

His True Colour Chapter 881 - 890

Chapter 881

When the antelope was completely lying on the ground and unable to move, George Han saw the three of them discuss it, and one of them walked towards the antelope. He didn't know if he was making gestures on his forehead. Then he became docile, and wagged his tail at the man like a dog.

“What did he do just now, why did the antelope's attitude toward him. So fast?” George Han asked in confusion.

Huang Xiaoyong was just about to explain to the master, but Chen Yanran was the first to board.

“This is a special rune. With this rune, the owner only needs a thought, and the alien beast will die. The antelope knows that his life is in the hands of that person, so he will please Lift.” Chen Yanran explained.

“This is not tame, this is a threat.” George Han said.

Chen Yanran sneered coldly. Said: “Is it impossible to reason with these beasts?”

After Chen Yanran said these words, George Han obviously felt the little white snake on his arm tremble, and began to vomit, obviously very dissatisfied with Chen Yanran's words.

George Han touched his arm. This action is equivalent to calming the little white snake's emotions, so that it should not be familiar with women.

“Chen Yanran, listening to you say that, I seem to look down on these strange beasts and feel that they are inferior to others? But you have to rely on these strange beasts to improve your identity, don't you think it is ridiculous?” George Han said lightly.

Chen Yanran's expression changed and said, "I am a human and they are beasts. Am I not taller than them?"

"In the eyes of the imperial court, strange beasts are probably more important than humans. Why does the imperial court value the master of beasts? Is it because of humans, or because of strange beasts, your character, careful character." George Han smiled.

Chen Yanran's expression is extremely ugly, and George Han's words are indeed very reasonable. What the imperial court values is people who can control alien beasts, and alien beasts are the most critical link, from a certain level. Isn't it the strange beasts that the Royal Court values?

"George Han, I have no objection to compare you with these beasts, but please don't bring me, I am different from you, you are just a trash, but I am Miss Chen Family." Chen Yanran coldly Said.

Huang Xiaoyong clenched his fists abruptly, wishing to punch Chen Yanran to death, dare to talk to Master like this, isn't he looking for death?

At this time, the three people came over and bowed and thanked Huang Xiaoyong.

"Brother Huang, thank you for your help. It was our villain's heart just now."

"Brother Huang, please forgive me. After all, this strange beast is too precious. We have to think more about your sudden appearance."

"Brother Huang, we are from Xiaoling City. If you go to Xiaoling City to play. Just let us know, the three of our brothers will definitely let Brother Huang have fun."

Hearing Xiaoling City, Huang Xiaoyong's expression clearly showed a look of yearning.

“I didn’t expect you to come from Xiaoling City. If I have time, I will definitely go and play with you.” Huang Xiaoyong said with a smile.

The three of them looked at George Han, their gazes did not stop too much, but Chen Yanran made them shine. After all, she is a big beauty, and for men, it is still very attractive.

“This is...” One of them pointed to Chen Yanran and asked Huang Xiaoyong.

“It’s just an ordinary person, it’s not worth mentioning, we have to look for a strange beast, let’s not pass it.” Huang Xiaoyong said.

“That’s OK, I hope I can see Brother Huang in Lingxiao City.”

After the two groups of people separated, Huang Xiao couldn’t help but said courageously: “I didn’t expect them to be from Xiaoling City. They can make a lot of money this time.”

George Han looked at Huang Xiaoyong curiously. This guy reacted very strangely when he heard the words Xiaoling City just now, and now he has a fascinating expression. Is there anything special about Xiaoling City?

“If you make a lot of money, where do you make it?” George Han asked.

“Master...” The word father has not yet been exported. Huang Xiaoyong hurriedly took it back, almost something serious happened, and said quickly: “How can you know the beauty of Xiaoling City, but I can help you solve your doubts. There is a river in Xiaoling City. , Both sides of the river are the land of fireworks, passing by. The girl is standing on both sides of the river, scratching her head, and the scene is like a fairyland. Once there is someone who is fancy, she can invite to board the boat for a description. The most magnificent view of Xiaoling City is It is the undulating waves in the river, the shaking ships on the river.”

Countless ships swaying left and right appeared in George Han's mind. The view was really magnificent. No wonder Huang Xiaoyong would yearn for Xiaoling City. As long as he is a man, he would probably want to get to know him.

Although George Han would not do anything unfaithful to Amelia Su, it was good to meet the world.

"That's the case, it seems that I have a chance, and I have to go and have a long experience." George Han said with a smile.

At this time, Chen Yanran suddenly snorted. As a woman, she was naturally scornful of this kind of fireworks field, and George Han would die here today. It was ridiculous that he even wanted to go to Xiaoling City.

"Chen Yanran, based on the relationship between the two of us, you are not qualified to control me?" George Han said.

Chen Yanran did not speak, her brows were filled with coldness.

The three of them continued to move forward, bent on Chen Yanran who wanted to kill George Han. At this moment, she became more determined, but it was a pity that she could not decide whether to meet the alien beast.

After walking for a long time, the quiet central area looks very strange, but this time. George Han stopped suddenly.

"What are you doing?" Chen Yanran was shocked, and stopped quickly. Walking to the central area had made her feel terrified, and George Han suddenly made this weird behavior. Make her even more creepy.

"There is a trace of blood in the air, do you smell it?" George Han said solemnly, the smell coming from the front. Obviously something happened ahead.

Frowning Huang Xiaoyong heard George Han say this, and after carefully smelling it, he did smell a fishy smell.

“It seems that people have already died in front of me. I’m afraid I have encountered a powerful alien beast.” Huang Xiaoyong said solemnly.

Powerful monster?

Isn’t this the best chance to kill George Han?

Chen Yanran didn’t even think about it, and continued to move forward.

George Han smiled helplessly and nodded to Huang Xiaoyong.

Huang Xiaoyong walked up to George Han and said in a low voice, “Master, is this woman crazy? She even dared to go even though she knew there was danger ahead.”

“She wants to kill me, so she naturally needs to encounter a powerful monster. This is not crazy, but vicious.” George Han said.

Huang Xiaoyong sneered coldly. With Chen Yanran’s realm, if George Han were to die, would this woman want to have a chance to survive? That’s ridiculous.

“What a wicked woman.”

Chapter 882

“How could it be them!” Huang Xiaoyong was shocked when he saw the corpses of three people lying not far in front.

These three, aren’t they the same three in Xiaoling City just now!

After the separation, Huang Xiaoyong thought they would leave the central area. After all, their antelope had already gotten their hands, but he didn't expect to die here.

Chen Yanran's face was pale in fright. Antmouse is a four-star alien animal, but among the three corpses. But I didn't see the antelope, which means that the antelope is likely to be hunted by more powerful animals.

Above the four-star alien beast!

I am afraid that this will not only kill George Han, even she will probably die here.

Just as Huang Xiaoyong wanted to check it out, George Han scolded, "Stay where you are."

When Huang Xiaoyong heard this, his legs seemed to be filled with lead, and he did not dare to move any more.

"The antelope must have been eaten. Among the three, two of them are in the Three Lights Realm. There is also a Four Lights Realm, plus a four-star alien antelope. What kind of strange animal can be so powerful." Chen Yan Ran quietly stepped back and said.

"There are not too many fighting traces at the scene, which means that they struggled for a short time. It seems that they have encountered a ruthless guy." George Han looked at the surrounding environment. Although there have been fights, there are very few traces, indicating that they There was not much chance to fight back before they were killed, and all three of them had wounds on their chests, obviously being scratched by very sharp claws, killing them with one blow.

"What shall we do now?" Huang Xiaoyong asked George Han.

George Han frowned. He would not make a move if he had no choice but to do so. According to the current situation, it would be impossible not to make a move. After all, the combined strength of these three people is much stronger than Huang Xiaoyong. One person is probably powerless to deal with.

And now it was too late to run, George Han could feel that somewhere in a dark place, a pair of eyes were staring at them.

At this time, a roar suddenly sounded, resounding throughout the middle of the Longyan Mountain Range.

“It’s the wing tiger. The voice of the wing tiger!

“Wing Hu is a seven-star monster in the core area, how could the voice be heard from the central area.”

