

When His Eyes Opened Read Novel Chapter 3084

Novel Chapter 3084 -Hazel's heart beat faster; she was a little nervous and also a little scared. Because she didn't say who she was in the text message.

She was afraid that the teacher would not know herself.

How would she introduce herself to the teacher?

Her former identity as Siena had long since died. If she suddenly told the teacher that she was Siena, would the teacher faint from fright?

The head teacher came out from the school gate and saw Hazel at a glance.

Hazel didn't dress up in particular. She was wearing a plain dress, her hair was tied into a ponytail, and her face was not made up; she looked clean and mature.

The teacher in charge pushed the glasses on the bridge of his nose, looked at Hazel carefully several times, but failed to recognize which student she was.

"Teacher Rayner, do you still have class today? It's just time for dinner; let me treat you to dinner!" Hazel said. She had a bright smile on her face.

Teacher Rayner was embarrassed: "What's your name? Why don't I remember that I taught you? I haven't even seen you. Are you sure you are my student?"

Hazel: "I know your name; I also know your number; you have taught me for three years; I am very sure that you are my teacher."

Teacher Rayner: "Then what's your name?"

Hazel: "Why don't we go to eat first! I'll explain to you during the meal."

Teacher Rayner glanced at the time: "Okay! I'm very touched that you came all the way to see me. Although I don't know who you are, I believe you are my student."

The two sat down at a restaurant near the school.

Hazel said: "You invited me here for dinner before."

Teacher Rayner: "I did bring my students here for dinner. It tastes good, and it's close to the school. What do I call you? Am I getting old? I really don't have any impressions of you. I always feel like I haven't seen you before."

Hazel: "Teacher Rayner, I used to be pretty ugly."

Teacher Rayner: "Oh... kids who go to high school will gain weight more or less during their development... You should have graduated from college by now, right?"

Hazel nodded: "Yeah."

Teacher Rayner stared at Hazel's face. The moment Hazel lowered her head, Teacher Rayner finally regained a sense of familiarity.

"I seem to be a little impressed... Your eyes are very similar to a former student of mine!" Teacher Rayner was a little excited, "That student... I am very impressed with her! Because she is ugly! No! I don't mean she's ugly, I mean..."

"Teacher, you don't need to explain; I understand what you mean." Hazel smiled calmly and said, "I am her."

Teacher Rayner: "!!!"

Teacher Rayner covered his mouth and let out a cry.

Hazel: "Teacher Rayner, three years ago, I found my family. My family canceled my identity in Thopiavelle. In fact, I didn't die. I just lived in another country with another identity."

Teacher Rayner gasped in shock: "This is amazing! I don't know what to say for a while... I'm so happy for you, but I feel like it's fake. Are you really Siena?"

Hazel: "Yes. Teacher, I hope you can help me keep it a secret. I don't really want others to know about it."

Teacher Rayner: "Don't worry, if you tell me this, I will definitely not tell the outside world."

At this point, Teacher Rayner took off his glasses and began to cry.

Hazel: "Teacher, don't cry!"

Teacher Rayner: "When the news of your death came, I felt uncomfortable for a long time. You have such good academic performance and are so willing to endure hardships. I saw that you were admitted to such a good university, but it turned out that you died. I really couldn't bear it. Fortunately, you are not dead. Look how good you are now!"
