

## When His Eyes Opened Read Novel Chapter 3073

**Novel Chapter 3073** -On the other side of the phone, Hayden fell silent.

Joanna also lowered her head.

Seeing this, Hazel immediately said to Hayden: "Brother, since your company's troubles are about to be resolved, why don't you come out and travel with Sister Joanna to relax! Sister Joanna doesn't really want to break up with you. When your company is in trouble, she can't help you, she feel very guilty. In fact, I can understand Miss Joanna's mentality. She loves you."

Hayden: "Give her the phone."

Hazel immediately handed the phone to Joanna.

After hesitating for a while, Joanna took the phone.

Hazel was afraid of disturbing their conversation on the phone, so she said to Joanna, "I'm going to the bathroom."

After Hazel left, Joanna took a deep breath and said to the phone, "Hayden, I'm sorry."

"Why didn't you tell me the truth? Why did you tell her when my sister went to find you?" Hayden was very puzzled.

Joanna: "Because Hazel has suffered before, it may be easier for her to empathize with me."

Hayden: "Then what if my sister doesn't look for you? You will never tell us what is on your mind."

Joanna pursed her lips, not knowing how to answer.

Hayden: "Who told you that my company is in trouble? Harry?"

"No." At this point, Joanna didn't dare to lie anymore, "It's a person named Tessa Sutton. She is prettier than me, has a good figure, and her family is rich."

Hayden: "So you broke up with me because you want me to marry her?"

Joanna: "Not really. I think that woman is a bit fierce."

She definitely didn't want Hayden to find a fierce wife.

What about Liam and Gia?

Although Avery and Elliot loved them, it's not good to have a fierce stepmother.

Hayden: "Are you aware of what you did wrong now?"

Joanna thought for a while, and replied: "Half of the consciousness feels that I have hurt your feelings, and half of the consciousness still thinks that I am not good enough."

Hayden: "Then how do you decide now?"

Joanna: "Why don't you let me talk to Hazel again?"

Hayden hung up the phone.

Outrageous.

Joanna was willing to talk to Hazel, but she didn't want to talk to Hayden.

When Hazel came back from the bathroom, Joanna returned the phone to her.

"Sister Joanna, have you finished talking with my elder brother?" Hazel looked at Joanna expectantly.

Joanna shook her head: "I still want to chat with you for a while."

Hazel: "Oh, I think you can treat my elder brother as an ordinary entrepreneur. He will definitely encounter more or less troubles in the process of starting a business. At this time, he must have someone by his side to encourage him. Spiritual encouragement is actually very important. Our family is not short of money, even if my elder brother fails in his business, he can make a comeback at any time. And finding a partner who is like you is hard to come by."

Joanna: "Hazel, what you said is really kind. But your elder brother is a little angry, and I'm a little afraid to go back and face him."

"With me to accompany you, you don't have to be afraid of anything." Hazel paused, and then said, "But I just came here, and I want to play here for two days, you play here with me for two days, we will go back together!"

Joanna nodded: "OK."

Hazel: "What's so interesting here?"

Joanna blushed in embarrassment: "I don't know. I've been sleeping in the hotel for the past few days. Breaking up with your brother makes me feel bad."