“It’s over, those who went to the Central District, I’m afraid they all came out alive without their lives.”

This sound shocked not only the people in the Central District, but also the people outside the Longyan Mountain Range.

At this moment, Chen Yanran was totally devastated. She just wanted to kill George Han. She never imagined that she would be able to encounter a seven-star alien beast. With her strength, she would never have a chance to escape.

George Han will die, and she will die here too.

At this time, Chen Yanran regretted her heart very much, but she knew very well that the regret now was of no avail, and the wing tiger was nearby, and she had nowhere to escape.

“It’s a wing tiger, we are all going to die here.” Chen Yanran said with a gray face.

“Smelly girl, what stinky fart do you give, how do you know that it is the voice of a wing tiger.” Huang Xiaoyong yelled in a panic, he didn’t want to encounter a wing tiger. This has just been promoted to the Four Lights Realm, and he has not had time to enjoy the treatment of the strong. If he died here, wouldn’t he be aggrieved.

Chen Yanran smiled coldly and said, “Is it useful to deceive yourself? Can you survive by deceiving yourself?”

Huang Xiaoyong still wanted to refute, but at this time, a snow-white tiger with wings appeared in front of the three of them. It was two meters high, four meters long, and its eyes were white, which looked very permeating.

When it fanned its wings, the ground flew sand and rocks, enough to see how powerful this wing tiger is.

Huang Xiaoyong is desperate, this is really a wing tiger!

The seven-star alien beasts in the core area of the Longyan Mountain Range would actually appear here, which is like a damn joke.

Chen Yanran smiled desperately. Said: “George Han, you should be the one who died, but I did not expect me to be buried with you. I am not reconciled.”

George Han’s face was frosty. When this woman was like this, she blamed him. If it weren’t for her heart, how could she have encountered a seven-star alien beast?

George Han might have the power to fight a battle before the middle and small white snakes were extremely poisonous, but his current physical condition simply couldn’t fight the wing tiger. Let the little white snake come forward.

But it is a red-eyed jade python. Once it emerges, it will be difficult for George Han to keep a low profile, and once the imperial court pays attention, George Han may be involved in more disputes.

This is the result that George Han does not want.

Taking a look at Huang Xiaoyong, George Han did not say anything, but expressed his meaning in mouth.

After Huang Xiaoyong understood it, he walked directly to Chen Yanran.

“What are you doing?” Chen Yanran asked.

Huang Xiaoyong did not speak. A palm struck Chen Yanran on the back of her neck, causing her to faint.

“Master, do you have a way to deal with the wing tiger?” Huang Xiaoyong looked at George Han expectantly. Only George Han could create the hope of surviving now.

George Han shook his head and said, “I have injuries. I’m afraid I can’t handle it with my own strength.”

Huang Xiaoyong was struggling for a while, he was only four lights, even if he wanted to help George Han, this little power was really useless.

“Master, what to do now, the wing tiger can fly, we can’t get away even if we want to run.” Huang Xiaoyong said.

“The next thing you see, if you can’t keep it secret for me, I can only kill you.” George Han said.

Although Huang Xiaoyong didn't know what he was about to see. But he nodded very quickly.

“Master, I am your apprentice and I will never betray you.” Huang Xiaoyong said, and he was very curious about what would happen next. It would make George Han so cautious.

Naturally, Huang Xiaoyong couldn't think of it, what he would see next, would make him unforgettable, the nine-star alien red-eyed jade python. This is the powerful strange beast that even Xuanyuan World's existing masters can expect.

George Han patted his arm and said, “It's time for you to go out, don't f*cking sleep in.”

The little white snake crawled out lazily. Looking around.

Huang Xiaoyong was slightly surprised at first. With such a small thing, is it possible that Master still expects it to deal with the wing tiger, isn't this a joke?

“Master, what is this?” Huang Xiaoyong asked suspiciously. His small size made him unable to recognize that this was a red-eyed jade python. After all, he had never really seen it before, nor would he think of the legendary red-eyed. Jade Python is so small.

George Han did not answer, but saw the red-eyed jade python wandering to the foot of the wing tiger.

When this little thing was in the Demon King's Cave, it was more than enough to deal with all the alien beasts.

But what George Han didn't expect was that the wing tiger raised his foot and stepped on the little white snake bitterly.

“f*ck!” George Han burst out vulgar words, dumbfounded!

Chapter 883

Huang Xiaoyong also had a dull face. He thought that Master would come up with something assassin, but he didn't expect it to be such a small thing, and I am afraid that he would be crushed by this step!

“Master, you...you are...” Huang Xiaoyong's heart is mixed. I really don't know what to say.

George Han wiped the cold sweat from his forehead. It was quite powerful when he was in the Demon King's Cave, so he wouldn't be killed by a wing tiger in the Xuanyuan world.

And according to Huang Xiaoyong's words, it should be a red-eyed jade python, yes, it is also a nine-star alien beast. How could it not even be able to deal with a seven-star alien beast?

Or is it that it is now in the growth stage, and its strength has not reached nine stars at all?

It's over now.

George Han's current injury situation, it is obviously unrealistic for him to face the Seven Star Wing Tiger. If the red-eyed jade python is really so bad, I am afraid that the lives of several of them will be accounted for here.

“Don't worry.” George Han comforted Huang Xiaoyong. Although he didn't know his heart, he didn't show the slightest panic on the surface.

Hearing what George Han said, Huang Xiaoyong felt a little calmer.

Seven-star wing tiger's first trampling seemed not enough, and he raised his foot again, as if he wanted to make the little white snake die completely.

But at this moment, the Seven Star Winged Tiger was suddenly stunned, and a dangerous breath made it look around with vigilance, as if a huge danger was coming.

At this moment, George Han noticed that there was a trace of fear flashing in the eyes of Wing Hu, and he was obviously afraid.

With a loud roar, the wing tiger seemed to be bold, and also calling for its opponent to appear.

And this roar once again caused the periphery of Longyan Mountain to tremble. Those in the One Light Realm were all panicked, and many people had already planned to leave, lest the wing tiger suddenly appeared on the periphery and was hit by the fish pond.

People left one after another, but the entrance of the central area still guarded a figure who was unwilling to leave.

Chen Tiexin!

He knew that Chen Yanran was still in the Central District, and he also knew that Chen Yanran wanted to use this opportunity to kill George Han.

But he never expected that the Seven-Star Winged Tiger would appear in the Central District. If Chen Yanran met the Winged Tiger, she would definitely die, which made Chen Tiexin very worried.

Since childhood, the two brothers and sisters grew up together, Chen Tiexin took most of the responsibility of protecting Chen Yanran, and took great care of her

sister. No matter what, he would stand up for Chen Yanran, but this time, he hesitated.

Worry is worried. But Chen Tiexin knew that if Chen Yanran really met the wing tiger, it would be absolutely impossible to save Chen Yanran with the strength of his Second Light Stage.

Even if he enters the central area, it is just a dead end.

“Chen Tiexin, what are you doing? Don’t leave quickly. Once the wing tiger appears on the periphery, everyone here will die.” A young man shouted to Chen Tiexin. The two seemed to have a good relationship. When the crisis came, he Don’t forget to remind Chen Tiexin.

“My sister is still inside.” Chen Tiexin said with a fist.

“Do you think she still has a chance to come out alive? This is a seven-star wing tiger, not an ordinary beast.” The man said.

Chen Tiexin naturally knew how powerful the wing tiger was, but he was not reconciled that Chen Yanran just died in the Longyan Mountains.

“Hurry up. Your strength can’t save her, so why hurt yourself.” The man continued.

Chen Tiexin took a deep breath and whispered: “George Han, how could she face such a difficult situation if it weren’t for you? I want to find out all your information. Let your family bury her with her.”

After speaking, Chen Tiexin turned around hard, not because he didn’t want to save Chen Yanran, but because he knew that he was powerless.

“Why is she going to the Central District? With her strength, isn’t she going to the Central District to die?” the man asked Chen Tiexin in confusion. Before, he

couldn't understand why Chen Yanran did this. After all, the Central District is not something ordinary people dare to go to.

