I am a quadrillionaire chapter 1992-Although she had a lot of things to say to David now, there were so many people present!

Everyone was also worried about David, so she could not be too selfish.

As Celia left David's arms, Sandy plunged into them again.

"Boohoo, Dave, you haven't come back for so long, I thought something happened to you!" Sandy cried.

"I'm fine, Sandy, don't cry. I am so strong, so how could something happen to me? You have to trust me."

Then David comforted everyone one by one.

"Pearl, I'm sorry I made you worry!"

Pearl kept crying and shaking her head.

"Princess, you shouldn't be here."

"David, since this is my choice, and I will never regret it," Princess Astrid said seriously.

"Mia, thank you for your hard work."

"Master David, please don't say that. We are all sisters, and we are just helping each other."

Finally, it was Selena's turn.

"Lena, thank you for protecting everyone," David thanked her sincerely.

Selena assumed the responsibility of protecting and teaching everyone after he left, and David was very grateful for that.

"David, just go do what you want. I can't help you, but I assure you, as long as I'm around, I won't let everyone feel any grievances," Selena said calmly.

She was the calmest one on the scene.

She neither cried nor acted too excited.

However, she could not conceal the joy in her eyes.

Was she not excited?

Of course, she was.

However, because of her character, she could not be as emotional as Sandy.

Even though Selena did not say much, everything she said went straight to David's heart.

"Thank you," David whispered after he pulled her into a hug.

Selena closed her eyes in enjoyment.

This was the first time David had taken the initiative to hug her.

After everyone calmed down slowly, they noticed someone else grinning at them.

"Ah! Celeste, y-you were released by the sect?"

"Celeste, it's great that you're finally here."

"Celeste, I knew you would be fine!"

The women surrounded Celeste and started chatting non-stop.

They felt that today was the happiest day since they came to Star Kingdom.

Not only did David return safely, but Celeste was also released.

Celeste had gotten very close to the woman on the way from the Milky Way to Star Kingdom.

Even if she was banished to the ice cavern after they arrived in the Iridescent Sect, she did not even forget to make arrangements for everyone first.

Therefore, everyone was grateful to her.

It was very easy to get along with women.

"Thank you for your concern. I didn't expect to come out so soon. It's all thanks to David. If it wasn't for him, I would still be in the ice cavern," Celeste said with a smile.

"David, Celeste, it's great that we are finally reunited! I hope we will never be separated," Celia said happily.

“Don’t worry! No one will be able to separate us from now on!” David patted Celia’s head and replied dotingly.

Then, everyone started telling David and Celeste something.

Not long after...

Knock knock knock!

There was a knock on the courtyard door, instantly grabbing everyone’s attention.

“Nova, please come in!” David greeted her.

Before Nova arrived, David had already sensed her arrival.

If it was not Nova but someone else, David would have already left with all of the women.
