chen Kaihua, Ning Xingpeng is qualified to sit on an equal footing in front of them.

Does this also mean that even Bao Jingzhong and Chen Kaihua must give this young man face?

Whether these two people give face, the answer will soon be solved. Because Bao Jingzhong and Chen Kaihua also rushed to the venue.

They never attended this kind of business gathering based on their identity sensitivity, but today there was a big event and the two had to come.

When George Han saw Bao Jingzhong and Chen Kaihua, his brows were obviously dissatisfied, and he looked at Lu Hongguang.

The appearance of these two people was obviously notified by Lu Hongguang, he was not reconciled if he didn't poke a hole in the sky!

Lu Hongguang felt George Han's sight. He dared not look directly with his head down.

The bigger the trouble gets, the whole city of Chengdu will know that Ning Xingpeng has offended a powerful person, and the businessmen belonging to Ning Xingpeng's system will be more decisive to sever the relationship with the Ning family, and avoid harming Yuchi.

This is Lu Hongguang's purpose. He wants to take this opportunity to slam the Ning family under his feet, even if it will cause George Han's dissatisfaction, he must give it a try.

“Young Master Han.”

“Young Master Han.”

When Bao Jingzhong and Chen Kaihua approached George Han, they shouted respectfully.

The people in the venue are numb. Lost the ability to think in their minds, and no longer bothered to guess George Han's identity, because they knew that with their own situation, it was impossible to guess who George Han was.

Ning Yu finally realized that something was wrong at this time, and the attitudes of Bao Jingzhong and Chen Kaihua towards him. It's like being a servant.

Looking at Ning Xingpeng who was kneeling on the ground, Ning Yu was desperate for an instant. Although he was arrogant enough, he was not a fool, even Bao Jingzhong and Chen Kaihua dared not neglect. It is enough to show the amazing ability of this young man.

“Ning Xingpeng, you are so courageous, even Young Master Han dared to offend him.” Bao Jingzhong asked Ning Xingpeng.

“It seems that your Ning family doesn't want to be in Chengdu anymore. In that case, you can find a way to stop.” Chen Kaihua said coldly.

The desperate expression on Ning Xingpeng's face was bitter. He had always condoned Ning Yu because he believed that in Rong City, no matter what kind of trouble Ning Yu caused, he would be able to solve it, and Ning Yu was His only child is the only kind of fire in the Ning family, so he dotes, shelters, and protects.

But God has eyes. How could Ning Yu have done so many things that hurt the world and reason?

The iron plate he got this time was enough to make the Ning family undone!

“Young Master Han, the Ning family is planted in your hands, and I, Ning Xingpeng, have no complaints.” Ning Xingpeng said with a gloomy expression, as if he was several decades old in an instant.

Chapter 224

Ning Xingpeng's words of resignation once again set off stormy waves in the crowd, and he did not even show the desire to resist. This shows that there is a big gap between him and this young master Han, which made him feel this powerlessness.

No wonder, what opportunity does Ning Xingpeng have to resist the big people who can make Bao Jingzhong and Chen Kaihua appear at the same time?

At this time, Ning Yu suddenly ran away. He sensed that his rich second generation's life would be drastically changed because of this incident. It was Qiu Wei that caused all these consequences. If it weren't for Qiu Wei, he wouldn't offend George Han yesterday. If it weren't for Qiu Wei, he would not come forward today because of this unrelated matter.

Walking to Qiu Wei's side, Ning Yu grabbed Qiu Wei's hair: "The dead bachelor, it's you. You killed Laozi. I want you to bury me."

Qiu Wei had been scared a long time ago, and when Ning Xingpeng apologized, she felt that something was wrong. It was not until Ning Xingpeng knelt down to apologize, and after Bao Jingzhong and Chen Kaihua appeared, she completely recognized the situation.

This driver is not a driver at all, he is even better than Ning Yu!

Lu Hongguang treated him as a distinguished guest, and Ning Xingpeng knelt down to him. Even Bao Jingzhong and Chen Kaihua had to respectfully call Young Master Han, and she actually tried to make such a big man apologize to her. What a joke is this?

"Ning Yu, you let me go." Qiu Wei said to Ning Yu. She can only kneel down and apologize to George Han now, begging for forgiveness.

“Let go of you?” Ning Yu said with a grimace, “Death. You made me so miserable. You let me let you go and bury you with me.”

Ning Yu kicked Qiu Qi on his body, grabbed his hair, and kept knocking Qiu Qi’s head on the ground, like a demon.

George Han’s expression was indifferent, Qiu Qi’s fate was self-seeking, and it was not worthy of sympathy. Even if she was a woman, George Han couldn’t arouse George Han’s pity and pity.

Walking to Lu Hongguang, George Han said lightly: “Take me as a gunman?”

Lu Hongguang lowered his head tremblingly and said: “Young Master Han, I...”

Before he finished speaking, George Han punched Lu Hongguang’s head.

This scene stunned those people again.

Isn’t he Lu Hongguang’s VIP guest? And Lu Hongguang has been helping him from the beginning to the end of this matter. Why do you want to fight Lu Hongguang now?

Are these big shots all moody?

“What did Lu Hongguang do? How could he get beaten?”

“He is a cleverness and was discovered by Young Master Han.”

“Little clever? What little clever.”

“Can you still see it? Lu Hongguang is using this incident to trample Ning Xingpeng to death. This is using Young Master Han.”

As soon as these remarks came out, everyone suddenly realized that Lu Hongguang and Ning Xingpeng had fought for so many years regardless of victory or defeat. This time the Ning family provoke a big man like George Han. It was reasonable for Lu Hongguang to take the opportunity to attack, but it was a pity that George Han saw through this trick.

“Young Master Han, I’m sorry, I was also forced to helplessly.” Lu Hongguang said.

“Helpless?” George Han smiled coldly and said condescendingly: “Your helplessness is to use me as a tool. In this scene, I am your pawn, but are you qualified to treat me as a pawn? “

Facing George Han’s questioning, Lu Hongguang shook his head constantly, falling to the floor with cold sweat.

“Young Master Han, please give me a chance. As long as I can sit in the position of the leading brother, I am willing to act as a horse for you.” Lu Hongguang was unwilling to subdue to others, so he had to fight Ning Xingpeng. Live and die, but now, he has no right to choose. If he doesn’t act for others, the Lu Family’s fate will probably be the same as the Ning Family’s.

“Use me, what kind of price you have to pay, think about it for yourself, don’t give me a satisfactory answer, there will be no more Luning families in Chengdu.” George Han finished speaking and walked outside the venue.

“Young Master Han walks slowly.”

“Young Master Han walks slowly.”

“Young Master Han walks slowly.”

People belonging to Lu Hongguang's system. All of them bowed their heads and watched George Han leave. As for the words he left, there were no Lu Ning families. They knew that this was definitely not a joke.