Chen Tiexin originally blamed George Han for this incident. Hearing this question at this moment, his hatred for George Han became even stronger.

“Nothing, just blame her bad luck.” Chen Tiexin said.

Central District.

After the roar, the wing tiger was still looking for its place, but it did not find that the little white snake under its feet was getting bigger and thicker at the speed of the naked eye.

After seeing this scene, Huang Xiaoyong's breathing became more and more rapid. As the little white snake grew bigger, its image became more and more similar to the alien beast Huang Xiaoyong had seen in a painting, and the alien beast in that painting, But the nine-star red-eyed jade python.

The legendary nine-star alien beast. Currently in the entire Xuanyuan Continent, Huang Xiaoyong only knew that the emperor of the imperial court could control it, and that the emperor was to capture the nine-star alien beast. But there are many Eight Lights Realms and Nine Lights Realms and Jishi help.

“Master... Master turned out to be a beast master, and he is also the strongest red-eyed jade python among the nine-star alien beasts.” When he said this, Huang Xiao couldn't help his legs trembling bravely. Because he was really frightened.

Although he had guessed that George Han had the realm of a master before, this was after all a guess, without any real evidence. So the shock in his heart will not be too strong.

But at this moment, the appearance of the nine-star red-eyed jade python is equivalent to sitting in the realm of George. How can this make Huang Xiaoyong not excited?

Master!

The master is really the ultimate master. For him, this great good thing is his capital that will skyrocket in the future.

How many people in the entire Xuanyuan world can have such a privilege and become the apprentice of the ultimate master!

It was also the first time that George Han saw the real body of the red-eyed jade python, and he was a little shocked, because at this moment, the red-eyed jade python is like a bucket, but its growth is still going on, and there is no sign of stopping. .

“How big is this guy?” George Han said with a sigh. Usually this little thing is attached to his wrist. George Han has never thought that it can be so terrifying.

The ten-foot-long red-eyed jade python finally revealed his true colors.

The seven-star wing tiger was trembling with fright at this moment. It was fierce and ferocious before, but now it has become a well-behaved cat, constantly licking its paws.

The red-eyed jade python hissed out a red letter, and the wing tiger trembled with fright. It was actually kneeling on all fours, as if begging for mercy to the red-eyed jade python.

The red-eyed jade python held its head high, and a wagging tail directly knocked out the wing tiger.

The wing tiger that hit the mountain wall heavily made a pitiful whimper. Although it was powerful enough as a seven-star alien beast, it had no resistance at all in front of the top nine-star alien beast like the red-eyed jade python.

Just when the red-eyed jade python was about to swallow the wing tiger in one bite, George Han suddenly stopped it.

Chapter 884

“Don’t kill it first.” George Han said to the red-eyed jade python.

The red-eyed jade python took George Han’s words as imperial decree. Since George Han spoke, it would naturally show mercy.

Yihu glanced at George Han gratefully. It was obvious that strange beasts of this level were very intelligent, but it was just when it was ready to run away. George Han spoke again: “I won’t let it kill you, it doesn’t mean you can leave.”

The wing tiger was stunned in place, looking at a loss.

George Han turned his head, looked at Huang Xiaoyong and asked, “Do you want it?”

“Yes?” Huang Xiaoyong looked at George Han in astonishment and said, “What do you want?”

“Of course it is a wing tiger.” George Han said.

Huang Xiaoyong felt that he had goose bumps in an instant, and even his hairs were erected.

Want a wing tiger?

What the master said was to let him tame the wing tiger.

This is for Huang Xiaoyong. It's something that I can't even think of.

Once Huang Xiaoyong's biggest dream was to tame a three-star alien beast, and this dream is still very difficult to achieve.

But now. He unexpectedly had the opportunity to tame seven-star alien beasts, and he was still a wing tiger, which made Huang Xiaoyong feel like he was dreaming.

"Master...Master, you are not kidding me." Huang Xiaoyong said tremblingly.

"Mother-in-law, like a woman, do you want it or not, if you don't, I will let it kill." George Han said impatiently.

"Yes." Huang Xiaoyong nodded as if pounding garlic. How could he not want this kind of opportunity?

Taming the seven-star alien beasts, for him, this life opportunity may only be this once, if he missed it, he will not meet again in the next life.

Yihu was obviously a little unconvinced, after all, Huang Xiaoyong was only a four-light realm, for it. This is like a shame.

But faced with the pressure from the red-eyed jade python, it dare not fail. After all, George Han had already made it very clear just now. If Huang Xiaoyong didn't want it, he would let the red-eyed jade python kill himself.

Compared to death, Yihu is still more willing to be Huang Xiaoyong's rider.

"Master, can I really do it?" Huang Xiaoyong asked George Han with some uncertainty. After all, he is only in the Four Lights Realm. If the wing tiger is tamed, I don't know how many people will be shocked.

Just thinking about the posture of riding a wing tiger back to Longyun City, Huang Xiaoyong felt very refreshed in his heart, but this might cause many people to speculate. If the identity of the master is exposed, it will be troublesome.

“Don’t worry, you don’t mention this matter to the outside world. Let them guess.” George Han said.

Huang Xiaoyong nodded and walked to the front of Yihu.

“I know that my current realm is definitely not worthy of you, but my master is the ultimate master. One day, my strength will match you. You can rest assured that I will never treat you badly. I am Son of the city lord, what do you want to eat, no matter how much you pay, I will find it for you.” Huang Xiaoyong said to Yihu.

After the voice fell. Huang Xiaoyong drew an exclusive symbol of tame beasts.

With the strength gap between Huang Xiaoyong and Yihu, Yihu can easily resist the symbol, but it did not do so. After all, the red-eyed jade python is still watching it droolingly. If it refuses, there will only be one end, and that is to become the red-eyed jade python’s belly Chinese food. It still knows what is called a wise choice.

When the symbol melted into the forehead of the wing tiger, Huang Xiaoyong had an additional feeling in his heart. No matter where he is, he can sense where the wing tiger is, and only a thought of himself, the wing tiger will die on the spot.

Suddenly, Huang Xiaoyong knelt down to George Han and knocked his head ten times with a pious expression.

This is Huang Xiaoyong’s sincere tribute to George Han. Because George Han not only helped him break through the two realms, but now he tamed the powerful seven-star beasts like the wing tiger. These ten bangs are just what Huang

Xiaoyong did not know how to repay George Han. In the future, he will be absolutely loyal to George Han.

“Master, thank you.” Huang Xiaoyong said.

“Since you call me Master, these are what I should do.” George Han said lightly. He knew that from now on, Huang Xiaoyong would not betray him at all under any circumstances. This is to George Han. Thousands of things are a good thing.

After all, Xuanyuan World was unfamiliar to George Han. Having a good helper can enable George Han to achieve his goals more smoothly.

George Han looked at Chen Yanran who was still in a state of fainting, and said to Huang Xiaoyong: “Take her. It’s almost time to leave.”

Huang Xiaoyong looked embarrassed, if he had been in the past, he would definitely have the heart to take advantage of others. After all, he has admired Chen Yanran for many years. It was his wish to be able to kiss Fangze, but now. In any case, she is also her own teacher’s wife in name, Huang Xiaoyong dare not think any more.

“Master, although you have nothing to do with her, to me, she still has the name of a teacher, I will take her away, it’s not good.” Huang Xiaoyong said.

George Han raised his eyebrows and said with a smile: “Don’t you always like her? You want to kill me because of her.”

Huang Xiaoyong almost shook himself out of a concussion, and said, “Master, don’t joke with me, how dare I, even if you don’t want her, I dare not have anything to do with her.”

George Han had no choice but to fight Chen Yanran on his shoulders.

The little white snake had returned to his arm, and the wing tiger was following Huang Xiaoyong, making it seem that Huang Xiaoyong had become much taller and mighty.

Walking out of the Central District, George Han found that there was no one in sight near the Longyan Mountain Range, which made him a little strange.

“The hunting convention is over so soon?” George Han asked Huang Xiaoyong suspiciously.

“In previous years, the hunting conference will last at least half a month, and it is impossible to end so soon.” Huang Xiaoyong explained.

