Chapter 1301

Matthew suddenly exerted force on his foot that was stepping on Mole Man, almost causing the man to faint from pain. Matthew said, "I'm asking you a question, not the other way around!"

Mole Man hurriedly answered, "Sir, I...I was wrong...I...I really don't know Monkey..."

A cold light flashed in Matthew's eyes.

"It looks like you really want to die! If that's the case, I'll grant your wish! If you don't answer, I can ask your accomplices, Whoever answers can live!"

Saying that, he stood up and looked at everyone else.

"Is there anyone who wants to live?"

Immediately, a few people shouted, "Sir, I know, I know.."

Man panicked and hurriedly said, "Sir, I-I know the most about Monkey. I used to work under him, and he is still our boss now. These people had only met him once, and they...They don't

Matthew's expression turned frigid.

"You mean, the Ten Greatest Families are also involved in this? Do they really need this money?"

Mole Man immediately shook his head.

"Sir, the Ten Greatest Families are definitely not short of this money. Monkey doesn't provide these things to them. They specialize in supplying beauties to the Ten Greatest Families!"

Matthew asked, "What do you mean?"

Mole Man explained gravely, "The big clubs in Eastshire are said to be full of beautiful women. And where did these beauties come from? Monkey. A lot of them were abducted by Monkey from all over the world." Matthew clenched his fists. He didn't expect that the Ten Greatest Families of Eastshire would even be involved in such a thing.

He looked at Mole Man and said coldly, "Is everything you said true?"

Mole Man swore, "Absolutely! Sir, I swear if I said a single lie, I'd die a horrible death!"

Matthew saw that Mole Man was not

The frontmost goon said, "Monkey isn't here. Why? Did something happen?"

Mole Man looked at Matthew.

Matthew replied in a grave tone, "Let's talk after we go inside."

Those people were a little surprised as they didn't know what Matthew's identity was. However, as he was accompanied by Mole Man, they didn't think too much about it.

After all, Mole Man had been working with them for many years.

As the group walked into the farm, Matthew looked around at his surroundings.

Here, it did look like a farm, so nobody would be suspicious of this place.

However, no one would've expected that this place turned out to be the base of these human traffickers.

Matthew immediately ran to the back, where there was a detached house.

On the surface, it looked like a place where people lived, but when Matthew walked in, he could smell a strong stench of blood, as well as a rancid smell hanging in the air. He quietly opened the door of the room and glanced in from the crack of the door.

The lights were on in the living room, and several goons were sitting on the sofa playing cards.

From the back room, there was a faint sound that sounded like screams of agony.

Matthew frowned slightly and quietly went around the back where he came to the window of the back room and looked in. He saw two people in the room.

One of them was dressed like a butcher and carried a cleaver in his hand.

The other person, on the other hand, said impatiently while smoking, "Oh, hurry up and chop him. What's the difference between this and chopping a dog? Stop wasting time. There are still several of them waiting to be chopped outside."

From his words, it was clear that he didn't think of this child as a human being at all.

With a snap, the goon's leg broke, and he fell to the ground, holding his knees and wailing.

Just as he started screaming, a cold knife was placed on his neck.

The goon immediately begged, "S-Sir, please spare me.."

Matthew stepped on his head and looked at him indifferently.

"Where's Monkey? Where is the little girl he brought back from Eastcliff?"

The goon's face turned pale.

"M-Monkey didn't come back..."

Matthew frowned.

When Tiger and his men rushed over and saw the situation, they were all stunned into silence.

Matthew made them guard the place and take the abductees away.

For some of the more gravely wounded ones, Matthew had treated them in advance, temporarily sustaining their lives.

As for recuperation, it would take time.

After taking care of everything, Matthew got into his car alone and drove straight to Royal Sovereign Clubhouse.

It was located in a relatively remote place, hidden in the mountains and forests.

When Matthew reached the entrance of the clubhouse, he was immediately stopped by a security guard.

When the security guard saw that Matthew was only driving an ordinary car, his expression turned a little disdainful.

He shone a flashlight on Matthew a few times and waved his hand, asking, "Where's your membership card?"

Matthew held up a card and said, "Come and see for yourself. Suspiciously, the security guard leaned over. However, as soon as he leaned his head by the car window, Matthew grabbed him by the neck and started choking him. The other security guard couldn't see the situation in the car clearly, so he asked doubtfully, "What are you doing? Do you have a membership card or not?"

Matthew answered, "I'm here to look for Monkey."

The hostess replied, "Oh, you're looking for Monkey? Sorry, but Monkey is drinking with Young Master Oliver upstairs.

How about you wait here for a minute?"

Matthew said, "I've got something important to talk to Monkey about.Could you take me upstairs first?"

The hostess looked troubled.

"I'm really sorry, mister, but Young Master Oliver doesn't like to be disturbed when he's drinking.Why don't you wait here for a minute?"

Matthew frowned slightly.

Seems like there's no way I could bluff my way upstairs like that, he thought.His eyes flickered for a moment.

Suddenly, he said, "In that case, it's fine.I'll go back to my car and wait for him.Oh, by the way, which room are Monkey and the others in?"

The hostess darted a look at Matthew in surprise.

"Mister, how could Young Master Oliver possibly buy people drinks in a private room? They're on the ninth floor, of course! That's Young Master Oliver's base, after all."

Upon hearing her words, Matthew turned around and left without saying a word.

The man replied in a trembling voice, "Down there...Down there's where the women are locked up and
trained.."

Matthew asked, "Locked up? Trained? What do you mean?"

At this moment, the man dared not try to deceive Matthew anymore, so he hurriedly explained the
situation.

As it turned out, Monkey would send some abducted women here every once in a while to serve Royal
Sovereign Clubhouse's clients.

Of course, these women wouldn't give in when they first arrived, so as soon as they arrived, they would
be locked up in the basement and trained by specialized personnel.

They would be trained until they no longer dared disobey them, upon which they would be gradually
released from the basement to serve the clients.

During the training process, the clubhouse's hatchet men would also sneak into the basement to have
their way with these women.

Such was the case with the man, who had just come up after having his way with a woman down there.

Only then did Matthew learn what the situation down there was like, and his face darkened at once.

He had had some guesses before, but he didn't expect the truth to be even filthier than he had imagined.

To think that such evil lurks behind the facade of such a splendid and glamorous clubhouse! He grabbed the man, having the latter lead the way as they headed straight down to the basement.

Having dealt with the four men, Matthew didn't stay any longer. He continued forward and entered the next room.

The only ones inside the room were a man and a young woman.

The man was forcing himself on top of the young woman in an attempt to rape her.

The woman, who seemed to be in her tender age, fought back desperately, only to get a few slaps from the man in exchange.

She wailed while clutching her clothes in despair, desperately trying to protect her own chastity.

However, the man didn't care that much.

The louder the woman wailed, the more excitedly he laughed.

At the sight of the scene, Matthew stepped forward and grabbed the man by the neck, dragging him out of bed right away.

The man tried to fight back, but Matthew dragged him to the wall and pressed his neck, banging his head hard against the wall several times in a row.

As a result, the man slumped to the ground and fainted with his head covered in blood.

Matthew kept going ahead.

The man next to him immediately nodded.

"Roger that, Leopard!"

Walking up to Matthew in an intimidating manner, he looked at Matthew with an arrogant look on his face, saying, "You brat, I don't care who the f*ck you are, but since you've gotten in here and offended Leopard, you're gonna die! Hmph! And how dare you yell at Leopard? Do you know who he is? Matthew stood with his hands behind his back.