The Ning family must be destroyed. Whether the Lu family can keep it depends on whether Lu Hongguang will be a human being.

Once Lu Ning's two families are completely destroyed, then this big cake in Rong City will cause a frenzy. Those who witnessed the scene and seized the opportunity are all ready to move. They even hope that Lu Hongguang will be confused once, so that they have a chance to be Divide a piece on this cake.

"Brother, you are too prestigious, I choose to mix with you. It is really the wisest decision in my life." When he walked to the door of the hotel, Qingyun was so excited that he couldn't help himself.

George Han had never thought about Dongrong City, but now that he is riding a tiger, he is also forced to help.

The Ning family will go bankrupt within a month without him deliberately, because once this incident spreads out, those Ning family's connections will definitely revert. When the situation in Chengdu is out of balance, who doesn't want to drink blood on the Ning family Eating meat?

As for Lu Hongguang. He could become the first person in Chengdu's business community in this opportunity, but he had to see if he could give George Han a satisfactory answer.

"This is not what I want." George Han said.

"Brother, you're so good at pretending, Lu Hongguang treats you like a bull, don't you want it?" Qing Yun said with a narrowed mouth.

George Han was too lazy to explain to Qingyun. And even if it was said, Qing Yun certainly couldn't understand it.

The reason why Rongshi caused such a situation was not because of him, but the relationships used by the Han family, which meant that the situation got worse. The more he owed Mary.

I wanted to distinguish it from the Han family, but after this incident, it was inextricably disconnected.

More importantly, Mary must be happy to see this situation.

Mary was happy, and George Han was naturally not happy.

"It's a pity." Qing Yun said with a sigh on his face suddenly.

"What a pity?" George Han asked puzzledly.

"You didn't act fiercely. You have to ask the Ning family to kneel in front of you to apologize. You have to ask the woman Qiu Wei to kneel and lick. It is best to shock Bao Jingzhong and Chen Kaihua and let those people take a look. How good are you?" Qing Yun said.

"This is your life pursuit?" George Han said with disdain. In George Han's opinion, seeking pleasure in such a small person does not have any meaning. Only by stepping on a big person can the real pleasure be.

"Yeah, isn't that enough? These are Lu Hongguang and Ning Xingpeng." Qing Yun said with a natural look.

George Han smiled, Qing Yun himself shouldn't put these two people in his eyes, just deliberately act like this in front of him.

The fox's tail was hidden deep, but George Han believed that there would be some day of exposure.

Shortly after leaving the hotel, George Han received a call from He Ting. After saying a lot of thanks, it was probably Jiang Yingying who had already told her about the school.

“Auntie He, it's just a small matter. You don't have to thank me all the time. By the way, how is your family recently? I may have to delay two days before I can go back.” George Han asked. After Amelia Su became chairman, I didn't know the Su family. How was the company's situation? Originally, he planned to go back after solving Jiang Yingying's affairs, but now it seems. Have to waste some time.

“Amelia has been very busy recently. I go to the company early every morning, and sometimes I don't go home until midnight.” He Ting said.

Just after taking over the company, the Chengxi project was stopped again, for Amelia Su. There must be a lot of trouble, and it's reasonable to be busy.

“You have to work harder during this time, and make some soup for her to raise her body.” George Han exhorted.

“No hard work, no hard work, this is what I should do.” He Ting said hurriedly. She was originally working as a servant at home, and what she did was what she was doing. How could she say that she was fortunate enough, and because George Han helped so much, she hadn't had a chance to appreciate George Han well.

“All right, I'll hang up first, Jiang Yingying, you can rest assured that there will be no problems in the future.” George Han said.

“Well, I'm sure to rest assured, thank you.” After He Ting hung up the phone, she sighed that she knew everything about Rong City very clearly, so she was very

puzzled why George Han, such a powerful person, came to the door. Where's the son-in-law?

Although Amelia Su is beautiful, she wouldn't let him swallow so much, right?

Chapter 225

In the eyes of outsiders, George Han's behavior is difficult to understand, but only he knows that all of this is worthwhile, or how to say it is like a person knows himself when he drinks water.

George Han and Amelia Su's feelings towards each other can only be felt by them. How can they know what kind of feeling it was if they were not in the game and were not in the game.

After hanging up the phone, Qingyun asked curiously: "Brother. Is my sister-in-law beautiful?"

George Han looked at Qingyun coldly and said: "Anything can make you tease, except her."

Qing Yun nodded his head repeatedly, but his eyes showed a strange look.

George Han's expression became severe in an instant, Qingyun's unknown origin and unclear purpose, let him know the importance of Amelia Su, this guy is likely to be against Amelia Su.

"If anyone dares to touch her hair, I will make him worse than death." George Han said.

Qingyun concealed his expression strangely, these words seemed to be beating him. But Qingyun asked himself that he didn't show any flaws in front of George Han, maybe he just wanted to express the importance of Amelia Su.

"Big brother, the man's country is used to give to women. I have heard a saying, even if the mountains and rivers are falling apart, no one is allowed to bully his own woman. Are you such a domineering person?" Qingyun laughed Said.

“Me?” George Han thought for a while, then shook his head, and said, “It has nothing to do with me. She has to be good.”

Qingyun raised her eyebrows and said, “Big Brother, my admiration for you is like surging...”

“I don’t need a flatterer, if you are of no use to me. I will not support you in vain. Let’s talk about what you have.” George Han asked.

Qingyun touched her nose, and said with an embarrassed expression: “Big Brother, is it a skill to cheat and deceive?”

“As long as you can deceive people, it’s a skill, but your great skill seems useless to me.” George Han sneered.

Qingyun took a deep breath and said: “Don’t worry, brother, I will follow you to learn more, it will be of great use in the future, you must not abandon me, otherwise I will live on the street, I will not have enough to eat or wear warmth, you Bear it?”

Qingyun’s flattery made George Han get goosebumps.

The next day, when George Han was in the hotel, Lu Hongguang came to the door. After a whole night of thinking, Lu Hongguang didn’t know what to do to make George Han forgive, but in order to preserve his future. He was willing to do everything, so he could only come to find George Han to decide.

“Young Master Han, I, Lu Hongguang, can satisfy you for whatever you want. I just ask you to let me go and let me gain a foothold in Chengdu. From now on, I can satisfy you any requirements you have. You are the boss behind the scenes. , I am willing to be your pawn.” Lu Hongguang said to George Han.

“So, are you willing to be a pawn?” George Han asked.

“Yes, I am willing.” Lu Hongguang said firmly.

Whether Lu Hongguang will be of great use in the future, George Han is still unsure, but one thing is clear at present. Lu Hongguang’s identity in Rong City is enough to become George Han’s chess piece. This kind of person is not useful when he Reserve, once needed, can reflect value.

“Okay, I’ll give you a chance.” George Han said.

Lu Hongguang was full of excitement, and nodded and said, “Thank you Han Gongzi, thank you Han Gongzi.”

