I am a quadrillionaire chapter 1965-'I see!'

Alba and Valerio accepted David's explanation.

If it was David's master who made the move secretly, then everything would make sense.

It would be very easy for a Sacred Saint to kill two True Saints.

However, Valerio just did not expect David's master to agree to David's request and was willing to be an enemy of the Palmore family.

It was still somewhat unreasonable if it was for the 400 trillion Star Dollars invested in David.

'Did he not know that Zenon, the grandmaster of the Palmore family, became the head of the Saints Association?

'No, Sacred Saints are all old monsters who have lived for countless years, so they won't be so stupid.

'Maybe it's because he just came out and has absolute confidence in his own strength.

'Whatever the reason, this is great news for the Fellowes family.'

With a Sacred Saint willing to team up with the Fellowes family to deal with the Palmore family, the Fellowes family would not suffer no matter how one looked at this.

"Master David, thank you!"

Alba wanted to kneel to thank David again, but David stopped her with a wave of his hand.

"Master David, thank you! The Fellowes family can't repay you for everything you have done for us. If you need

anything in the future, just ask, and I will not say no even if it means risking my life," Valerio also thanked excitedly.

They held so much gratitude for David but in the end, Alba and Valerio could only say thank you.

They were lucky to meet someone like David.

If it was someone else, they would have already fled the battle after knowing the opponent was the Palmore family.

At this time, promises and agreements were not important at all.

One's life was the most important.

Valerio stopped doubting after knowing that the two True Saints of the Palmore family died at the hands of David's master.

The two then agreed with David to go back to the Fellowes Residence first.

Then, David generously sent all the talented children of the Fellowes family to the main house of the Fellowes family.

The spies of the Palmore family had long discovered such a large movement.

The whereabouts of David and the direct descendants of the Fellowes family were also reported to Zenon and the seniors.

Because Zenon ordered them not to act rashly, the seniors of the Palmore family did not dare to do anything to David at will.

Most importantly, they still had no idea how the two True Saints died.

Hence, no one wanted to take risks.

Who would want to die if they could live?

Saints were also afraid of death.

It would be better to wait for the grandmaster to completely take control of the Saints Association before making a move.

Just like that, David sent Alba and others back to the Fellowes family smoothly.

He thought he was so high-profile that the Palmore family would send someone over.

As a result, no one did.

It seemed that the deaths of Anders and his gang scared the Palmore family.

'However, why didn't Zenon show up?

'Isn't he known as the number one in Star Kingdom?

'He also said that he would smash me into thousands of pieces and shatter his bones into ashes.'

This was the thing that confused David.

If Zenon showed up, it would be better for David to just kill him directly. As long as he died, more than half of the Palmore family would fall.

'But, whatever!'

David would not bother with these minor issues either.

No matter what Zenon was preparing, it would still be futile in the face of absolute strength.

After sending Alba and the others to the vicinity of the Fellowes Residence and making sure that there would be no more danger, David stopped in his tracks and did not go in.

Instead, he found Alba and Valerio and said goodbye to them. He told them that his master was urging him before leaving directly to the Iridescent Sect. 2

Alba wanted to keep David so he could visit her house.

That way, they could explain to the family why they came back suddenly.

However, David said that his master was urging him, so it would not be good for him to stay.

Therefore, Alba could only lead the team and move on.

Soon, they were back in the Fellowes family.

Regarding the return of the direct disciples of the Fellowes family, the seniors of the family were very surprised.
