

THE VIRGIN'S REVENGE

Chapter 17 We can't let our son marry a whore.

"Mr. Valdez it's a pleasure having you over," Betina motioned for them to sit down.

"Thank you but we aren't going to sit," Rodolfo said trying to keep calm.

"Why is that so and where is Calvin i thought he'd be coming along?"

"Calvin won't be coming....."

"Regina please," Rodolfo stopped her.

He knew what she'd spill out.

"Betina we are calling off the engagement."

"Wait.....what.....why.....what do you mean you're

calling off the engagement?" Betina asked frantically.

Bethany came in just at the right time but she didn't make her presence known.

"You're really something Betina....no Rodolfo don't stop me from speaking my mind out to this avaricious woman," Regina said piqued by how pretentious Betina was.

"Betina do you honestly think we can let our only son and child get married to a street slut, all this time you kept it from us.....she continued seeing the bewildered look on her face..what so you thought we wouldn't find out about her assault."

"Who gave you the right to insult her like that?"

A voice came in from the door.

"And who the hell is this wretched street dog?"

Regina asked indignantly.

"This wretched street dog is Bethany's bestfriend who in fact is about to have you sent to the hospital,"

Larissa promptly grabbed a hold of Regina's hair pulling it like her life depended on it.

When Lucian noticed a change in Betina's mood and her gift to Bethany, he knew something was off so he called for Lariisa who came in right on time.

Stuart and Rodolfo stopped the two from murdering each other.

"Let me go Mr. Rivera i want to show this bitch what a street dog is capable of," Larissa said trying to get out of Stuart's hold.

"Enough Regina," Rodolfo scolded.

"Mr. Mayor i think it would be best if you left my house," Stuart said still holding Larissa.

"I'll make you pay," were the last words Regina yelled out.

"Mom, how could you do this?" Bethany finally said something after all the scuffle.

She couldn't believe her own mother would plan a marriage behind her back was she that cheap and futile to her.

"I want you out of my house." Betina said with a look of raw disgust and wrath.

"Excuse me, Stuart said still skeptical about what he had just heard.

"You heard me perfectly well Stuart i want Bethany out of this house and it's either she leaves or i will."

Bethany was flabbergasted at her words how could she put Stuart to such a hollow test.

"Betina this is absurd."

Beth

"Mrs. Rivera you can't kick your daughter out in the streets."

"Shut your trump Larissa this is all your fault right from the very start i hated the idea of you being close to my daughter, if you hadn't insisted on holding her party at your place non of this would've happened, Bethany wouldn't have been assaulted," she shouted.

"Do you know what they call her Larissa, well I'll tell

you a whore, some prefer slut do you know how it feels to walk past the streets and everyone is pointing at you calling you names."