“And me, just call me Young Master, you’re welcome.” Qing Yun said with a complacent expression.

Lu Hongguang didn’t know Qingyun’s identity, but since this guy can follow George Han next to him. It deserves his respect.

“Thank you Young Master Qing.” Lu Hongguang said.

Hearing these words, Qingyun seemed to have opened up the two channels of Ren and Du, and his whole body was extremely happy.

“It’s okay, nothing else, you go first, don’t disturb my big brother.” Qingyun said with a wave of hands.

Without George Han’s order, how could Lu Hongguang dare to leave, watching George Han standing still, he didn’t leave until George Han nodded.

“Qingyun, can you call the shots for me now?” George Han asked Qingyun after Lu Hongguang had left.

Seeing the smile on George Han's face, it was obvious that the knife was hidden, Qingyun said quickly: "Big brother, I don't mean it. I just think you can't open this golden mouth casually. This kind of little thing, I'm a little brother. , Naturally I have to do it for you."

Qingyun's mouth, fight with Han Jun, don't know what kind of treatment he is in Qincheng now, it is estimated that Guan Yong will be severely ravaged.

Thinking of Guan Yong, George Han had to find a time to go to Hillwood City to find a way to get Guan Yong out of Qincheng. This guy used to be a ruthless character. Going with the gopher to the center of the earth prison is the best choice.

After the turmoil in Chengdu calmed down, George Han took Qingyun back to Basin City, Lamborghini went into the repair shop again, and it was estimated that he would have to bid farewell to George Han for some time. However, George Han has little demand for cars, so this matter has no effect on him.

After returning to Basin City and arranging a place for Qingyun, George Han went to the magic city.

At present, he has exhausted all the contacts in his hand to contact the geocentric prison, but so far there is no news. Although Mo Yang knew the possibility of the center of the earth prison was very small, George Han had no choice but to try.

Mo Yang had almost secured his position as the first person in the gray area of Cloud City. After all, Lin Yong and Dao Twelve were helping, so who else could be his opponent in Cloud City.

"The prison in the center of the earth?" After hearing what George Han said, Mo Yang frowned. He had never heard of the existence of such a place. It was so mysterious that no one in the world knew where it was. Mo Yang felt unreal. . Said: "Three thousand, are you sure this place is real?"

George Han nodded firmly. Using the gopher's understanding of the world's major prisons, he could say it, then this shows that this geocentric prison is real.

“OK, otherwise, he wouldn't want to go.” George Han said.

Mo Yang smiled helplessly, and said: “Your friend is really weird. He doesn't do anything good, but he prefers to go to prison and squat. How did this special hobby come about?”

George Han shook his head, he also felt incredible, how can there be people in this world who like to go to jail, and also like to go to major prisons to complete the pioneering move.

Perhaps in the world of gophers, jailbreaking is the most satisfying thing and the most eager challenge for him.

“I don't understand either. It's like I don't understand why your boss rubs my cigarette every time. It's the same reason.” George Han said with a smile.

Mo Yang just put George Han's cigarettes into his pocket. He didn't feel embarrassed when he heard this. He said with an open air: “You have too much oil and water on a rich person like you. You have a chance to not scrape. , Tianzhudi is gone.”

George Han waved his hand helplessly and asked, “Where's the twelve sword? How is the situation in the boxing field recently?”

“This guy has the ability. He has trained a group of boxers. Now the business of the boxing ring is getting better and better. I have already notified him and he should come soon.” Mo Yang said.

In less than twenty minutes, the Twelve Swordsman walked up to a few people like a moving mountain. Just this size could scare people to death.

“Twelve. Have you heard of the center of the earth prison?” Mo Yang asked Sword Twelve casually.

Hearing these words, Dao Twelve visibly shook his body.

George Han frowned. Judging from the response of Dao Twelve, he seemed to know this place!

“Twelve, you know?” George Han asked impatiently.

Dao Twelve took a deep breath and asked the two of them: “How do you know this place, why do you ask?”

George Han can be sure that Dao Twelve really knows the center of the earth prison. He didn't expect him to inquire for so long, and the real answer is by his side.

“I have a friend who wants to go to the center of the earth prison. He enjoys breaking out, so he wants to try.” George Han concealed Han Tianyang's affairs because it was so important, even Mo Yang. I don't dare to trust.

“I advise your friend to give up this idea, the center of the earth prison, you can only get in and can't get out. It is called the infinite hell. No one can live out of it.” Dao Twelve said in a deep voice.

Chapter 226

Hearing what Dao Twelve said, it seems that he not only knows the center of the earth prison, but also quite understand it. This is very good news for George Han. After all, Han Tianyang may be locked there, since the gopher said After this incident, George Han thought about it day and night, but it was a pity that he did not know the situation in the center of the earth prison. So there is no next step.

And now, the twelve swords brought him hope!

“Twelve, since you know, is there any way to contact the people in the Earth Center Prison?” George Han asked urgently.

“Brother George, are you sure you want to send your friend in? I can tell you 100% that he has no chance to come out.” Dao Twelve said.

“I’m sure.” It’s about Han Tianyang, how could George Han hesitate?

Dao Twelve sighed and said, “I have been in contact with people in the Earth Center Prison. But I am not sure if I can be contacted.”

The words of the Twelve Swords flashed Mo Yang’s eyes. He thought that the Twelve Swords were just a fighter who could fight, but he was able to reach the mysterious place like the Center of the Earth Prison. The identity of is not as simple as it seems.

“Try your best, this matter is very important to me.” George Han said.

Dao nodded and left after twelve, and did not mention too much about the situation in the center of the earth prison.

Mo Yang walked to George Han’s side. Shen Sheng asked: “Would you like to investigate Dao Twelve, it seems that his identity is not as simple as we thought.”

George Han shook his head decisively and said, “No doubt, no doubt about employing people.”

Mo Yang squatted his mouth, and said, “Sure enough, you still have the courage. Are you not afraid that he is wrong with you?”

George Han smiled and explained: “No matter who he was before, but now, he wants more stability, and I can give him, why does he have to betray me?”

“You fellow, don’t you want to threaten him with Tang Qingwan?” Mo Yang said.

George Han looked at Mo Yang helplessly, and said: “What kind of shit luck you have taken before, you can actually become the boss of Basin City, a person like Dao Twelve, if you threaten his daughter, do I think I have a long life?”

“No way, Lao Tzu is lucky, what can you do with me?” Mo Yang jumped and said. In front of George Han, he has no image of a big brother.

George Han waved his hand and said, “I have to go to Hillwood City. Don’t interfere with the twelve swords matter.”

The thunderous Mo Yang suddenly calmed down, and said with a smile: “Go to Hillwood City or go back to Hillwood City?”

The meanings of the two words go and return are completely different. George Han knew that Mo Yang was an insinuation of something in his words, and after a glance, he left the magic capital.

