Married at First Sight Chapter 1933-Remy felt that the atmosphere in the room was different, and knew that when he sent Julian out, the mother and daughter had another fight.

He pretended not to know, walked back to Elisa, and said to Audrey, "Auntie, Mr. Bucham has gone back."

After Audrey pursed her lips, she finally replied, "I see, but did you ask him what he meant?"

"Mr. Bucham didn't tell the truth." Remy replied honestly, "Mr. Bucham told us to keep it a secret, and don't let Patriarch Bucham know, lest Patriarch Bucham come to propose marriage."

Audrey said: "You are honest, you can say whatever he said, and you are not afraid of Patriarch Bucham coming to propose marriage. Did I agree?"

"Mom." Elisa immediately stated, "I only love Remy. I and Remy are in love with each other, even if Patriarch Bucham comes to propose marriage, I will not agree."

Audrey: "..."

Elisa took out her mobile phone and called her father, and after her father answered the phone, she said: "Dad, where are you and when will you come back? When you come back, you will buy my mother a bouquet of flowers, a set of jewelry, and a new bag. Make it fun."

"Elisa." Audrey said with a smile: "Mom doesn't envy you. Husband, don't worry about what your daughter says. Just return home if you have nothing to do, and you don't need to buy anything."

It's not a wedding anniversary. Only on Audrey's birthday or wedding anniversary, Darrell would be romantic and gave her bouquets and jewelry.

"Old couples have to be romantic, Dad, my mother is so well maintained, she looks like my sister, if you don't know how to be romantic, be careful of the little old men outside who are going around my mother."

Audrey: "...The more you talk, the more presumptuous you are. Hurry up and get out. Remy, drag your girlfriend out. The two of you are going out to eat, and you haven't cooked at home yet."

Audrey guessed When Remy went to pick up her daughter, she thought that the two of them would not see each other for a few days. When they met, they would definitely go to the hotel to have a meal and talk about love, and they would come back very late.

As a result, the two went home directly from the airport.

Knowing that it was the reason for Julian's sudden appearance.

"Mom is going to drive me out." Elisa ended the call with her father, complaining, but she stood up, pulled Remy up by the way, and said to her mother and sister-in-law: "Mom, sister-in-law, we're both hungry, let's go out and have something to eat first."

Saying that, Elisa dragged Remy away quickly.

Alice watched this scene with a smile.

Coming out of the house, Elisa said to Remy: "Remy, don't worry about Mr. Bucham, he's just for fun, I won't like him, and he won't like me either, don't worry."

Remy held her hand tightly, and said in a low voice, "Whether he is sincere or not, Elisa, I will never let go."

She said, If he didn't leave, she wouldn't.

He heard it all.

The same occurred for him; even if she wanted to give up on him, he had to work hard to win her back. If she didn't give up on him, he wouldn't leave her.

"You don't have to pay attention to what my mother said. My mother actually appreciates you very much. She just can't turn around for a while."

Elisa pulled Remy to his car, and spoke for her mother, worried that because of her mother's opposition for so long, Remy would feel resentful towards her.
