

The Contract Lover Chapter 221 - 230

Chapter 221

Noila Mo held the phone and listened to the hollow beep inside, a heart, ups and downs, sorrow and sorrow mixed with sweetness, when he recovered, he found that he had been standing by the window for almost half an hour.

My heart was so hollow, I swiped my finger on the phone screen, turned to Allen Chu's phone, hesitated again and again, but never dared to dial the number.

After dialing the phone, what can she say? What about a thank you?

He is about to be engaged to Xiang Hanwei. On his emotional scale, she is inferior to Xiang Hanwei after all.

Why bother!

Noila Mo put away the phone sadly, his heart was as messy as it was overgrown with weeds, sitting on the sofa, with him on the sofa, walking into the kitchen, there was him in the kitchen, lying on the bed distractedly, there was him on the bed!

Allen Chu is everywhere, occupying all her thoughts.

Noila Mo hugged her head madly, she would really be crazy if this continues!

Noila Mo grabbed her bag and rushed out the door. She needed to breathe a little different air!

Outside the community is the bustling commercial street, and Noila Mo is going to eat something first.

The phone rang, Noila Mo's heart jumped, and quickly opened the bag and took out the phone.

The phone number of Salmon Shen was displayed on the screen. Noila Mo was disappointed in her heart, but still smiled and answered the phone: "Senior Shen... Oh, no, Salmon, are you looking for me?"

"Noila, I'm on XX Road, C City, is it convenient for you to come and meet?"

In a restaurant on XX Road, Salmon Shen and Noila Mo sat opposite each other.

"Noila, I'm sorry. Heart-warming her... She is looking for someone to deal with you. I only found out this morning." Salmon Shen pondered hard.

A pair of amber eyes, with a little bit of pain and embarrassment, avoided Noila Mo's sight.

Noila Mo shook his head, but found that he didn't know what to say.

After pondering for a long time, she gently asked, "Salmon, do you love her mother? Do you love Liang Nuanxin?"

Salmon Shen seemed to be scorched by the hot coals, and his eyes trembled: "Noila, you should know who I love."

"Salmon, you..." Noila Mo was about to speak, and Salmon Shen waved her hand to stop her: "Noila, you listen to me and finish talking."

He was silent for a moment before slowly speaking: "I have known Nuanxin for ten years, and she is the mother of my son again. If I say that I don't love her, it's too disrespectful to her. But I can't deceive myself against my heart. , Saying that I do have the kind of love between men and women for her. My heart-warming love is the love between relatives."

Noila Mo raised his eyes to look at Salmon Shen, eyes wet with tears. Her Senior Shen, always so gentle, so gentle, so affectionate, never let her down.

If he told Noila Mo that he did not love Liang Nuanxin, she would be very chilling.

“Salmon, I don’t know Liang Nuanxin, so I can’t tell what kind of person she is. But there is one thing I’m sure of. She loves you very much. She loves you very much.” Noila Mo held back her tears and smiled. Xiang Salmon Shen: “As a bystander, I have no standpoint to make irresponsible remarks about your feelings. I only have a heartfelt saying: cherish the people in front of you.”

Salmon Shen also looked at Noila Mo, with pain in his eyes: “Noila, what you mean. I understand.”

What she meant, he understood.

She can’t give him the love he wants. Her heart has never really stayed on him.

Noila Mo’s mouth raised a pretentiously relaxed smile: “Salmon, in the future, if it is not necessary, we still don’t want to meet. This way, it will be good for you and me.”

If he still has affection for her, she deliberately pretends to be ignorant and enjoys a man’s care and concern for her, she really can’t do it. That way, it would be unfair to Liang Nuanxin.

Salmon Shen’s eyes darkened, and he lowered his eyelashes in silence. After a long while, he raised his eyes and fixedly looked at Noila Mo: “Okay.”

It is better to forget each other in the arena.

If you can’t be a lover, you can’t be a friend. As long as he still loves her, he will never be able to say “We are friends.”

After eating a meal in silence, Noila Mo's heart was severely congested. The two walked out of the restaurant and looked at the crowds on the street. Noila Mo's eyes became sore again.

It's time to say goodbye. Separating the two cities, there is no intersection between each other's work, perhaps, this is the last side.

"Noila, I heard Warm Heart talk about Allen Chu." Salmon Shen said suddenly.

Noila Mo quickly apologized: "I'm sorry, I really didn't know he would treat her like that, and I didn't know beforehand."