George Han, who hadn’t had time to go home to have a look, went to the airport again. Now that there is news of the geocentric prison, he must prepare in advance. After all, it is not easy to fish out Guan Yong.

Qincheng Dafang, since George Han left, Guan Yong has regained his position as the boss. Han Jun has been disabled, but Qincheng did not give special care, and was still locked up with Guan Yong.

Now Han Jun's life is even more sad, lying on the bed like a doll. Let Guan Yong and others play insults.

“Guan Yong, someone came to see you.” The guard shouted when he walked to the big room.

“Boss, for so many years, no one has ever visited the prison, why would anyone look at you?”

“Big brother, it's not your little lover who was outside that vented his conscience.”

“Brother, you have to bring us some scent. It's been a long time since I smelled a woman.”

Guan Yong himself was confused. He severed his relationship with his relatives very early, and his family was in his hometown in the mountains. He didn't know about his imprisonment, so he stepped back and said. Even if he knew it, it would be impossible to see him from a thousand miles away.

“You bastards, if a woman really comes to see me, I will ask her to give me clothes and bring them back for you to smell them slowly.”

Walking out of the big room and coming to the visiting room, when Guan Yong saw the visitor, he was extremely surprised.

This... how does this person look exactly like Han Jun.

“Guan Yong.” George Han said with a smile.

Listen to this familiar voice. Guan Yong's eyelids jumped, sitting tremblingly in front of George Han.

"Man, who are you?" Guan Yong asked cautiously.

"Don't pretend to be confused, who am I. From your brain, can't you guess it?" George Han smiled.

Guan Yong did notice that something was wrong before, but he didn't dare to say anything, for fear of being killed. But he never expected that George Han would actually come to see him.

"Boss, what are you looking for me?" Guan Yong asked.

"Do you want to go out?" George Han said in a low voice.

Get out!

Guan Yong had planned to die in Qin City for a long time, and he would never have the opportunity to see the world outside the high wall in his life. He had never thought of this extravagant hope, because once aroused desire, it would be difficult to control it. Maybe you will go crazy because of this change of mentality.

Guan Yong has seen a lot of this situation. Those who are unwilling and want to leave Qincheng, who have not become nagging.

But now that George Han appeared, Guan Yong knew that he was definitely not joking!

"Why are you helping me?" Guan Yong asked.

"Of course you have use value. I need you to do something for me." George Han said.

“Okay.” Guan Yong replied: “Don’t say one thing. Even if it’s ten, one hundred will be fine, as long as I can get out of here.”

Guan Yong’s promise was expected, unless he wanted to die in Qincheng, but as long as he was a normal person, he would not choose this way.

“Wait, I will let you walk out of Qin City openly.” George Han said with a smile.

Guan Yong’s chest was up and down with excitement. He had never thought of having a chance to leave Qincheng, and it happened so suddenly. Excited him hard to calm down.

When he returned to the big room, the people inside couldn’t wait to ask Guan Yong who came to see him, whether he was a woman, and if he was beautiful. Is your figure good?

“Go away, don’t bother me.” Guan Yong waved his hand and those who asked questions stopped.

Stand up and walk to Han Jun’s bed.

Han Jun shook his head. She said to Guan Yong with tears, “Brother Yong, please, please don’t hit me again.”

Guan Yong said: “Don’t worry, from today, no one will beat you. For his sake, you can have a stable day.”

Han Jun was taken aback, for his sake, who was he?

Could it be that Mary came to see him? Give Guan Yong benefits, so Guan Yong is willing to let him go?

This thought made Han Jun very happy. Mary was willing to help him, indicating that he had not been given up yet. After he was released from prison, he could still get back what belonged to the Han family.

“Thank you Brother Yong, thank you Brother Yong.” Han Jun said gratefully.

At this time, George Han, who had walked out of Qin City, stood by the side of the road for a long time.

A black Mercedes-Benz nanny car parked less than five meters away from him, the door opened wide, obviously waiting for someone.

After hesitating for a long time, George Han walked towards the nanny car.

After getting in the car, he was not surprised by the people he saw.

“I just came back, you received the news, it seems that the Han family has a lot of eyeliner in Hillwood City.” George Han said lightly.

Mary is still that graceful and luxurious. By her age, she can still maintain her outstanding temperament and appearance. This is not only natural beauty, but a lot of money. In the face of time, no matter what His beauty can't stand the toss, only money can make youth flow more slowly.

“I knew it when you boarded the plane in Basin City.” Mary said.

“I still care about me. It seems that the situation in Hillwood City is not as severe as I imagined.” George Han said.

Mary shook her head, and said, “The Han family's heavy damage has made many people feel like they are secretly moved, but they still dare not attack the Han family. After all, your master is there.”

“My master’s contribution to the Han family is really great.” George Han said with a smile.

“Can I ask you what you are doing back to Hillwood City?” Mary asked.

“No.” George Han replied firmly.

“Can I go home for a meal? I will make you your favorite braised lion head.” Mary said without giving up.

“Isn’t this unique to Han Jun? When does it matter to me?” George Han finished speaking coldly and got out of the car.

Mary covered her face sadly, tears falling, but she didn’t blame George Han, this was retribution, it was the retribution of the Han family for neglecting him.

Chapter 227

Guan Yong has been in jail for a long time, and the turmoil that year has subsided long ago. It is not difficult for George Han to use his personal connections to get him out, just to pay some money.

However, compared with Han Tianyang, money is worthless. Even if it is to disperse his wealth, George Han will not hesitate to know the news of Han Tianyang.

Three days later, the gopher found George Han. As a fugitive, he seemed to be able to go anywhere, this ability still admired George Han.

“I checked Guan Yong. He used to be a tough guy, but now I don’t know what happened. Do you think he is reliable?” said the gopher.

“Unreliable.” George Han said.

The gopher nodded and said, “Then I know what to do. I will pick him up in the afternoon and prepare a gift for him so that he can shut up.”

George Han did not comment. Guan Yong is just using tools, and George Han doesn’t care what he will end up with.

In the evening, at the side entrance of Qin City, Guan Yong finally walked beyond the high wall, taking a few deep breaths, which made him feel comfortable. After seeing George Han, he hurried to George Han’s side.

“Brother, thank you. If it weren’t for you, I would never see the outside world in my life.” Guan Yong said gratefully.

George Han nodded indifferently, and the gopher handed Guan Yong a bottle of water and said, “Try the water outside, haven’t tried it for a long time.”

“Yes. It’s been a long time, so long I have forgotten the time.” After Guan Yong took the water, he took a few sips, but after he had his stomach, he found something was wrong. The water had no peculiar smell, but after drinking it, his throat reached his stomach. It’s hot and painful.

“Big...Big brother, what is this!” Guan Yong asked, looking at George Han with an expression of pain.

The gopher smiled and put on Guan Yong’s shoulders, and said, “Don’t worry, you can’t die, it will make you dumb at best.”