“What about people, why can’t you see anyone alone?” George Han asked strangely.

Huang Xiaoyong looked at the wing tiger, a smile appeared at the corner of his mouth, and said: “Master, I am afraid that those people heard the wing tiger’s roar, so they are all frightened. Maybe they are worried that the wing tiger will appear on the periphery, so I hurry Escaped.”

George Han nodded, other than that, there was no other explanation.

“You go back to the city first, walking with you is too interesting.” George Han said to Huang Xiaoyong.

“Master, if you have any requirements, come to the City Lord’s Mansion to find me at any time.” Huang Xiaoyong said.

George Han thought for a while and said: “Come with me to Xiaoling City in a few days, remember to bring more money.”

Huang Xiaoyong smiled obscenely, and nodded again and again: “Master, I understand, don’t worry, the money is absolutely sufficient.”

Chapter 885

Huang Xiaoyong brought the wing tiger into the city.

This incident caused a sensation in Longyun City in an instant, and within a quarter of an hour, the news was overwhelming.

Everyone admired Huang Xiaoyong’s scenery on both sides of the road, looking at the huge body of the wing tiger, with envy in their eyes.

This was the most glamorous event in Long Cloud City’s history, and Huang Xiaoyong was destined to be included in the history of Long Cloud City, because no one had ever tamed a seven-star alien beast, and he did it. He is the pride of Long Basin City.

In the City Lord’s Mansion, Huang Hou Yi was in pain, because Huang Xiaoyong broke through the two realms and just laid a solid foundation for his position as the City Lord, but this time he went to the central area for the hunting beast meeting, and the wing tiger appeared in the central area. The incident was almost a fatal blow to Huang Houyi.

Everyone knows how powerful the wing tiger is, as a seven-star alien beast. Huang Xiaoyong’s strength in the Four Lights realm is simply impossible to fight, so in Huang Houyi’s view, Huang Xiaoyong is in a disaster this time, not only will he lose his son. It is also possible to lose the position of city lord, this reality makes Huang Xiaoyong unacceptable.

At this time, a panicked servant ran to Huang Houyi and knelt down, and said: “City Lord, Master, Master is back.”

“Come back!” Huang Houyi stood up quickly, and he could come back alive, which Huang Houyi never expected.

“Not only came back, Master, Master also tame the Seven-Star Alien Beast Wing Tiger.” The servant continued.

Boom!

There seemed to be thunder in Huang Houyi’s mind.

Tame the seven-star alien beasts!

How is this possible?

Huang Houyi is very clear about Huang Xiaoyong’s strength. Isn’t it a joke to fight the seven-star alien beast in the four-light realm?

“Are you confused, what nonsense are you talking about, how could he tame seven-star alien beasts.” Huang Houyi scolded.

“Really, this is true. Now everyone in Longyun City knows that the young master returned to the city with a wing tiger.” The subordinate said excitedly.

Huang Houyi took a deep breath, and people would never say these things unless they wanted to die. The only explanation is that what he said is true.

But... how did Huang Xiaoyong do it!

How can he tame the seven-star alien beasts!

“Quickly, where are the people, I’m going to see.” Huang Houyi said.

“The entrance is right at the entrance of the city lord’s mansion.”

The wind was blowing at Huang Houyi’s feet, and he couldn’t wait to run, and quickly walked to the gate of the City Lord’s Mansion.

The first thing that catches the eye is the huge wing tiger, fluttering its wings and appearing extremely mighty, and Huang Xiaoyong stood beside the wing tiger. Although he is much smaller than the wing tiger, he is more attractive. Eyeballs, after all, he has tamed the existence of the wing tiger.

Huang Houyi was so excited that his hands and feet trembled. This is really the fortune of the Huang family. Huang Xiaoyong tamed the wing tiger. In the future, in Longyun City, who else would dare to challenge the City Lord’s Mansion, and the three big families, still have the guts to treat him as a puppet?

“Xiaoyong, you...you actually tame the wing tiger!” Huang Houyi walked to Huang Xiaoyong. Said excitedly.

Huang Xiaoyong smiled faintly and said, “Father, how is it, is it aggressive enough?”

“Domineering, of course domineering, this is the Seven Star Winged Tiger, in the entire Longyun City, no one is qualified to do it except you.” Huang Houyi said.

“Now the three big families, if anyone dares to be dissatisfied with you, I will let the wing tiger step on their mansion.” Huang Xiaoyong said.

Huang Houyi knew that no one could shake his position as the lord of the city. With the existence of this wing tiger, the three major families will only be obedient.

At this time, the Wang and Xie family were very tortured, Huang Xiaoyong broke through the two realms and reached the strength of the four lights realm. It has

become a big problem they face, and this problem has not been solved. Now Huang Xiaoyong has brought back the Seven-Star Alien Beast from the Longyan Mountain Range. This is for them. Almost a fatal news.

Originally, they planned to deprive Huang Houyi of the position of city lord and let this disobedient puppet know how powerful it was, but now, with the Seven Star Alien Beast, they are no longer able to do so.

In the palace of the king's family, the owner of the king's family instructed his servants: "Prepare for a generous gift, I will go to the city's palace to congratulate Huang Xiaoyong.

At the same time, this is also the case at the Xie Family Mansion. Patriarch Xie asked his servants to prepare a big gift and wanted to take a trip to the City Lord's Mansion.

At this time, the Chen Family Mansion.

Chen Tiexin was desperate. He and Huang Xiaoyong were in the same realm before, and it can be said that they were on the same level. However, a few days ago, Huang Xiaoyong broke through two realms and caused Chen Tiexin to suffer a blow, of course. This blow was not a big deal. In Chen Tiexin's view, as long as he finds a famous teacher, he will still have a chance to surpass Huang Xiaoyong's realm one day.

But now, the news that Huang Xiaoyong had tamed the seven-star beasts came back, almost making Chen Tiexin despair, because he knew that even if a famous teacher was willing to accept him as a disciple, he would not have the opportunity to tame the seven-star beasts. In this regard, he It was a terrible defeat, and there was no resistance at all.

"Seven-star alien beast." Chen Tiexin smiled feebly, Huang Xiaoyong has realized how many people's dreams are out of reach.

At this time, Chen Yuanhai came to Chen Tiexin and said, “Have you heard? Huang Xiaoyong returned to Longyun City with a wing tiger.”

“Father, the three major families of Longyun City, it will never be possible to beat the City Lord’s Mansion in the future.” Chen Tiexin said.

Chen Yuanhai understands this truth naturally, there are seven alien beasts in charge. In the eyes of the city lord’s mansion, the three major families were nothing more than a few clowns, but Chen Yuan Customs was not interested in this matter.

“Since the wing tiger has been tamed by Huang Xiaoyong, is it possible for Chen Yanran to survive?” Chen Yuanhai said.

Chen Tiexin’s eyes narrowed.

What he cared about before was Huang Xiaoyong. I completely forgot about Chen Yanran.

Thinking about it now, Chen Yanran might indeed be alive.

“Father, I’ll go to the City Lord’s Mansion right away. Huang Xiaoyong must know the whereabouts of my sister.” Chen Tiexin stood up. Can’t wait to say.

Chen Yuanhai stopped him. Since he was going to the City Lord’s Mansion, he definitely couldn’t go so easily.

Now that the Wang and Xie family have expressed their views, the Chen family must have their own attitude. Otherwise, the Chen family will definitely be targeted by the City Lord’s Mansion in the future.

“Let the servant prepare a gift first, to congratulate Huang Xiaoyong.” Chen Yuanhai said.

Chen Tiexin gritted his teeth. In his eyes, Huang Xiaoyong was just a trash with nothing to do. He spent the whole day on women, but now, he was going to congratulate this trash, which made Chen Tiexin feel full of dissatisfaction.

“Father, this guy is only in the Four Lights Realm, how could he tame the Seven-Star Alien Beast?” Chen Tiexin said unwillingly.

Chen Yuanhai sighed and said, “According to my guess, Huang Xiaoyong probably has a very powerful master who helped him break through the two realms, and also helped him tame the seven-star alien beasts.”

Chapter 886

Amazing master!

