Chapter 218

Read The Ex-Husband's Revenge By Dragonsky Chapter 218 – The problem with the raw materials was always something that nagged her. Yet, Leon not only develop new high–end products, but he even got rid of that problem for her..

It was absolutely a divine blessing in her eyes!

It was the first time she sincerely acknowledged Leon's abilities!

“T–that... Is he even human?!”

All of the executives in the company had their jaws wide, almost touching the ground. They all looked at Leon like a monster.

Ashwin and George were in an even worse state. They were completely dumbfounded by the shock!

“H–how did this happen...” Ashwin's face was red. His chest constantly heaved, looking like he was about to spit out blood.

He was always a proud and narcissistic person. He never regarded anyone else as worth his notice.

Leon was even an orphan. After that, he was even complete trash with no one to go. Ashwin completely looked down on Leon!

Yet, at that moment, the person he saw as an insignificant ant suddenly displayed unparalleled skill and talent!

It was unbelievable!

“Mister Mercer, Mister Proctor, it's about time the two of you lost the bet! You should be willing to accept the loss if you were willing to take the bet in the first place. Do I need to tell you what you need to do next?” Leon said calmly.

“You...” Ashwin was incredibly furious. He did not want to accept his loss, but there was nothing he could do.

“Mister Wolf, I admit defeat. There's always a mountain higher in the end! Your research and development skills are shocking. I was ignorant! Also, I sincerely apologize for doubting your abilities before this. I hope you won't take it to heart...” George sighed before he bowed to Leon, full of sincerity.

After all, he did not bear any great grudge against Leon. When he saw Leon's abilities, he was quite impressed.

“Mister Proctor, you're being too kind. I was just a bit lucky...” Leon said with a smile.

The other party was being singer, and he was not a petty person. So, he accepted George's apology with a smile.

“Mister Marcer, it's your turn now!” Leon turned over to look at Ashwin.

Ashwin's fists were clenched. He hated Leon immensely at that moment. With his immense pride and dignity, there was no way he was willing to apologize to Leon.

However, a loss was a loss. There was no way he could act any way else in front of the executives of the company.

Otherwise, he would embarrass himself even more!

“Mister Wolf, I was wrong for doubting your skills. I apologize, and I hope you forgive me...” Ashwin lowered his head slightly as he symbolically apologized, feeling very wronged.

“Mister Mercer, your apology is so insincere!” Leon said unhappily.

“Then, what do you want?!” Leon had a sour expression on his face.

“If you're bowing, you should do it properly. At the very least, bend down your back and lower your head. What? You're a vice president. Do you not know something so simple?!” Leon mocked.

“Leon, I'm warning you. Don't cross the line!” Ashwin glared.

“What line? This is such a joke! If you're willing to bet, then accept your loss. If you can't, then you shouldn't have bet against me in the first place!” Leon sneered.

“You... Fine!” Ashwin was infuriated, but he still bent down his back and lowered his head in the end, giving a deep bow.
