The Secret Heir Return To Wealth And Love Chapter 831

Chapter 831

The pair chatted for a bit

Rosalynn noticed, through the floor to ceiling windows, Mike was pacing back and forth in the little garden, occasionally glancing towards the house

He seemed a bit anxious And it's not easy to make Mike anxious.

"Hold on a sec"

Rosalynn patted Paige's hand

Paige let her go. unconsciously looking towards the floor-to-ceiling windows, "is it, Mike?"

Yeah he's got something to tell me. I'll go ask

"Alright, you go ahead"

Rosalynn got up and stepped through the sliding door beside the floor-to-ceiling windows

Gabriella Mike approached immediately

"What's up?" Rosalynn asked

Mike furrowed his brows. "It's not about m. Could I ask, **have** you been in contact with Calvin these past days?"

Rosalynn was taken aback, then shook her head, "Calvin doesn't reach out to me unless it's necessary What's up? You can't reach him?"

Not just me Laura also said she couldn't reach Calvin As you know, when Calvin isn't with you, he has Laura send him videos daily. But Laura said, Calvin hadn't responded to her for two days Even the news about your near assault, he didn't **ask** about it" Mike said gravely

His anxiety was growing

"Gabriella, can you ask Mrs Jared if Calvin is **safe**?"

"Sure"

Rosalynn also found Calvin's disappearance strange

She unlocked her phone and opened WhatsApp

Her latest call with Hilaria was yesterday at 1 PM when she called Hilaria to inform her about Wayne's injury.

At 7 PM, Hilana called, but she missed it.

She tried calling back

No answer

That was the entire record.

Mike anxiously watched as Rosalynn dialed Hilaria directly.

A shocking scene occurred

The message interface showed that Hilaria wasn't Rosalynn's friend, asking her to add her before sending messages

What's going on?" Mike was scared

Rosalynn's face turned grim

She dialed Hilaria's mobile number directly, only to get a cold mechanical voice. The subscriber you dialed is currently unavailable"

“Oh my god

By this point, Mike **had** already sensed **that** something might be wrong.

“Contact all of grandma’s bodyguards immediately Rosalynn said gravely, then dialed the company

Paige ran out of the house

Rosalynn something big happened!”

Rosalynn frowned instantly

“Breaking news, Jason Jared of the Jared Group passed away this morning in the Jared Group’s hospital Hilaria, the chairman of the Jared Group. collapsed due to extreme grief and remains in a deep coma despite rescue efforts

Fast news, the Jared Group is about to hold a major shareholding change meeting, and Hilaria’s eldest son, Latham, may be the new chairman of Ms Alyssa

The comment section of this news was filled with confusion.

Latham? Didn’t you say that he and Hilaria had cut off their mother son relationship a long time ago. How come hes going to be the next chairman?”

I smell a conspiracy Rumor has it that Hilaria’s granddaughter was her handpicked successor How come it’s her eldest son now?”

To my knowledge because Gabriella was foolish in love and insisted on marrying the notorious Wayne who has an illegitimate daughter it **angered** Hilaria to the consortium did not choose her”

This topic was trending

In just over ten minutes, there were over ten thousand comments

The discussion was heating up

Chapter 832

“If you don’t know the full story, keep your mouth shut, okay? Gabriella isn’t Hilaria’s granddaughter at all. This is a complete fraud, so she doesn’t have a claim on the inheritance Hilana has two sons. One passed away, so the estate obviously goes to the eldest son. What’s else is there to discuss?”

Within half an hour, the news that Gabriella **wasn’t** Hilaria’s granddaughter was buzzing everywhere, here and abroad.

Some authenticated accounts and people connected with the wealthy were exposed and accuse Gabriella of being a fake granddaughter

Rosalynn didn’t care at all about these things.

She’s been hustling, trying to get the lowdown on Hilaria’s situation.

At present, the top management of the Jared Group was in chaos, with only some people answering Rosalynn’s phone calls.

They’re also in the dark about Hilaria’s situation.

Their main concern was the upcoming shareholders’ meeting

Gabriella, Gabriella, don’t panic about the inheritance rights Take out Hilaria’s will, whether it’s biological or not, the group will still be yours to **inherit** Forget about Hilaria for now, Gabriella, get your butt back to headquarters immediately!!”

Telephone calls were all about this kind of thing.

“Ms. Jared, we can’t reach Mrs Jared’s attorney. The will is in his office, we’ve already sent people over

Rosalynn sat on the couch, her eyes filled with anger.

More likely than not, something’s happened to the lawyer and the will is probably gone for good.

“Sweetie, I can’t find out which hospital your grandma is in Paige came back in, saying deep voice. Rosalynn clenched her fists

They won’t have killed her Rosalynn said quietly. “Unless they’re sure they’ve secured the company, he and Yvonne wouldn’t be so rash to make a move.” “Right! Paige quickly agreed. “We’ll definitely find Hilaria!”

Just then.

Wayne strode over. The plane's all set Let's head to the company first Since Latham is calling for a shareholders' meeting, he'll definitely be there. Confronting him directly is the best move!"

"Ok" Rosalynn nodded, "Cory and Ivy will be left with."