This sentence made Chen Tiexin even more reconciled. He had been searching for a higher teacher for many years and found nothing, but Huang Xiaoyong did not make any effort to get a master who could help him tame the seven-star alien beasts. Why is this world so unfair.

At this moment, a servant hurriedly ran in front of them. Said: “Master, young master, young lady is back.”

“came back!”

“came back!”

The two of them were taken aback, and then quickly walked towards the gate of the mansion.

I saw George Han carry Chen Yanran on his shoulders.

Chen Tiexin walked up to George Han and began to scold him: “George Han, what are you doing, let go of my sister. You trash, you dare to take advantage of my sister.”

George Han glanced at Chen Tiexin faintly, and said, “She is dizzy. If I don’t carry her back, shouldn’t I leave her in the Longyan Mountain Range? This is not an advantage.”

Chen Tiexin couldn’t manage that much. For him, it was impossible for Chen Yanran and George Han to have such close contact.

“Don’t let her go, I’m not polite to you.” Chen Tiexin threatened.

George Han smiled helplessly, this guy always looked domineering, but he was only in the second light state, and he didn’t know where he came from.

“Fine, I will let her go.” George Han said, directly toss Chen Yanran on the ground.

Seeing this, Chen Tiexin quickly helped Chen Yanran up, and then said to George Han: “If she has three long and two short, you can’t live.”

Chen Yuanhai directly skipped George Han, it seemed to him that George Han was a transparent figure. After checking Chen Yanran’s physical condition, it didn’t matter, she breathed a sigh of relief.

Chen Yuanhai, who squinted at George Han, asked, “What’s going on.”

“Passed out.” George Han said.

“I know she passed out. I will ask you how she passed out.” Chen Yuanhai said coldly.

“I don’t know. The situation was very complicated at the time. I was also dizzy. I just woke up earlier than her.” This is the rhetoric that George Han had already thought of on the way back. Only in this way can they avoid asking more questions. The problem.

After all, Huang Xiaoyong tamed the seven-star alien beasts, and Chen Yanran saw the appearance of the seven-star alien beasts. If he were not dizzy, wouldn’t he have to make up a story about Huang Xiaoyong taming the alien beasts.

“It’s best for you to tell the truth, otherwise, I will ask you to settle the account.” Chen Yuanhai said.

“Nothing else, I’ll go back to the room first.” George Han turned around after speaking.

Since Chen Yanran was still in a coma, Chen Yuanhai and his son did not make things difficult for George Han.

The two sent Chen Yanran back to her room. Let her sit on the bed quietly, and Chen Yanran woke up after a short time.

Because she saw the wing tiger before she fainted, Chen Yanran at that time felt that she must be dead, so after she became sober, she subconsciously showed a panic expression.

“What to do, what to do.” Chen Yanran said unconsciously.

Hearing Chen Yanran’s panic, Chen Tiexin quickly walked to the bed and said: “Yanran, it’s all right, you have returned home safely, don’t be afraid. Don’t be afraid.”

“Home?” Chen Yanran looked at everything familiar around her, and she was indeed at home.

But how could she be at home?

Facing the seven-star wing tiger. How did she survive?

“Brother, what’s going on, how can I be at home, I met the wing tiger in the central district, do you know the wing tiger?” Chen Yanran said.

Chen Tiexin nodded, how could he not know Escape? And now the wing tiger has become the topic of discussion throughout Longyun City.

“I didn’t even die.” Chen Yanran patted her head. She seemed to want to try her best to recall what happened before, but Huang Xiaoyong’s strength in the Four Lights realm knocked her out in a sneak attack, which she couldn’t feel at all.

“Yan Ran, you saw the wing tiger, and then, what happened?” Chen Tiexin asked suspiciously.

Chen Yanran shook her head. I couldn’t remember what was going on, and said, “I remember, after seeing the wing tiger, I fainted somehow, and then I saw you. I don’t know what happened during this period.”

“Brother, do you know what’s going on? How can I return safely.” Chen Yanran asked Chen Tiexin back.

Chen Tiexin shook his head. He didn’t even go to the Central District. Naturally, he didn’t know what happened in the Central District, but the result of the whole thing. He knew it.

“I don’t know what happened in the process, but you can survive. It’s because Huang Xiaoyong tamed the wing tiger.” Chen Tiexin said.

“What!” Chen Yanran sat up in horror, tame the wing tiger, this is a seven-star alien beast. With Huang Xiaoyong’s four-light realm strength, how could it be possible.

“Brother, are you kidding me. How could Huang Xiaoyong tame the wing tiger? Although he has broken through two realms, he is still only a four-light realm now.” Chen Yanran said.

Chen Tiexin also hoped that this incident was just a joke, but the facts were true, and under the witness of the entire Longyun City, how could this be false?

Seeing Chen Tiexin not speaking, Chen Yanran turned to look at Chen Yuanhai and asked: “Father, what is going on here? Huang Xiaoyong really tame the wing tiger?”

“I don’t know what’s going on, but he did tame the wing tiger. He took the wing tiger back to Longyun City. This is what many people have seen with their own eyes, and there will never be any fakes.” Chen Yuanhai said.

Chen Yanran took a deep breath and looked at Chen Tiexin again.

She knew why Chen Tiexin was silent, because the gap with Huang Xiaoyong was getting bigger and bigger, and his heart must be very unwilling.

However, this kind of unwillingness is very weak, the seven-star alien beast, for anyone, is a powerful alien beast that is out of reach.

“By the way, what about George Han, how is he.” Chen Yanran suddenly thought of George Han and quickly asked.

Chen Tiexin said disdainfully: “He is not dead yet, and he brought you back.”

“I’m going to find him right away, he must know what’s going on.” Chen Yanran stood up as she spoke. In her opinion, she passed out without witnessing the scene of subduing the wing tiger, but George Han must know.

“It’s useless, he said he passed out too, he didn’t know what was going on, he just woke up earlier than you.” Chen Tiexin said.

Chen Yanran smiled coldly and said: “He said he passed out, do you really believe it, and if he really passed out, why can he wake up before me?”

Chen Tiexin’s eyes condensed, and he said with murderous intent: “You mean, this trash lied to me?”

“Is it a lie to you? I will know if I ask, maybe only he can help us solve all the answers.” Chen Yanran said coldly.

Chapter 887

When George Han was resting in bed, Chen Yanran came aggressively, but this was in his expectation. After all, Huang Xiaoyong’s tame the seven-star alien beasts was so curious that George Han wanted to simply perfuse it. Obviously it is unlikely.

“I’m the same as you. I don’t know anything, so even if you ask me, I don’t have a satisfactory answer for you.” Before Chen Yanran spoke, George Han said first.

Chen Yanran looked at George Han with a torch, and the woman’s instinct told her that George Han had not fainted at all. He even saw Huang Xiaoyong conquer the seven-star alien beast with his own eyes.

“George Han, you live in my Chen family and eat my Chen family. Your current life is given to you by my Chen family. You have been in a coma for so long. If I

hadn't taken you home, you would have been a corpse in the wilderness. , This is the love you owe me to the Chen family.” Chen Yanran said.

“The reason why you let me stay in Chen's house is that you want to use me?” George Han said lightly.

“But I saved you, can you deny it?” Chen Yanran said.

George Han thought for a while. There is really no way to deny this. No matter what reason Chen Yanran asked him to stay in Chen's house, this affection does exist. If it is discovered by others, or stays in the wilderness, I'm afraid George Han was either buried alive, or eaten by wild beasts with only bones left.

“Let's talk about it. What do you want?” George Han asked.

“I want you to tell me everything you saw, how Huang Xiaoyong managed to subdue the wing tiger.” Chen Yanran said.

George Han took a deep breath, stood up, walked in front of Chen Yanran, and asked, “I really want to know?”

“Stop talking nonsense.” Chen Yanran looked directly at George Han coldly.

George Han shrugged and said, “Since you want to know, yes, let me tell you, Huang Xiaoyong's seven-star alien beast was tamed by me, and he can break through two realms. I helped him do it. , Are you satisfied now.”

Chen Yanran gritted her teeth, how could she believe such ridiculous words.