“I’ll leave it to you. Bring back to Basin City. People from the Earth Center Prison may come at any time.” George Han ordered the gopher and drove away.

Hillwood City is a place full of painful memories for George Han. Even just breathing the air here can remind him of his tragic childhood. So after rescuing Guan Yong, George Han returned to Basin City on the same day. .

The mountainside villas at night seem exceptionally quiet, like a paradise in the bustling city.

arrive home. After George Han took a bath, he crept into the room.

Amelia Su had already fallen asleep, in a big font, a very standard wild posture, and George Han was no stranger to it.

Perhaps after hearing the movement, Amelia Su opened her dim eyes. After seeing George Han, he subconsciously made room for George Han, but after turning over, the snoring sound rang.

George Han smiled helplessly, Amelia Su’s sleep quality is very good, even if it is a thunderstorm, she can still not be affected by the slightest, which is quite enviable.

Early the next morning, George Han accompanied Amelia Su on a run. After reaching the top of the mountain, George Han said to Amelia Su, "Is this time very tired?"

"En." Amelia Su nodded and said: "The company has to deal with a lot of things, and it has to win more cooperation. The loss of the Chengxi project will be a huge blow to the company, but you can't blame you. Classmate, the Su family asked for it."

George Han touched his nose. In the future, if Amelia Su knew that the weak water real estate was actually his, he didn't know how Amelia Su would react.

"You have strong business capabilities. The company is in your hands, and it will definitely develop better." George Han said.

Amelia Su stretched out, outlined a beautiful body curve, and sighed and said: "I don't know if there can be better development, but it shouldn't be a problem to get through this time of difficulty."

After that, Amelia Su turned her head to look at George Han and asked, "What about you, besides helping Jiang Yingying when going to Chengdu, there are other things, right?"

"So far, it's going well, but it's unknown whether it can be done or not." George Han said with emotion, although the sword twelve has a way. But whether they can be contacted or not is still uncertain, and even if they are contacted, it is still unknown whether they can send away the Hamster and Guan Yong.

"You have a strong ability, and these little things can definitely be done." Amelia Su smiled and returned what George Han had just said.

George Han walked to Amelia Su, pulled up her soft boneless hand, and asked, "Seeing all the flowers blooming, what do you want most?"

Amelia Su understood what George Han meant. This is to ask her about her future plans, but Amelia Su hasn't thought about it for the time being about pension matters.

"Let's talk about it first," Amelia Su said.

George Han's throat squirmed visibly. After hesitating for a long time, he asked: "What brand of lipstick did you... last time. It's delicious. Or, I'll buy you some home again?"

Amelia Su heard these words, her cheeks instantly turned red, and she threw away George Han's hand. Staring at him, he said, "Fat, I won't eat it for you anymore."

Seeing Amelia Su rushing down the mountain, George Han did not rush to catch up, licked his lips, and sighed to himself: "When will I fill my stomach?"

When he got home, George Han was surprised to find that Amelia Su had gone to work overtime without having breakfast. Does he need to be so anxious on Sunday? This was deliberately avoiding him, and he regretted what he said just now, but it had already happened. There is no chance to regret it.

Today, George Han intends to go to Dao Twelve's house, and ask him something. Since it is Sunday, Tang Qingwan must be at home too, so he has to buy some gifts for the little girl.

George Han didn't know what the girl liked. He thought about it and called Tian Linger.

Tian Linger has been like a walking corpse recently, and has no energy at all, because she hasn't seen George Han for too long. It's like losing my soul.

When the phone rang and saw George Han's caller ID, Tian Linger was instantly full of air like a deflated balloon.

“George Han, you are finally willing to contact me.” Tian Linger said excitedly.

“What gift does the little girl like?” George Han asked directly.

“What do you mean, who do you want to give gifts to, is it mine?” Tian Linger asked.

“Of course not yours, a friend’s daughter, about ten years old, give me a suggestion.” George Han said.

Tian Linger heaved a sigh of relief when she heard that she was only ten years old. She thought she had another enemy.

“Little girl, of course I like dolls, preferably a whole set of Barbie dolls. When I was young, my biggest dream was to collect all the Barbies.” Tian Linger said.

This kind of rich lady’s idea. I don’t know if it can be used on Tang Qingwan. After all, the births of Tang Qingwan and Tian Linger are very different, but George Han has no other ideas and can only follow this suggestion.

“If you can make the little girl happy, thank you later,” George Han said.

“You want to invite me...” The words were not finished yet. George Han has hung up the phone, making Miss Tianjia want to kill someone, but thinking about George Han, she has to thank her, Tian Linger feels much better.

After buying the present, George Han went to Dao Twelve’s house.

Today Sunday, Dao Twelve accompanied Tang Qingwan at home. When Tang Qingwan learned that the Barbie doll in George Han’s hand was a gift for her, the little girl flushed with joy. It seems Tian Linger’s suggestion It is indeed useful.

“Qingwan, go back to the room and play.” Dao Twelve said, touching Tang Qingwan’s head.

“Well, thank you Uncle Han.” Tang Qingwan finished speaking and returned to the room excitedly.

George Han smiled bitterly, and said, “I’ll be an uncle now. Time flies so fast.”

“Brother George, do you have anything to do with me?” Dao Twelve asked, not going to the Three Treasures Hall, he knew that George Han could not come to see him for no reason.

“I have two people who need to be sent to the Center of the Earth Prison. What status should I give them?” George Han asked. This is his concern. He was worried that the Center of the Earth Prison would investigate the mole and Guan Yong, and these two people His identity is not heinous, nor does it look like he is qualified to go to the center of the earth prison.

“Brother George, the center of the earth prison is a business, they never control the identity of the person who goes there, as long as the money is enough.” Dao Twelve said.

Chapter 228

Regardless of identity?

This made George Han very surprised. Could it be that the boss of the Geocentric Prison was not afraid of malicious troubles?

In this world, there should be many people who are curious about the secrets of the geocentric prison. If they are not scrutinized strictly, they will surely be mixed into some spies.

Mystery is probably the biggest capital of the Earth Center Prison, once it is lost. The geocentric prison has lost its greatest advantage. How could the boss not worry about this.

“Brother George, I know what you are thinking, but have you forgotten that I said that there is no return to the geocentric prison?” Dao Twelve said with a wry smile. In this world, I don’t know how many people want to do it. Clearly heart the secrets of the prison, those who succeeded in the future. It is of no use other than sending money to death. No matter who it is, no matter who you use, as long as you go, don’t think of coming out again.

“Can he guarantee this one hundred percent?” George Han asked with a frown.

“En.” Knife Twelve nodded heavily and said: “100%, there has never been an accident.”

George Han took a deep breath. What kind of patience is necessary to achieve this level? It seems that the boss behind the prison in the center of the earth is a ruthless character.

“How much is it for a person?” George Han asked.

“One hundred million, U.S. dollars.”

