

Chapter 5589

“Empty city plan?!”

Hearing Charlie’s words, Maria and Jeremiah were puzzled.

They naturally know the allusion to “Empty City Strategies”.

In “The Romance of the Three Kingdoms”, Zhuge Liang faced the siege of Sima Yi’s 150,000 army.

Going up, playing the piano while waiting for Sima Yi’s army.

When Sima Yi’s soldiers approached the city, they saw Zhuge Liang playing the piano with a smile on the top of the tower, contentedly.

However, they couldn’t figure out why Charlie will sing this “Empty City Strategies” to Victoria.

Charlie wants to climb up the tower and play it calmly like Zhuge Liang?

Jeremiah was the first to persuade him, “Mr. Wade, the reason why “Empty City Strategies” worked was because Zhuge Liang made Sima Yi fearful.”

“Victoria will definitely send those three elders to test your details,”

“She will be afraid of you only if you are in the dark, and once you are in the light,”

“She will only force you to fight you to the death...”

Maria couldn’t bear it either. She can’t help persuading,

“Yes, master, I also think that what Jeremiah said is reasonable.”

“At this time, the possibility of Master trying to scare Victoria away is almost zero.”

“It is better for me to advise you not to take risks...”

Charlie saw two were persuading him not to take risks,

But instead, he laughed out loud and said with an unfathomable face,

“You two, don’t doubt my IQ, I’m not stupid enough to take the initiative to expose myself to Victoria.”

When they saw Charlie smiled very confidently and was even more puzzled in their hearts.

Maria guessed that Charlie was so confident that he must have a perfect plan, so she asked,

“I don’t know if you have any tricks,”

“You might as well tell me and Jeremiah to learn from it.”

Charlie said with a smile, “Both of you have much richer life experiences than me,”

“So you can’t talk about learning from me. The most we can do is make progress together.”

Then, Charlie stood up and said, “Wait a minute, both of you. Let me show you something.”

The two could only suppress the doubts in their hearts,

Watched Charlie get up, and took out a scroll from the safe.

Maria had already guessed a little bit, and couldn’t help asking,

“The scroll in the master’s hand, could it be the portrait of the master?!”

Charlie nodded, brought the painting in front of the two of them,

And spread it out on the coffee table in the middle.

When it opened, a lifelike and peerless painting appeared vividly on the paper.

Maria looked at the old man with the fairy wind and crane bones in the painting,

And couldn’t help exclaiming with admiration, “So this is the true face of the old man, Shigong...”

“It really is like what my father said, the spirit is extraordinary, and the fairy wind is ethereal!”

Jeremiah asked in surprise,

“This...is this the master that Victoria often talks about, Meng Changsheng?!”

Maria exclaimed, “Victoria told you about the master?”

Jeremiah said, “Victoria in front of the four of us, she often mentioned Senior Meng and the past when she worshiped under Senior Meng.”

“She said these things in order to give us a picture,”

“To let us know that a journey of cultivation can lead to a thousand years of longevity,”

“And let us follow her even more wholeheartedly.”

Maria pointed and nodded and sighed, “If she doesn’t get the Hundred Turns Thousand Return Pill,”

“Victoria could live another hundred years at most.”

“She must have started to feel anxious by now.”

Jeremiah smiled, and said in agreement, “What Miss Lin said In other words, in the past two years, Victoria has obviously become more anxious than before.”

“In the past few decades, she has never worried about aging.”

“After all, her appearance has not changed a bit for hundreds of years,”

“But in the past two years, she started to pay attention to skincare,”

“Sometimes I can smell the smell of skin care products when I pass by her,”

“I think she is afraid of aging.”

Maria sneered, “What is supposed to come will always come, what’s the use of being afraid.”

After finishing speaking, she pulled her thoughts back to the painting in front of her,

And suddenly understood Charlie’s plan.

So she widened her eyes for a moment, and asked Charlie with great joy,

“Master... Could it be that you want Master to sing “Empty City Strategies” for you?”

And Charlie saw that Maria was really smart, she could tell a little bit,

He couldn’t help saying excitedly, “Miss Lin’s guess is right!”

“I just want to work hard for Old Ancestor Meng to sing “Empty City Strategies” for me!”

Jeremiah felt she couldn’t keep up with the two of them, so she asked anxiously,

“Mr. Wade, what do you and Ms. Lin mean?”

“Hasn’t Old Ancestor Meng passed away for hundreds of years? How can you let him sing for you?”

Charlie looked at Meng Changsheng in the painting, and asked Jeremiah,

“Miss Jeremiah, from your point of view, why would Victoria send the three elders to Aurous Hill?”

“Uncertainty, the An family is unharmed, Victoria is not sure who the enemy is,”

“How many enemies there are, the strength of the enemy is not sure, and whether the enemy is dead or not,”

“These are all based on what she wants to find out.”

“In addition, she definitely wants to continue attacking the An family.”

Charlie nodded, and said, “Miss Jeremiah is right, these are all things Victoria is in a hurry at the moment.”

As he spoke, Charlie pointed at Meng in the painting.

Asked her, “Miss what do you think, how many people in this world can recognize the person in this painting as Patriarch Meng?”