Relying on George Han's waste. It can help Huang Xiaoyong to tame the seven-star alien beasts, and even Huang Xiaoyong's breaking through the two realms is related to him. Isn't this a joke?

“George Han, do you think I would believe such ridiculous things?” Chen Yanran laughed disdainfully.

George Han waved his hand helplessly and said, “I’m telling the truth. If you don’t believe it, I can’t help it.”

“Huang Xiaoyong has a master?” Chen Yanran asked.

“Not bad.”

“It was his master who helped him tame the seven-star alien beast?”

“That’s natural, how can Huang Xiaoyong’s strength in the Four Light Realm be able to deal with the Wing Tiger.”

“His master, who is he.”

“Me.” George Han said, pointing to himself.

“Is he threatening you and not letting you tell anyone about this?” Chen Yanran didn’t believe George Han’s words at all, thinking that he just didn’t dare to reveal the true identity of Master Huang Xiaoyong.

“Think what you like. There is so much I can say.” George Han lay back on the bed, he was very sincere, and told Chen Yanran the true answer. But she didn’t believe it, and George Han was helpless.

“I’m not embarrassing you. After all, such a master threatens you, and you don’t dare to disobey him, but starting today, my Chen family has nothing to do with you.” Chen Yanran said.

“What do you mean?” George Han frowned.

“Haha.” Chen Yanran smiled coldly. Said: “Why do you think you can eat and drink in the Chen family? The Chen family does not contain waste like you. Please pack your things as soon as possible and get out of Longyun City. Don’t let me see you in Longyun City in the future. I will never let you go.”

After speaking, Chen Yanran turned and left.

George Han didn’t expect that Chen Yanran wanted to harm her, and turned her face so fast. He also wanted to use the Chen family’s identity to hide, but now it seemed that there was no chance.

But this is not a big deal for George Han. With Huang Xiaoyong’s apprenticeship in Longyun City, it is just a small problem to help him find a house.

Chen Yanran returned to her room, and Chen Tiexin and his son were still waiting here.

Seeing Chen Yanran’s return, Chen Tiexin couldn’t wait to ask: “How is it, did you ask anything?”

“Huang Xiaoyong does have a master, but George Han refuses to reveal the person’s true identity. He should be threatened. I didn’t dare to ask more. After all, this kind of strong man wants to hide his identity. We are not qualified. To dig deep.” Chen Yanran said solemnly. It’s not that she didn’t want to force George Han to tell the truth, but that she didn’t dare to do so herself.

Chen Tiexin sighed and smiled weakly. Said: “Huang Xiaoyong is so lucky, and I have paid so much for it. But I have found nothing. God is really blind.”

“Brother, don’t worry, you will definitely find a better master.” Chen Yanran comforted.

Chen Tiexin laughed at herself, the more powerful master?

In Chen Tiexin's mind, he was very satisfied to find a strong man in the Seven Lamps realm as his master, but Huang Xiaoyong's master was able to easily subdue the seven-star wing tiger, which shows that the realm of Master Huang Xiaoyong is absolutely not just the Seven Lights Realm, and above the Seven Lights Realm, that's the imperial court official. How could he be qualified to become the imperial court's apprentice?

City Lord's Mansion.

Huang Houyi stood in front of the wing tiger, so excited that he couldn't speak. Huang Xiaoyong's changes during this period brought him too many surprises. For a while, Huang Houyi couldn't believe it was true.

Breaking through two realms in a row is enough to make those three big families dare not act rashly.

But now, Huang Xiaoyong returned with the Seven-Star Alien Beast, shocking the entire Longyun City, presumably the three big families were already shaking, and even regretted doing the right thing with the City Lord's Mansion.

"Dad, how about it, my strange beast is alright." Huang Xiaoyong said to Huang Houyi with a smile.

Okay?

More than okay, in Huang Houyi's view, this is simply earth-shattering, and now Huang Xiaoyong is fully qualified to enter the imperial court. For Huang Houyi, that is something that Huang Houyi would never dream of.

"Son, my father doesn't know what to say. The surprises you have brought me are so much." Huang Houyi said.

“Hey, you don’t have the right to scold me for doing nothing.” Huang Xiaoyong smiled.

“Of course, you are so powerful, how could you have nothing to do.” Huang Houyi nodded and said.

After dispelling the nearby subordinates, Huang Houyi walked to Huang Xiaoyong and asked in a low voice, “Is this seven-star alien beast tamed by your master?”

“Not bad.” Huang Xiaoyong said triumphantly.

Chapter 888

Although Huang Xiaoyong didn’t play any role in taming the wing tiger, being able to be such a master was enough to make Huang Xiaoyong proud, so his answer was very proud.

Huang Houyi would not think that this was not Huang Xiaoyong’s credit and belittle him. After all, not everyone is qualified to have this kind of master.

“Your master, what realm is it? Seven-star alien beasts can be tamed.” Huang Houyi asked curiously.

Huang Xiaoyong recalled the process of taming foreign animals, and still felt shocked in his heart, especially when the red-eyed jade python revealed its real body, the visual shock might make Huang Xiaoyong remember for a lifetime.

The red-eyed jade python, that is the legendary nine-star alien beast!

“Father, I know you are very curious. But you have to be clear, if you know something and accidentally say it. What will be the consequences.” Huang Xiaoyong said.

Huang Houyi nodded again and again. He naturally knew the stakes of this kind of thing. A master like Huang Xiaoyong would not want to reveal his whereabouts. There must be a reason. If anyone leaked it out, he would not dare to imagine the end. of.

“Okay, since that’s the case, I still don’t want to know it well. If you drink too much and accidentally talk about it, it will be a bad thing.” Huang Houyi said.

Huang Xiaoyong patted Huang Houyi on the shoulder and said, “Father, you just need to know that he is very powerful, so powerful that you can’t imagine it.”

At this time, a servant stood in the distance. He was hesitant to talk.

Huang Houyi beckoned to him and asked, “What’s the matter?”

“There are people from Wangxie’s family.” The servant approached and said to Huang Houyi.

Huang Houyi smiled faintly. Wang and Xie’s family probably came to show it. After all, now Huang Houyi has tamed the seven-star alien beasts, and these two families are no longer qualified to do the right thing with the City Lord’s Mansion.

“Tell them, I don’t have time today, no see.” Huang Houyi said.

“Yes.” The servant took the order and left.

Huang Houyi said with a smug expression: “These old things used to treat me as a puppet. At that time, I swore that one day I would trample them under my feet. I didn’t expect that my wish would come true so soon, son. Thank you, if it were not for you, how could the Wangxie family change their attitude so quickly.”

“Father. From now on they will know more and more that my Huang family is great.” Huang Xiaoyong smiled.

Huang Houyi laughed up to the sky, it can be said to be very high-spirited. Many people once said in private that Huang Xiaoyong was a useless prodigal son. But now, Huang Xiaoyong has proved himself with strength. Who is qualified to say those things?

Chen Family Mansion.

When Wang and Xie's family appeared in front of the gate of the City Lord's Mansion, they received the news immediately.

The intentions of the Wang and Xie family can be imagined. They are obviously afraid of Huang Xiaoyong's current strength, so they want to seek peace with the city lord's mansion to avoid future incidents.

This is not good news for the Chen family. If the Wang and Xie family compromise with the City Lord's Mansion, the Chen family alone will not be able to set off any storm. And now that Huang Xiaoyong's strength has greatly increased and he is accompanied by a wing tiger, this is not even the Chen family has the qualifications to deal with.

"It seems that I was the only one to visit the City Lord's Mansion. From now on, Longyun City can only be named Huang." Chen Yuanhai sighed.

Although Chen Tiexin didn't want to see things come to this point, Huang Xiaoyong's strength lies there, and the Chen family has no choice but to compromise.

"Father, let me go, how can I let you come out in person." Chen Tiexin said.

Chen Yuanhai shook his head helplessly. Said: "Wang and Xie's family, but both the heads of the family came forward. If my Chen family sent you, wouldn't it be utterly talked about? Only if I do this personally can I reflect the sincerity of the Chen family."

At this moment. Chen Yanran said suddenly: “Father, I will go with you.”

“Yan Ran, what are you going to do.” Chen Yuanhai said puzzled.