“This...” George Han looked at Dao Twelve in surprise. Although he didn’t care about money, the amount of money in front of him still surprised him.

“It is said that the boss of the center of the earth prison is rich in the enemy’s country, but no one knows who he is.” Dao Twelve said.

“For so many years, how many people have been in the center of the earth?” George Han asked curiously. The number of people represents income. This way of getting money is not only fast, but also unheard of.

“Thousands of people, in addition to the real felons, there are more people who want to know the secrets of the geocentric prison. They don’t hesitate to pay for it, but it’s a pity that this is a destined loss-making business.” Dao Twelve said.

“Okay, I see. You can find a way to contact as soon as possible, even if you lose money, you still have to do it.” George Han said.

Dao Twelve didn’t ask the reason, he knew he was not qualified to intervene in these things, but he could imagine that this matter was very important to George Han, and it was not just a challenge to escape from prison.

After leaving Dao Twelve’s home, George Han rang before he even got into the car. Tian Linger, who was not convinced, called.

After being hung up, the depressed Tian Linger felt more aggrieved the more she thought about it, and no one had ever dared to hang up her phone without finishing her conversation.

“George Han, you will hang up my phone for no reason in the future, I will never finish with you.” Tian Linger threatened.

“Okay.” After speaking, George Han hung up again.

Tian Linger on the other end of the phone listened to the beeping busy tone, her face was astonished. Less than ten seconds later, Miss Tianjia went crazy and her face was pale with anger. When she called again, she was already on a busy route. .

“Who is angry about our Linger? Do you want Grandpa to avenge you?” Thomas Tian smiled and walked to Tian Linger and asked.

“Grandpa. Give me your phone.” Tian Linger stretched out his hand and said.

“What do you want me to do with this elderly machine? I can’t play anything with my mobile phone.” Thomas Tian wondered.

“Don’t worry, give it to me.” Tian Linger said.

Thomas Tian took out the phone and handed it to Tian Linger.

Tian Linger skillfully pressed George Han’s number, and this string of numbers had already been memorized by heart.

pass!

The phone went through!

When Linger hung up that day and used her cell phone to call, she was on a busy route again.

“Ah!” Tian Linger screamed, and roared: “He actually blocked me, he dare to block me!”

The prosperity of the sky is unclear. So, what kind of human tragedy has happened, I asked: “Who is so courageous, dare to block you.”

“Grandpa, you want to avenge me.” Tian Linger said.

Thomas Tian patted his chest. He vowed to say: “Okay, grandpa helps you get revenge, who is it.”

“George Han.”

George Han!

Hearing this name, Thomas Tian’s momentum instantly wilted by more than half, and he looked at Tian Linger with embarrassment.

“Grandpa, you won’t regret it?” Tian Linger asked.

“Linger, George Han is my master. I want to take revenge on him. I am a disciple, isn’t it a rebellious thing?” Thomas Tian said, he is now willing to be his disciple. And even if there was no such relationship, he wouldn’t dare to seek revenge from George Han. This guy’s true identity was much better than the Heavenly Family.

“Grandpa.” Tian Linger cried out.

Thomas Tian looked helpless. George Han is the first person to cry Tian Linger, but he can’t help anything in this matter, and he knows very well that Tian Linger is angry with George Han, so she treats George Han. How could Qian’s feelings be really angry.

“Okay, okay. Linger, don’t you really blame George Han, why are you angry?” Thomas Tian said.

Tian Linger wiped the tears from the corners of her eyes and said stubbornly:
“Who said I didn’t really blame him, I hate him to death.”

Thomas Tian smiled and said, “Really? If George Han appeared, would you beat him or scold him?”

“Kill him. Scold him to death.” Tian Linger deliberately said with a vicious look.

“Who is going to kill me?”

Suddenly a voice came from behind, and Tian Linger stood on the spot as if struck by lightning.

This voice...!

Tian Linger turned his head, then with a look of horror, screamed and ran back to his room.

She couldn’t let George Han see her embarrassed appearance.

“Master, you are here.” Thomas Tian smiled and walked to George Han’s side.

“Your apprentice is not small, let the teacher come to you personally.” George Han said.

Thomas Tian explained again and again: “Isn’t this something important? There is a Go game waiting for you. Shangguan black and white called for you to attend, so Wang Mao has already signed up for you.”

George Han frowned. He won’t leave Basin City recently, because people from the Earth Center Prison may appear at any time. How could he delay such an important thing for a game.

“Don’t go.” George Han refused decisively.

The expression on Thomas Tian’s face did not change. It seemed that George Han would have expected that George Han would say that, and said: “Master, if you don’t go. I’m afraid you will be ashamed. This time Shangguan Black and White has bet on his reputation. Promote your game against Ouyang Xiujie, and be a turtle, it’s not your style.”

“Then be a turtle.” George Han said.

Thomas Tian was originally confident that George Han would participate, but when he heard these words, he immediately calmed down and said, “Master, you can’t do it. You are playing for Basin City. I don’t know how many eyes you have. Staring at you, and I heard that there are people in the Go world deliberately making trouble, belittling you, and saying a lot of bad things.”

“What about it? If you can’t say it, don’t go.” George Han said strongly.

Thomas Tian’s expression changed drastically. George Han’s attitude completely exceeded his expectations. If he did not appear, the name George Han would become a joke in the entire Go world.

“Master, you are considering, not in a hurry to decide.” Thomas Tian said.

“Have you not felt my attitude? I cannot go to this game.” George Han said coldly.

Thomas Tian looked embarrassed. He still wanted to watch George Han slaughter the Quartet in the game. If he didn’t play, the joke would be big.

“Master, are you really not going? Are you afraid that those people will deliberately discredit you and make George Han a joke in the Go world?” Thomas Tian said.

“A joke? In the eyes of most people in Basin City, isn’t it just a joke? When did I care.” George Han said comfortably.

This sentence gave Thomas Tian a stunned. Yes, he carried such a big name in Basin City and was looked down upon by everyone and treated him as a trash son-in-law. But when did he mind and when did he clarify this matter?

The infamy in the mere go world is not like a tickle to him!

“Anything else?” George Han asked.

“No, no more.” Thomas Tian smiled bitterly. If Wang Mao knew about this, this old guy should be desperate. If George Han does not play, the Basin City Go Association must be pointed out by all means, and his president, old face There is nowhere to put it.

Chapter 229

When Tian Linger put on makeup and returned to the living room with beautiful clothes, George Han had already left, and the princess of the heavenly family cried again.

Seeing this situation, Thomas Tian had no choice but to sigh.

Sometimes Thomas Tian also thought about persuading Tian Linger, because after guessing the true identity of George Han, Thomas Tian thought it was impossible between Tian Linger and George Han, and he endured the humiliation for Amelia Su. No one can destroy this relationship.

But he also knew that Tian Linger's stubborn temper would never turn her head back without smashing her head and bleeding. Thomas Tian could only comfort herself and regard Tian Linger's injury this time as her growth.