Salmon Shen shook his head: "It was heart warming that was wrong first, and I don't blame him. Noila, I repeat the old thing, just want to admit a fact. I was really wrong back then. I thought Allen Chu was only obsessed with you for a while. I just know. He treats you sincerely. Noila, you let me cherish the person in front of me. I will give you this sentence."

Noila Mo smiled bitterly and shook his head: "Me and him, there is no way to look back. He is going to be engaged to Xiang Hanwei."

Salmon Shen's tone was calm: "I've heard about this. Chu's stock has fallen sharply a while ago, because of this incident, it has soared again. I guess there should be another secret behind the engagement. With Allen Chu There will be no such a buffer as an engagement for his personality. If he really loves Xiang Hanwei, he won't be in love for three years before getting engaged."

"What do you mean?" Noila Mo was silly, she needed confirmation from Salmon Shen's mouth to soothe her confused heart.

Salmon Shen laughed a little self-deprecatingly: "After I met you that day, I collected various information about Allen Chu to study. He and Xiang Hanwei, as well as your relationship, I also have a certain understanding."

Ah... Noila Mo's eyes widened in surprise. Senior Shen, when was it so dark?

"Noila, I didn't deliberately inquire about your privacy. But... I really can't help but want to understand your current life." Salmon Shen hurriedly explained: "Judging from the information I got, Allen Chu's engagement should just be delayed. And a strategy to stabilize Xiang's family. Allen Chu will not marry a woman he doesn't love!"

Noila Mo looked at Salmon Shen, feeling moved.

This man really gave her all his heart. His heart is so pure and selfless, without a trace of dirt or dust.

Noila Mo stretched out her arm moved: "Senior Shen, I understand. Thank you!"

Just come for the last hug. This is the only memorial in this life and this world.

Salmon Shen hesitated, approached her and hugged her tightly. Tears fell from the corners of their eyes at the same time, light and heavy.

Chapter 222

After saying goodbye to Salmon Shen, Noila Mo walked forward blankly.

The world is so big, but she feels so lonely.

A family of three walked by the road. A beautiful little girl was holding her father in her left hand and her mother in her right hand, with a pink bow on her head, smiling innocently.

There is a mobile stall selling candied haws on the side of the road. The little girl stared at the big red candied haws with her big shiny eyes. The hand of the coquettish mother Yaoyao: "Mom, Mengmeng wants to eat candied haws!"

“No way! Too much sugar will break your teeth.” Mom speeded up, trying to pull the little girl forward.

The little girl turned her head to look at her father pitifully: “Daddy, is Mengmeng eating candied haws?”

The immature childish voice is so soft that people’s hearts are melted away.

Dad picked up the little daughter over his head and let her ride on his shoulders: “Okay. Dad buys candied haws for Mengmeng!”

The mother stopped helplessly, and said grotesquely: “Look at you, I’ve spoiled the child so lawless!”

Although it is grotesque, in his tone, it is full of happiness and warmth.

Noila Mo looked at the happy family of three, her eyes were slightly moist. If Sihan is really her son, how great! The sky is big, there is always a concern, a pair of small hands will hold her skirt, love her unreservedly, trust her.

There seemed to be a huge hollow in my heart, and when the wind blew, it was cold into the bones.

In June, Noila Mo couldn’t feel the temperature at all.

She walked aimlessly along the bustling street, lonely and deserted, and even the shadow was pitiful.

Just walking past the corner of the street, I inadvertently saw a black SUV with a license plate C**888. Noila Mo’s breath suffocated. There is only one in C city with such a windy license plate.

I want to walk away quickly, but my feet are rooted. There is a private club opened by Allen Chu nearby. His car is here, and he must be in the clubhouse.

I haven't seen Allen Chu for several days, and there is no news from Sihan.

If it's a chance encounter, can you just ask Sihan's eyes by the way? Noila Mo used this excuse to convince herself that her deep desire to see Allen Chu became increasingly anxious.

She wanted to ask him, is what Senior Shen said true? Is his engagement with Xiang Hanwei really just a slow-down strategy?

Noila Mo hovered beside the car for a while, and had already attracted the attention of nearby security. The security guard stared at her intently, as if she was some car thief.

Noila Mo was very embarrassed by the security, there was a water right next to it, so she walked in and ordered a cup of fruit tea, and sat by the window to drink slowly.

Halfway through the fruit tea, a tall man walked out behind the palm tree opposite the clubhouse. Simple black T jeans, but he wore a star-like aura.

