Married at First Sight Chapter 2148-Even if Zachary was very good, his money would be too much to spend in several lifetimes, but Serenity insists on earning and spending money on her own.

She said that spending the money she earned was very cool and had no psychological burden.

All his property was given to her, but she seldom spent his money.

“I’m fine. I’m young. I’m in good health and full of energy. I fell asleep so early last night. I feel very energetic now.” Saying that, Serenity sat up and said with a smile: “It seems that I haven’t prepared a love breakfast for you for a long time. I woke up early today, so I will prepare a love breakfast for you.”

Zachary also laughed, “I suddenly missed the ordinary married life when we just got the certificate. Every morning when you wake up, you either cook porridge and noodles yourself, or go outside to pack rice rolls. It was the first time I eat the rice rolls you packed back.

I miss it too, how about we go back to Brynfield to live for a while tonight?”

Serenity: “You decide.”

Serenity had the final say on their family, while Zachary was adoring and loving.

Serenity: “I’ll take a shower first, and I’ll go downstairs to make you breakfast in a while.”

Zachary said: “The kitchen is preparing breakfast now, let’s go on the weekend, we all rest on the weekend, and you can make me a love breakfast.”

“The weekend has just passed, and it will be a few days before the weekend, no, in two days, we have to go to Annenburg, and we will live there two days earlier, I miss Avah.”

Zachary thought for a while and said, “All right.”

Serenity just went to take a bath.

After she came out of the bathroom, her man had already changed his clothes and was sitting in front of the dressing table waiting for her.

Seeing that she even washed her hair, Zachary immediately went to get the hair dryer and said to her: “It’s so early in the morning, why did you wash your hair?”

Serenity: "When I was taking a shower, I accidentally wet my hair, so I just washed my hair together."

Zachary stepped forward to pull her, and pulled her to sit in front of the dressing table, and he dried her hair.

She looked at him through the mirror.

Serenity: "Zachary."

Zachary: "Um."

Serenity: "Will people outside be surprised if they see you drying my hair by yourself? In their eyes, you are the superior Young master York."

Zachary smiled and said: "It doesn't matter what others think, I do what I want to do, as long as I am happy and you are happy, I don't care how others evaluate me, as long as in your eyes, I am a qualified husband will do."

His machismo was in front of her, and he couldn't show it.

He still remembered that when he first got married, he was always centered on himself, always thinking that Serenity would submit to him. The couple easily had conflicts and cold wars, and in the end, he did not change Serenity, but Serenity changed him.

Serenity: "Qualified, you are not only qualified, you are also excellent, you are a model husband."

Zachary smiled.

Getting her approval was the most important thing.

The couple dawdled in the room for a while before going downstairs.

After breakfast, they took a walk in the yard and breathed in the fresh air.

Near eight o'clock, the couple went out together again.

Zachary first sent Serenity to the Vegetable and Fruit Company, and then he returned to York Corporation.

A busy day had kicked off.
