

Read Novel Married At First Sight Chapter 1981

Married at First Sight Chapter 1981-The security captain guessed this would be the result.

“Okay.”

Hayden’s car, escorted by the bodyguard car, drove into the Queen Enterprise.

Kevin was sitting in his own car, watching Hayden’s convoy enter, with a smile on the corner of his mouth, he said to himself: “This ostentation is comparable to that of big brother.”

Normally, Hayden sat in a Maybach, but she has now switched to a Rolls-Royce, which rivals his big brother.

Changing the car, probably because he was driving a Maybach.

After Hayden’s motorcade entered, the company’s door was closed again.

The security captain walked back to Kevin’s car window, and said apologetically to Kevin: “Mr. York, Mr. Queen said that we have no time to entertain you. Please go back and don’t come again.”

Finally, the security captain added: “Mr. York, Mr. Queen is always a serious man, he will not accept your pursuit.”

There were many girls who admired Mr. Queen, and many people stalked Mr. Queen But it was the first time that Mr. Queen was stalked by a man.

Kevin said: “I just like Mr. Queen. I am very patient. No matter what Mr. Queen thinks of me or treats me, I will stick to it.”

He started the car.

Of course not leaving.

Instead, park the car on the side of the company’s entrance, so that it will not block other people’s access. Then, he called Hayden.

Hayden didn’t answer his call.

He sent another message to Hayden.

“Hayden, I want to go in. I brought you a loving breakfast. Let’s have breakfast together. If you don’t let me in, don’t regret it later.”

Hayden received his message and stared at it for a while, In the end, she chose to reply to him.

“Kevin, it’s my begging, please let me go, don’t come to me again, I won’t like you, I don’t like homos*xuality!”

Kevin replied to her again: “Are you sure you are really man? You dare not let me test it, which shows that you are guilty. You are not a man, but a woman. You are dressed as a man. If my guess is right, you have been dressed as a man since you were a child. After a few years, everyone got used to your manhood. But, the real one can’t be fake, the fake one can’t be real, you are not a real man, no matter how much you look like, no one can tell you are a woman. You are still a woman.”

Hayden’s handsome face was gloomy when she saw this messages.

Kevin was right at all.

She disguised herself as a man since she was a child. Everyone was used to her as a man, and no one ever suspected that she was a woman.

As Kevin said, no matter how much she looked like, she was a woman, she was still a woman, and this fact couldn’t be changed.

Where on earth did he know she was a woman?

The number of intersections between the two was obviously not much.

Hayden didn’t reply to Kevin again, walked out of the elevator with a gloomy face, and returned to her office.

Hayden didn’t care about Kevin’s threatening “you’ll regret it” message.

She regretted it, regretted it a long time ago.

Regret getting acquainted with Kevin, regret helping Kevin introduce the house for a while, regret going out with Kevin, and in the end, he screwed himself to death.

Twenty minutes later.

In the conference room, Hayden was having a meeting with a group of senior managers when she suddenly heard Kevin’s shouts from outside.