However, next to him, there was a beautiful woman who looked familiar, as if she had taken a certain shampoo advertisement.

The woman followed Allen Chu toward the car, her waist twisted in the stormy sea, and she was charming.

Chapter 223

Noila Mo looked at Allen Chu and the woman through the window glass, and his heart was completely cold.

Allen Chu's clothes were very casual, and the women dressed up very coquettishly and coquettishly. It can be seen that this is not a customer relationship at all. The most likely thing is that Allen Chu fell in love with this woman, all night long and so on.

Seeing the woman looking up and smiling flatteringly at Allen Chu, and thinking about Salmon Shen's words, "He treated you sincerely," Noila Mo felt extremely ironic.

She had forgotten that Allen Chu had never broken a woman. That Liu Zichen at the beginning, the young model later, and the four-tier star now, were all she saw with her own eyes. What she doesn't know, maybe more...

The fruit tea is cold and it is very bitter in the mouth. Just like Noila Mo's bitter heart.

In the car, Bai Bingbing looked at Allen Chu's handsome side face, regretful and disappointed in his heart. The president of the Chu family has been admired for a long time. The sisters in the circle said that he is not only handsome and gold, but also generous. This time Allen Chu came to her. She thought she was going to climb Gaozhi, but unexpectedly, he just asked her to do it. Deal!

The commission for this transaction is high, but the risks behind it are also great, and she is still a little worried.

"Mr. Chu, will you really send me abroad after this is done?" Bai Bingbing blinked his big watery eyes and asked Allen Chu charmingly.

"Ten million cheque. A house in Chicago, USA, and a green card." There was a red light in front of him, and Allen Chu was knocking on the steering wheel a little irritably. Bai Bingbing didn't glance at the corner of his eye, and the answer was very brief and concise.

Bai Bingbing pretended to be very pitiful: “Mr. Chu is really generous in his actions, but the person you are going to deal with also has a lot of background. If something happens to me, my parents at home will definitely die.”

“What do you want?” Allen Chu raised his eyebrows and stared sharply at Bai Bingbing.

Bai Bingbing twisted her body on the seat and adjusted her voice to the softest and most seductive tone: “Mr. Chu, can’t you keep covering me? You are so busy and tired at work, and occasionally need a confidant to adjust. Isn’t it an adjustment?”

If you can be taken care of by Allen Chu, live together for a year or a half, and then “accidentally” conceive a child, you will get more than 10 million fortune...

Bai Bingbing had a wishful thinking in his heart, and the more he thought about it, the more he found it worthwhile. Allen Chu is handsome and rich, and heard from the sisters that he is also very good in bed. Simply the best benefactor!

A smile appeared at the corner of Allen Chu’s mouth, and he simply turned the car into the alley next to it and stopped: “Confidante? Then let me inspect the goods first.”

Inspection? Bai Bingbing panicked a little. In the blue sky and white sun, there are still pedestrians on the street outside, how do you inspect the goods?

“I’ll give you three minutes.” Allen Chu took out a cigarette from the cigarette box and smoked it leisurely.

In the faint smoke, Bai Bingbing looked at the still quiet alley, gritted his teeth and took off his coat.

Allen Chu stared at the abundance in her cup, and vomited a circle of eyes: “Continue.”

Bai Bingbing was delighted when he saw Allen Chu's eyes. Her chest is very good, big and tall, and no man has ever escaped her offensive.

Regardless of the possibility of being seen, Bai Bingbing took off the short skirt below. Wearing only underwear, he was sitting enchantingly in the passenger.

"Mr. Chu, are you satisfied?" She winked at Allen Chu, deliberately straightening her chest.

Bai Bingbing's figure is really good, exquisite and stylish, fat where he should be fat and thin where he should be thin. Definitely a devil figure.

Allen Chu's eyes were dark and full of desire.

Bai Bingbing naturally understood Allen Chu's needs on the occasion of wind and moon, Jiao Xiao picked up his clothes to cover her body, and winked at Allen Chu: "Mr. Chu, this is not far from your club. It's still too late to go back... .."

Chapter 224

As Bai Bingbing said, he leaned forward actively, and his silky skin rubbed Allen Chu's arm through the thin cloth.

The meaning of seduction is self-evident.

Allen Chu's breathing became heavy, his arms slowly lifted, but he stopped abruptly: "Get dressed and roll down! Ten million plus a mansion and a green card, or corpse on the street tomorrow, you choose, you choose and tell I!"

