

A Spoonful of Sugar: Don't Beg for Love By Oopsie Daisy Chapter 33

"I'm alright..." Hesper barely replied as she felt her body heating up.

Matthew immediately understood what happened. "Where do you live? I'll give you a ride home."

"No, I can't go home." If she went back like this, the few women would chastise her. Furthermore, when the two men grabbed her, they called her by her last name, so she suspected that they were behind this whole situation. She wasn't going to fall into the trap.

"Could you... send me to the hospital?"

Matthew was confused. After such an incident, she didn't want to go home but instead chose to go to the hospital. Something must be up.

However, he didn't question her and instead nodded, then took out a bottle of cold water from the mini- fridge and handed it to her.

"Hold this, you'll feel better."

"Thank you..."

At the hospital, Julian hurried over when he found out what happened. After getting emergency treatment to lower her body temperature and taking some medication, the stress in her body was almost at a normal level.

Julian's eyes were red. "Who did this to you?"

"I'm fine, Ian." Hesper was still weak, but she managed to force a smile. She looked around the ward but didn't see the man who saved her.

"Ian, where's the man who brought me here?"

"He left after handing you over to the doctors. Seems to be in a hurry."

"Oh..." Hesper looked down. He helped her out so much, yet she didn't manage to thank him properly, so she was sad.

"If it weren't for him, I would be in big trouble now."

Julian knew that she was kind, so he said, "Don't worry. From how I see it, he doesn't seem to be the kind of person who wants repayment. We'll thank him if we cross paths again in the future."

She looked up and smiled. "Yes, you're right."

This was seen by Rickard, who went to the hospital after being informed.

"That's such a happy smile. Hesper Rivera, how could you be so shameless?" The way he said that made it sound extra hurtful.

Hesper's face fell when she remembered how he didn't pick up her call. She looked at him expressionlessly. "You're such a busy man. There's no reason for you to come."

Rickard didn't appreciate her mocking him, so his temper rose. "What? Am I interrupting?"

"Mr. Duval!" Julian frowned because he couldn't stand there and watch him insult her.

"Hesper was almost attacked today. Not only did you not ask her how she is, but you immediately insulted her. You don't deserve to be her husband."

"And

you

do?" Rickard looked coldly at him. This was Julian Zink, who always showed up around Hesper. Who would believe that nothing was going on between them?

"Hesper is my wife. I will be responsible for her, so outsiders should stay out of this. Benji, kick him out!" "Don't