After all, when a person grows up, everything goes smoothly, and Tian Linger has to learn a lesson and increase his memory.

Let Tian Linger cry alone, Thomas Tian did not bother, but left home, George Han did not participate in the game. He had to inform Wang Mao so that Wang Mao could prepare himself early, and he didn't know whether this old guy could withstand such a blow.

Coming to the Go Association, there are many members here today. Although they did not participate in the competition, if George Han can win the championship, the Go Association of Cloud City will definitely be a blockbuster, and they will be able to share some honors.

“My God, have you contacted George Han?”

“We can't wait for this match. Just wait for you to bring us good news.”

“Shangguan Black and White deliberately exaggerated the hatred value of this game. Now many people are looking forward to his match with Ouyang Xiujie. As long as we win, our Cloud City Go Association will have a bright face.”

Looking at the expectant expressions of the members of the association, Thomas Tian couldn't bear to tell them the truth. It was too cruel, but it was impossible to hide what George Han did not participate in.

Wang Mao walked up to Thomas Tian with a smile on his face and asked, “How about old man?”

“Not very good, he said, he will not participate, and his attitude is very firm.” Thomas Tian said helplessly.

“Why... how could this happen!” Wang Mao looked at Thomas Tian in shock, this was not the result he wanted.

“I have tried it, but it didn't work. I'm afraid no one can change his mind.” Thomas Tian said.

“How can he not participate.”

“Yes, the face of our association is all on him, and what he wants to escape is not embarrassing us.”

“This George Han, he doesn't even give us the face, isn't he just the slapstick of the Su family? It was his turn to refuse?”

“My god, I think George Han didn't put you in his eyes, he didn't even listen to what you said.”

“Yes. Why didn't he participate? He provoked the anger of Shangguan Black and White, so he should solve this matter.”

When the members of the association heard Thomas Tian's words, all of them had angry expressions on their faces. They couldn't accept George Han not participating in the competition. The face had already been thrown out as a bet. If you don't get it back, how embarrassing?

Listening to these people's accusations against George Han, Thomas Tian's expression gradually became full of coldness. Although he didn't understand why George Han didn't participate, George Han was his master after all, and it was up to these guys to curse.

"You have decided to sign up. Will George Han be responsible now?" Thomas Tian said coldly.

Perceiving that Thomas Tian seemed to be helping George Han speak, the members of the association became a little calmer in their anger.

"My God, although we signed up, why should he refuse? With his status, is he qualified to refuse?" someone said.

In his position?

George Han's status can easily crush the people present, these people count as eggs? Actually didn't put George Han in his eyes.

"If you have any opinions on him, please trouble him, but don't blame me for not reminding you that there is no regret in this world, before you make any decision. You have to think about the consequences." Thomas Tian said.

"Master Tian, what you meant by what you said was to stand on George Han's side. You have all come forward, and who of us would dare to trouble him." Someone said grotesquely, obviously insinuating Tian's prosperity.

Thomas Tian smiled faintly and said: “Don’t worry, I will never interfere in this matter. Whatever you want to make, feel free.”

“My god, you said this, you are such a big person, you can speak well.”

“The Su family has now lost the cooperation in the Chengxi project. At the dying moment, I let my son step on it casually. The Su family company will go bankrupt.”

“This little thing, my son can do it, but only if the Lord is not joking.”

Seeing these people who were going to die, Thomas Tian did not sympathize at all, and said, “Of course I’m not kidding.”

At this time, Wang Mao came out to make ends meet, because how to fall out with George Han, this matter completely has no chance to deal with.

“Calm down, the game has not yet started, I still have a chance to persuade him.” Wang Mao said.

“Chairman Wang. Why is it so troublesome? If he dares not listen to us, he can just find a way to deal with him.”

“Yes, we are also people with status and status in Basin City. If we can’t even deal with a son-in-law, it won’t be a joke.”

Everyone laughed, looking very sure.

Wang Mao looked at Thomas Tian, he didn’t know what the old thing was thinking, and in front of so many people he said that he didn’t care about this matter. Isn’t this hurting George Han?

Even if the Su family company is destroyed, if George Han does not participate in the competition, all this is empty talk.

“God, you help me ask George Han, I want to meet him.” Wang Mao said to Thomas Tian.

Thomas Tian shook his head and said: “Old man, don’t think about this. No one can change the thing he decides. And this thing is indeed because you didn’t think about it well, and you gave it to him without his consent. After signing up, I still look like I’m going to raise my teacher and ask for a crime. I don’t agree to it when I am replaced. It’s ugly. What does the honor and disgrace of the Go Association have to do with him? You old guys are not caused by him. “

Wang Mao’s face was bitter, he really didn’t want to be thoughtful. But the reason is that these members instigated them. They said that such trivial things do not require George Han’s consent. They said that people like George Han can give them some benefits. Who would think that even if it’s Thomas Tian Did George Han not accept it?

“but.....”

“Don’t worry, you still think about how to apologize to him. After all, you offended him first and signed up in his name without consent. This is the advice given to you by an old man for many years.” Thomas Tian said.

The members of the association heard this sentence. Disdain appeared on their faces, and they even felt that the sky was prosperous and old, so they were afraid of being afraid of the Su Family. It seemed that the decline of the Tian Family would happen sooner or later.

But Wang Mao is different. He knows Thomas Tian’s character very well. This old man is indeed old now, but his hot temper has never changed. Otherwise, he

wouldn't have set up a boxing gym by himself. So these words are very important in Wang Mao's ears.

"This..." Wang Mao looked at Thomas Tian suspiciously.

Thomas Tian shook his head and smiled: "An unspeakable secret."

Regarding George Han's identity, Thomas Tian did not dare to reveal the slightest bit. George Han had tolerated three years without revealing a little bit. If the news leaked from him, I am afraid that the Tian family would be ruined.

Wang Mao's expression became more serious, and he didn't even dare to say that the situation was not small.

"Chairman Wang, I have something to do, let's go now."

"Yes, I have something too, you guys are busy."

"I'm leaving too, and there is soup at home."

A group of members went completely clean, and there was no one left. Thomas Tian knew that they were going to trouble George Han.

"God, is there nothing to reveal?" Wang Mao asked.

"Hey." Thomas Tian sighed, then stopped talking, and finally said: "For the sake of our long-standing knowledge, just say one sentence. There is only one sentence that can't be more. After I said it, don't ask. "

"Fine, long-winded, I know." Wang Mao waved his hand impatiently.

"Tianjia, count as a ball." Thomas Tian said.

Hearing these words, Wang Mao looked at Thomas Tian with straight eyes, and was shocked beyond words!

This sentence is not difficult to understand. Tianjia is a ball in front of him!

Chapter 230

Su's company.