Bai Bingbing's head buzzed, his eyes widened and looked at Allen Chu in shock. He is clearly emotional, why is he still driving her out of the car so coldly?

The sisters in the circle said that he used to play crazy, drink money and wealth, and he never refused to come. Why is it that you have changed so much today that you can't be tempted by beauty now?

Seeing Bai Bingbing staring at him blankly, Allen Chu was so irritated that he smashed the steering wheel: "Hurry up!"

The murderous look in his eyes is so shocking.

Bai Bingbing hurriedly put on his clothes and climbed out of the car rolling. As soon as she stood firm, Allen Chu's car had already whizzed her out of the alley!

An unknown fire was burning in his heart, and Allen Chu's desire to be picked up by Bai Bingbing had not ceased, his pants were pushed out of a small tent.

Damn it! He speeded up all the way, running through a few red lights, but didn't know where to go.

It's been a long time since his body swelled up and exploded, but the damn little woman gave him a gu, except for her, no other woman can be satisfied!

Allen Chu returned to the company with a cold face, his face so dark that he made the secretary frightened, and he slammed his head against the glass door in a panic, causing a big bump on his forehead.

Allen Chu slammed the door and rushed directly into the bathroom in the suite.

When the white turbid liquid finally splashed out, his tight body slowly relaxed.

Rinse and clean up, he looked at his dissatisfied expression in the mirror, and gave a bitter smile.

The president of the dignified Chu family actually hid in the bathroom and solved it by hand. Who would believe this?

Impatiently picking up the phone, he directly dialed Noila Mo's number: "What are you doing?"

Noila Mo had just arrived home, and was sitting at the table in a daze. He answered the phone and heard Allen Chu's voice.

Hearing Allen Chu asking her, he was taken aback for a while and said coldly: "Is there something wrong?"

Suspecting that Noila Mo's phone was being monitored, Allen Chu had always endured not calling her. As a result, I was impulsive to look for her once today, but the little woman was so shameless.

That tone, that tone, how cold and cold!

Is something wrong, the three words really knocked him down. He was fine, just missed her. But he couldn't say this sentence anyway.

"I will be engaged to Xiang Hanwei next Wednesday, you must come to attend." Allen Chu blurted out with a twitch of his mind.

Noila Mo smiled with anger: "Who do you think you are? You said I must come if I have to come? Sorry, I am not interested in attending your engagement ceremony!"

It's not interesting. Not interested is just jealous. Very good, he likes Noila Mo being jealous.

Allen Chu's mood became inexplicably good, and the corners of his mouth curled up: "Noila Mo, do you want to know the whereabouts of your daughter?"

Chapter 225

Where is the daughter? Noila Mo trembled all over. She covered her heart with her hand, and her voice changed anxiously: “Where is my daughter? Allen Chu, what are you talking about? My daughter is still alive?”

Hearing Noila Mo’s eager voice, Allen Chu felt a pain in his heart. The truth almost blurted out, but was suppressed by him.

“Yes. She is still alive. If you come to my engagement wedding, I will tell you where she is.”

The daughter is still alive! Noila Mo’s heart was suffocated, and she shouted like crazy: “Where is she? Allen Chu, tell me, where is she?”

“She is very good. Very happy, and very cute. You will know when you see her.” Allen Chu promised: “As long as you are willing to attend my engagement ceremony, I will tell you everything about her.”

Noila Mo held the phone tightly, and his blood boiled from Allen Chu’s words. Her daughter is still alive! It turned out that God was not too cruel to her after all!

Tears of surprise blurred his eyes. Noila Mo nodded heavily to the phone: “Allen Chu, I promise you that I will definitely come to your engagement ceremony.”

Allen Chu never lied. He said that his daughter is still alive, so she must be alive.

Noila Mo has hung up the phone, Allen Chu is still holding the phone and muttering to himself: Noila, I will give you a surprise. Be patient for a few more days! I promise that you will be the happiest every day in the future!

The news of her daughter made Noila Mo exude joy all over, the haze over the past few days has also faded a lot, and the whole body is radiant.

She wanders in the nearby shopping mall every day, small skirts, little hats, dolls, fairy tale books, all kinds of toys, every day is a big purchase. I owe my daughter five years of maternal love, and it is not enough to make up for it.

The little girl's pink items filled the bedroom. Every night before going to bed, Noila Mo looked at these things with sweetness in her heart. Dreaming of her beautiful and well-behaved appearance, the heart of waiting became more and more impatient.