"Leave them with Paige and Baillie Wayne interrupted without hesitation, "I'm coming with you"

Rosalynn glanced at him.

In the end, she didn't refuse

She needs to find Hilaria, the more help she has, the higher the success rate she gets

Thanks Rosalynn said

"Go talk to Ivy and Cory, and then we can get going "Wayne said gently.

The atmosphere at home was a bit strange.

Cory and Ivy could sense it

So, when Rosalynn walked in

Ivy immediately ran over to her

Rosalynn looked at Ivy, her heart aching as if it had been scraped with a knife.

Why did Rosalynn let Hilaria leave on her own?

At least for the sake of

She's old facing the imminent death of her son, she should have had someone with her.

Rosalynn thought to herself You're a damn fool!

Mommy Ivy hugged her "What's wrong? Mike seemed really angry outside

Its okay Rosalynn gently kissed her cheek. "Mommy's work ran into some trouble, **daddy is** going to help Mommy deal with it, you and brother will **need** to stay here with Paige for a few days

"Okay!

Surprisingly Ivy didn't ask **too** many questions

She let go of Rosalynn, **and** with her chubby little hands, gently touched her cheek, “Mommy, don’t work too hard, let daddy handle things”

“Okay” Rosalynn smiled, kissed Ivy again, then turned to Cory

Cory was looking at her with a complicated expression

Clearly he already **knew**

Chapter 833

Rosalynn put Ivy down and hugged Cory tightly, “Don’t worry, I’ll bring her back home”

“You must “Cory’s voice was soft but tinged with sobs.

Earlier in the study

Wayne took a phone call, and his face changed.

When he came out, he saw his mom **was** furious.

He realized things might be a bit serious.

So he went online to do some research

He didn’t need to dig too much the news about the Jared Group’s troubles was all over the place.

“Take care of yourself” Rosalynn kissed Cory on the forehead and whispered

Before Rosalynn left, Jaime rushed back.

“I’m coming with you” Jaime seemed afraid of refusal and added, “Cory and I have agreed. If we need to go undercover, I’ll be there to coordinate with Cory

“Okay Rosalynn agreed

“Wayne, I handed Rosalynn over to you. It would help if you protected her Don’t let those guys from the Jared Group bully her!” Paige said with a choked

Voice

“I will

Wayne responded immediately

Then he left with Rosalynn for the airport

Upon arriving at the airport

As they got off the car, Wayne suddenly noticed the car's dash cam he thought for a moment, and sent out a message

Then he went with Rosalynn to the VIP channel

Despite their stealthy departure, it didn't take long for news of Rosalynn and Wayne at the airport to spread all over social media.

Though Wayne's move didn't make it to the trending list

Still, the discussion was **heated**.

is she going back to fight for her inheritance?"

"Honestly, it's not right for a married woman to go back and fight for her inheritance"

"Her father's dead Isn't she allowed to mourn?"

"What, father? The Internet has **dug** up everything. Gabriella is not Jason Jared's daughter The information is all wrong. It's more believable that she's Latham's"

I feel like things will get juicy in the next few days"

After a **ten**-hour flight

The cabin was peaceful

Even the usually noisy Jaime was silent, typing **away** on his laptop.

Wayne sat next to Rosalynn.

He was constantly observing Rosalynn's mood

He knew she was too good **at** enduring pain.

Throughout the journey, Rosalynn hardly ate or drank, constantly checking messages from various parties

Most of them were about the Jared Group

Over the years, Latham had been quietly dealing with many shareholders of the Jared Group

Now Rosalynn was certain that about 30% of the votes would definitely support Latham

If she can't produce the will at the shareholders meeting and hasn't inherited Hilaria's 54 % stake, Hilaria's shares will be distributed according to inheritance law

Rosalynn's birth certificate was not under Hilaria's name

It was to prevent her from being found by Wayne

With a will, Rosalynn can't get Hilaria's shares and Latham might even get **most** of the shares

By then, it would be inevitable for Latham to take over the Jared Group

Take a rest

Wayne gently comforted Rosalynn

We have **a** tough fight ahead when we get there How can you fight without rest?"

Rosalynn thought for a moment and said, "When we get there, we'll split up. You'll work undercover to find Hilaria. If that fails, tie up those two villains. **Latham** and Yvonne!"

Chapter **834**

"Sure, I've already arranged for the people and cars They'll all start showing up once we get there, Wayne said Wayne took her cold hand and felt heartbroken, "Take a break, will you? Ill wake you up when we have news."

Rosalynn didn't say a word

But she put down her laptop

She knew she wouldn't be able to sleep anyway.

Closing her eyes, all she could picture was Hilaria.

She couldn't care less about the **Jared** Group

All she wanted was for Hilaria to be alive, to return to her side safe and sound.

The cabin lights were dim

Wayne watched Rosalynn as tears kept rolling down her cheeks. His heart ached with frustration and worry

Whoever **was** behind all this

Once they found Hilana, he would make those motherfuckers pay a terrible price!

The hospital room was heavily guarded

Hilaria lay there, an oxygen mask on her face.

