

Read Novel Married At First Sight Chapter 1927

Married at First Sight Chapter 1927-In order to cure him, his father found a girl 10 younger than him everywhere, arranged for him to go on a blind date with those girls, and let him pursue that girl to see which girl he reacted to.

The girl 10 years younger than him was only 24 years old this year, so young.

Julian, like Duncan, was an older diamond boss in the upper class of Wiltspoon, and Duncan was a year or two older than him.

It was the master trusted by Grandma May who told his father that the one who could turn him into a real man was a girl ten years younger than him, but he didn't say the girl's name and appearance.

Julian didn't believe it at all.

Was there really such a powerful master?

Julian stretched out his hand to pull Remy, and Remy followed him passively.

Elisa: "..."

Didn't the two men come to pick her up?

They left her behind.

Moreover, two big men walked together holding hands, one of them was holding a bouquet of flowers, the scene was so strange that everyone's eyes were on the two of them.

Elisa couldn't help laughing. She planned to check it out from time to time in the future, and have fun.

"Mr. Bucham." Remy stopped and broke free from Julian's hand. He was also a person who knew how to punch and kick. Although he was the worst among his brothers, his strength was still stronger than ordinary people. Just now he tried to shake off Mr. Bucham's hand several times, but couldn't.

This made Remy taste the disparity in strength.

"What's wrong?" Julian also stopped and asked Remy.

Remy smiled wryly: "Let me go by myself, I don't want to be regarded as woman."

Julian blinked, how did he become woman?

Seeing Elisa walking behind the two of them, Julian suddenly smiled and said, "I'm sorry, I forgot Ms. Stone."

"Don't touch Elisa."

Remy was afraid Julian would pull Elisa, So he said something quickly, and then he quickly returned to Elisa's side, dragging the suitcase with one hand, and took Elisa's hand with the other, holding it tightly.

He was afraid that if he let go, Elisa would be snatched away by Julian.

Remy could tell that Julian didn't want to pursue Elisa as he said. Julian looked at Elisa very calmly, without any emotion, But what he did could really be said to be pursue.

Julian waited for the two to approach, and then walked side by side with them.

Elisa asked Julian amusedly: "Mr. Bucham, what kind of medicine do you sell in your gourd?"

"I don't sell medicine." Julian looked at Elisa and said with a smile, "Ms. Stone, do you think I'm chasing you?"

Elisa: "I'm not the person Mr. Bucham predetermined."

The two of them had nothing to do with each other, but it wasn't the first time they met.

If she was the person Mr. Bucham ordained, Mr. Bucham would not wait until now to act.

"Mr. Bucham, can you explain it clearly, so as not to frighten Remy, Remy's heart is not strong enough, and he will be scared to death by you."

Julian joked: "Mr. Johnson, how could his heart be so fragile, even if the sky falls, he won't be scared to death."