Gu Jinxin's belly was already pregnant. When she came to Noila Mo's house to see her, she was shocked by the children's products in her bedroom: "Noila, I know you are owed to your daughter, but you have bought too much. Right! You don't know her current figure and hobbies, what if she doesn't like these?"

Noila Mo combed the long golden hair of the doll with his fingers, smiling full of longing: "If she doesn't like it, I will buy it again. Until she likes it."

Gu Jinxin squeezed her face: "Sure enough, you still have more maternal love. My baby is almost five months old, and I haven't even bought a baby thing now!"

Noila Mobai glanced at her: "Okay, don't show your affection anymore, who doesn't know that Pei Jun is ready for a long time. And your mother-in-law, who is used to your pet, is that used to it! The princess can't match it, it should be Call you the empress dowager!"

Gu Jinxin was pierced by Noila Mo's disguise, and was not angry, and smiled and hugged her neck: "What should I do, my life is good!"

Noila Mo smiled as she looked at her friend's mellow and rich face, and said sincerely: "Jinxin, cherish it."

Gu Jinxin nodded moved: "Well, Noila, I don't think you and Allen Chu will be over like this, Noila, you will definitely be happy."

Noila Mo's eyes darkened: "He Allen Chu, I don't think about it anymore. Now I just want to find my daughter and bring her up."

Gu Jinxin hugged her gently: "Noila, don't worry, everything will be fine. Good people will be rewarded."

Noila Mo smiled: "Well. Tomorrow will definitely be better than today. Every day in the future will be better than now."

Chapter 226

Today is the day of Allen Chu's engagement. Gu Jinxin, dressed in a small beige dress, took a seat in the Gu family's Mercedes and asked Noila Mo to attend the engagement ceremony.

Noila Mo was picking clothes and opened the door to let Gu Jinxin walk in. Her eyes lit up by the little dress on her: "Jinxin, you are really beautiful today!"

Gu Jinxin pulled her skirt up and said, "Your flattery is too fake, your belly is so convex, where can you see where you are in a dress?"

Then, she glanced at Noila Mo's black dress: "You wear this?"

Noila Mo nodded. Black is the safest, anyway, she is just a spectator. I went to the engagement ceremony, just to get news from my daughter.

"No! Change it now! It's a hot day, what black you wear, it looks stuffy, hot and old-fashioned!" Gu Jinxin pushed Noila Mo towards the bedroom: "Go and change your linden green tube top dress! Put on it! Go there and throw it right to Hanwei Ten Streets!"

Noila Mo looked at her friend funny: "I'm not going to grab the limelight with her."

She has already lost to Xiang Hanwei. Wouldn't it be ridiculous to grab the limelight again?

“Just to grab the limelight! Let Allen Chu see you desperately, it's best to announce on the spot to break up with Xiang Hanwei and hold the wedding directly with you!” Gu Jinxin said, filled with indignation.

She had always believed that Allen Chu's engagement ceremony had other secrets, and that this marriage would definitely not be finalized. As a result, the ceremony was about to be held today, but she didn't show any moths, and her heart was beginning to lose ground.

“Don't be silly! Allen Chu has invited so many celebrities in politics and business, if there is an accident at the wedding, wouldn't it be that she slapped herself in the face?” Noila Mo shook her head, her suffocation overwhelmed her breath.

Fortunately, there is also the life-saving straw of her daughter, which supports her to attend the engagement ceremony as usual.

Regardless of whether Noila Mo would like it or not, Gu Jinxin walked to her closet and picked out the linden green tube top dress: “Hey, put it on! Have you ever heard of whether you lose or lose? Ex-boyfriend Get engaged, you can only show up as a winner in your life by dressing up radiantly!”

Winner in life, why does it sound so ironic?

“Xiang Hanwei is definitely going to tease you a few words. At that time, you will have a small chest and kill her directly with your beauty! This feeling is so happy!” Gu Jinxin spared no effort to lobby Noila Mo, ready to take off. T on her body.

Noila Mo stepped back and moved a little bit: “Hey, hey, don't do it, I'll do it myself!”

Gu Jinxin smiled and glared at her: “You can change your clothes, I am waiting for you outside!”

Just as Noila Mo put on the linden green skirt, Gu Jinxin could not wait to knock on the door: “Alright? Let me see. I remember when you wore this skirt last time, you almost fainted me.”

Noila Mo opened the door and stood in front of Gu Jinxin a little uncomfortable: “How about?”