“I and George Han are not married, and I have already driven George Han out of the Chen family.” After hesitating for a long time, Chen Yanran gritted his teeth.

When these words came out, Chen Yuanhai and Chen Tiexin were shocked.

Although she did not express her meaning clearly, Chen Yuanhai and Chen Tiexin understood very clearly what she wanted to say.

Once Chen Yanran dismissed Huang Xiaoyong, and even felt disgusted by Huang Xiaoyong’s pursuit, but now she actively wants to show her favor to Huang Xiaoyong. This is not only to let go of one’s dignity, but also to ignore one’s own happiness.

“Yan Ran, no. I will never allow you to do this.” Chen Tiexin objected.

“Brother, if I don’t do this, how can I know who Huang Xiaoyong’s master is? Moreover, no one can shake the status of the Huang family now. If I marry him, I can also stabilize the position of the Chen family in Longyun City. “Chen Yanran said.

“No. Isn’t this a joke about my Chen family being seen by outsiders? Huang Xiaoyong likes you. It is a well-known thing in Longyun City. You used to dismiss him and now take the initiative to send it to the door. Being chewed by outsiders, saying that you deliberately clung to Huang Xiaoyong.” Chen Tiexin said.

“I know, but I believe Huang Xiaoyong will ban these remarks. Since he likes me, he will listen to me.” After a pause, Chen Yanran continued: “If I can control Huang Xiaoyong, it is equivalent to controlling the city lord. The mansion, the future Longyun City, will be my Chen family’s world.”

This made Chen Yuanhai a little moved, but he didn't know how ridiculous it was. With Huang Xiaoyong's current status, how could he still put Chen Yanran in his eyes?

In the past, Huang Xiaoyong liked Chen Yanran for real, but now Huang Xiaoyong has long forgotten Chen Yanran in his heart, and this nominal teacher is not Huang Xiao brave to provoke.

More importantly, if Huang Xiaoyong knew that George Han had been driven out of the Chen family, he would only regard the Chen family as an enemy.

Compared with the master, the weight of the latter is not comparable to that of the former.

"Yan Ran, are you sure Huang Xiaoyong still likes you now?" Chen Yuanhai asked.

Chen Yanran smiled confidently and said: "Father, do you think there is any woman in Longyun City that can compare to me in appearance? Huang Xiaoyong will persistently like me for so many years. It's not unreasonable, a man like him. , I donated a smiling face, enough to make his dream turn a thousand times."

Chen Yuanhai nodded and said, "In this case, you can walk with me. The Wang and Xie family did not even enter the gate of the City Lord's Mansion. Maybe you will have a miraculous effect if you go."

Chen Tiexin wants to say something, but since his father has made a decision, he can't control him. He can only remind Chen Yanran: "Yan Ran, if Huang Xiao bravely shows you a little bit of expression, you must not wrong yourself."

"Brother, don't worry, how could he dare to show my face." Chen Yanran smiled.

“Master, master, the Xie family is here.”

In the City Lord’s Mansion, the subordinates panicked and ran to Huang Houyi and his son.

Huang Houyi glared at the people, this was not a big deal, it was worth his panic.

The talents of the Wang and Xie family were driven away. Is it possible that he was also afraid of the Chen family?

“You are also a member of the City Lord’s Mansion anyway, so the Chen family scared you like this?” Huang Houyi said dissatisfied.

“Master. Not only Chen Yuanhai is here, but also Chen Yanran.” The servant said.

Huang Houyi was taken aback, and then he understood the reason for his hurried panic.

Huang Xiaoyong has liked Chen Yanran for many years. This is something everyone in Basin City knows. When she faced Huang Xiaoyong’s pursuit, she refused very happily, but she had never personally visited the door.

And this time, Chen Yanran took the initiative to come to the City Lord’s Mansion. But it’s meaningful.

Huang Houyi glanced at Huang Xiaoyong, then looked up to the sky and laughed, and said: “Son, it seems that this woman has already taken you seriously. She came to my City Lord’s Mansion on her own initiative. This is to show you good.”

If before changing, Huang Xiaoyong would like to kneel on the ground to greet Chen Yanran. In front of this woman, Huang Xiaoyong had already abandoned his dignity. As long as he could make Chen Yanran happy, Huang Xiaoyong would do anything.

In the words of the earth, he is an out-and-out licking dog.

But that was before, and now Huang Xiaoyong has long stopped taking Chen Yanran in his heart. For him, this woman is a nominal teacher's wife. Only the master can decide what will happen to her.

"Son, this is your best chance to get her, you can figure it out." Huang Houyi said with a smile.

Huang Xiaoyong shook his head faintly, and said, "Father, do you think I still need her? With my current position, what kind of woman does not have, even if I ask for it from the imperial court. The imperial court will carefully select for me. Chosen."

Huang Houyi nodded. Although this is a bit exaggerated, there is indeed such a possibility. The seven-star beast master, the imperial court will definitely pay special attention to it. Huang Xiaoyong's small request is to the imperial court. Say, it's not a matter at all.

"See you or not, you decide for yourself." Huang Houyi said.

"See, I want to see what she is going to do." After speaking, Huang Xiaoyong followed the people to the gate of the City Lord's Mansion.

Chen Yanran appeared in the city lord's mansion, and the Wang Xie family received the news at the same time. Since they had not even seen Huang Houyi, they were very dissatisfied with the inferior methods used by the Chen family.

"Unexpectedly, the Chen family would push Chen Yanran out. Isn't this woman already married? Does the Chen family still want to use her to win the relationship with the City Lord's Mansion?" The Wang Family Master gritted his teeth.

Patriarch Xie sneered coldly and said: "As far as I know, Chen Yanran and the trash are just a couple in name. The two of them have no real husband and wife.

Chen Yanran is still Yu Jie and clear. If the Chen family wants to use her to win over the City Lord's Mansion. Relationship. Our two families have fallen behind."

"What is the difference between Chen Yuanhai's behavior and selling his daughter? This old thing is really shameless." Patriarch Wang said unwillingly. He didn't put the city lord mansion in his eyes before, but now, the clan lord Wang eagerly wants to fight the city lord mansion. Good relationship, because this is the foundation of the Wang Family's foothold in Longyun City in the future. If the gap with the City Lord's Mansion is not resolved, this will eventually become a hidden danger for the Wang Family.

"Hey." Patriarch Xie sighed and said: "Who makes our family have no beautiful daughters, but in my opinion, there is another possibility in this matter. After all, Huang Xiaoyong is not the previous Huang Xiaoyong, he is It's not that I still like Chen Yanran, this is unknown."

Patriarch Wang nodded, Huang Xiaoyong is no longer the same as before, maybe he really looks down on Chen Yanran this woman.

"Let me keep an eye on the situation in the City Lord's Mansion. As soon as I have the latest information, report it immediately." Family Master Wang said to his servant.

Outside the gate of the City Lord's Mansion.

When Chen Yanran saw Huang Xiaoyong appear, her face showed a smug smile, because Wang Xie's family was driven away without seeing anyone. And Huang Xiaoyong came out to see her, which was enough to explain the different treatment of her by the City Lord's Mansion.

In Huang Xiaoyong's heart, she still has her, otherwise, how could she come out in person.

“As the saying goes, don’t treat each other with admiration for three days, Huang Xiaoyong, I haven’t seen you for a while, you are different now. The four light realm powerhouse, and also the seven-star beast control master, really let me not expect it.” Chen Yanranyi Said to Huang Xiaoyong with a smile, this was absolutely impossible in the past. Chen Yanran would be irritated as long as he saw Huang Xiaoyong, so how could he smile at him.

“For so many years, I have never seen you smile at me, but today is the sun coming out from the west?” Huang Xiaoyong said lightly.

Chen Yanran frowned slightly. The tone of these words made Chen Yanran feel that Huang Xiaoyong’s attitude towards him seemed to have changed, but Chen Yanran guessed that he was just playing airs in front of him on purpose.

“Huang Xiaoyong, don’t you invite me in and sit down?” Chen Yanran said.

