**Married at First Sight Chapter 1964**-The mother and daughter returned to the hotel.

Then, Shiloh covered her eyes again, because as soon as she returned to the hotel, she saw Kathryn dancing with Hayden.

Not only Shiloh's anger blinded her eyes; all the women who admired Hayden wished to cut Kathryn into pieces with their gaze.

Then everyone looked at Kevin.

Kevin was standing there with a glass of wine, drinking the wine while watching Hayden dance with Kathryn, not only did he not show jealousy, but a faint smile on the contrary.

Everyone was disappointed with this strongest rival in love.

They wanted to go up and grab Young Master Queen with Kathryn.

They also wanted to dance with Young Master Queen.

Kathryn felt that others wanted to stare at her, so she said softly to Hayden: "Young Master Queen, you invited me to dance with you, and made me their common enemy."

Hayden chuckled, "Ms. Kathryn, are you afraid?"

Kathryn's beautiful eyes twinkled, and Hayden looked at each other for a moment, she smiled: "Young Master Queen, I am really interested in you, and I am happy to join the group that pursues you."

Hayden: "Miss Kathryn, I also admire you very much but unfortunately, I can't give you hope, you should find someone else."

Kathryn looked at Hayden with appreciation, not to the point of obsession.

Hayden didn't want Kathryn to get deeper and deeper.

Kathryn really smiled and said: "Young Master Queen, do you rarely have someone you like? Since you rarely have someone you like, then I can only be beautiful as an adult."

Kathryn appreciated Hayden, but also understood that Hayden would not be able to become the Farrell family's door-to-door son-in-law.

After she returned to the Farrell family, she checked the family tree of the Farrell family and found that the sons-in-law recruited by the heads of the Farrell family in the past

were all incompetent and capable men. They could give up everything for the head of the Farrell family.

Since Hayden couldn't give her hope, she shouldn't fall into it.

Hayden smiled, "Ms. Kathryn, you're so good, you will definitely find a good man who really loves you."

Kathryn: "Young Master Queen, I hope I am able to accept your kind words. But you danced with me tonight, and I'm afraid it will get me in a lot of trouble."

After Hayden glanced at Kevin, she said, "After tomorrow, the targeted individual will still be Mr. York. Moreover, if there is trouble, do you afraid?"

Kathryn smiled.

She knew that Hayden had seen through her.

"Mr. York has been staring at us. It seems that he really likes you, Young Master Queen. I think he can't take his eyes off him." Kathryn also felt that Kevin was staring at her.

It's just that she wasn't sure.

Kevin was looking at Hayden and Kathryn. The more he watched, the more Shiloh looked like his sister-in-law's sister Liberty.