“Oh my God! It’s awesome!” Gu Jinxin screamed exaggeratedly, and circled around Noila Mo: “This lime green is too beautiful for your skin! It’s so beautiful, it’s beautiful, beautiful I’m at my grandma’s house! Ah, ah, I’m going to change my sexuality, I want to engage in lace! Noila, can you be my girlfriend!”

Such exaggerated compliments made Noila Mo laugh: “Will you pay attention to prenatal education! Is there a shameless and skinless mother like you? It’s a shame to the mother upper world!”

Noila Mo looked at herself in the mirror, her fair skin was set off by linden green, her smooth long hair in a lazy bun, noble and elegant. The big, clear eyes and the beautifully shaped lips are light pink, fresh and charming.

It’s really beautiful.

Will Allen Chu regret this kind of self? Noila Mo bit her lip lightly, her heart hurt.

Chapter 227

When I rushed to the hotel with Gu Jinxin, there were already many cars parked on the parking lot outside. The tall style pillars are all tied with champagne roses, and the red pocket goldfish in the glass pillars below are leisurely swimming, and the arrangement is very elegant.

Seeing Pei Jun's figure from a distance, Noila Mo smiled and quipped Gu Jinxin: "Your husband is here, don't you hurry up?"

Gu Jinxin glanced at Pei Jun, the sweetness in his eyes couldn't hide, but he held Noila Mo's arm tighter: "No, I asked him for leave, and I am responsible for staying with you today."

The plain words reveal deep care. Noila Mo's heart warmed. She knew that Gu Jinxin was worried that she would be sad if she was stimulated.

"Jin Xin, don't worry, I'm fine." She smiled hard, deliberately pretending to be relaxed.

Gu Jinxin patted her arm: "Whether you are okay or okay, I will stay with you."

The two smiled at each other and walked towards the hall.

The whole hall is decorated in gold and creamy white. It is very rich and gorgeous. Champagne roses and purple hyacinths are everywhere. The light gold decorative ribbons tie in the shape of concentric knots, which is amazing.

Along the way, many wealthy ladies and ladies greeted Gu Jinxin with a smile, and some people directly grabbed Gu Jinxin to ask: "Jinxin, who is the beauty next to you? Haven't you seen her in the circle before?"

Gu Jinxin winked at Noila Mo and smiled at the lady again: "This is my best friend Noila Mo. She is single now. If you have a suitable one, please help introduce it!"

The lady's eyes lit up: "Really! How old is it? My brother just broke up with his girlfriend, and it's about to be empty!"

A soft sneer came from behind: "Mrs. Ji, Miss Mo and your brother are probably not a good match!"

Everyone turned their heads to Hanwei in a white long skirt, with the clouds towering high, and a big bowl of camellia inserted, smiling and standing behind them.

The lady known as Mrs. Ji was very fond of Xiang Hanwei, and asked with a smile: “Hanwei, why is it inappropriate? You can tell, I think she looks pretty good.”

When they talked, they judged her as a commodity.

Seeing Noila Mo’s gradually cooling down smile, Gu Jinxin couldn’t help it, pulling Noila Mo and preparing to leave: “You talk slowly, let’s go first.”

“Hey, don’t go! Jinxin, I haven’t finished speaking yet!” Xiang Hanwei glanced at Noila Mo, her eyes turned into deep jealousy after a second of surprise.

Gu Jinxin didn’t bother to pay attention to her at all, and took Noila Mo’s hand to move forward.

“Jinxin, wait, I’m also curious about what Miss Xiang will say next. Will you leave after listening?” Noila Mo took a deep breath, her smile on her face deeper, so bright that she couldn’t turn her eyes away.

Noila Mo said that, Xiang Hanwei was in her arms, her eyes turned, and she smiled: “Mrs. Ji, your brother is from a well-known family and is also a young director of a listed company. Although she doesn’t need a famous family to find a girlfriend, Shuyuan, at least He is innocent, has not been raised by anyone, has not been a junior, right?”

Xiang Hanwei didn’t name her name, but the meaning in her words couldn’t be more clear. Noila Mo was raised by others and was a junior.

Chapter 228

Madam Ji's eyes on Noila Mo were immediately full of contempt, and she scanned her up and down.

Noila Mo smiled slightly, stepped forward to Xiang Hanwei, and stared straight at her: "Miss Xiang, since you look down on Xiaosan so much, why did you cry and beg Xiaosan to help you meet your boyfriend a month ago??"

My boyfriend can't control it, and I have to rely on another woman to pass a message to see him. This is a great shame to any woman.