“The number of times I have invited you to the City Lord’s Mansion, countless times, I can’t remember it myself, but every time you refuse it very happily, just let it go this time, if you have anything, just go straight Say it.” Huang Xiaoyong said.

Chen Yuanhai did not interrupt, because since Chen Yanran is here, she would be the best to solve this matter, but at this time he clearly felt that Huang Xiaoyong had a feeling of rejection of Chen Yanran’s attitude. It’s not the attitude you should have towards your sweetheart.

The only explanation is that in Huang Xiaoyong’s heart, Chen Yanran is no longer there. All he will have such a change of attitude.

An unknown premonition spread in Chen Yuanhai’s heart, but he did not stop Chen Yanran, after all, he still had a glimmer of hope in his heart.

“Okay. Let me just say it here.” After a pause, Chen Yanran continued: “My relationship with George Han, you should know, we are just a couple in name. I didn’t let him touch him. I.”

“So, what do you mean by these words?” Huang Xiaoyong asked.

“I have kicked him out of the Chen family. If you want to marry me, you only need to choose a good day and auspicious day.” Chen Yanran said very directly. Without any concealment, tell Huang Xiaoyong clearly that I am willing to marry you.

But Huang Xiaoyong was angry after hearing this sentence. What he cared about was not marrying Chen Yanran, but that the master had been driven out of the Chen family by Chen Yanran!

This stupid woman, Bao really doesn’t know the truth before her eyes. She wants the Chen family to become stronger. She only needs to take good care of George Han. Even Chen Tiexin’s realm is something that George Han can help improve, and she , It is ridiculous to shut out the best opportunity.

Chapter 890

Huang Xiaoyong wanted to ask George Han where he went, but his relationship with George Han should not be exposed. If he asked so directly, it would definitely arouse the suspicion of the Chen family, so he could only suppress the urgent desire in his heart.

“Chen Yanran, don’t you really think I will marry you again?” Huang Xiaoyong said.

“You like me, don’t you, this is the best chance for you to get me. Would you like to miss it?” Chen Yanran asked without changing her face, she believed from beginning to end that as long as she was willing to nod, Huang Xiaoyong would still Love her as before, this kind of absolute self-confidence manifested in Chen Yanran, in fact, it seems particularly ridiculous.

To describe Huang Xiaoyong's state at the moment in one sentence, he used to ignore me, but now you can't afford it.

Huang Xiaoyong now. Even if you have the qualifications to enter the imperial court, how can you be persistent with Chen Yanran?

And this woman has driven her out of the house even the master, how could he lead her into the city lord's mansion!

"Chen Yanran, you are too arrogant. I did like you like an obsession before, but now, you don't deserve it." Huang Xiaoyong said coldly.

Not worthy!

These two words caused Chen Yanran's expression to change drastically, and she never expected Huang Xiaoyong to say such words.

All confidence collapsed at this moment.

Chen Yanran almost fell to the ground without stabilizing her figure.

To support herself, Chen Yanran continued: "Huang Xiaoyong, have you really figured it out? This is your last chance."

"Chen Yanran, I think very clearly. It's just that you don't know enough about yourself. Guess how long it will take for me to tame the seven-star alien beast to the imperial court. Guess again, the imperial court will How long does it take to send people to Longyun City, and now I have the qualifications to enter the imperial court, and what are you?" Huang Xiaoyong said.

These remarks were very shocking. Huang Xiaoyong did not leave Chen Yanran any leeway. If she was not Master's nominal wife, she did not drive Master out of

the house. Huang Xiaoyong might still give Chen Yanran a little bit of face, but now, it's not necessary.

Now that George Han had been kicked out of the Chen family, the woman in front of him was not even the master's nominal wife.

Chen Yanran's face was as white as paper. Huang Xiaoyong said that she could not find the least room for refutation. The Royal Court has always attached great importance to the beast control master, not to mention the seven-star beast control master Huang Xiaoyong, now he enters the imperial court. But it's something that can be done by nodding.

"Huang Xiaoyong, don't go too far." At this time, Chen Yuanhai on the side finally couldn't help it, and snapped at Huang Xiaoyong.

"Chen Yuanhai, what kind of thing do you dare to point me?" Huang Xiaoyong looked at Chen Yuanhai coldly. This old thing has always been arrogant in Longyun City, and he and his father weren't taken seriously before. But now the situation has changed. Chen Yuanhai couldn't even recognize his identity.

"Chen Yuanhai, with the current strength of my City Lord's Mansion, it is just a matter of one sentence to destroy the Chen Family, do you really dare to offend me?" Huang Xiaoyong continued.

These words awakened Chen Yuanhai like a basin of cold water.

He is indeed no longer qualified to challenge the City Lord's Mansion, and even if the City Lord's Mansion now destroys the Chen family, the Royal Court will most likely cover this matter. After all, for the Royal Court, an ordinary family and Seven-Star Commander Beast The teacher has no way to compare.

"I am no longer the one I used to be, and the city lord mansion is no longer the old city lord mansion. It's not that you, an old thing, can swear at will. Do you really

think that the current Dragon Cloud City is the three major clans that have the final say? “Huang Xiaoyong sneered at Chen Yuanhai.

Chen Yuanhai didn’t dare to look directly at Huang Xiaoyong’s eyes. For him, this young man was not in his eyes. He is now aloof and he is not qualified to preach.

Chen Yuanhai didn’t want the act of ingratiating this time, but it eventually turned into deepening the grievances between the City Lord’s Mansion and the Chen Family.

“Huang Xiaoyong, my Chen family will never intervene in anything in the City Lord’s Mansion in the future. This is the attitude of my Chen family. Please tell your father.” Chen Yuanhai said, the compromise and concession made by these words can be regarded as a compromise. Discarded all the dignity of the Chen family.

But Chen Yuanhai had to do this. In front of the strong, there is no reason not to bow his head?

At this moment, Chen Yanran suddenly knelt down.

This made Chen Yuanhai panicked.

The compromise he just made was the biggest concession. Why did Chen Yanran kneel down?

“Daughter. What are you doing.” Chen Yuanhai hurriedly tried to support Chen Yanran, but Chen Yanran questioned her knees and pushed Chen Yuanhai away.

“Huang Xiaoyong, I know, it was my fault before, please forgive me.” Chen Yanran said to Huang Xiaoyong.

In Huang Xiaoyong's mind, Chen Yanran's image has always been a lofty goddess, which he did not expect. The goddess actually kneeled to him one day, and also prayed for his forgiveness.

It is a pity that forgiveness or not will not change the position of the Chen family in Longyun City, nor will it change Chen Yanran's image in Huang Xiaoyong's heart.

The most critical factor in this matter was that the Chen family did not find a real opportunity. They turned away the opportunity, treated a great power as a waste, and drove a top beast master out of the house.

This is wrong!

Wrong!

Huang Xiaoyong laughed and laughed from the bottom of his heart. He looked at the woman in front of him and thought, if you treat Master better, the Chen family will surely soar into the sky in the future. Chen Tiexin's desire to join the imperial court is only a matter of a word from Master. That's it.

For so many years, Chen Tiexin has been searching for a higher teacher abroad for many years. Nothing, but now, the most powerful person is in the Chen family. Unfortunately, they drove the strong away.

"Chen Yanran, maybe one day in the future, you will understand how outrageous you are." Huang Xiaoyong said lightly. Then turned back to the city lord's mansion.

Chen Yanran didn't understand Huang Xiaoyong's words very well. One day in the future, she will know how wrong she is. Why is it wrong? Chen Yanran didn't even know where she was wrong.

Although she was really too much of Huang Xiaoyong before. But now she has knelt down to apologize, is it wrong to kneel down?

“Daughter, let’s go home.” Chen Yuanhai supported Chen Yanran with a distressed look.

Chen Yanran seemed a little lost. She came to the City Lord’s Mansion on this trip. The result was completely beyond her expectation. Apart from the shock, Huang Xiaoyong’s words became her biggest confusion.

After returning to the City Lord’s Mansion, Huang Houyi walked to Huang Xiaoyong’s side and said, “How about, do you feel like a happy feeling? In the past, the three major families were not optimistic about you, but now, you finally gave yourself a sigh of disgust. .”