In the office of the chairman, Amelia Su is struggling with the recent cooperation. To revive the company, new cooperation must be re-established. However, this matter is not simple for Amelia Su. The project directly cut off all previous cooperation. As the saying goes, good horses don't turn their heads back, but this is the situation now. Amelia Su had to contact those people again.

It is easy to lose cooperation, but to pick it up again is not easy.

At this time, Amelia Su's assistant walked into the office and said in a panic: "Chairman, something has happened."

"What is so flustered?" Amelia Su asked.

"Several company bosses' fathers want to see you. It seems that the visitors are not kind." said the assistant.

The father of the company boss?

Amelia Su was confused by this sentence. These people should be the role of regardless of company affairs and enjoying their old age. Why did you come to her suddenly?

Just as Amelia Su wanted to ask who it was, a noisy voice came from outside the office. A group of people pushed and yelled. Even the security guards couldn't stop it and rushed into the office.

Among these people, there are familiar faces, and some face-to-face, but they are all not small figures in Basin City, which makes Amelia Su a little puzzled, such a group of people suddenly gathered together. And why did you come to see her?

“Chairman, I’m sorry, we can’t help it.” The security guard said to Amelia Su tremblingly. It was his negligence to let these people in. If Amelia Su were to blame, he might lose his job.

Amelia Su waved her hand and said, “It’s okay, you can go out first.”

Hearing this, the security sighed with relief. Fortunately, the current chairman is Amelia Su. If he changed to Harry Su, he would have been scolded a long time ago.

After closing the office door, Amelia Su asked everyone: “Elders, I don’t know why you came to me aggressively?”

The cooperation that Amelia Su recently discussed has nothing to do with these people, so their appearance is really weird.

“Amelia Su, your company is now at a critical juncture. If you offend us, you can bankrupt the Su family with a single word.”

“Some rubbish relies on the Su family’s relationship, even we don’t pay attention to it, and don’t teach him a lesson. It really treats us old guys as sick cats.”

“Your Su family has no self-knowledge at all. You have offended the weak water property, and now you dare to offend us, knowing nothing about life and death.”

Listening to these questions, Amelia Su frowned. The Su family offended them?

Amelia Su certainly did not do this kind of thing, so she thought of Harry Su the first time, except for him, no one would trouble the company.

“If Harry Su offends you, I can tell you clearly that Harry Su has nothing to do with Su’s company.” Amelia Su said.

“Harry Su is nothing, he doesn’t even have the qualifications to see us now.”

“I’ll tell you clearly. It was George Han who provoke us. I advise you to make him think clearly. If you offend us, your company will suffer too.”

“You don’t want to ruin the future of Su’s company because of a waste.”

Several people sneered, seeming to eat Amelia Su to death.

However, Amelia Su was skeptical about how George Han offended them.

She knows who George Han is, how could she offend these people all at once?

“George Han is my husband. If he really offends a few people, I can make amends for him, but I want to know how he offended you.” Amelia Su asked.

“Go back and ask the trash yourself.”

“Tell him, tomorrow we need to know the answer. Otherwise, don’t blame us for being rude to Su’s company.”

“Although we old bones don’t care about our company’s affairs, I believe you should be very clear about the weight of our words.”

After the few people left arrogantly, Amelia Su sighed. This group of people represented an energy that could not be ignored. They united against the Su Family Company, which was not good news.

But if these people bully George Han, even if they fight the entire Su family, Amelia Su will never compromise.

George Han wouldn't let her be wronged, how could she let George Han be wronged?

After returning home from get off work, Amelia Su took off her high heels. This was the most comfortable time of the day. Only when she changed into home clothes did she feel that she was alive.

Lying on the sofa. George Han walked to the side, kneaded Amelia Su's shoulders, and asked, "So tired, let's take a day off."

Amelia Su shook her head and said: "Let's talk about it after the company gets over the crisis. Let's make up the honeymoon and wedding dress."

Amelia Su had mentioned the matter of making up the wedding dress a long time ago, but there were too many things during this period, so it has not been implemented for a long time, and George Han thought she had forgotten it. Unexpectedly, Amelia Su still remembered it in her heart.

"By the way, a few old guys came to me today, saying that you offended them. Tomorrow they need to know the answer, or they will deal with the company. What's the situation?" Amelia Su said to George Han.

When George Han heard this, a sharp look flashed between his eyebrows, these old things actually embarrassed Amelia Su?

"They didn't do anything to you, right?" George Han asked.

"No, but it depends on their attitude. Very strong, for what." After Amelia Su finished speaking, she took George Han's hand and motioned George Han to sit next to her.

After George Han sat down, he said to Amelia Su: “These old things are members of the Cloud City Go Association. There was a game. They signed up for me without my consent. threaten me.”

“Go?” Amelia Su looked at George Han in surprise. Does he even know Go?

George Han looked serious and asked: “Don’t I look like a master?”

Amelia Su chuckled and said, “You must be better than them by pretending to be, but the Go Association asks you to participate in the competition. This is too unreasonable. Is it possible to expect you to win the championship?”

“This looks down on people, anyway, I have also studied for a few years.” George Han said dubiously.

Amelia Su didn’t believe in how good George Han was. These old people probably knew that they couldn’t win, so they pushed George Han out of shame. Presumably because they thought that since George Han was already a well-known wimp in Basin City, it didn’t matter if he did something humiliating.

“Don’t worry, I won’t let you lose face. It doesn’t matter if they target Su’s company, I can handle it.” Amelia Su said.

George Han had no desire to express himself in front of others, but he cared very much about Amelia Su’s approval. Now Amelia Su made it clear that he didn’t believe in his strength, how could this work.

“Do you know that Shangguan is black and white?” George Han asked.

Amelia Su nodded. Said: “Of course I know. Although I don’t know much about the field of Go, Grandpa used to like to play chess. Shangguan Black and White is his idol, very powerful.”

“If I say. Even Shangguan Black and White is not my opponent?” George Han smiled.

Amelia Su patted George Han on the forehead and reminded: “From now on bragging to be realistic. If you are so outrageous, who can believe it, I suspect you don’t even know the status of Shangguan Black and White in the Go world.”

George Han touched his nose. status?

The status of Shangguan Black and White is indeed quite high, but what about it?

If he wants to fight for this fame and fortune, what is Shangguan black and white?

“I was not interested in participating in this competition originally, but you look down on me so much, I want to prove it to you.” George Han said.

Amelia Su looked at George Han helplessly, when did this guy fall in love with bragging.

“I have a friend who also likes Go. Or I will introduce you to him another day. He is also a master. If you can beat him, I will believe in you.” Amelia Su said.

“Is he free now?” George Han asked impatiently.

“Don’t worry about finding abusers, wait for me to arrange, but if you reveal your stuff, I will laugh at you very ruthlessly. Don’t blame me for not giving you face at that time.” Amelia Su reminded.

“What if I win?” George Han asked with a smile.

Amelia Su thought for a while, and said with a slightly red face: “Let you taste the lipstick again.”