Noila Mo's words hit Xiang Hanwei's sore spot, her face changed drastically, her face flushed with anger, and threatened with a low voice: "Noila Mo, don't shame you!"

"Ah, why are you so fierce? Miss Xiang, I remember that you have always been gentle and dignified! Last time you called me and kept crying and pleading, it was so weak that I felt sorry for me!" Noila Moman carelessly She kneaded the rose petals at her fingertips and looked at Xiang Hanwei with a smile.

Both Gu Jinxin and Mrs. Ji were stunned. Gu Jinxin didn't expect Noila Mo to be such a mean person, so she couldn't wait to stick out her thumb to cheer her!

The scars were uncovered by Noila Mo time and time again. Xiang Hanwei tried desperately to prevent herself from yelling out. She waved to the waiter standing by the wall with a stern face, and prepared to let the waiter find a security guard to come over to Noila Mo. Get out.

"Han Wei, have friends? Why is his face so ugly?" Xiang Yicheng walked over here with a purely dressed girl.

When Xiang Hanwei saw her father, she quickly pretended to be nonchalant: "Dad, it's okay, I'm chatting with a friend."

If Xiang Yicheng knew that she couldn't even deal with a junior, he would definitely call her useless again.

Hearing Xiang Hanwei calling Xiang Yicheng's father, Noila Mo looked at Xiang Yicheng a few more times, and when she saw the pure girl next to him, Noila Mo was shocked: This girl, didn't she go to the club with Allen Chu that day That coquettish girl? She would never admit it wrong, the cinnabar mole on the corner of her mouth was too obvious.

What is her relationship with Xiang Yicheng? Noila Mo was secretly curious.

"Dad, who is this?" Xiang Hanwei also saw the girl next to Xiang Yicheng, looking at her a little hostilely.

Xiang Yicheng is lustful, and her daughter is not unaware. But today is her engagement ceremony, mother and maiden family are here, if he is still foolish, it would be too much!

Xiang Yicheng looked like an elderly person: "Hanwei, this is Bai Bingbing, the daughter of my comrade-in-arms. She is still studying. Come, Bingbing, and see my sister."

Bai Bingbing rushed to Hanwei and smiled cleverly: "Sister Hanwei, I always hear my father mention you, saying you are beautiful and sensible, so I want to learn from you!"

It turned out to be the daughter of a comrade-in-arms, with a younger generation. Xiang Hanwei was relieved and smiled at Bai Bingbing with enthusiasm: "Uncle is too rewarding! Today is my engagement, Bingbing, you have fun, don't be restrained."

Noila Mo listened more and more strangely beside him. There was something wrong, something too wrong, this Bai Bingbing's identity was too suspicious!

If she is the game between Allen Chu and Xiang Yicheng, then Allen Chu and Xiang Yicheng will meet for today's engagement ceremony. The possibility of wearing a gang is too great!

After thinking about it, I don't think the explanation makes sense. Noila Mo was secretly attached to this Bai Bingbing and stared at her hard for several times.

Chapter 229

Being so disturbed by Xiang Yicheng, Xiang Hanwei didn't dare to call the security guard to chase Noila Mo away. This was her engagement ceremony, and it was her herself who made the trouble.

But, just let Noila Mo go, she couldn't swallow this breath again, her eyes rolled, and she smirked to pull Gu Jinxin: "Jinxin, will you come and see the cake with me? The cake is too big for me. I'm afraid the worker accidentally breaks it!"

Gu Jinxin took a step back and pulled in Noila Mo's arm: "Don't! You are noble and glamorous, I can't climb high! I'd better go out with Noila to have a hair dryer, it's so boring here!"

Noila Mo and Gu Jinxin turned and left, gritting their teeth with anger towards Hanwei.

"Jin Xin, why do you bother? You and Xiang Hanwei will often meet in the future. I tore my face today, and it will be too embarrassing to meet in the future." Noila Mo was very worried for her friend.

Gu Jinxin smiled proudly: "If you want to be embarrassed, she is also embarrassed by Xiang Hanwei! Noila, wait and see, even if she marries Allen Chu, she will definitely get a divorce! I used to think she was a nice person, and I was really blind. Eyes! I didn't expect her to be so double-sided!"

Noila Mo shook his head: “It’s really hard to tell. She’s an acting school, if she joins the entertainment industry, it’s okay to get a queen.”

Gu Jinxin suddenly remembered something: “Noila, when did you and her Liangzi get married?”

