

## Read Novel Married At First Sight Chapter 1961

**Married at First Sight Chapter 1961**-Mrs. Farrell: "Mom didn't say that you caused Shiloh to fall, but you are so close to Shiloh, look When your sister falls, you don't know how to come and help her."

It's no secret that Mrs. Farrell preferred to adopt a daughter in Jensburg.

As soon as she spoke, everyone slandered in their hearts that this Mrs. Farrell was simply confused and confused.

When the adopted daughter fell, Mrs. Farrell blamed her own daughter for not helping her.

Couldn't Shiloh get up by herself?

Did she not get along well with Kathryn?

"That's right, Shiloh fell in such a mess, Kathryn, you just stand there and watch, you don't have any sisterhood, and you don't know how to help Shiloh, and you are very happy to see Shiloh lost face and messed up, right?" The person who said this was Young Mistress Farrell.

Obviously it wasn't Kathryn's fault, she also wanted Shiloh to blame Kathryn.

Kathryn opened her mouth, wanting to say something, but in the end she didn't say anything, but lowered her head, looking very aggrieved.

It was infuriating to watch.

Everyone felt that the members of the Farrell family were confused.

Shiloh's biological father caused Kathryn, a real rich lady, to become the housekeeper's daughter from birth, and was taken to the countryside to be brought up by her parents.

Shiloh snatched away everything that belonged to Kathryn. It was not easy for God to open his eyes and let Kathryn's true identity be corrected. Who knew that Farrell's family still doted on Shiloh as before, and treated Kathryn like a superficial show.

Even Kathryn's own mother treated Kathryn like this.

It had been a year since Kathryn returned to the Farrell family, and she went out with Mrs. Farrell countless times to socialize. Everyone saw that Mrs. Farrell was dissatisfied with Kathryn, and she had never smiled at Kathryn in front of others.

Although Kathryn was also working in the Farrell family's business now, it seemed that she had been given a lot of power, but it was all superficial.

Who didn't know that Kathryn grew up in the countryside without much knowledge and skills, and she came by air in the Farrell Group, so it's no wonder she won the hearts of the people?

The three sons of Farrell's family, that is, Kathryn's three older brothers, always dig traps for Kathryn, whether in the company or in business, and hinder Kathryn's way to the top.

Not to mention that Shiloh who was unwilling to lose everything.

"Eldest young mistress Farrell, you are pouring dirty water on Ms. Kathryn, which eye of yours is happy to see Ms. Kathryn? It took a moment for Ms. Shiloh to fall, and we haven't reacted yet. When we realized it, you had already rushed out.

You reacted so quickly, it is said that you really Ms. Shiloh's best sister-in-law. I can jump out, is it because you have calculated that Ms. Shiloh will fall?"

Hayden gave up helping her younger brother and Kathryn, but she still admired Kathryn very much, and she couldn't see Kathryn being wronged like this. She didn't meddle in other people's business, so she just refuted Young Mistress Farrell on Kathryn's behalf.

Eldest Young Mistress Farrell would pour dirty water on Kathryn, and Hayden would also accuse Eldest Young Mistress Farrell.

"Young Master Queen, you..."

"Okay!"

Mrs. Farrell shouted in a low voice.

Eldest Young Mistress Farrell didn't dare to speak anymore.

Mrs. Farrell first asked Shiloh with concern: "Shiloh, are you alright?"
