The Divorced Billionaire Heiress chapter 2484-I Will Teach You How to Pursue Me

Eric felt a little distressed.

Was Selena scared of his threat?

Eric lowered his head and buried it in the crook of Selena's neck. He remained that for a few minutes, but Selena did not dare to move. He even hoped that time would stand still like this.

However, it would not.

He slowly got off her and straightened his messy clothes.

He glanced at her and pursed his lips. His chiseled face was somewhat unapproachable, and his voice was low and cold.

"I don't want to threaten you with anything. I don't care about the bar or that boy toy. It's best if you can think through it by yourself, but if you can't, I can help you."

He was hinting at her coldly.

How could Selena not understand his warning?

'You're despicable!'

Selena quickly jolted up and punched the bed to vent her dissatisfaction.

"What's the difference between you and a robber?"

Eric smiled, but his eyes were a little cold.

'The difference is that the robbers will just do it without warning, and I'm asking for your opinion.'

Selena was so angry that she spoke incoherently.

'You're crazy! Don't tell me that you like me! I don't like you at all, not even a little bit!'

Eric's gaze turned cold. Normally, he would not bicker when she scolded him.

It was mainly because he could never win her.

However, what she said was hard to hear, so Eric interrupted her with a deep voice, "It's best if you don't have any feelings for me. I don't need people to like me, but I can teach you how to pursue me!"

His expression was indifferent and cold, without the slightest warmth.

He turned and walked out, leaving behind a sentence.

"I'll give you time to think it through, but I don't want to wait too long."

Seeing that Eric was about to leave, Selena squinted her eyes and said, "The cotton swab that I used on you just now has already expired, so you should go to the hospital to check if there's any bacterial infection! \* sshole!"

Eric paused. His face turned livid again.

He gritted his teeth, stopped himself from turning around to settle accounts with her, and went straight downstairs.

If he stayed for a second longer, he was afraid that he would not be able to control himself.

Eric did not want to progress so quickly, but when he accidentally saw her naked, the dirty desires in his heart could no longer be ignored.

A cigarette could not calm him down. On the contrary, it made him even more frustrated.

Thus, Eric simply decided to solve this issue tonight by whatever means. He had to let her know that she could not escape his grasp.

Eric went downstairs. His clothes were a little messy because he was not bothered to straighten them.

Chaz, who had been paying attention to the situation upstairs, noticed Eric and brought Chance over.

He said politely, "Mr. Ferguson, have you finished talking to Selena?"

Chaz swept his gaze, and his expression changed slightly.

The band-aid on Eric's neck was too obvious. That band-aid obviously could not cover the wound either.

That scratch looked like it was from a woman's nails. It had an ambiguous meaning when it was coupled with Eric's messy clothes. They went out of control...

Chaz's mind was in a mess.

He looked at Eric, pursed his lips, and felt a little uneasy.

He thought, 'No way... Did Selena really sleep with Eric?!

Chaz already thought about all the scenes in his head.

Chance, who was next to Chaz, was not so reserved. Instead, he looked at the wound on Eric's neck and asked, "Daddy, what happened to your neck?"

Eric's expression was unchanged. He pursed his lips and said, "It's nothing.

Selena was careless and accidentally scratched me."

Chance nodded in a daze.

"Her newly made nails are very beautiful. The wings of the big butterfly are glitter too!"

Eric glanced at his son speechlessly.

What bad taste!

Perhaps it was time to enroll him in an aesthetics class.

"Let's go. It's getting late."

Chance nodded obediently. Then, he turned around and waved to Chaz.

"Goodbye, Uncle!" "Goodbye."

Chaz kept his expression calm and sent them out.

After they left, his face changed uncontrollably.

He left the customers in the bar and ran up the stairs.

Standing in front of Selena's room, Chaz knocked on the door.

After a long time, Chaz finally heard Selena's voice. So, he opened the door and went in.

Selena stood on the balcony. Her back was slender, and she looked unhappy.

Chaz pursed his lips. "When Mr. Ferguson left just now, he didn't look very happy..."

Selena snorted coldly.

“I thought too highly of him! I just thought he was just a stingy, and selfconceited man, but today, he actually threatened me!”

Once Eric left, Selena calmed down.

After the shock, she found that there was nothing to be afraid of.

There were laws in this country, so if he dared to do anything, she would call the police and arrest him immediately!

Selena forgot that Eric was the one who got her out of the police station twice.

Chaz pursed his lips. “How did he threaten you?” “He asked me to give up on Zachary and be with him. Does he think I’m crazy? How can he compare to Zachary?!”

Selena could not help but complain to Chaz because she was furious.

She was infuriated mainly because of Eric’s arrogant attitude.

Chaz’s eyes widened in shock. He processed this for a long time before he slowly got over it.

“Mr. Ferguson actually likes you? He’s being tyrannical! I just didn’t expect that he likes divorced women!” “Chaz!”

Selena scolded him. “Who are you looking down on?” “Not you, of course! Boss, I just think that even if Mr. Ferguson is forcing you to be with him, he still likes you. It shows that he cares about you!”

Selena could not help but frown.

“Who are you siding with? You were praising Zachary in the afternoon, so why are you helping Eric now?”

Chaz grinned widely.

“Well, between the two of them, anyone with a brain would naturally choose Eric, so why hesitate? You hit the jackpot! He’s the most eligible bachelor in Atlanta, and he actually likes you! Boss, you’re gonna be rich! Not to mention opening a new branch, even if you want to buy this whole street, it’s all a matter of his word!”

Selena looked at Chaz’s crazy smile. She was speechless and slightly disdainful.

How did the people around her become so unprincipled and spineless?

What a shame!

Was she someone who would compromise for money?

Absolutely not!

“It’s not like we’re starving. Why would I open a street of bars? As far as I’m concerned, does Eric have other merits besides having money?”

Selena tried her best to bring Chaz’s rationale back.

Chaz looked at her seriously and nodded.

“Yes, he can easily solve our bar’s problems as well as your problems in your last marriage. He can even make you reach the pinnacle of life in an instant! Boss, don’t be so stubborn that you reject him. Although Zachary is a good man, he has no other advantages besides being young!” i

Chaz earnestly persuaded her.

“What’s the use of being young? It’s only fresh for a while. An older man will appreciate you more. Also, Mr. Ferguson is not that old. He’s in his prime, so you’re not at a disadvantage!”