All the medical equipment **was** working smoothly

Yvonne's eyes were swollen from crying. She had to make herself look even more pitiful for the media tomorrow.

"You're doing a great job"

At that moment, Yvonne glanced at the person next to her

"Once we get the Jared Group, her life can end. Then, the Jared Group's medical empire will be all yours," Yvonne said, wiping **away** more tears. "By the way, Gabriella's on her way here with her husband. Those couples can't stand to be apart."

"You don't need to keep harping on it," the man said, his voice filled with disgust. "We're at this point already. We either all rise together or fall together." Yvonne looked **at** him.

Her eyes were filled with undisguised admiration. "Alright, I'll leave this to you then. I've got to deal with Jason Jared's funeral. Catch you later." With that, Yvonne turned and left, still sobbing.

The man didn't spare her a glance. His gaze slowly drifted over the thick glass to Hilaria, unconscious on the hospital bed.

A moment later, his phone buzzed in his pocket.

He looked at the message from Paige.

"Noah Holland, something's happened to Rosalynn. You've got a lot of connections in the medical field. Can you help find out which hospital Granny

Hilaria's in?

He glanced at it coldly.

He turned off his phone, didn't look at Hilana again, and left.

Yvonne had **just** returned to the funeral.

Latham came over with a serious look on his face. "Have you seen Lydia Jared?"

"Lydia? Isn't she here?"

"She was here crying over Jason when you left. The final farewell is about to start, but she disappeared." Latham said in a low voice. "She **didn't** run away, did she?"

Where could she possibly go?" Yvonne's **eyes** flashed with cold light "She's useless, **and** she's got a **child** with her Where could she possibly escape to?" Yvonne looked around She spotted a skinny man in the corner and waved him over

The man was gloomy and looked like he needed to be more fitting

Find Lydia" Yvonne whispered to the man Then, stage a scene where she ends her life to follow her husband understand?"

"Got The man nodded and turned to leave

Yvonne reminded him, 'Make the scene as realistic as possible Don't let the police **find** any issues"

"I never leave loose ends"

After the man had left

Yvonne wiped away a few more tears

"Honey, that's enough Your eyes are all swollen from crying! Latham looked **at** her with sympathy it's heartbreaking" Who do you think I'm doing all this for? Yvonne huffed Tsn' t it all for helping **you** take back the Jared Groups assets?"

Chapter 835

The two are making out in a hidden room.

Lydia was glued to the surveillance video, watching Latham and Yvonne's affectation.

She gritted her teeth with hatred

Why the hell aren't you guys killing them!" Lydia turned her head and yelled at them, I don't need your protection. These two couples are the reason for my husband's death Hilaria and your boss are in danger. You should be taking them out!"

"Madam, I'm sorry, but we're just following the old lady's orders," one of the bodyguards responded in a low voice, "Our job is to get you and the young masters safely to Gabriella"

"Will she come?" Lydia asked desperately, What good will it do? These evil people are on a killing spree, haven't you seen the news? She doesn't even have rights to the inheritance anymore."

Regarding the current situation, these bodyguards were also very desperate.

Calvin's fate was unknown, and if it hadn't been for the old lady sensing something was off, they would have been killed in a car explosion last night. "At least under Ms Gabriella, you and your children can survive," another body guard spoke in a low voice

Lydia froze

Then she started sobbing uncontrollably

What's the point of living""

Before the plane landed, Rosalynn had managed to catch some nap

But she kept hearing Hilaria calling her name in her dreams

She wanted to open her eyes, but she just couldn't. It was pitch black in her dream she couldn't see where Hilaria was.

"Don't worry I'm here"

At that moment, far away, she heard Wayne's voice.

Her panic slowly subsided.

After a while, the plane began to land, and Rosalynn finally woke up from her nightmare

"Are we there?" she asked hoarsely

Wayne handed her some warm water, Yeah, the plane's landing. Have some water

Rosalynn took it from him.

She drank a whole glass of water in one gulp

Putting down the glass, Rosalynn looked at Wayne, "As soon as the plane lands, we're calling the police

"Call the police?" Wayne was taken aback

"Yes! Call the police!

There was determination in Rosalynn's eyes, "Not only are we calling the police, we're going to make a huge fuss about it Make sure everyone knows" Wayne didn't know what she **was** planning.

But he agreed without hesitation, "I'll take care of the media"

‘Good‘

The plane landed smoothly at the airport

The car that was there to pick Rosalynn up had arrived early

Without any hesitation Rosalynn had them drive straight to the police station

About half an hour later the news that Gabriella reported Hilaria missing made headlines all over the media.

She even gave an interview to the swarm of media right outside the **police** station.

As you all know, Hilaria has publicly announced that she's cutting ties with Latham Now, **my** perfectly healthy Jason Jared has mysteriously passed away and Hilaria has gone missing According **to** Latham, Hilaria is in **a** coma due to extreme gnel

Rosalynn faced the media with **a** calm demeanor, saying 'At the moment, Latham is refusing to share any information about Hilaria's condition, **and** he's also not letting me see her Considering the conflict between him and Hilana, I'm really worried about her, and I doubt his statements So, I have no choice but to seek help from the police and the media"