Noila Mo smiled bitterly: “The last time you got married, she and I almost turned our faces off.”

“So early? No?” Gu Jinxin was very strange: “Do you still remember Sihan’s birthday? Didn’t you give me the birthday gift that day, did you leave first? Then Xiang Hanwei went and saw the gift box. When it’s gone, I’m looking for a clerk to repack it for you! At that time, she went to the warehouse to pick it up with the clerk. I thought at that time that she was so kind and she was very loyal to her friends.”

Xiang Hanwei touched Sihan’s gift? Noila Mo chuckled in her heart and asked hurriedly, “Have you followed to go to the warehouse?”

Gu Jinxin shook his head: “No, she said the warehouse smells so big that I am not suitable for going in because I was pregnant. I didn’t go in.”

Gu Jinxin didn’t keep following. Xiang Hanwei and the clerk left Jinxin’s sight with the gift. The gun burned Sihan’s eyes...

A series of events ran through, and Noila Mo shivered with cold all over.

“Noila, what’s the matter with you? Why is your face so ugly?” Gu Jinxin asked worriedly.

“It’s okay, it’s just a bit cold.” Noila Mo stalled. This is her grievance with Xiang Hanwei, she doesn’t want to mix Jinxin in.

In the hidden corner of the safe passage, Xiang Yicheng was squeezed into the corner by Bai Bingbing.

“Uncle Xiang, where do you put your hand? I’m going back to tell my father, let my father scold you!” Bai Bingbing’s voice was low, adding a bit of ambiguity.

Chapter 230

Xiang Yicheng’s hands stroked Bai Bingbing’s body up and down, in a very frivolous tone: “Little fairy, you tricked me into here, making me full of fire, now you’re pretending to be pure again?”

Bai Bingbing smiled: “Didn’t you just introduce to your daughter that I am the daughter of your comrade-in-arms? What’s wrong with calling your uncle?”

Xiang Yicheng stretched out her hand and twisted her buttocks fiercely: “If I don’t say that, how can I bring you to Hanwei’s engagement wedding? My wife is also here, so many people are staring at you! You say you are headstrong and not headstrong, So many banquet parties are not enough for you? You have to come to Hanwei’s engagement wedding.”

Bai Bingbing took the initiative to cater to his caress, and said coquettishly: “People are just curious, I have never seen a rich man’s wedding. I want to come and meet the world.”

Xiang Yicheng squinted to kiss Bai Bingbing’s chest: “Come on, it’s time to go out after a kiss. The ceremony will begin in a while. People who can’t see me by my wife should doubt it.”

Bai Bingbing twisted his waist: “k*ss again!”

She deliberately lowered her voice and seduce Xiang Yicheng.

Xiang Yicheng was so uncomfortable that she was hooked, and wanted to rectify her on the spot. Hatley said: “Just show off! Go to the hotel at night to kill you!”

Bai Bingbing smiled and attached to his ears, and blew into his ears: “Why wait until the evening? After the ceremony is over, you can slip away when the reception begins! I just sneaked up to see it, the third floor suite was empty. Now!”

The hotel is booked by the Chu family. Xiang Yicheng also knew this. Hearing Bai Bingbing’s words, he moved a little: “At that moment you will go up and wait for me. Send me a text message and tell me the room number.”

In the dim light, a weird smile flashed across Bai Bingbing’s eyes, which was fleeting: “Well, then I’ll wait for you, you come hurry up! I really want it today!”

In the hall, the ceremony is about to begin. The photos of Allen Chu and Xiang Hanwei were displayed on the large LED screen in the middle. The handsome men and the beauty of women aroused the guests’ envy and admiration.

Noila Mo and Gu Jinxin stood beside the stage, watching the photos on the big screen with everyone.

Seeing the loneliness in Noila Mo’s eyes, Gu Jinxin curled his lips: “Allen Chu is really utilitarian. He clearly doesn’t like Xiang Hanwei, and he wants to be engaged to her! What a vulgar home!”

Noila Mo replied slowly: “How do you know that he doesn’t love it? Maybe it’s so loveable!”

Gu Jinxin chuckled: “Didn’t you find it? The photos on the big screen, they don’t even have a serious group photo! Some of them were obviously taken secretly by others! It’s just that the camera caught it well, and it looks like that. That’s it!”

Hearing what Gu Jinxin said, Noila Mo took a closer look, and it really was!

The uncomfortableness in my heart has been slightly reduced, and I feel very useless: such a utilitarian and vulgar man, she can't let go!
