Novel Married at First Sight Chapter 1890

Due to her blindness, Camryn was more envied than Serenity.

Callum was the second young master of York family, and he was also very good in all aspects. He didn't know how many expensive wives have kept his eyes on him and wanted him to be his son-in-law. However, he was different, and he actually liked Camryn.

Mr. Queen and Mrs. Queen felt that Kevin would become someone else's son-in-law sooner or later, and had nothing to do with their Queen family. Their attitude towards Kevin remained unchanged on the surface, but in fact they lost a little enthusiasm for intimacy.

Kevin noticed it and didn't care.

He disappoints them first, then welcomes hope and surprise. He dared to say that the Queen family would never have imagined that the wife grandma would choose for him would be Hayden.

"Kevin, which daughter did your grandma choose for you?" Mrs. Queen asked curiously, "You said you escaped from the elders' urging marriage and hid in Jensburg, is it your grandma's choice for you? Don't you like her? "

Kevin: "I didn't know about her before, so I can't say I don't like her, but I can't say I like her either. In short, it's just very awkward, so I can only hide."

Mrs. Queen smiled and said, "That's right, a stranger, let you treat her as a stranger."

Kevin: "It's better to be Uncle and Auntie, Mr. Queen is only one year younger than me, and none of you urged Mr. Queen like the elders in my family."

Kevin changed the topic to Hayden body.

Mrs. Queen smiled again, looked at her daughter who was eating calmly and gracefully, and said, "We are worried, but Hayden is too busy with work and has no time to fall in love. He doesn't care if other people like her, and he doesn't have anyone he likes, so it's useless for us to urge the marriage."

Kevin: "I heard that the girls who admire Mr. Queen can form a long queue, but Mr. Queen doesn't like any of them? Mr. Queen's vision is really high." Kevin sighed. I told Mr. Queen last time that Mr. Queen has met all the daughters in Jensburg, and he didn't like any of them. It means Mr. Queen's marriage is not in Jensburg. There are many good girls in Wiltspoon. I can help Mr. Queen lead the red line. Perhaps Mr. Queen's

marriage is in Wiltspoon. Our Wiltspoon is a land of outstanding people, with many young talents and famous ladies.”

Hayden: “...”

The words that were said have long since been thrown into the sky.

Kevin remembered it firmly.

Was it possible that he really want to give her a red thread?

If the daughters of famous families in Wiltspoon were all good, it would not be her turn, Hayden, who would have been robbed long ago, not to mention other families, even Kevin had several brothers.

Mr. Queen said: “Wiltspoon is a bit far away from our Jensburg, Hayden rarely goes to Wiltspoon, even if Kevin you lead Hayden’s red line, the two of you are attractive, it is also a long-distance relationship, I am afraid it will be difficult to have results.”

Kevin didn’t know that Hayden was a woman, and the couple were afraid that Kevin would really introduce a daughter of a famous family in Wiltspoon.

So Mr. Queen quickly fould an excuse to say that the distance was too far, long-distance relationship, it was difficult to have results.

“We still want to find a good girl for Hayden in Jensburg, but thank you, Kevin.” Mrs. Queen also echoed her husband’s words.

They made it clear that they didn’t like the “daughter-in-law” to be a foreigner.
